 206 reach a comprehensive agreement or interim agreement, then the local government may
 207 conduct negotiations with the next ranked private entity. This process shall continue until
 208 the local government either voluntarily abandons the process or executes a comprehensive
 209 agreement or interim agreement with a private entity.
- 210 (e) At any time during the process outlined in this Code section but before the full
 211 execution of a comprehensive agreement, the local government may, without liability to

 217 State of Georgia or any local government. The credit of this state shall not be pledged or
 218 loaned to any private entity. The local government shall not loan money to the private
 219 entity in order to finance all or a portion of the qualifying project.

 235 government to ensure that the private entity's activities are in accordance with the
 236 provisions of the comprehensive agreement;
- 237 (7) Delivery of performance and payment bonds in the amounts required in Code
 238 Sections 36-91-70 and 36-91-90 and in a form acceptable to the local government for

 243 be filed with the local government accompanied by proofs of coverage, or self-insurance,

 248 to ensure that the qualifying project is properly maintained;

249 (10) The filing of appropriate financial statements to the local government on a periodic

 253 material default by the private entity, including conditions governing assumption of the
 254 duties and responsibilities of the private entity by the local government and the transfer
 255 or purchase of property or other interests of the private entity by the local government,
 256 including provisions compliant with state constitutional limitations on public debt by the
 257 local government. Such policies and procedures shall be consistent with Code

259 (b) The comprehensive agreement may include such other terms and conditions that the
 260 local government determines will serve the public purpose of this article and to which the
 261 private entity and the local government mutually agree, including, without limitation,
 262 provisions regarding unavoidable delays and provisions where the authority and duties of
 263 the private entity under this article shall cease and the qualifying project is dedicated to the
 264 local government for public use.

265 (c) Any changes in the terms of the comprehensive agreement, as may be agreed upon by
 266 the parties from time to time, shall be added to the comprehensive agreement by written
 267 amendment.

274 under the maintenance, performance, or payment bonds; other forms of security; or letters
275 of credit required by Code Section 36-91-115.

276 (b) The local government may elect to assume the responsibilities and duties of the private
277 entity of the qualifying project, and in such case, it shall succeed to all of the right, title,
278 and interest in such qualifying project subject to statutory limitations on the availability of

284 private entity. Any person who has provided financing for the qualifying project and the
285 private entity, to the extent of its capital investment, may participate in the condemnation
286 proceedings with the standing of a property owner.

 413 no obligation to return the proposal, unsolicited proposal, or any related materials
 414 following such rejection.

415 (f) A private entity assumes all risks in submission of a proposal or unsolicited proposal
 416 in accordance with subsections (a) and (b) of this Code section, and a responsible public
 417 entity shall not incur any obligation to reimburse a private entity for any costs, damages,
 418 or loss of intellectual property incurred by a private entity in the creation, development, or
 419 submission of a proposal or unsolicited proposal for a qualifying project.

420 50-5C-4.

421 (a) The responsible public entity may approve the project in an unsolicited proposal
 422 submitted by a private entity pursuant to Code Section 50-5C-3 as a qualifying project.
 423 Determination by the responsible public entity of a qualifying project shall not bind the
 424 responsible public entity or the private entity to proceed with the qualifying project.

425 (b) Upon the responsible public entity's determination of a qualifying project as provided
 426 in subsection (a) of this Code section, the responsible public entity shall:

427 (1) Seek competing proposals for the qualifying project by issuing a request for
 428 proposals for not less than 90 days; and

429 (2) Review all proposals submitted in response to the request for proposals based on the
 430 criteria established in the request for proposals.

431 (c) When the time for receiving proposals expires, the responsible public entity shall first
 432 rank the proposals in accordance with the factors set forth in the request for proposal or
 433 invitation for bids. The responsible public entity shall not be required to select the proposal
 434 with the lowest price offer, but it may consider price as one of various factors in evaluating
 435 the proposals received in response to the request for proposals for a qualifying project.

436 Factors that may be considered include:

437 (1) The proposed cost of the qualifying project;

438 (2) The general reputation, industry experience, and financial capacity of the private

450 public entity may conduct negotiations with the next ranked private entity. This process
451 shall continue until the responsible public entity either voluntarily abandons the process or
452 executes a comprehensive agreement or interim agreement with a private entity.

453 (e) At any time during the process outlined in this Code section but before full execution
454 of a comprehensive agreement, the responsible public entity may, without liability to any
455 private entity or third party, cancel its request for proposals or reject all proposals received
456 in response to its request for proposals, including the unsolicited proposal, for any reason
457 whatsoever.

458 (f) Nothing in this chapter shall enlarge, diminish, or affect the authority, if any, otherwise
459 possessed by the responsible public entity to take action that would impact the debt
460 capacity of the State of Georgia. The credit of this state shall not be pledged or loaned to
461 any private entity. The responsible public entity shall not loan money to the private entity
462 in order to finance all or a portion of the qualifying project. All power or authority granted
463 by this chapter to public entities shall be in addition to and supplemental to, and not in
464 substitution for, the powers conferred by any other general, special, or local law. The
465 limitations imposed by this chapter shall not affect the powers conferred by any other
466 general, special, or local law and shall apply only to the extent that a public entity elects
467 to proceed under this chapter.

468 50-5C-5.

