877 fund balance, reserves, and revenues.

878 (b) The city council by ordinance shall adopt the final operating budget for the ensuing fiscal
879 year not later than December of each year. If the city council fails to adopt the budget by this
880 date, the amounts appropriated for operation for the current fiscal year shall be deemed
881 adopted for the ensuing fiscal year on a month-to-month basis, with all items prorated
882 accordingly until such time as the city council adopts a budget for the ensuing fiscal year.
883 Adoption of the budget shall take the form of an appropriations ordinance setting out the
884 estimated revenues in detail by sources and making appropriations according to fund and by
885 organizational unit, purpose, or activity as set out in the budget preparation ordinance
886 adopted pursuant to Section 6.24.

887 (c) The amount set out in the adopted operating budget for each organizational unit shall
888 constitute the annual appropriation for such, and no expenditure shall be made or
889 encumbrance created in excess of the otherwise encumbered balance of the appropriations
890 or allotment thereof, to which it is chargeable.

891 **SECTION 6.27.**

892 Tax Levies.

893 The city council shall levy by ordinance such taxes as are necessary. The taxes and tax rates
894 set by such ordinance shall be such that reasonable estimates of revenues from such levy
895 shall at least be sufficient, together with other anticipated revenues, fund balances and
896 applicable reserves, to equal the total amount appropriate for each of the several funds set
897 forth in the annual operating budget for defraying the expenses of the general government
898 of this city.

899 **SECTION 6.28.**

900 Changes in Appropriations.

901 The city council by ordinance may make changes in the appropriations contained in the
902 current operating budget, at any regular meeting, special or emergency meeting called for
903 such purpose, but any additional appropriations may be made only from an existing
904 unexpended surplus.

905 **SECTION 6.29.**

906 Capital Improvements Budget.

907 (a) On or before the date fixed by the city council but no later than 60 days prior to the
908 beginning of each fiscal year, the mayor shall submit to the city council a proposed capital

909 improvements budget with his/her recommendations as to the means of financing the
910 improvements proposed for the ensuing fiscal year. The city council shall have power to
911 accept, with or without amendments, or reject the proposed program and proposed means of
912 financing. The city council shall not authorize an expenditure for the constructing of any
913 building, structure, work or improvement, unless the appropriations for such project are
914 included in the capital improvements budget, except to meet a public emergency as provided
915 in Section 2.24.

916 (b) The city council shall adopt by ordinance the final capital improvements budget for the
917 ensuing fiscal year not later than December of each year. No appropriation provided for in
918 a prior capital improvement budget shall lapse until the purpose for which the appropriation
919 was made shall have been accomplished or abandoned; provided, however, the mayor may
920 submit amendments to the capital improvements budget at any time during the fiscal year,
921 accompanied by his/her recommendations. Any such amendments to the capital
922 improvements budget shall become effective only upon adoption by ordinance.

923 **SECTION 6.30.**

924 Independent Audit.

925 There shall be an annual independent audit of all city accounts, funds and financial
926 transactions by a certified public accountant selected by the city council. The audit shall be
927 conducted according to generally accepted accounting principles. Any audit of any funds by
928 the state or federal governments may be accepted as satisfying the requirements of this
929 charter. Copies of all audit reports shall be available at printing costs to the public.

930 **SECTION 6.31.**

931 Contracting Procedures.

932 No contract with the city shall be binding on the city unless:

935 it is signed by him/her to indicate such drafting or review; and
- 936 (c) it is made or authorized by the city council and such approval is entered in the city
937 journal of proceedings pursuant to Section 2.21.

Included in the sales contract shall be a provision for the rights-of-way of said street, avenue, alley or public place. Each abutting property owner shall be notified of the availability of the property and given the opportunity to purchase said property under such terms and conditions as set out by ordinance. 990 or impair other parts of this charter unless it clearly appears that such other parts are wholly
991 and necessarily dependent upon the part held to be invalid or unconstitutional, it being the
