 355 Code Section 31-7-89.

356 (b) This Code section shall not apply if a hospital authority is insolvent."

357 **SECTION 15.**

358 Said chapter is further amended by revising Code Section 31-7-76, relating to the procedure  
 359 in the event of the failure of an authority to perform minimum functions, determination of  
 360 removal from office, and appointments to fill vacancies created by removal, as follows:

361 "31-7-76.

362 (a) The General Assembly declares that it is the intent of this article to provide a  
 363 mechanism for the operation and maintenance of needed health care facilities in the several  
 364 counties and municipalities of this state. It is the further intent of the General Assembly  
 365 that, whenever an authority ceases to perform the minimum functions required for the  
 366 continued operation and maintenance of needed health care facilities in the county or  
 367 municipality, a procedure be made available to recognize the failure of the authority to  
 368 perform these minimum functions and to provide for the orderly and responsible  
 369 reorganization of the authority.

370 (b) Whenever it appears that an authority has ceased to perform the minimum functions  
 371 required for the continued operation and maintenance of needed health care facilities in the  
 372 county or municipality in which the authority is authorized to function, a petition ~~may~~ shall

373 be filed in the superior court in the county requesting that the members of the authority be  
 374 removed from office and that any vacancy created by a removal be filled as provided in  
 375 Code Section 31-7-72 ~~for the initial appointment of members of an authority~~. Each such  
 376 petition shall be filed ~~by one or more residents of the county in which the authority is~~  
 377 ~~authorized to function, or by the county governing body authority, and shall be supported~~  
 378 ~~by petition of a number of residents of the county equal to 5 percent or more of the number~~  
 379 ~~of electors registered to vote in the general election last held in the county within 90 days~~  
 380 ~~of such failure to perform~~. In the case of an authority authorized to function solely within  
 381 a municipality, the petition shall be filed ~~by one or more residents of the municipality in~~  
 382 ~~which the authority is authorized to function, or by the municipal governing body authority,~~  
 383 ~~and shall be supported by petition of a number of residents of the municipality equal to 5~~  
 384 ~~percent or more of the number of electors registered to vote in the general election last held~~  
 385 ~~in the municipality within 90 days of such failure to perform~~.

386 (b.1) In the event a governing body fails to file a petition as required by subsection (b) of  
 387 this Code section, the members of the governing body shall be subject to contempt  
 388 proceedings by the court as provided by law.

389 (c) Upon the filing of any petition as provided in subsection (b) of this Code section, the  
 390 judge of the superior court shall set a hearing to inquire into the merits of the petition not  
 391 sooner than ten days nor later than 30 days from the date of filing of the petition. The  
 392 hearing may be continued, in the discretion of the judge, on motion of any party.

393 (d) At each hearing held as provided in subsection (c) of this Code section, the judge,  
 394 sitting without a jury, shall inquire into and determine the question of whether the authority  
 395 has ceased to perform the minimum functions required for the continued operation and  
 396 maintenance of needed health care facilities in the county or municipality. In making his  
 397 or her determination, the judge shall consider, but shall not be limited by, whether the  
 398 authority has:

399 (1) Failed to establish and enforce rates and charges as provided in Code Section  
 400 31-7-77;

401 (2) Failed to take any reasonable action when the failure has the effect of jeopardizing  
 402 repayment of principal or interest, when due, on revenue anticipation certificates issued  
 403 by the authority;

404 (3) Failed to take any reasonable action when the failure has the effect of breaching a  
 405 contract providing for continued maintenance and use of the authority's facilities and  
 406 entered into with a county or municipality as provided in Code Section 31-7-85;

407 (4) Failed to make plans for unmet needs of the community as authorized by paragraph  
 408 (22) of Code Section 31-7-75;

409 (5) Failed to make and file its annual report as provided in Code Section 31-7-90;

