SECTION 4.

Creation.

Pursuant to Article IX, Section VII of the Constitution of the State of Georgia, there is created one or more community improvement districts to be located wholly within the incorporated area of the City of Kingsland which shall be activated upon compliance with

the conditions set forth in this section. Each district shall be governed by a board constituted by this Act. The conditions for such activation shall be:

(1) The adoption of a resolution consenting to the creation of each community improvement district by the governing authority of the City of Kingsland; and

(2) The written consent to the creation of the community improvement district by:

(A) A majority of the owners of real property within the district which will be subject to taxes, fees, and assessments levied by the board of the district; and

(B) The owners of real property within the district which constitutes at least 75 percent by value of all real property within the district which will be subject to taxes, fees, and assessments levied by the board. For this purpose, value shall be determined by the most recent approved county ad valorem tax digest.

The written consent provided for in this paragraph shall be submitted to the tax commissioner having jurisdiction over the City of Kingsland, who shall certify whether subparagraphs (A) and (B) of this paragraph have been satisfied with respect to each such proposed district.

No district or board created under this Act shall transact any business or exercise any powers under this Act until the conditions set forth in this section are met. A copy of such resolutions shall be filed with the Secretary of State, who shall maintain a record of all districts activated under this Act, and with the Department of Community Affairs.

SECTION 5.

Administration, appointment, and election of board members.

Each district created pursuant to this Act shall be administered by a board appointed by the mayor and council of the City of Kingsland. The composition of the board shall be specified in each resolution creating the respective district.

SECTION 6.

Taxes, fees, and assessments.

(a) The board may levy taxes, fees, and assessments within the district only on real property used nonresidentially, specifically excluding all property exempt from ad valorem taxation under the Constitution or laws of the State of Georgia; all property used for residential, agricultural, or forestry purposes; and all tangible personal property and intangible property. Any tax, fee, or assessment so levied shall not exceed 2.5 percent of the aggregate assessed value of all such real property. The taxes, fees, and assessments levied by the board shall be equitably apportioned among the properties subject to such

taxes, fees, and assessments according to the need for governmental services and facilities created by the degree of density of development of each such property. The proceeds of taxes, fees, and assessments levied by the board shall be used only for the purposes as described in Section 2 of this Act which are specially required by the degree of density of development within the district and not for the purpose of providing those governmental services and facilities provided to the county or municipality as a whole. Any tax, fee, or assessment so levied shall be collected by the City of Kingsland in the same manner as taxes, fees, and assessments are levied by the City of Kingsland. Delinquent taxes shall bear the same interest and penalties as the City of Kingsland or municipal ad valorem taxes and may be enforced and collected in the same manner. The proceeds of taxes, fees, and assessments so levied, less a fee to cover the costs of collection not to exceed 1 percent of such proceeds, shall be transmitted by the City of Kingsland to the board and shall be expended by the board only for the purposes authorized by this Act.

(b) The board shall levy the taxes, fees, and assessments in subsection (a) of this section subsequent to the report of the assessed taxable values for the current calendar year and notify in writing the collecting governing bodies so they may include the levy on their regular ad valorem tax bills. All taxes, fees, and assessments levied by the board and collected by the City of Kingsland shall be segregated, and neither the City of Kingsland nor the Camden County Tax Commissioner shall expend such funds for any purpose not authorized by the board except as authorized in subsection (a) of this section.

(c) If, but for this provision, a parcel of real property is removed from a district or otherwise would become nontaxable, it shall continue to bear its tax millage then extant upon such event for bonded indebtedness of the district then outstanding until said bonded indebtedness then outstanding is paid or refunded.

SECTION 7.

Boundaries of the districts.

(a) The boundaries of each district shall be as designated as such by the governing authority of the City of Kingsland as set forth in the resolution required in Section 4 of this Act, or as may thereafter be added as provided in this Act.

(b) The boundaries of a district may be increased after the initial creation of a district pursuant to the following:

- (1) Written consent of a majority of the owners of real property within the area sought to be annexed and which will be subject to taxes, fees, and assessments levied by the board of the district;

(2) Written consent of owners of real property within the area sought to be annexed which constitutes at least 75 percent by value of the property which will be subject to taxes, fees, and assessments levied by the board. For this purpose, value shall be determined by the most recent approved county ad valorem tax digest;

(3) The adoption of a resolution consenting to the annexation by the board of the district; and

(4) The adoption of a resolution consenting to the annexation by the governing authorities of the City of Kingsland.

SECTION 8.

Debt.

Except as otherwise provided in this section, each district may incur debt without regard to the requirements of Article IX, Section V of the Constitution of Georgia, or any other provision of law, prohibiting or restricting the borrowing of money or the creation of debt by political subdivisions of the State of Georgia, which debt shall be backed by the full faith and credit and taxing power of the district, and not the City of Kingsland. All debt shall not be an obligation of the State of Georgia, the City of Kingsland, or any other unit of government of the State of Georgia other than the district.

