A RESOLUTION

1 Recognizing and commending the Georgia Society of Hospital Engineers in honor of its 50th
2 anniversary; and for other purposes.

3 WHEREAS, since its inception on October 1, 1964, the Georgia Society of Hospital
4 Engineers (GSHE) has assembled not only many of this state's most qualified hospital
5 engineers, but also supervisors, maintenance managers, and other hospital and medical center
6 personnel, all with a focus on improved patient care; and

7 WHEREAS, GSHE provides many sources to its members, including activities to help them
8 develop skills in hospital engineering, communication for the dissemination of information
9 on current practices, new knowledge, or technology, and a forum on health care issues to
10 explore and explain the impact of these issues on hospitals and facility management; and

11 WHEREAS, GHSE was initially begun in the southern half of Georgia and is an allied
12 member of the Georgia Hospital Association; and

13 WHEREAS, the society expanded quickly as early officers and boards of directors initiated
14 innovative programs aimed at providing immediate benefits to member hospitals across the
15 State of Georgia; and

16 WHEREAS, sharing its knowledge, early members of the society combined their expertise
17 and ideas to ensure that Georgia hospitals provided the best possible services; and

18 WHEREAS, GSHE has kept pace with promising innovations, quickly making new
19 information readily available to its members through events and training; and

20 WHEREAS, from the vision of its early members, GSHE has grown from a small regional
21 alliance of hospital engineers to a strong, state-wide organization focused on the professional
22 development of its members through networking and training.

23 NOW, THEREFORE, BE IT RESOLVED BY THE HOUSE OF REPRESENTATIVES that
24 the members of this body recognize and commend the Georgia Society of Hospital Engineers
25 on the occasion of its 50th anniversary and express to the society their most sincere best
26 wishes for continued success.

27 BE IT FURTHER RESOLVED that the Clerk of the House of Representatives is authorized
28 and directed to transmit an appropriate copy of this resolution to the Georgia Society of
29 Hospital Engineers.
