The commissioner is authorized to promulgate rules and regulations for the purpose of delegating to such tag agents the custodial responsibility for properly receiving, processing, issuing, and storing motor vehicle titles or registrations, or both.

(b) The state revenue commissioner is authorized to further designate each such tag agent as a sales tax agent for the purpose of collecting sales and use tax with respect to the casual sale or casual use of a motor vehicle. For purposes of this Code section, 'casual sale' or 'casual use' means the sale of a motor vehicle by a person who is not regularly or systematically engaged in making retail sales of motor vehicles and the first use, consumption, distribution, or storage for use or consumption of such motor vehicle purchased through a casual sale. Such class of tangible property shall be divided into two distinct and separate subclasses of tangible property with one subclass including heavy-duty equipment motor vehicles as defined in Code Section 48-5-505 and the other subclass including all other motor vehicles. The procedures prescribed by this article for returning motor vehicles, excluding heavy-duty equipment motor vehicles as defined in Code Section 48-5-505, for taxation, determining the applicable rates for taxation, and collecting the ad valorem tax imposed on motor vehicles shall be exclusive.

(2) This subsection shall not apply to motor vehicles subject to Code Section 48-5-441.1.

(6) 'Rental motor vehicle concern' means a person or legal entity which owns or leases five or more rental motor vehicles and which regularly rents or leases such vehicles to the public for value.

(7) 'Trade-in value' means the value of the motor vehicle as stated in the bill of sale for a vehicle which has been traded in to the dealer in a transaction involving the purchase of another vehicle from the dealer.

(b)(1)(A) Except as otherwise provided in this subsection, any motor vehicle for which a title is issued in this state on or after March 1, 2013, shall be exempt from sales and use taxes to the extent provided under paragraph (92) of Code Section 48-8-3 and shall not be subject to the ad valorem tax as otherwise required under Chapter 5 of Title 48. Notwithstanding the other provisions of this subdivision to the contrary, the term 'state current collection amount' for the 2014 calendar year for the purposes of the 2015 review under division (xiv) of this subparagraph shall be adjusted so that such amount is equal to the amount of motor vehicle state ad valorem tax proceeds that would have been collected under this Code section in 2014 if the combined state and local title ad valorem tax rate was 7 percent of the fair market value of the motor vehicle less any trade-in value plus...
the total amount of motor vehicle state ad valorem tax proceeds collected under
Chapter 5 of this title during 2014.

(VI) 'State target collection amount' means an amount equal to the state base

any trade-in value.

(iv) For the 2014 tax year, the state title ad valorem tax shall be at a rate equal to 55

division (ii) of this subparagraph.

(v) For the 2015 tax year, the state title ad valorem tax shall be at a rate equal to 55
percent of the tax rate specified in division (ii) of this subparagraph, and the local title

(vi) For the 2016 tax year, except as otherwise provided in division (xiii) of this
subparagraph, the state title ad valorem tax shall be at a rate equal to 53.5 percent of
the tax rate specified in division (ii) of this subparagraph, and the local title ad
valorem tax shall be at a rate equal to 46.5 percent of the tax rate specified in

of the tax rate specified in division (ii) of this subparagraph, and the local title ad
valorem tax shall be at a rate equal to 56 percent of the tax rate specified in division
(ii) of this subparagraph.

(viii) For the 2018 tax year, except as otherwise provided in division (xiii) of this
subparagraph, the state title ad valorem tax shall be at a rate equal to 40 percent of the
tax rate specified in division (ii) of this subparagraph, and the local title ad valorem
tax shall be at a rate equal to 60 percent of the tax rate specified in division (ii) of this
subparagraph.
(ix) For the 2019 tax year, except as otherwise provided in divisions (xiii) and (xiv)
of this subparagraph, the state title ad valorem tax shall be at a rate equal to 36 percent
of the tax rate specified in division (ii) of this subparagraph, and the local title ad
valorem tax shall be at a rate equal to 64 percent of the tax rate specified in division
(ii) of this subparagraph.
(x) For the 2020 tax year, except as otherwise provided in division (xiii) of this
subparagraph, the state title ad valorem tax shall be at a rate equal to 34 percent of the
tax rate specified in division (ii) of this subparagraph, and the local title ad valorem

