disposition of property by the Department of Transportation, as follows:

“32-7-4.
(a)(1) In disposing of property, as authorized under Code Section 32-7-3, the department,
a county, or a municipality, provided that such department, county, or municipality has
held title to the property for no more than 30 years, shall notify the owner of such
property at the time of its acquisition or, if the tract from which the department, a county,
or a municipality acquired its property has been subsequently sold, shall notify the owner
of abutting land holding title through the owner from whom the department, a county, or
a municipality acquired its property. The notice shall be in writing delivered to the
appropriate owner or by publication if his or her address is unknown; and he or she shall
have the right to acquire, as provided in this subsection, the property with respect to
which the notice is given. Publication, if necessary, shall be in a newspaper of general
circulation in the county where the property is located. If, after a search of the land and
probate available public records, the address of any interested party cannot be found, an
affidavit stating such a record of the facts and reciting the steps taken to establish the
address of any such person shall be placed in the department, county, or municipal
records and shall be accepted in lieu of service of notice by mailing the same to the last
known address of such person. After properly completing and filing such affidavit
documenting the search, the department, county, or municipality may dispose of the property in accordance with the provisions of subsection (b) of this Code section.

(2)(A) When an entire parcel acquired by the department, a county, or a municipality, or any interest therein, is being disposed of, it may be acquired under the right created in paragraph (1) of this subsection at such price as may be agreed upon, but in no event less than the price paid for its acquisition. When only remnants or portions of the original acquisition are being disposed of, they may be acquired for the market value thereof at the time the department, county, or municipality decides the property is no longer needed. The department shall use a real estate appraiser with knowledge of the local real estate market who is licensed in Georgia and not an employee of the department to establish the fair market value of the property prior to listing such property.

(B) The provisions of subparagraph (A) of this paragraph notwithstanding, if the value of the property is $30,000.00 or less as determined by department estimate, the department, county, or municipality may negotiate the sale.

(3) If the right of acquisition is not exercised within 60 days after due notice, the department, county, or municipality may proceed to sell such property as provided in subsection (b) of this Code section.

(4) When the department, county, or municipality in good faith and with reasonable diligence attempted to ascertain the identity of persons entitled to notice under this Code section and mailed such notice to the last known address of record of those persons or otherwise complied with the notification requirements of this Code section, the failure to in fact notify those persons entitled thereto shall not invalidate any subsequent disposition of property pursuant to this Code section.

(b)(1)(A) Unless a sale of the property is made pursuant to paragraph (2) or (3) of this subsection, such sale shall be made to the bidder submitting the highest of the sealed bids received after public advertisement for such bids for two weeks. If the highest of the sealed bids received is less than but within 15 percent of the established market value, the department may accept that bid and convey the property in accordance with the provisions of subsection (c) of this Code section. The department or the county or municipality shall have the right to reject any and all bids, in its discretion, to readvertise, or to abandon the sale.

(B) Such public advertisement shall be inserted once a week in such newspapers or other publication, or both, as will ensure adequate publicity, the first insertion to be at least two weeks prior to the opening of bids, the second to follow one week after the first publication. municipality by listing the property through a real estate broker licensed under Chapter
40 of Title 43 who has a place of business located in the county where the property is
located or outside the county if no such business is located in the county where the
property is located. Property shall be listed for a period of at least three months. Such
property shall not be sold at less than its fair market value. The department shall use
a real estate appraiser with knowledge of the local real estate market who is licensed
in Georgia and not an employee of the department to establish the fair market value of
the property prior to listing such property. All sales shall be approved by the
commissioner on behalf of the department or shall be approved by the governing
authority of the county or municipality at a regular meeting and that shall be open to the
public at which meeting, and public comments shall be allowed at such meeting
regarding such sale.

(B) Commencing at the time of the listing of the property as provided in subparagraph
(A) of this paragraph, the department, county, or municipality shall provide for a notice
to be inserted once a week for two weeks in the legal organ of the county indicating the
names of real estate brokers listing the property for the political subdivision. The
department, county, or municipality may advertise in magazines relating to the sale of
real estate or similar publications.

(C) The department, county, or municipality shall have the right to reject any and all
offers, in its discretion, and to sell such property pursuant to the provisions of paragraph
(1) of this subsection.

(3)(A) Such sale of property may be made by the department, a county, or a
municipality to the highest bidder at a public auction conducted by an auctioneer
licensed under Chapter 6 of Title 43. Such property shall not be sold at less than its fair
market value.

(B) The department, county, or municipality shall provide for a notice to be inserted
once a week for the two weeks immediately preceding the auction in the legal organ of
the county including, at a minimum, the following items:

(iv) All the conditions of sale; and

(v) Such further information as the department or the county or municipality may deem advisable as in the public interest.

The department, county, or municipality may advertise in magazines relating to the sale of real estate or similar publications.

(C) The department, county, or municipality shall have the right to reject any and all offers, in its discretion, and to sell such property pursuant to the provisions of paragraph (1) or (2) of this subsection.

(c) Any conveyance of property shall require the approval of the department, county, or municipality, by order of the commissioner on behalf of the department and, in the case of a county or municipality, by resolution, to be recorded in the minutes of its meeting. If the department or the county or municipality approves a sale of property, the commissioner, chairperson, or presiding officer may execute a quitclaim deed conveying such property to the purchaser. All proceeds arising from such sales shall be paid into and constitute a part of the funds of the seller.”
