

LOST

Senator Tippins of the 37th offers the following amendment:

1 *Amend the Senate Health and Human Services Committee substitute to HB 1 (LC 37 1997S)*

2 *by inserting before the period at the end of line 30 the following:*

3 and has been manufactured and produced under the approval of the federal Food and Drug

4 Administration and certified for purity and content

5 *By replacing lines 261 and 262 with the following:*

6 (a) As used in this chapter, the term 'low THC oil' means an oil that contains not more than

7 5 percent by weight of tetrahydrocannabinol and an amount of cannabidiol equal to or

8 greater than the amount of tetrahydrocannabinol.
