12 Title 40 of the Official Code of Georgia Annotated, relating to motor vehicles and traffic, is
13 amended by revising Code Section 40-2-20, relating to registration and license requirements,
14 as follows:

15 "40-2-20.

16 (a)(1)(A) Except as provided in subsection (b) of this Code section and subsection (a)
17 of Code Section 40-2-47, every owner of a motor vehicle, including a tractor or
18 motorcycle, every owner of a bicycle, and every owner of a trailer shall, during the
19 owner's registration period in each year, register such vehicle as provided in this chapter
20 and obtain a license to operate it for the 12 month period until such person's next
21 registration period.

22 (B)(i) The purchaser or other transferee owner of every new or used motor vehicle,
23 including tractors and motorcycles, bicycle, or trailer shall register such vehicle as
24 provided in Code Section 40-2-8 and obtain or transfer as provided in this chapter a
25 license to operate it for the period remaining until such person's next registration
26 period which immediately follows such initial registration period, without regard to

27 whether such next registration period occurs in the same calendar year as the initial
 28 registration period or how soon such next registration period follows the initial
 29 registration period; provided, however, that this registration and licensing requirement
 30 does not apply to a dealer which acquires a new or used motor vehicle and holds it for
 31 resale. The commissioner may provide by rule or regulation for one 30 day extension
 32 of such initial registration period which may be granted by the county tag agent if the
 33 transferor has not provided such purchaser or other transferee owner with a title to the
 34 motor vehicle more than five business days prior to the expiration of such initial
 35 registration period. The county tag agent shall grant an extension of the initial
 36 registration period when the transferor, purchaser, or transferee can demonstrate by
 37 affidavit in a form provided by the commissioner that title has not been provided to
 38 the purchaser or transferee due to the failure of a security interest or lienholder to
 39 timely release a security interest or lien in accordance with Code Section 40-3-56.

40 (ii) No person, company, or corporation, including, but not limited to, used motor
 41 vehicle dealers and auto auctions, shall sell or transfer a motor vehicle without

 43 registration on such vehicle at the time of such sale or transfer; provided, however,
 44 that in the case of a salvage motor vehicle or a motor vehicle which is stolen but
 45 subsequently recovered by the insurance company after payment of a total loss claim,
 46 the salvage dealer or insurer, respectively, shall not be required to provide the
 47 certificate of registration for such vehicle; and provided, further, that in the case of a
 48 repossessed motor vehicle or a court ordered sale or other involuntary transfer, the
 49 lienholder or the transferor shall not be required to provide the certificate of
 50 registration for such vehicle but shall, prior to the sale of such vehicle, surrender the
 51 license plate of such vehicle to the commissioner or the county tag agent by personal
 52 delivery or by certified mail or statutory overnight delivery for cancellation.

53 (2) An application for the registration of a motor vehicle may not be submitted separately
 54 from the application for a certificate of title for such motor vehicle, unless a certificate
 55 of title has been issued in the owner's name, has been applied for in the owner's name, or
 56 the motor vehicle is not required to be titled. An application for a certificate of title for
 57 a motor vehicle may be submitted separately from the application for the registration of
 58 such motor vehicle.

59 (b) Subsection (a) of this Code section shall not apply:

60 (1) To any motor vehicle, bicycle, or trailer owned by the state or any municipality or
 61 other political subdivision of this state and used exclusively for governmental functions

 68 Interstate and Defense Highways by the owner thereof or his or her agent within a radius
 69 of ten miles of the port facility of origin and accompanied by an escort vehicle equipped
 70 with one or more operating amber flashing lights that are visible from a distance of 500
 71 feet;

72 (3) To any trailer which has no springs and which is being employed in hauling
 73 unprocessed farm products to their first market destination;

 75 primarily to transport fertilizer to a farm;

76 (5) To any motorized cart; or

77 (6) To any moped.

78 (c) Any person who fails to register a new or used motor vehicle, bicycle, or trailer as
 79 required in subsection (a) of this Code section shall be guilty of a misdemeanor and, upon
 80 conviction thereof, shall be punished by a fine not exceeding \$100.00."