- 410 (6) Failed to adopt an annual budget as provided in Code Section 31-7-90;
- 411 (7) Failed to conduct the annual audit as provided in Code Section 31-7-91;
- 412 (8) Failed to report or publish the annual audit as provided in Code Section 31-7-92;
- 413 (9) Failed to hold at least one meeting in the preceding calendar quarter; or
- 414 (10) Failed to take any other action required pursuant to this article.
- 415 (e) After giving all parties an opportunity to be heard, the judge shall determine, based on
- 416 the evidence presented, whether the clear and convincing weight of the evidence is that the
- 417 authority has ceased to perform the minimum functions required for the continued
- 418 operation and maintenance of needed health care facilities in the county or municipality.
- 419 In the event the judge so decides, he or she shall order the immediate removal from office
- 420 of the members of the authority, except that no member shall be removed who
- 421 demonstrates to the satisfaction of the judge his or her good faith attempt to fulfill his or
- 422 her duties as a member of the authority. In the event the court denies the petition, the
- 423 petition shall be dismissed.
- 424 (f) Whenever it appears that an authority has ceased to perform the minimum functions
- 425 required for the continued operation and maintenance of needed health care facilities in the
- 426 county or municipality in which the authority is authorized to function, the governing body
- 427 or bodies of such county or municipality shall notify each of its appointed authority
- 428 members that he or she will be removed from office if the failure to perform minimum
- 429 functions is not corrected within 90 days. Such authority members shall be removed by the
- 430 governing body if such failure is not corrected within 90 days and shall not be eligible for
- 431 reappointment unless such members have already been removed pursuant to subsection (e)
- 432 of this Code section.
- 433 ~~(f)(g)~~ Vacancies created pursuant to this Code section shall be filled ~~in the same manner~~
- 434 ~~as provided in Code Section 31-7-72 for the initial appointment of members of an~~
- 435 ~~authority. Vacancies created by the expiration of the term or the resignation or disability~~
- 436 ~~of a member appointed pursuant to this Code section shall be filled as provided in Code~~
- 437 ~~Section 31-7-72 for the filling of vacancies.~~
- 438 (h) This Code section shall not impair the power of a governing body to remove its
- 439 appointed authority member or members pursuant to the at-will status of such member or
- 440 members under Code Section 31-7-72."

441 **SECTION 16.**

442 Said chapter is further amended by revising Code Section 31-7-85, relating to contracts with

443 political subdivisions, as follows:

444 "31-7-85.

445 (a) For the purpose of using ~~such~~ the health care facilities of an authority, any city or  
446 county is authorized by action of its governing body to enter into contracts with ~~an~~ such  
447 authority for such periods of time not exceeding 40 years as shall be necessary to provide  
448 for the continued maintenance and use of ~~the~~ such facilities ~~of an authority~~. Sums due and  
449 payable under such contract shall be determined from year to year during the period of such  
450 contract and no sums shall be paid for the services in excess of the amounts necessary to  
451 provide for the maintenance and operation of projects of authorities and such sums as shall  
452 be necessary to provide adequate and necessary facilities for medical care and  
453 hospitalization of the indigent sick, including reasonable reserves necessary for expansion  
454 and necessary for the payment of the cost of facilities of the projects, provided that any  
455 such contract may obligate a city or county or any combination thereof to pay for such  
456 services a fixed and definite minimum sum each year based or calculated upon the  
457 anticipated cost of such services including the cost and expense of making the facilities of  
458 the authority available for the furnishing and performance of such services. The contracts  
459 authorized under this Code section to be entered into between cities or counties or any  
460 combination thereof and an authority may provide for the conveyance or lease of any  
461 existing ~~hospital~~ health care facilities or projects to an authority created by any such cities  
462 or counties for a nominal consideration only, provided that such conveyance shall contain  
463 a clause providing that, upon dissolution of the authority, such ~~hospital~~ health care facilities  
464 or projects shall revert to the city or county conveying the same to the authority and  
465 provided, further, that no property so conveyed may be mortgaged or in any way given as  
466 security for an indebtedness of the authority; this limitation is not to be construed as  
467 limiting the right of the authority to pledge or hypothecate revenues which may be realized  
468 by the authority from the operation of any property so conveyed to the authority.