SECTION 9.

Cooperation with local governments.

The services and facilities provided pursuant to this Act shall be provided for in a cooperation agreement executed jointly by the board and by the City of Kingsland. The provisions of this section shall in no way limit the authority of the City of Kingsland to provide services or facilities within the district; and the City of Kingsland shall retain full and complete authority and control over any of its facilities located within its respective areas of any district. Said control shall include, but not be limited to, the modification of, access to, and degree and type of services provided through or by facilities of the city. Nothing contained in this section shall be construed to limit or preempt the application of any governmental laws, ordinances, resolutions, or regulations to the district or the services or facilities provided therein.

SECTION 10.**Powers.**

(18) To do all things necessary or convenient to carry out the powers conferred by this section; and

(19) To provide for all such services and facilities as noted in Section 2 of this Act.

(b) The powers enumerated in each paragraph of subsection (a) of this section shall be cumulative of and in addition to those powers enumerated in this section and elsewhere in this Act; and no such power shall limit or restrict any other power of the board.

(c) The powers enumerated in each paragraph of subsection (a) of this section are conferred for an essential governmental function for a public purpose, and the revenues and debt of any district shall not be subject to taxation.

SECTION 11.

Bonds - generally.

(a) Notes or other obligations issued by a district other than general obligation bonds shall be paid solely from the property pledged to pay such notes or other obligations. General obligation bonds issued by any district shall constitute a general obligation of the district to the repayment of which the full faith and credit and taxing power of the district shall be pledged.

(b) All bonds, notes, and other obligations of any district shall be authorized by resolution of its board, adopted by a majority vote of the board members at a regular or special meeting.

(c) Bonds, notes, or other obligations shall bear such date or dates, shall mature at such time or times not more than 40 years from their respective dates, shall bear interest at such rate or rates which may be fixed or may fluctuate or otherwise change from time to time, shall be subject to redemption on such terms, and shall contain such other terms, provisions, covenants, assignments, and conditions as the resolution authorizing the issuance of such bonds, notes, or other obligations may permit or provide. The terms, provisions, covenants, assignments, and conditions contained in or provided or permitted by any resolution of the board authorizing the issuance of such bonds, notes, or other obligations shall bind the board members of the district then in office and their successors.

(d) The board shall have power from time to time and whenever it deems it expedient to refund any bonds by the issuance of new bonds, whether or not the bonds to be refunded have matured, and may issue bonds partly to refund bonds then outstanding and partly for any other purpose permitted by this Act. The refunding bonds may be exchanged for the bonds to be refunded, with such cash adjustments as may be agreed upon, or may be sold and the proceeds applied to the purchase or redemption of the bonds to be refunded.

(e) There shall be no limitation upon the interest rates or any maximum interest rate or rates on any bonds, notes, or other obligations of any district; and the usury laws of this state shall not apply to bonds, notes, or other obligations of any district.

(f) Bonds issued by a district may be in such form, either coupon or fully registered, or both coupon and fully registered, and may be subject to such exchangeability and transferability provisions as the bond resolution authorizing the issuance of such bonds or any indenture or trust agreement may provide.

(g) All bonds issued by a district pursuant to this Act shall be issued and validated under and in accordance with Article 3 of Chapter 82 of Title 36 of the O.C.G.A., the "Revenue Bond Law." The signature of the clerk of the Superior Court of Camden County may be made on the certificate of validation of such bonds by facsimile or by manual execution, stating the date on which such bonds were validated; and such entry shall be original evidence of the fact of judgment and shall be received as original evidence in any court in this state.

(h) In lieu of specifying the rate or rates of interest which such bonds are to bear, and the principal amount and maturities of such bonds, the notice to the district attorney or the Attorney General, the notice to the public of the time, place, and date of the validation hearing, and the petition and complaint for validation may state that the bonds when issued will bear interest at a rate not exceeding a maximum per annum rate of interest which may be fixed or may fluctuate or otherwise change from time to time and that the principal amount will not exceed and the final maturity date will not be later than as specified in such notices and petition and complaint or may state that, in the event the bonds are to bear different rates of interest for different maturity dates, none of such rates will exceed the maximum rate which may be fixed or may fluctuate or otherwise change from time to time so specified; provided, however, that nothing in this subsection shall be construed as prohibiting or restricting the right of a board to sell such bonds at a discount, even if in doing so the effective interest cost resulting would exceed the maximum per annum interest rate specified in such notices and in the petition and complaint.

