

House Resolution 1603

By: Representatives Hamilton of the 23rd, Collins of the 27th, Dudgeon of the 24th, Byrd of the 20th, Hill of the 21st, and others

A RESOLUTION

1 Recognizing the destructive and insidious nature of the United Nations Agenda 21; and for
2 other purposes.

3 WHEREAS, the United Nations Agenda 21 is a comprehensive plan of extreme
4 environmentalism, social engineering, and global political control that was initiated at the
5 United Nations Conference on Environment and Development (UNCED) held in Rio de
6 Janeiro, Brazil, in 1992; and

7 WHEREAS, the United Nations Agenda 21 is being covertly pushed into local communities
8 throughout the United States of America through the International Council of Local
9 Environmental Initiatives (ICLEI) through local "sustainable development" policies, such as
10 Smart Growth, Wildlands Project, Resilient Cities, Regional Visioning Projects, and other
11 "Green" or "Alternative" projects; and

12 WHEREAS, this plan of radical so-called "sustainable development" views the American
13 way of life of private property ownership, single-family homes, private car ownership and
14 individual travel choices, and privately owned farms all as destructive to the environment;
15 and

16 WHEREAS, according to the United Nations Agenda 21 policy, social justice is described
17 as the right and opportunity of all people to benefit equally from the resources afforded by
18 society and the environment which would be accomplished by socialists and communist
19 redistribution of wealth; and

20 WHEREAS, according to the United Nations Agenda 21 policy, national sovereignty is
21 deemed a social injustice.

22 NOW, THEREFORE, BE IT RESOLVED BY THE HOUSE OF REPRESENTATIVES that
23 the members of this body recognize the destructive and insidious nature of the United

24 Nations Agenda 21, endorse rejection of its radical policies and of any grant monies attached
25 to it, and recommend exposing to the public and public policymakers the dangerous intent
26 of the plan.

27 BE IT FURTHER RESOLVED that the Clerk of the House of Representatives is authorized
28 and directed to transmit an appropriate copy of this resolution to the public and the press.
