36 (c) A person shall be eligible for appointment to serve on the commission if such person:

37 (1) As of the date of his or her appointment, is registered to vote for federal and state  
38 offices in Georgia and was registered to vote in the two most recent state-wide November  
39 general elections held in Georgia;

40 (2) Is not a current member of the General Assembly and does not hold any federal or  
41 state elective office while serving on the commission; and

42 (3) Certifies and agrees at the time of such person's appointment that such person will

44 commission and for a period of two years thereafter.

45 (d) Vacancies on the commission shall be filled in the same manner in which the original  
46 appointment was made.

47 (e) Members of the commission shall be reimbursed for expenses incurred in the

49 General Assembly. The General Assembly is authorized to provide for the payment of  
50 reasonable compensation to the members of the commission. The General Assembly shall  
51 provide adequate funding to the commission, including the employment of a competent  
52 staff, in order for the commission to carry out its duties. The General Assembly shall  
53 provide adequate funding for the representation of the commission in any litigation; and  
54 the Department of Law shall have the responsibility for such representation.

55 (f) The commission shall have the following duties:

56 (1) To create proposed congressional and House of Representatives and Senate  
57 legislative districts for submission to the General Assembly for approval or rejection;

58 (2) Prior to developing a proposed plan or making any recommendations, to conduct  
59 public hearings throughout all areas of this state, including at least one hearing in each  
60 congressional district in this state, after adequate advance notice to the public so that all  
61 interested citizens have a reasonable opportunity to express their views with regard to  
62 redistricting plans; and

- 63 (3) To conduct meetings, discussions, and deliberations in public and provide ample  
 64 notice of the meetings of the commission to facilitate public participation and attendance.

 67 (1) The plan shall be in compliance with the Constitutions of this state and the United  
 68 States;  
 69 (2) The plan shall be in compliance with the federal Voting Rights Act of 1965, as  
 70 amended;  
 71 (3) The plan shall contain only contiguous districts;  
 72 (4) The plan shall contain districts that are as compact as possible or practicable;  
 73 (5) The plan shall maintain communities of interest, as determined by the commission  
 74 from time to time to the extent that it is reasonably possible to do so; and  
 75 (6) The plan, if for congressional redistricting, shall provide for zero deviation among  
 76 the districts and, if for legislative redistricting, shall provide for as close as practicable  
 77 to zero deviation among the districts.  
 78 (h) The commission shall, no later than July 1 of the year following the year in which a  
 79 United States decennial census is conducted and as soon as practicable following a court  
 80 ordered redistricting, submit its report with a proposed congressional redistricting plan, a  
 81 proposed redistricting plan for the House of Representatives, and a proposed redistricting  
 82 plan for the Senate to the General Assembly for approval. Such plans shall be voted upon  
 83 by both houses of the General Assembly without amendment. If either house of the  
 84 General Assembly declines to approve a plan, the plan and the report shall be returned to  
 85 the commission with such specific suggestions as the Senate or the House of  
 86 Representatives, as applicable, believes would eliminate the basis for disapproval of the  
 87 plan. The commission shall then meet and revise the plan and submit a new report and  
 88 proposed plan to the General Assembly within 15 days following the disapproval of the  
 89 plan. Such revised plan shall be voted upon by the General Assembly without amendment.  
 90 If either house of the General Assembly declines to approve the revised plan, the General  
 91 Assembly shall proceed to formulate and enact a redistricting plan on its own.  
 92 (i) Upon the approval or final rejection of each of the proposed plans by the General  
 93 Assembly, the commission shall be dissolved."

94 **SECTION 2.**

95 This Act shall become effective upon its approval by the Governor or upon its becoming law  
 96 without such approval.

97

**SECTION 3.**

98 All laws and parts of laws in conflict with this Act are repealed.
