 285 VTD: 089VB - VALLEY BROOK

286 For the purposes of this plan (LaVista Hills-SD042-p7(dist)-2015):

287 (1) The term "VTD" shall mean and describe the same geographical boundaries as
288 provided in the report of the Bureau of the Census for the United States decennial census
289 of 2010 for the State of Georgia. The separate numeric designations in a district
290 description which are underneath a VTD heading shall mean and describe individual
291 blocks within a VTD as provided in the report of the Bureau of the Census for the United
292 States decennial census of 2010 for the State of Georgia;

293 (2) Except as otherwise provided in the description of any district, whenever the
294 description of any district refers to a named city, it shall mean the geographical
295 boundaries of that city as shown on the census maps for the United States decennial
296 census of 2010 for the State of Georgia;

297 (3) Any part of the City of LaVista Hills which is not included in any district described
298 in this plan (LaVista Hills-SD042-p7(dist)-2015) shall be included within that district
299 contiguous to such part which contains the least population according to the United States
300 decennial census of 2010 for the State of Georgia;

301 (4) Any part of the City of LaVista Hills which is described in this plan (LaVista
302 Hills-SD042-p7(dist)-2015) as being included in a particular district shall nevertheless
303 not be included within such district if such part is not contiguous to such district. Such
304 noncontiguous part shall instead be included within that district contiguous to such part
305 which contains the least population according to the United States decennial census of
306 2010 for the State of Georgia; and

307 (5) Any part of the City of LaVista Hills which is described in this plan (LaVista
308 Hills-SD042-p7(dist)-2015) as being included in a particular district shall nevertheless
309 not be included within such district if such area was annexed into another corporate
310 boundary before March 2, 2015.
