10 secondary education, is amended by revising subsection (a) of Code Section 20-2-186,
11 relating to allocation of funds for local systems to pay beginning salaries of superintendents,
12 secretaries, accountants, nurses, and certain other personnel, as follows:

13 "(a) Funds provided under this article shall include the following for local systems to pay,
14 on a 12 month basis, the beginning salaries of superintendents, assistant superintendents,
15 and principals and the salaries of secretaries, accountants, and nurses, subject to
16 appropriation by the General Assembly:

17 (1) Each local system shall earn, for any number of full-time equivalent students equal
18 to or under 5,000, funds sufficient to pay the beginning salaries of a superintendent and
19 two assistant superintendents and the salaries of a secretary and an accountant; and

20 (2) For numbers of full-time equivalent students over 5,000 and less than 10,001, funds
21 sufficient to pay the beginning salaries of a superintendent and four assistant
22 superintendents and the salaries of a secretary and an accountant; and

23 (3) For numbers of full-time equivalent students over 10,000, funds sufficient to pay the
24 beginning salaries of a superintendent and eight assistant superintendents and the salaries
25 of a secretary and an accountant; and

26 (4) Each local system shall earn funds for the 2000-2001 school year sufficient to pay
27 the beginning salary of a principal for each school in the local school system with a
28 principal of record for the preceding year. Thereafter, each local school system shall earn
29 funds sufficient to pay the beginning salary of a principal for each school in the local
30 school system that reported a principal on the October certified personnel information

34 combination school of any of the middle grades, grades six through eight, contiguous
35 with one or more of the elementary grades or contiguous with one or more of the high

42 with separate facility codes issued by the Department of Education. A local school system
43 shall earn funds in the midterm adjustment sufficient to pay the beginning salary of a

54 licensed practical nurses. Such funding shall be based on a contract length of 180 days
55 and shall be sufficient to pay 50 percent of the average salary and benefits, as determined
56 by the Department of Education, for a registered professional nurse or for a licensed
57 practical nurse; provided, however, that such amount shall be phased in so that, in Fiscal
58 Year 2013, such amount shall be 40 percent and, in Fiscal Year 2014, such amount shall
59 be 45 percent. Local school systems shall not be required to provide any local matching