subparagraph.
(xi) For the 2021 tax year, except as otherwise provided in division (xiii) of this
subparagraph, the state title ad valorem tax shall be at a rate equal to 30 percent of the

otherwise provided in division (xiv) of this subparagraph for tax year 2023, the state
title ad valorem tax shall be at a rate equal to 28 percent of the tax rate specified in
division (ii) of this subparagraph, and the local title ad valorem tax shall be at a rate
equal to 72 percent of the tax rate specified in division (ii) of this subparagraph.
(xiii) Beginning in 2016, by not later than January 15 of each tax year through the
2022 tax year, the state revenue commissioner shall determine the local target
collection amount and the local current collection amount for the preceding calendar
year. If such local current collection amount is equal to or within 1 percent of the
local target collection amount, then the state title ad valorem tax rate and the local title
ad valorem tax rate for such tax year shall remain at the rate specified in this
subparagraph for that year. If the local current collection amount is more than 1
percent greater than the local target collection amount, then the local title ad valorem
tax rate for such tax year shall be reduced automatically by operation of this division
by such percentage amount as may be necessary so that, if such rate had been in effect
for the calendar year under review, the local current collection amount would have
produced an amount equal to the local target collection amount, and the state title ad
valorem tax rate for such tax year shall be increased by an equal amount to maintain
the combined state and local title ad valorem tax rate at the rate specified in division (ii) of this subparagraph. If the local current collection amount is more than 1 percent less than the local target collection amount, then the local title ad valorem tax rate for such tax year shall be increased automatically by operation of this division by such percentage amount as may be necessary so that, if such rate had been in effect for the calendar year under review, the local current collection amount would have produced an amount equal to the local target collection amount, and the state title ad valorem tax rate for such tax year shall be reduced by an equal amount to maintain the combined state and local title ad valorem tax rate at the rate specified in division (ii) of this subparagraph. In the event of an adjustment of such ad valorem tax rates, by not later than January 31 of such tax year, the state revenue commissioner shall notify the tax commissioner of each county in this state of the adjusted rate amounts. The effective date of such adjusted rate amounts shall be January 1 of such tax year.

(xiv) In tax years 2015, 2018, and 2022, by not later than July 1 of each such tax year, the state revenue commissioner shall determine the state target collection amount and the state current collection amount for the preceding calendar year. If such state current collection amount is greater than, equal to, or within 1 percent of the state target collection amount after making the adjustment, if any, required in division (xiii) of this subparagraph, then the combined state and local title ad valorem tax rate provided in division (ii) of this subparagraph shall remain at the rate specified in such division. If the state current collection amount is more than 1 percent less than the state target collection amount after making the adjustment, if any, required by division (xiii) of this subparagraph, then the combined state and local title ad valorem tax rate provided in division (ii) of this subparagraph shall be increased automatically by operation of this division by such percentage amount as may be necessary so that, if such rate had been in effect for the calendar year under review, the state current collection amount would have produced an amount equal to the state target collection amount, and the state title ad valorem tax rate and the local title ad valorem tax rate for the tax year in which such increase in the combined state and local title ad valorem tax rate shall become effective shall be adjusted from the rates specified in this subparagraph or division (xiii) of this subparagraph for such tax year such that the proceeds from such increase in the combined state and local title ad valorem tax rate shall be allocated in full to the state. In the event of an adjustment of the combined state and local title ad valorem tax rate, by not later than August 31 of such tax year, the state revenue commissioner shall notify the tax commissioner of each county in this state of the adjusted combined state and local title ad valorem tax rate for the next calendar year. The effective date of such adjusted combined state
and local title ad valorem tax rate shall be January 1 of the next calendar year. Notwithstanding the provisions of this division, the combined state and local title ad valorem tax rate shall not exceed 9 percent.

(xv) The state revenue commissioner shall promulgate such rules and regulations as may be necessary and appropriate to implement and administer this Code section, including, but not limited to, rules and regulations regarding appropriate public notification of any changes in rate amounts and the effective date of such changes and rules and regulations regarding appropriate enforcement and compliance procedures and methods for the implementation and operation of this Code section.

