 14 systems, as Article 1.

15 **SECTION 2.**

16 Said title is further amended in Chapter 13 by adding a new article to read as follows:

17 "ARTICLE 2

18 33-13-30.

19 (a) The General Assembly finds and declares that an Own Risk and Solvency Assessment  
 20 Summary Report will contain confidential and sensitive information related to an insurer  
 21 or insurance group's identification of risks material and relevant to the insurer or insurance  
 22 group filing the report. This information will include proprietary and trade secret  
 23 information that has the potential for harm and competitive disadvantage to the insurer or  
 24 insurance group if the information is made public.

25 (b) It is the intent of the General Assembly that the Own Risk and Solvency Assessment  
 26 Summary Report shall be a confidential document filed with the Commissioner, that the  
 27 Own Risk and Solvency Assessment Summary Report will be shared only as stated in this  
 28 article and to assist the Commissioner in the performance of his or her duties, and that in  
 29 no event shall the Own Risk and Solvency Assessment Summary Report be subject to  
 30 public disclosure.

31 33-13-31.

32 The purpose of this article is to provide the requirements for maintaining a risk  
 33 management framework and completing an Own Risk and Solvency Assessment and  
 34 provide guidance and instructions for filing an Own Risk and Solvency Assessment  
 35 Summary Report with the Commissioner. The requirements of this article shall apply to  
 36 all insurers domiciled in this state unless exempt pursuant to Code Section 33-13-36.

37 33-13-32.

38 As used in this chapter, the term:

39 (1) 'Insurance group' means those insurers and affiliates included within an insurance  
 40 holding company system as defined in paragraph (5) of Code Section 33-13-1.

41 (2) 'Insurer' shall have the same meaning as set forth in Code Section 33-1-2, except that  
 42 it shall not include agencies, authorities, or instrumentalities of the United States, its  
 43 possessions and territories, the Commonwealth of Puerto Rico, the District of Columbia,  
 44 or a state or political subdivision of a state.

45 (3) 'Own Risk and Solvency Assessment' or 'ORSA' means a confidential internal  
 46 assessment, appropriate to the nature, scale, and complexity of an insurer or insurance  
 47 group, conducted by that insurer or insurance group of the material and relevant risks  
 48 associated with the insurer or insurance group's current business plan and the sufficiency  
 49 of capital resources to support those risks.

50 (4) 'ORSA Guidance Manual' means the current version of the Own Risk and Solvency  
 51 Assessment Guidance Manual developed and adopted by the National Association of  
 52 Insurance Commissioners and as amended from time to time. A change in the ORSA  
 53 Guidance Manual shall be effective on January 1 following the calendar year in which  
 54 the changes have been adopted by the National Association of Insurance Commissioners.

55 (5) 'ORSA Summary Report' means a confidential high-level summary of an insurer or  
 56 insurance group's ORSA.

57 33-13-33.

58 An insurer shall maintain a risk management framework to assist the insurer with  
59 identifying, assessing, monitoring, managing, and reporting on its material and relevant  
60 risks. This requirement may be satisfied if the insurance group of which the insurer is a  
61 member maintains a risk management framework applicable to the operations of the  
62 insurer.

63 33-13-34.

64 Subject to Code Section 33-13-36, an insurer, or the insurance group of which the insurer  
65 is a member, shall regularly conduct an ORSA consistent with a process comparable to the  
66 ORSA Guidance Manual. The ORSA shall be conducted no less than annually, but also at  
67 any time when there are significant changes to the risk profile of the insurer or the  
68 insurance group of which the insurer is a member.

69 33-13-35.

70 (a) Upon the Commissioner's request, and no more than once each year, an insurer shall  
71 submit to the Commissioner an ORSA Summary Report or any combination of reports that  
72 together contain the information described in the ORSA Guidance Manual, applicable to  
73 the insurer or the insurance group of which it is a member. Notwithstanding any request  
74 from the Commissioner, if the insurer is a member of an insurance group, the insurer shall  
75 submit the report or reports required by this subsection if the Commissioner is the lead state  
76 commissioner of the insurance group as determined by the procedures within the Financial  
77 Analysis Handbook adopted by the National Association of Insurance Commissioners.

78 (b) The report or reports shall include a signature of the insurer or insurance group's chief  
79 risk officer or other executive having responsibility for the oversight of the insurer's  
80 enterprise risk management process attesting to the best of his or her belief and knowledge  
81 that the insurer applies the enterprise risk management process described in the ORSA  
82 Summary Report and that a copy of the report has been provided to the insurer's board of  
83 directors or the appropriate committee.

