

Senate Resolution 598

By: Senators Hill of the 6th, Beach of the 21st, Davis of the 22nd, Gooch of the 51st and Dugan of the 30th

ADOPTED SENATE

A RESOLUTION

- 1 Creating the Senate Public-Private Partnership Study Committee; and for other purposes.
- 2 WHEREAS, there is a public need for timely acquisition, design, construction, improvement,
3 renovation, expansion, equipping, maintenance, operation, implementation, and installation
4 of public infrastructure and government facilities within this state that serve a public need
5 and purpose and which do not result in debt obligations for the state; and
- 6 WHEREAS, such public need may not be wholly satisfied by existing methods of
7 procurement in which qualifying projects are acquired, designed, constructed, improved,
8 renovated, expanded, equipped, maintained, operated, implemented, or installed; and
- 9 WHEREAS, there are inadequate resources to develop public infrastructure and government
10 facilities for the benefit of citizens of the state, and there is demonstrated evidence that
11 public-private partnerships can meet these needs by leveraging and supplementing limited
12 public funds available for public projects and providing other benefits to the public; and
- 13 WHEREAS, financial incentives exist under state and federal tax provisions that encourage
14 public entities to enter into partnerships with private entities to develop qualifying projects;
15 and
- 16 WHEREAS, authorizing private entities to develop or operate one or more qualifying
17 projects may result in the availability of such projects to the public in a more timely or less
18 costly fashion, thereby serving the public safety, benefit, and welfare; and
- 19 WHEREAS, the Senate is determined to study the best and most efficient path to that goal.
- 20 NOW, THEREFORE, BE IT RESOLVED BY THE SENATE that there is created the
21 Public-Private Partnership Study Committee to be composed of eight members consisting
22 of:

- 23 (1) Four members of the Senate, appointed by the President of the Senate;

28 partnership contracting, appointed by the President of the Senate.

29 BE IT FURTHER RESOLVED that the committee may conduct such meetings at such
