S. B. 8 (SUB)

29 BE IT ENACTED BY THE GENERAL ASSEMBLY OF GEORGIA:

30 **PART I**

31 **SECTION 1-1.**

32 This Act shall be known and may be cited as the "Safe Harbor/Rachel's Law Act."

33 **SECTION 1-2.**

34 (a) The General Assembly finds that arresting, prosecuting, and incarcerating victimized  
35 children serves to retraumatize children and increases their feelings of low self-esteem,  
36 making the process of recovery more difficult. The General Assembly acknowledges that  
37 both federal and state laws recognize that sexually exploited children are the victims of crime  
38 and should be treated as victims. The General Assembly finds that sexually exploited  
39 children deserve the protection of child welfare services, including family support, crisis  
40 intervention, counseling, and emergency housing services. The General Assembly finds that  
41 it is necessary and appropriate to adopt uniform and reasonable assessments and regulations  
42 to help address the deleterious secondary effects, including but not limited to, prostitution  
43 and sexual exploitation of children, associated with adult entertainment establishments that  
44 allow the sale, possession, or consumption of alcohol on premises and that provide to their  
45 patrons performances and interaction involving various forms of nudity. The General  
46 Assembly finds that a correlation exists between adult live entertainment establishments and  
47 the sexual exploitation of children. The General Assembly finds that adult live entertainment  
48 establishments present a point of access for children to come into contact with individuals  
49 seeking to sexually exploit children. The General Assembly further finds that individuals  
50 seeking to exploit children utilize adult live entertainment establishments as a means of  
51 locating children for the purpose of sexual exploitation. The General Assembly  
52 acknowledges that many local governments in this state and in other states found deleterious  
53 secondary effects of adult entertainment establishments are exacerbated by the sale,  
54 possession, or consumption of alcohol in such establishments.

55 (b) The purpose of this Act is to protect a child from further victimization after he or she is  
56 discovered to be a sexually exploited child by ensuring that a child protective response is in  
57 place in this state. The purpose and intended effect of this Act in imposing assessments and  
58 regulations on adult entertainment establishments is not to impose a restriction on the content  
59 or reasonable access to any materials or performances protected by the First Amendment of  
60 the United States Constitution or Article I, Section I, Paragraph V of the Constitution of this  
61 state.

62 **PART II**
