

Senate Resolution 834

By: Senators James of the 35th, Davenport of the 44th, Paris of the 26th, Fort of the 39th,
Tate of the 38th and others

A RESOLUTION

1 Urging health and wellness initiatives around this state to raise public awareness on
2 constituency health and wellness issues; and for other purposes.

3 WHEREAS, constituents deserve an initiative for their engagement and participation in
4 health care strategies; and

5 WHEREAS, neighborhood, community, faith, and small business leaders should be the
6 cornerstone of engagement of such strategies; and

7 WHEREAS, health care providers deserve a strategy for communication, participation, and
8 impact with respect to health care.

9 NOW, THEREFORE, BE IT RESOLVED BY THE SENATE that the members of this body
10 urge the initiation with all deliberate speed of health and wellness initiatives around this state
11 to raise public awareness on constituency health and wellness issues.