84 (c) An insurer may comply with subsection (a) of this Code section by providing the most  
85 recent and substantially similar report or reports provided by the insurer or another member  
86 of an insurance group of which the insurer is a member to the commissioner of another  
87 state or to a supervisor or regulator of a foreign jurisdiction, if that report provides  
88 information that is comparable to the information described in the ORSA Guidance  
89 Manual. Any such report in a language other than English must be accompanied by a  
90 translation of that report into the English language.

91 33-13-36.

- 92 (a) An insurer shall be exempt from the requirements of this article, if:  
93 (1) The insurer has annual direct written and unaffiliated assumed premium, including  
94 international direct and assumed premium, but excluding premiums reinsured with the  
95 Federal Crop Insurance Corporation and Federal Flood Program, less than \$500 million;  
96 and  
97 (2) The insurance group of which the insurer is a member has annual direct written and  
98 unaffiliated assumed premium, including international direct and assumed premium, but  
99 excluding premiums reinsured with the Federal Crop Insurance Corporation and Federal  
100 Flood Program, less than \$1 billion.
- 101 (b) If an insurer qualifies for exemption pursuant to paragraph (1) of subsection (a) of this  
102 Code section, but the insurance group of which the insurer is a member does not qualify  
103 for exemption pursuant to paragraph (2) of subsection (a) of this Code section, then the  
104 ORSA Summary Report that may be required pursuant to Code Section 33-13-35 shall  
105 include every insurer within the insurance group. This requirement may be satisfied by the  
106 submission of more than one ORSA Summary Report for any combination of insurers,  
107 provided that any combination of reports includes every insurer within the insurance group.
- 108 (c) If an insurer does not qualify for exemption pursuant to paragraph (1) of subsection (a)  
109 of this Code section, but the insurance group of which it is a member qualifies for  
110 exemption pursuant to paragraph (2) of subsection (a) of this Code section, then the only  
111 ORSA Summary Report that may be required pursuant Code Section 33-13-35 shall be the  
112 report applicable to that insurer.
- 113 (d) An insurer that does not qualify for exemption pursuant to subsection (a) of this Code  
114 section may apply to the Commissioner for a waiver from the requirements of this article  
115 based upon unique circumstances. In deciding whether to grant the insurer's request for  
116 waiver, the Commissioner may consider the type and volume of business written,  
117 ownership and organizational structure, and any other factor the Commissioner considers  
118 relevant to the insurer or insurance group of which the insurer is a member. If the insurer  
119 is part of an insurance group with insurers domiciled in more than one state, the  
120 Commissioner shall coordinate with the lead state commissioner and with the other  
121 domiciliary commissioners in considering whether to grant the insurer's request for a  
122 waiver.
- 123 (e) Notwithstanding the exemptions stated in this Code section:  
124 (1) The Commissioner may require that an insurer maintain a risk management  
125 framework, conduct an ORSA and file an ORSA Summary Report based on unique  
126 circumstances including, but not limited to, the type and volume of business written,  
127 ownership and organizational structure, federal agency requests, and international  
128 supervisor requests; and

129 (2) The Commissioner may require that an insurer maintain a risk management  
130 framework, conduct an ORSA, and file an ORSA Summary Report if the insurer has  
131 risk-based capital for company action level event as set forth in Chapter 56 of this title,  
132 meets one or more of the standards of an insurer deemed to be in hazardous financial  
133 condition as provided for pursuant to Commissioner's rules and regulations, or otherwise  
134 exhibits qualities of a troubled insurer as determined by the Commissioner.

135 (f) If an insurer that qualifies for an exemption pursuant to subsection (a) of this Code  
136 section subsequently no longer qualifies for that exemption due to changes in premium as  
137 reflected in the insurer's most recent annual statement or in the most recent annual  
138 statements of the insurers within the insurance group of which the insurer is a member, the  
139 insurer shall have one year following the year the threshold is exceeded to comply with the  
140 requirements of this article.

141 33-13-37.

142 (a) The ORSA Summary Report shall be prepared consistently with the ORSA Guidance  
143 Manual, subject to the requirements of subsection (b) of this Code section. Documentation  
144 and supporting information shall be maintained and made available upon examination or  
145 upon request of the Commissioner.

146 (b) The review of the ORSA Summary Report, and any additional requests for  
147 information, shall be made using similar procedures currently used in the analysis and  
148 examination of multistate or global insurers and insurance groups.

149 33-13-38.

158 furtherance of any regulatory or legal action brought as a part of the Commissioner's  
159 official duties. The Commissioner shall not otherwise make the documents, materials, or  
160 other information public without the prior written consent of the insurer.

161 (b) Neither the Commissioner nor any person who received documents, materials, or other

163 authority of the Commissioner or with whom such documents, materials, or other
