

Senate Resolution 1011

By: Senators Hill of the 32nd, Rogers of the 21st, Cowser of the 46th, Goggans of the 7th and Crane of the 28th

A RESOLUTION

1 Urging Congress to enact the FairTax and expressing the State of Georgia's commitment to
2 ratify the repeal of the 16th Amendment and to conform the existing state tax code
3 accordingly; and for other purposes.

4 WHEREAS, the FairTax was introduced in the United States House of Representatives and
5 Senate and is the most widely supported fundamental tax reform proposal in Congress; and

6 WHEREAS, the FairTax replaces all federal, corporate, and personal taxes with a single,
7 progressive 23 percent consumption tax on new goods and services and allows Georgians to
8 keep 100 percent of every paycheck, as well as repeals the 16th Amendment; and

9 WHEREAS, it is designed to be revenue neutral and will not reduce federal revenue, only
10 make its collection simple, fair, and transparent; and

11 WHEREAS, the FairTax would eliminate all hidden and embedded costs in the retail prices
12 of goods and services and would save Americans hundreds of billions of dollars in annual
13 compliance costs; and

14 WHEREAS, social security and medicare are currently underfunded by the existing payroll
15 tax system, and by replacing this unsustainable structure with two dedicated and stable
16 FairTax revenue streams, the programs would be fiscally sound for generations to come; and

17 WHEREAS, the FairTax would provide every American household with a monthly pre-bate
18 equal to the consumption tax spent on purchases up to the federal poverty level so that
19 Georgians can purchase the basic necessities of life tax-free; and

20 WHEREAS, the FairTax would instantly make businesses more competitive, allow trillions
21 of dollars in private investment to grow the economy, and create thousands of jobs during
22 a time of severe economic hardship for millions of Americans.

23 NOW, THEREFORE, BE IT RESOLVED BY THE SENATE that the members of this body
24 join in urging Congress to adopt the FairTax and repeal the 16th Amendment, committing
25 to promptly ratify the repeal of the 16th Amendment, and conforming Georgia's current tax
26 code accordingly.

27 BE IT FURTHER RESOLVED that the Secretary of the Senate is authorized and directed
28 to transmit an appropriate copy of this resolution to the Georgia congressional delegation.
