

Senate Resolution 1056

By: Senator Rhett of the 33rd

**ADOPTED**

A RESOLUTION

1 Creating the Senate Study Committee on the Premium Assistance Program; and for other  
2 purposes.

3 WHEREAS, premium assistance is an alternative to the expansion of Medicaid that assists  
4 individuals with purchasing coverage through private group health plans; and

5 WHEREAS, this option will provide much needed health insurance coverage for a portion  
6 of the population that has an income too high to qualify for Medicaid but too low to qualify  
7 for subsidies provided by the federal government; and

8 WHEREAS, this alternative to Medicaid expansion increases private health care options and  
9 decreases the cost of government operated programs; and

10 WHEREAS, this option has been successfully utilized by other states that have found that  
11 it improves access to quality health care, attracts insurance carriers, enhances competition  
12 in the insurance marketplace, promotes individually owned health insurance, strengthens  
13 personal responsibility, reduces the size of the state administered Medicaid program, and  
14 discourages overuse, among other benefits; and

15 WHEREAS, the premium assistance program which utilizes federal Medicaid funds to
