11 Article 1 of Chapter 16 of Title 50 of the Official Code of Georgia Annotated, relating to
12 general provisions relative to public property, is amended by revising subsection (b) of Code
13 Section 50-16-18, relating to writing off small amounts due to the state, as follows:

14 "(b)(1) All state agencies and departments, in order to preserve public funds, shall be
15 authorized to develop appropriate standards that comply with the policies prescribed by
16 the state accounting officer which will provide a mechanism to consider administratively
17 discharging any obligation or charge in favor of such agency or department when such
18 obligation or charge is \$100.00 or any lesser amount unless the agency or department
19 belongs to the Board of Regents of the University System of Georgia or the Technical
20 College System of Georgia in which case the obligation or charge in favor of the
21 institution under the Board of Regents of the University System of Georgia or the

23 amount. This procedure shall not be available to such agency or department in those
24 instances where the obligor has more than one such debt or obligation in any given fiscal
25 year, and this provision shall be construed in favor of the state agency or department so

26 as not to alter the unquestioned ability of such state agency or department to pursue any
27 debt, obligation, or claim in any amount whatsoever. In those instances where a debt or
28 obligation of \$100.00 or less, or \$3,000.00 or less for the institutions of the Board of

34 recommendation to the commissioner of such state agency or department. In those
35 instances where the commissioner makes a determination that further collection efforts
36 would be detrimental to the public's financial interest, a certificate reflecting this
37 determination shall be executed, and this certificate shall serve as the authority to remove
38 such uncollectable accounts from the financial records of such state agency or
39 department. Such certificates shall be forwarded to the state accounting officer in a
40 manner and at such times as are reflected in the standards developed by the state
41 accounting officer and the state agency or department. This paragraph shall stand
42 repealed and reserved effective July 1, ~~2016~~ 2021.

44 preserve public funds, shall be authorized to develop appropriate standards that comply
45 with the policies prescribed by the state accounting officer which will provide a
46 mechanism to consider administratively discharging any obligation or charge in favor of
47 such agency or department when such obligation or charge is \$100.00 or any lesser
48 amount. This procedure shall not be available to such agency or department in those
49 instances where the obligor has more than one such debt or obligation in any given fiscal
50 year, and this provision shall be construed in favor of the state agency or department so
51 as not to alter the unquestioned ability of such state agency or department to pursue any
52 debt, obligation, or claim in any amount whatsoever. In those instances where a debt or
53 obligation of \$100.00 or less has been deemed to be uncollectable, the proper individual
54 making such determination shall transmit a recapitulation of the efforts made to collect
55 the debt together with all other appropriate information, which shall include a reasonable
56 estimate of the cost to pursue administratively or judicially the account, together with a
57 recommendation to the commissioner of such state agency or department. In those
58 instances where the commissioner makes a determination that further collection efforts
59 would be detrimental to the public's financial interest, a certificate reflecting this
60 determination shall be executed, and this certificate shall serve as the authority to remove
61 such uncollectable accounts from the financial records of such state agency or
62 department. Such certificates shall be forwarded to the state accounting officer in a
