2 disease, pest control, and pesticides, so as to provide for the control and transport of feral
3 hogs; to amend Title 27 of the Official Code of Georgia Annotated, relating to game and fish,
4 so as to revise provisions relating to the hunting of feral hogs; to remove certain restrictions
5 on the hunting of feral hogs; to provide for exceptions and penalties; to provide for a short

14 diseases, feral hogs pose a health risk to humans, livestock, companion animals, pets, and
15 native wildlife.