(i) The terms "cost of the project" and "cost of any project" shall have the meaning prescribed in this Act whenever those terms are referred to in bond resolutions of a board, in bonds, notes, or other obligations of the district, or in notices or proceedings to validate such bonds, notes, or other obligations of a district.

SECTION 12.

Authorized contents of agreements and instruments;
use of proceeds of sale bonds, notes, and other obligations;
subsequent issues of obligations.

(a) Subject to the limitations and procedures provided by this section and by Section 11 of this Act, the agreements or instruments executed by a board may contain such provisions not inconsistent with law as shall be determined by the board.

(b) The proceeds derived from the sale of all bonds, notes, and other obligations issued by a district shall be held and used for the ultimate purpose of paying, directly or indirectly as permitted by this Act, all or part of the cost of any project, or for the purpose of refunding any bonds, notes, or other obligations issued in accordance with this Act.

(c) Issuance by a board of one or more series of bonds, notes, or other obligations for one or more purposes shall not preclude it from issuing other bonds, notes, or other obligations in connection with the same project or with any other projects; but the proceeding wherein any subsequent bonds, notes, or other obligations are issued shall recognize and protect any prior loan agreement, security agreement, or other agreement or instrument made for any prior issue of bonds, notes, or other obligations, unless in the resolution authorizing such prior issue the right is expressly reserved to the board to issue subsequent bonds, notes, or other obligations on a parity with such prior issue.

(d) In the event that any district is terminated in accordance with this Act, the board shall serve until December 31 of the year in which termination is approved for the purpose of concluding any ongoing matters and projects, but, if such cannot be concluded by December 31st, then the governing authority of the City of Kingsland shall assume the duties of the administrative board and shall be expressly authorized to exercise the authority of the administrative board.

SECTION 13.

Construction; applicability of Chapter 5 of Title 10 of the O.C.G.A.; notice, proceeding, publication, referendum.

This Act shall be liberally construed to effect the purposes hereof. The offer, sale, or issuance of bonds, notes, or other obligations by a district shall not be subject to regulation under Chapter 5 of Title 10 of the O.C.G.A. No notice, proceeding, or publication except those required hereby shall be necessary to the performance of any act authorized hereby, nor shall any such act be subject to referendum.

SECTION 14.**Dissolution.**

(a) Any district activated under the provisions of this Act may be dissolved. The conditions for such dissolution shall be:

(1) The adoption of a resolution approving of the dissolution of each community improvement district by the governing authority of the City of Kingsland; and

(2) The written consent to the dissolution of the community improvement district by:

(A) Two-thirds of the owners of real property within the district which are subject to taxes, fees, and assessments levied by the board of the district; and

(B) The owners of real property constituting at least 75 percent by value of all real property within the district which are subject to taxes, fees, and assessments levied by the board. For this purpose, value shall be determined by the most recent approved county ad valorem tax digest.

The written consent provided for in this paragraph shall be submitted to the tax commissioner having jurisdiction over the City of Kingsland, who shall certify whether subparagraphs (A) and (B) of this paragraph have been satisfied with respect to each proposed district dissolution.

(b) In the event that successful action is taken pursuant to this section to dissolve the district, the dissolution shall become effective at such time as all debt obligations of the district have been satisfied. Following a successful dissolution action and until the dissolution becomes effective, no new projects shall be undertaken, obligations or debts incurred, or property acquired.

(c) Upon a successful dissolution action, all noncash assets of the district other than public facilities or land or easements to be used for such public facilities, as described in Section 2 of this Act, shall be reduced to cash and, along with all other cash on hand, shall be applied to the repayment of any debt obligation of the district. Any cash remaining after all outstanding obligations are satisfied shall be refunded to the City of Kingsland.

(d) When a dissolution becomes effective, the city governing authority shall take title to all property previously in the ownership of the district, and all taxes, fees, and assessments of the district shall cease to be levied and collected.

(e) A district may be reactivated in the same manner as an original activation.

461 **SECTION 15.**

462 Severability.

463 In the event any section, subsection, sentence, clause, or phrase of this Act is declared or
464 adjudged invalid or unconstitutional, such adjudication shall in no manner affect the other
465 sections, subsections, sentences, clauses, or phrases of this Act, which shall remain of full
466 force and effect as if the section, subsection, sentence, clause, or phrase so declared or
467 adjudged invalid or unconstitutional were not originally a part hereof. The General
468 Assembly declares that it would have passed the remaining parts of this Act if it had known
469 that such part or parts hereof would be declared or adjudged invalid or unconstitutional.

470 **SECTION 16.**

471 Effective date.

472 This Act shall become effective upon its approval by the Governor or upon its becoming law
473 without such approval.

474 **SECTION 17.**

475 General repealer.

476 All laws and parts of laws in conflict with this Act are repealed.
