49

**PART II**

50

**SECTION 2-1.**

51 That the State of Georgia is the owner of the above-described easement area, that the  
52 property is in the custody of its Department of Natural Resources, which does not object to  
53 the granting of this nonexclusive easement of approximately 3.146 acres, and that, in all  
54 matters relating to the easement, the State of Georgia is acting by and through its State  
55 Properties Commission.

56

**SECTION 2-2.**

57 That, in accordance with the change of use of the above-described easement area, the State  
58 of Georgia acting by and through its State Properties Commission is authorized to grant to  
59 the Georgia Department of Transportation, or its successors and assigns, a nonexclusive  
60 easement for the construction, operation, and maintenance of a traffic safety improvement  
61 in, on, over, under, upon, across, or through the easement area for the purpose of planning,  
62 constructing, erecting, installing, maintaining, repairing, replacing, inspecting, and operating  
63 a traffic safety improvement together with the right of ingress and egress over adjacent land  
64 of the State of Georgia as may be reasonably necessary to accomplish the aforesaid purpose.

65

**SECTION 2-3.**

66 That the easement area shall be used by the Georgia Department of Transportation solely for  
67 the purpose of planning, constructing, erecting, installing, maintaining, repairing, replacing,  
68 inspecting, and operating said traffic safety improvement.

69

**SECTION 2-4.**

71 removed from said easement area only such trees and bushes as may be reasonably necessary  
72 for the proper construction, installation, operation, and maintenance of said traffic safety  
73 improvement.

74

**SECTION 2-5.**

75 That, after the Department of Transportation has put into use the traffic safety improvement  
76 for which this easement is granted, a subsequent abandonment of the use thereof shall cause  
77 a reversion to the State of Georgia, or its successors and assigns, of all the rights, title,  
78 privileges, powers, and easement granted herein. Upon abandonment, the Department of  
79 Transportation, or its successors and assigns, shall have the option of removing its facilities

80 from the easement area or leaving the same in place, in which event the easement area shall  
81 become the property of the State of Georgia, or its successors and assigns.

82 **SECTION 2-6.**

83 That no title shall be conveyed to the Department of Transportation and, except as herein  
84 specifically granted to the Department of Transportation, all rights, title, and interest in and

86 easement area not inconsistent with or detrimental to the rights, privileges, and interest  
87 granted to the Department of Transportation.

88 **SECTION 2-7.**

89 That if the State of Georgia, acting by and through its State Properties Commission,  
90 determines that any or all of the facilities placed on the easement area should be removed or  
91 relocated to an alternate site on state owned land in order to avoid interference with the state's  
92 use or intended use of the easement area, it may grant a substantially equivalent nonexclusive  
93 easement to allow placement of the removed or relocated facilities across the alternate site  
94 under such terms and conditions as the State Properties Commission shall in its discretion  
95 determine to be in the best interest of the State of Georgia, and the Department of  
96 Transportation shall remove or relocate its facilities to the alternate easement area at its sole  
97 cost and expense without reimbursement from the State of Georgia unless, in advance of any  
98 construction being commenced, the Department of Transportation provides a written estimate  
99 for the cost of such removal and relocation and the State Properties Commission determines,  
100 in its sole discretion, that the requested removal or relocation is to be for the sole benefit of  
101 the State of Georgia and approves payment by the State of Georgia of all or a portion of such  
102 actual cost and expense, not to exceed 20 percent of the amount of such written estimate.  
103 Upon written request from the grantee or any third party, the State Properties Commission,  
104 in its sole discretion, may grant a substantially equivalent nonexclusive easement within the  
105 property for the relocation of the facilities without cost, expense, or reimbursement from the  
106 State of Georgia. If an easement is relocated for any reason, the State Properties  
107 Commission is authorized to convey by quitclaim deed the state's interest in the former  
108 easement area without further approval by the General Assembly.

109 **SECTION 2-8.**

110 That the easement granted to the Department of Transportation shall contain such other  
111 reasonable terms, conditions, and covenants as the State Properties Commission shall deem  
112 to be in the best interest of the State of Georgia and that the State Properties Commission is

113 authorized to use a more accurate description of the easement area, so long as the description  
114 utilized by the State Properties Commission describes the same easement area herein granted.

115 **SECTION 2-9.**

116 That this resolution does not affect and is not intended to affect any rights, powers, interest,  
117 or liability of the Georgia Department of Transportation with respect to the state highway  
118 system, of a county with respect to the county road system, or of a municipality with respect  
119 to the city street system. The grantee shall obtain any and all other required permits from the  
120 appropriate governmental agencies as are necessary for its lawful use of the easement area  
121 or public highway right of way and comply with all applicable state and federal  
122 environmental statutes in its use of the easement area.

123 **SECTION 2-10.**

124 That, given the public purpose of the project, the consideration for such easement shall be  
125 \$10.00 and such further consideration and provisions as the State Properties Commission  
126 may determine to be in the best interests of the State of Georgia.

127 **SECTION 2-11.**

128 That this grant of easement shall be recorded by the grantee in the Superior Court of Houston  
129 County, and a recorded copy shall promptly be forwarded to the State Properties  
130 Commission.

131 **SECTION 2-12.**

132 That the authorization in this resolution to grant the above-described easement to the  
133 Department of Transportation shall expire three years after the date that this resolution  
134 becomes effective.

135 **SECTION 2-13.**

136 That the State Properties Commission is authorized and empowered to do all acts and things  
137 necessary and proper to effect the grant of the easement area.

138 **PART III**

139 **SECTION 3-1.**

140 That this resolution shall become effective upon its approval by the Governor or upon its  
141 becoming law without such approval.

142

**SECTION 3-2.**

143 That all laws and parts of laws in conflict with this resolution are repealed.