(C) The application for title and the state and local title ad valorem tax fees provided for in subparagraph (A) of this paragraph shall be paid to the tag agent in the county in which the purchaser registers such motor vehicle and shall be paid at the time the purchaser applies for a title and registers such motor vehicle. A dealer of new or used motor vehicles may accept such application for title and state and local title ad valorem tax fees on behalf of the purchaser of a new or used motor vehicle for the purpose of delivering such title application and state and local title ad valorem tax fees to the county tag agent to obtain a tag and title for the purchaser of such motor vehicle.

(D) There shall be a penalty imposed on any person who, in the determination of the commissioner, falsifies any information in any bill of sale used for purposes of determining the fair market value of the motor vehicle. Such penalty shall not exceed $2,500.00 as a state penalty and shall not exceed $2,500.00 as a local penalty as determined by the commissioner. Such determination shall be made within 60 days of the commissioner receiving information of a possible violation of this paragraph.

(E) A dealer of new or used motor vehicles that accepts an application for title and state and local title ad valorem tax fees from a purchaser of a new or used motor vehicle and does not transmit such application for title and state and local title ad valorem tax fees to the county tag agent within 10 days following the date of purchase shall be liable to the county tag agent for an amount equal to 5 percent of the amount of such state and local title ad valorem tax fees. An additional 5 percent penalty shall be imposed for each subsequent month the payment is not transmitted.

(F) A dealer of new or used motor vehicles that accepts an application for title and state and local title ad valorem tax fees from a purchaser of a new or used motor vehicle and converts such fees to his or her own use shall be guilty of theft by conversion and, upon conviction, shall be punished as provided in Code Section 16-8-12.

(2) A person or entity acquiring a salvage title pursuant to subsection (b) of Code Section 40-3-36 shall not be subject to the fee specified in paragraph (1) of this subsection but shall be subject to a state title ad valorem tax fee in an amount equal to 1
percent of the fair market value of the motor vehicle. Such state title ad valorem tax fee shall be an alternative ad valorem tax as authorized by Article VII, Section I, Paragraph III(b)(3) of the Georgia Constitution.

(c)(1) The amount of proceeds collected by tag agents each month as state and local title ad valorem tax fees, state salvage title ad valorem tax fees, administrative fees, penalties, and interest pursuant to subsection (b) of this Code section shall be allocated and disbursed as provided in this subsection.

(2) For the 2013 tax year and in each subsequent tax year, the amount of such funds shall be disbursed within 30 days following the end of each calendar month as follows:

(A) State title ad valorem tax fees, state salvage title ad valorem tax fees, administrative fees, penalties, and interest shall be remitted to the state revenue commissioner who shall deposit such proceeds in the general fund of the state less an amount to be retained by the tag agent not to exceed 1 percent of the total amount otherwise required to be remitted under this subparagraph to defray the cost of administration. Such retained amount shall be remitted to the collecting county's general fund. Failure by the tag agent to disburse within such 30 day period shall result in a forfeiture of such administrative fee plus interest on such amount at the rate specified in Code Section 48-2-40; and

(B) Local title ad valorem tax fees, administrative fees, penalties, and interest shall be designated as local government ad valorem tax funds. The tag agent shall then distribute the proceeds as specified in paragraph (3) of this subsection.

(3) The local title ad valorem tax fee proceeds required under this subsection shall be distributed as follows:

(A) The tag agent of the county shall within 30 days following the end of each calendar month allocate and distribute to the county governing authority and to municipal governing authorities, the board of education of the county school district, and the board of education of any independent school district located in such county an amount of those proceeds necessary to offset any reduction in ad valorem tax on motor vehicles collected under Chapter 5 of Title 48 in the taxing jurisdiction of each governing authority and school district from the amount of ad valorem taxes on motor vehicles collected under Chapter 5 of Title 48 in each such governing authority and school district during the same calendar month of 2012. This reduction shall be calculated by subtracting the amount of ad valorem tax on motor vehicles collected under Chapter 5 of Title 48 in each such taxing jurisdiction from the amount of ad valorem tax on motor vehicles collected under Chapter 5 of Title 48 in that taxing jurisdiction in the same calendar month of 2012. In the event that the local title ad valorem tax fee proceeds are insufficient to fully offset such reduction in ad valorem taxes on motor vehicles, the tag
agent shall allocate a proportionate amount of the proceeds to each governing authority
and to the board of education of each such school district, and any remaining shortfall
shall be paid from the following month's local title ad valorem tax fee proceeds. In the
event that a shortfall remains, the tag agent shall continue to first allocate local title ad
valorem tax fee proceeds to offset such shortfalls until the shortfall has been fully
repaid; and