469 (b) When, in accordance with this article, any county shall activate a hospital authority for  
470 such county and such authority shall acquire or construct or shall make preparations to  
471 acquire or construct a ~~hospital~~ health care facility in the county, any municipality in the  
472 county shall be authorized to contract with the hospital authority for the care in such  
473 ~~hospital~~ health care facility of indigent sick or injured persons who are residents of the  
474 municipality either on a per-patient-per-day basis or for a fixed amount of money payable  
475 at such time as the contracting parties may agree upon; and any such contract may, at the  
476 election of such municipality, be binding upon it for a period of not exceeding 40 years.  
477 Such contract and the amount to be received by the hospital authority thereunder may be  
478 pledged by the hospital authority as security for the payment of the principal and interest  
479 of any bonds or revenue anticipation certificates which it may issue in order to acquire or  
480 construct the ~~hospital~~ health care facility.

481 (c) No governing body of a city or county shall extend a loan or any funds or guarantee  
 482 of funds to a hospital authority without verifying, through current financial statements, the  
 483 most current audit conducted pursuant to Code Section 31-7-91, and appraisals indicating  
 484 the total assets and liabilities of the hospital authority, the ability of the hospital authority  
 485 to comply with all repayment terms and conditions."

486 **SECTION 17.**

487 Said chapter is further amended by revising Code Section 31-7-87, relating to hypothecation  
 488 or mortgaging of purchased hospital facilities, as follows:

489 "31-7-87.

490 Should an authority acquire by purchase existing ~~hospital~~ health care facilities of political  
 491 subdivisions and pay the reasonable value therefor, nothing in this article shall be construed  
 492 to prevent the hypothecation or mortgaging of such facilities as security for the repayment  
 493 of any indebtedness which may be legally incurred by such authority."

494 **SECTION 18.**

495 Said chapter is further amended by revising Code Section 31-7-89, relating to the procedure  
 496 for dissolution and disposition of property, as follows:

497 "31-7-89.

498 By joint action of the board of trustees of an authority and the governing bodies of  
 499 participating units, authorities created under and pursuant to the terms of this article may  
 500 be dissolved, provided that no such dissolution shall in any way impair the rights of third  
 501 persons or the contracts of the authority with such third persons. Prior to its dissolution,  
 502 an authority shall cause all real property to be appraised and shall have conducted a final  
 503 audit of its assets in the same manner and subject to the same requirements as contained  
 504 in Code Sections 31-7-91 through 31-7-93. Disposition to be made of the property of the  
 505 authority upon dissolution shall be covered in any resolution adopted by the participating  
 506 units and the board of trustees of the authority; provided, however, that any and all  
 507 remaining assets of the authority shall be distributed among the governing bodies of  
 508 participating units in a similar manner as contained in subsection (b) of Code Section  
 509 31-7-75.1. Such assets may be used by such governing bodies for the provision of indigent  
 510 health care or wellness programs or for such other purposes as the governing bodies are  
 511 authorized to use public funds, including transferring such assets to a Senior Citizens  
 512 Services Authority activated by such governing body pursuant to Article 5A of this chapter.  
 513 ~~At no time, however, shall any authority upon dissolution convey any of its property,~~  
 514 ~~except as may be otherwise authorized by law, to any private person, association, or~~  
 515 ~~corporation."~~

 522 community benefit report disclosing the cost of indigent and charity care provided by such

 543 hospital authority owns, operates, or leases a health care facility or other project, shall  
 544 ensure that an annual audit of the financial affairs, books, and records of such authority is  
 545 conducted at the end of each fiscal year for the preceding year. Each hospital authority  
 546 shall obtain either a certified public accountant or a firm of certified public accountants to