469 (a) The comprehensive agreement entered into between the responsible public entity and
470 the private entity selected in accordance with this chapter shall include:

475 agreement of the parties, as well as any process for changing such fees or payments
476 throughout the term of the agreement, and a copy of any service contract;

477 (4) Any reimbursements to be paid to the responsible public entity for services provided
478 by the responsible public entity;

479 (5) A process for the review of plans and specifications for the qualifying project by the
480 responsible public entity and approval by the responsible public entity if the plans and
481 specifications conform to reasonable standards acceptable to the responsible public entity;

- 482 (6) A process for the periodic and final inspection of the qualifying project by the
483 responsible public entity to ensure that the private entity's activities are in accordance
484 with the provisions of the comprehensive agreement;
- 485 (7) Delivery of performance and payment bonds in the amounts required in Code
486 Sections 13-10-40, 13-10-41, and 13-10-60 and in a form acceptable to the responsible

489 entity for other phases and components of the development of the qualifying project;
- 490 (8) Submission of a policy or policies of public liability insurance, copies of which shall
491 be filed with the responsible public entity accompanied by proofs of coverage, or
492 self-insurance, each in form and amount satisfactory to the responsible public entity and
493 reasonably sufficient to ensure coverage of tort liability to the public and employees and
494 to enable the continued operation of the qualifying project;
- 495 (9) A process for monitoring the practices of the private entity by the responsible public
496 entity to ensure that the qualifying project is properly maintained;
- 497 (10) The filing of appropriate financial statements to the responsible public entity on a
498 periodic basis; and
- 499 (11) Provisions governing the rights and responsibilities of the responsible public entity
500 and the private entity in the event the comprehensive agreement is terminated or there is
501 a material default by the private entity, including conditions governing assumption of the
502 duties and responsibilities of the private entity by the responsible public entity and the
503 transfer or purchase of property or other interests of the private entity by the responsible
504 public entity, including provisions compliant with state constitutional limitations on
505 public debt.
- 506 (b) The comprehensive agreement may include such other terms and conditions that the
507 responsible public entity determines will serve the public purpose of this chapter and to
508 which the private entity and the responsible public entity mutually agree, including,
509 without limitation, provisions regarding unavoidable delays and provisions where the
510 authority and duties of the private entity under this chapter shall cease, and the qualifying
511 project is dedicated to the responsible public entity.
- 512 (c) Any changes in the terms of the comprehensive agreement, as may be agreed upon by
513 the parties from time to time, shall be added to the comprehensive agreement by written
514 amendment.
- 515 (d) The comprehensive agreement may provide for the development of phases or segments
516 of the qualifying project.

517 50-5C-6.

518 (a) In the event of a material default by the private entity, the responsible public entity may
519 terminate, with cause, the comprehensive agreement and exercise any other rights and
520 remedies that may be available to it at law or in equity, including, but not limited to, claims
521 under the maintenance, performance, or payment bonds; other forms of security; or letters
522 of credit required by Code Section 50-5C-5 in accordance with Code Sections 13-10-40
523 through 13-10-65.

524 (b) The responsible public entity may elect to assume the responsibilities and duties of the
525 private entity of the qualifying project, and in such case, it shall succeed to all of the right,
526 title, and interest in such qualifying project.

527 (c) The power of eminent domain shall not be delegated to any private entity with respect
528 to any project commenced or proposed pursuant to this chapter. Any responsible public
529 entity having the power of condemnation under state law may exercise such power of
530 condemnation to acquire the qualifying project in the event of a material default by the
531 private entity. Any person who has provided financing for the qualifying project and the
532 private entity, to the extent of its capital investment, may participate in the condemnation
533 proceedings with the standing of a property owner.

534 (d) In the event the responsible public entity elects to take over a qualifying project
535 pursuant to subsection (b) of this Code section, the responsible public entity may develop
536 the qualifying project, impose user fees, and impose and collect lease payments for the use
537 thereof.

538 50-5C-7.

539 All power or authority granted by this chapter to public entities shall be in addition and
540 supplemental to, and not in substitution for, the powers conferred by any other general or
541 special law. The limitations imposed by this chapter shall not affect the powers conferred
542 by any other general, special, or local law and shall apply only to the extent that a public
543 entity elects to proceed under this chapter.

544 50-5C-8.

545 Nothing in this chapter shall be construed as or deemed a waiver of the sovereign or
546 official immunity of any responsible public entity or any officer or employee thereof with
547 respect to the participation in, or approval of, all or any part of the qualifying project or its
548 operation, including, but not limited to, interconnection of the qualifying project with any
549 other infrastructure or project.

550 50-5C-9.

552 jurisdiction within the portion of such qualifying project as they have in their respective
553 areas of jurisdiction, and such law enforcement officers shall have access to the qualifying
554 project at any time for the purpose of exercising such powers and jurisdiction.

555 50-5C-10.

556 (a) Responsible public entities that proceed with procurement pursuant to competitive
557 sealed bidding pursuant to Code Section 50-5-67, or any other purchasing options available
558 to them under current law, shall not be required to comply with this chapter.

559 (b) Nothing in this chapter shall apply to or affect the State Transportation Board, the
560 Department of Transportation, or the State Road and Tollway Authority, or any project
561 thereof.

562 (c) Nothing in this chapter shall abrogate the obligations of a responsible public entity or
563 private entity to comply with the public meetings requirement in accordance with