(B) Of the proceeds remaining following the allocation and distribution under
subparagraph (A) of this paragraph, the tag agent shall allocate and distribute to the
county governing authority and to municipal governing authorities, the board of
education of the county school district, and the board of education of any independent
school district located in such county the remaining amount of those proceeds in the
manner provided in this subparagraph. Such proceeds shall be deposited in the general
fund of such governing authority or board of education and shall not be subject to any
use or expenditure requirements provided for under any of the following described local
sales and use taxes but shall be authorized to be expended in the same manner as
authorized for the ad valorem tax revenues on motor vehicles under Chapter 5 of
Title 48 which would otherwise have been collected for such governing authority or
board of education. Of such remaining proceeds:

(i) An amount equal to one-third of such proceeds shall be distributed to the board
of education of the county school district and the board of education of each
independent school district located in such county in the same manner as required for
any local sales and use tax for educational purposes levied pursuant to Part 2 of
Article 3 of Chapter 8 of Title 48 currently in effect. If such tax is not currently in
effect, such proceeds shall be distributed to such board or boards of education in the
same manner as if such tax were in effect;

(ii)(I) Except as otherwise provided in this division, an amount equal to one-third
of such proceeds shall be distributed to the governing authority of the county and
the governing authority of each qualified municipality located in such county in the
same manner as specified under the distribution certificate for the joint county and
municipal sales and use tax under Article 2 of Chapter 8 of Title 48 currently in
effect.

(II) If such tax were never in effect, such proceeds shall be distributed to the
governing authority of the county and the governing authority of each qualified
municipality located in such county on a pro rata basis according to the ratio of the
population that each such municipality bears to the population of the entire county.
(III) If such tax is currently in effect as well as a local option sales and use tax for
educational purposes levied pursuant to a local constitutional amendment, an
amount equal to one-third of such proceeds shall be distributed in the same manner
as required under subdivision (I) of this division and an amount equal to one-third
of such proceeds shall be distributed to the board of education of the county school
district.

(IV) If such tax is not currently in effect and a local option sales and use tax for
educational purposes levied pursuant to a local constitutional amendment is
currently in effect, such proceeds shall be distributed to the board of education of
the county school district and the board of education of any independent school
district in the same manner as required under that local constitutional amendment.

(V) If such tax is not currently in effect and a homestead option sales and use tax
under Article 2A of Chapter 8 of Title 48 is in effect, such proceeds shall be
distributed to the board of education of the county and the board of education of
any independent school district in the same proportion as required under subdivisions
(I) and (II) of division (ii) of this subparagraph.

(iii)(I) An amount equal to one-third of such proceeds shall be distributed to the
governing authority of the county and the governing authority of each qualified
municipality located in such county in the same manner as specified under an
intergovernmental agreement or as otherwise required under the county special
purpose local option sales and use tax under Part 1 of Article 3 of Chapter 8 of
Title 48; provided, however, that this subdivision shall not apply
if subdivision (III) of division (ii) of this subparagraph is applicable.

(II) If such tax were in effect but expired and is not currently in effect, such
proceeds shall be distributed to the governing authority of the county and the
governing authority of each qualified municipality located in such county in the
same manner as if such tax were still in effect according to the intergovernmental
agreement or as otherwise required under the county special purpose local option sales and
use tax under Part 1 of Article 3 of Chapter 8 of Title 48 for the 12 month period
commencing at the expiration of such tax. If such tax is not renewed prior to the
expiration of such 12 month period, such amount shall be distributed in accordance
with subdivision (I) of this subparagraph; provided, however, that if
a tax under Article 2 of Chapter 8 of Title 48 is not in effect, such amount shall be
distributed in accordance with subdivision (II) of this subparagraph.

