

ADOPTED

Senator Unterman of the 45th offered the following amendment:

1 *Amend the Senate Health and Human Services Committee substitute to HB 966 (LC 37*
 2 *1797S) by deleting lines 1 through 217 and inserting in lieu thereof the following:*

3 To amend Chapter 2A of Title 31 of the Official Code of Georgia Annotated, relating to the
 4 Department of Public Health, so as to establish within the Department of Public Health the
 5 Alzheimer's Disease Registry; to provide for the purpose of the registry; to provide for
 6 promulgation and criteria of rules; to provide for confidentiality of data; to provide for
 7 compliance with P. L. 104-191, the federal Health Insurance Portability and Accountability
 8 Act of 1996; to provide for related matters; to repeal conflicting laws; and for other purposes.

9
 10 BE IT ENACTED BY THE GENERAL ASSEMBLY OF GEORGIA:

SECTION 1.

11 Chapter 2A of Title 31 of the Official Code of Georgia Annotated, relating to the Department
 12 of Public Health, is amended by adding a new Code section to read as follows:

13 "31-2A-16.

14 (a) There is established within the Department of Public Health the Alzheimer's Disease
 15 Registry.

16 (b) The purpose of the registry shall be to assist in the development of public policy and
 17 planning relative to Alzheimer's disease and related disorders. The registry shall provide
 18 a central data base of individuals with Alzheimer's disease or related disorders.

19 (c) The department shall establish procedures and promulgate rules and regulations for the
 20 establishment and operation of the registry. Such procedures, rules, and regulations shall
 21 provide for:

22 (1) Collecting and evaluating data regarding the prevalence of Alzheimer's disease and
 23 related disorders in Georgia, including who shall report the data to the registry;

24 (2) Determining what information shall be maintained in the registry and the length of
 25 time such data shall be available;

26 (3) Sharing of data for policy planning purposes;

27 (4) Disclosing nonidentifying data to support Alzheimer's and related disorder research;

28 (5) The methodology by which families and physicians of persons who are reported to
 29 the registry shall be contacted to gather additional data; and

30 (6) Information about public and private resources.
 31

32 (d) The collected data in the registry shall be confidential, and all persons to whom the
33 data is released shall maintain patient confidentiality. No publication of information,
34 biotechnical research, or medical data shall be made that identifies any patient by name.
35 The registry shall be established and regulated pursuant to the requirements of 42 U.S.C.
36 Section 1301, et seq., and P.L. 104-191, the federal Health Insurance Portability and
37 Accountability Act of 1996."

38 **SECTION 2.**
39 All laws and parts of laws in conflict with this Act are repealed.
