SECTION 1.

Article 1 of Chapter 7 of Title 31 of the Official Code of Georgia Annotated, relating to regulation of hospitals and related institutions, is amended in Code Section 31-7-7.1, relating to denial of staff privileges based upon license, board certification, or membership in a professional association, as follows:

"(a) Notwithstanding the provisions of Code Section 31-7-7, if a hospital offers or provides a service which is within the scope of practice of a person licensed as a doctor of podiatric medicine, doctor of osteopathic medicine, or doctor of dentistry, that hospital may not deny to any such licensee staff privileges at such hospital based solely upon that person's license, board certification, or specialty membership in a professional association.

(b)(1) Notwithstanding the provisions of Code Section 31-7-7, a hospital owned by a hospital authority that has been restructured so as to be exempt from the definition of an 'acquisition' as set forth in paragraph (2) of Code Section 31-7-400 or a hospital that leases its facility from or operates under an arrangement with a hospital authority may not refuse to grant staff membership or clinical privileges or condition or limit such privileges because the physician or a partner, associate, or employee of the physician:

(B) Participates or does not participate in an independent physician association or a physician hospital organization.