(III) If such tax is not currently in effect in a county in which a tax is levied for
purposes of a metropolitan area system of public transportation, as authorized by the
amendment to the Constitution set out at Ga. L. 1964, p. 1008; the continuation of
such amendment under Article XI, Section 1, Paragraph IV(d) of the Constitution;
and the laws enacted pursuant to such constitutional amendment, such proceeds

H. B. 386
shall be distributed to the governing body of the authority created by local Act to operate such metropolitan area system of public transportation.

(IV) If such tax were never in effect, such proceeds shall be distributed in the same manner as specified under the distribution certificate for the joint county and municipal sales and use tax under Article 2 of Chapter 8 of Title 48 currently in effect; provided, however, that if such tax under such article is not in effect, such proceeds shall be distributed to the governing authority of the county and the governing authority of each qualified municipality located in such county on a pro rata basis according to the ratio of the population that each such municipality bears to the population of the entire county.

(d)(1)(A) Upon the death of an owner of a motor vehicle which has not become subject to paragraph (1) of subsection (b) of this Code section, the immediate family member or immediate family members of such owner who receive such motor vehicle pursuant to a will or under the rules of inheritance shall, subsequent to the transfer of title of such motor vehicle, continue to be subject to ad valorem tax under Chapter 5 of Title 48 and shall not be subject to the state and local title ad valorem tax fees provided for in paragraph (1) of subsection (b) of this Code section unless the immediate family member or immediate family members make an affirmative written election to become subject to paragraph (1) of subsection (b) of this Code section. In the event of such election, such transfer shall be subject to the state and local title ad valorem tax fees provided for in paragraph (1) of subsection (b) of this Code section.

(B) Upon the death of an owner of a motor vehicle which has become subject to paragraph (1) of subsection (b) of this Code section, the immediate family member or immediate family members of such owner who receive such motor vehicle pursuant to a will or under the rules of inheritance shall be subject to a state title ad valorem tax fee in an amount equal to one-quarter of 1 percent of the fair market value of the motor vehicle and a local title ad valorem tax fee in an amount equal to one-quarter of 1 percent of the fair market value of the motor vehicle. Such title ad valorem tax fees shall be an alternative ad valorem tax as authorized by Article VII, Section I, Paragraph III(b)(3) of the Georgia Constitution.

(2)(A) Upon the transfer from an immediate family member of a motor vehicle which has not become subject to paragraph (1) of subsection (b) of this Code section, the immediate family member or immediate family members who receive such motor vehicle shall, subsequent to the transfer of title of such motor vehicle, continue to be subject to ad valorem tax under Chapter 5 of Title 48 and shall not be subject to the state and local title ad valorem tax fees provided for in paragraph (1) of subsection (b) of this Code section unless the immediate family member or immediate family

No such tax credit shall be allowed the taxpayer against prior years' tax liability.

(2) Only one qualified donation may be made with respect to any real property that was, in the year five years prior to donation, within the same tax parcel of record, except that a subsequent donation may be made by a person who is not a related person with respect to any prior eligible donors of any portion of such tax parcel.

(d.1) Any tax credits under this Code section earned by a taxpayer in the taxable years beginning on or after January 1, 2013, and previously claimed but not used by such taxpayer against such taxpayer's income tax may be transferred or sold in whole or in part by such taxpayer to another Georgia taxpayer, subject to the following conditions:

(1) The transferor may make only a single transfer or sale of tax credits earned in a taxable year; however, the transfer or sale may involve one or more transferees;

The notification shall include such transferor's tax credit balance prior to transfer, the remaining balance after transfer, all tax identification numbers for each transferee, the date of transfer, the amount transferred, and any other information required by the department;

(3) Failure to comply with this subsection shall result in the disallowance of the tax credit until the taxpayer is in full compliance;
In no event shall the amount of the tax credit under this subsection claimed and allowed for a taxable year exceed the transferee's income tax liability. Any unused credit may be carried forward to subsequent taxable years provided that the transfer or sale of this tax credit does not extend the time in which such tax credit can be used. The carry-forward period for tax credit that is transferred or sold shall begin on the date on which the tax credit was originally earned; and

A transferee shall have only such rights to claim and use the tax credit that were available to the transferor at the time of the transfer. To the extent that such transferor did not have rights to claim and use the tax credit at the time of the transfer, the department shall either disallow the tax credit claimed by the transferee or recapture the tax credit from the transferee. The transferee's recourse is against the transferor.

Whenever:

(A) Any person prepares an appraisal of the value of property and knows, or reasonably should have known, that the appraisal would be used in connection with a return or a claim for refund claiming a tax credit under this Code section; and

(B) The claimed value of the property on a return or claim for refund which is based on such appraisal as submitted to the State Properties Commission results in a substantial valuation misstatement with respect to such property for purposes of claiming a tax credit under this Code section, then such person shall pay a penalty in the amount determined under paragraph (2) of this subsection.

The amount of the penalty imposed under paragraph (1) of this subsection on any person with respect to an appraisal shall be equal to the lesser of:

(A) The greater of:

(i) Twenty-five percent of the difference between the amount of the tax credit claimed on the taxpayer's return or claim for refund and the amount of the tax credit to which the taxpayer is actually entitled, to the extent the difference is attributable to the misstatement described in subparagraph (e)(1)(B) of this Code section paragraph (1) of this subsection; or

(ii) One Ten thousand dollars; or

(B) One hundred twenty-five percent of the gross income received by the person described in subparagraph (e)(1)(A) of this Code section paragraph (1) of this subsection for the preparation of the appraisal.

(E) The water and sewer projects and costs tax pursuant to Article 4 of Chapter 8 of this title.

(4) ‘Purchaser’ means any person who purchases energy and who would have been liable for sales and use tax on such energy but for the exemption provided for in Code Section 48-8-3.2.

Pursuant to the authority granted by Article IX, Section II, Paragraph VI of the Constitution, there are created within this state 159 special districts. One such district shall exist within the geographical boundaries of each county, and the territory of each district shall include all of the territory within the county except territory located within the boundaries of any municipality that imposes an excise tax on energy under this article.

(a)(1) Within the territorial limits of the special district located within the county, each county in this state may levy and collect an excise tax upon the sale or use of energy when such sale or use would have constituted a taxable event for purposes of sales and use tax under Article 1 of Chapter 8 of this title but for the exemption in Code Section 48-8-3.2.

(2) The governing authority of each municipality in this state may, subject to the conditions of Code Section 48-13-115, levy and collect an excise tax upon the sale or use of energy when such sale or use would have constituted a taxable event for purposes of sales and use tax under Article 1 of Chapter 8 of this title but for the exemption in Code Section 48-8-3.2.

The excise tax shall be due and payable in the same manner as would be otherwise required under Article 1 of Chapter 8 of this title except as otherwise provided under this article. The excise tax shall be a debt of the purchaser of energy until it is paid and shall be recoverable at law in the same manner as authorized for the recovery of other debts. The dealer collecting the excise tax shall remit the excise tax to the governing authority imposing the excise tax. Every dealer subject to an excise tax levied as provided in this article shall be liable for the excise tax at the applicable rate on the charges actually collected or the amount of excise taxes collected from the purchasers, whichever is greater.

(d) A county or municipality levying an excise tax as provided in this subsection shall only levy such excise tax initially by ordinance and at the equivalent rate as determined under
paragraph (3) of subsection (a) of this Code section. Following such initial imposition, on

maximum amount of local sales and use tax in effect in the special district, but in no event
more than 2 percent; however, this 2 percent limitation shall not apply in a municipality
that levies a water and sewer projects and costs tax pursuant to Article 4 of Chapter 8 of
this title, in which case there shall be a 3 percent limitation. In the event the total rate of
local sales and use taxes in effect in the special district decreases from 2 percent to 1
percent, the rate of the excise tax under this article shall likewise be reduced at the same

municipalities within the special district. Any county that desires to have an excise tax
under this article levied within the special district shall deliver or mail a written notice to
the mayor or chief elected official in each municipality located within the special district.
If the governing authority of such county does not deliver or mail such notice within 30
days of the date of the written request of the mayor or chief elected official of a
municipality within the special district, then such mayor or chief elected official shall
deliver or mail a written notice to the mayor or chief elected official in each municipality
located within the special district and to the county governing authority. Such notice shall

(a)(1) Following the meeting required under Code Section 48-13-113, the governing
authority of the county within the special district shall enter into an intergovernmental
agreement with the governing authority of each municipality wishing to participate in
such excise tax that provides for the distribution of the proceeds as provided in subsection
(c) of this Code section. Following the execution of such agreement, the governing
authority of such county shall be authorized to adopt an ordinance levying the excise tax.
(2) If a municipality elects not to participate in such excise tax by not signing such
agreement, then such municipality shall not receive any proceeds from the excise tax. In

under an applicable local sales and use tax as provided in subsection (c) of this Code
section shall instead be distributed to the general fund of the county.
(b) The excise tax proceeds shall be allocated and distributed by the county governing
authority at the end of each calendar month. Of such excise tax proceeds, an amount equal
to 1 percent of the proceeds collected by the county shall be paid into the general fund of
the county to defray the costs of collection and administration. The remainder of the
proceeds shall be distributed in accordance with the intergovernmental agreement as
provided in subsection (c) of this Code section.
(c) The excise tax proceeds shall be allocated and distributed by the county governing
authority within 30 days following the end of each calendar month in the manner provided
in this subsection. Such proceeds shall not be subject to any use or expenditure
requirements provided for under any of the local sales and use taxes but shall be authorized
to be expended in the same manner as otherwise would have been required under such local
sales and use taxes or may be expended for any lawful purpose. Of such excise tax
proceeds:
(1) If two such local sales and use taxes are in effect in the special district, an amount
equal to one-half of the proceeds of the excise tax shall be distributed to the county
general fund and the general fund of each participating municipality located in such
county according to the same proportionate share as specified under the distribution
provisions of the first local sales and use tax and an amount equal to one-half of the
proceeds of the excise tax shall be distributed to the county general fund and the general
fund of each participating municipality located in such county according to the same
proportionate share as specified under the distribution provisions of the second local sales
and use tax; or
(2) If only one such local sales and use tax is in effect in the special district, then the
proceeds of the excise tax shall be distributed to the county general fund and the general
fund of each participating municipality located in such county according to the same
proportionate share as specified under the distribution provisions of the local sales and
use tax.
Following the meeting required under Code Section 48-13-113, if the governing authority of the county within the special district refuses to enter into an intergovernmental agreement with the governing authority of each municipality wishing to participate in such excise tax during the period commencing on January 1, 2013, and concluding on December 31, 2013, then the governing authority of each municipality wishing to levy the excise tax shall be authorized to adopt an ordinance levying the excise tax within the corporate limits of such municipality. If a county elects not to participate in such excise tax by not signing such agreement, then the county shall not receive any proceeds from the excise tax. The proceeds of such excise tax shall be deposited in the general fund of each municipality. If a county determines, subsequent to December 31, 2013, to commence proceedings for the imposition of the excise tax under this article, then proceedings for such imposition shall commence in the same manner as otherwise provided under Code Section 48-13-113. In that event, the excise tax levied by such municipality shall cease on the day immediately prior to the day the new tax levied by the county commences. If such municipality elects not to participate, its current excise tax under this article shall still terminate on the date specified in this Code section and it shall not receive any proceeds under the county levy.

(a)(1) An excise tax imposed under this article shall become effective on the first day of the next succeeding calendar quarter which begins more than 80 days after the adoption date of the ordinance.

c) At any time no more than a single 2 percent excise tax under this article may be imposed within a special district or a municipality.

d) Following the termination of an excise tax under this article, the governing authority of a county within a special district or the mayor or chief elected official of a municipality in the special district in which an excise tax authorized by this article is in effect may initiate proceedings for the reimposition of a tax under this article in the same manner as provided in this article for initial imposition of such tax.
The manner of payment and collection of the excise tax and all other procedures related to
the tax, including, but not limited to, periodic auditing of dealers collecting and remitting
the excise tax under this article, shall be as provided by each county and municipality
electing to exercise the powers conferred by this article.

As a part of the audit report required under Code Section 36-81-7, the auditor shall include,
in a separate schedule, a report of the revenues pertaining to the excise tax under this
article."

the person, if the cumulative gross receipts from sales by the person to customers in
this state who are referred to the person by all residents with this type of an agreement
