16 The General Assembly acknowledges that the application of specific knowledge and skills
17 relating to breastfeeding is important to the health of mothers and babies and acknowledges
18 further that the rendering of sound lactation care and services in hospitals, physician
19 practices, private homes, and other settings requires trained and competent professionals.
20 It is declared, therefore, to be the purpose of this chapter to protect the health, safety, and
21 welfare of the public by providing for the licensure and regulation of the activities of
22 persons engaged in lactation care and services.

64 shall consist of persons familiar with the practice of lactation care and services to provide
65 the Secretary with expertise and assistance in carrying out his or her duties pursuant to this
66 chapter.

67 (c) The Secretary shall appoint members of the advisory group to serve for terms of four
68 years. The Secretary shall appoint four members who are lactation consultants in this state
69 and one member who is a consumer.

70 (d) Members shall serve without compensation.

71 (e) Members may serve consecutive terms at the will of the Secretary. Any vacancy shall

95 (1) Holds a valid license to practice lactation care and services issued by another state,

127 (b) The licensee shall display the license in an appropriate and public manner.

128 (c) The licensee shall inform the Secretary of any change of address.

129 (d) The license shall be renewed biennially if the licensee is not in violation of this chapter

142 43-22A-11.

143 On and after July 1, 2018, no person without a license as a lactation consultant issued
 144 pursuant to this chapter shall use the title 'licensed lactation consultant' or 'licensed L.C.'
 145 or practice lactation care and services, provided that this chapter shall not prohibit any
 146 practice of lactation care and services that is exempt pursuant to the provisions set forth in
 147 Code Section 43-22A-13.

148 43-22A-12.

149 (a) The Secretary may revoke, suspend, deny, or refuse to issue or renew a license; place
 150 a licensee on probation; or issue a letter of admonition upon proof that the licensee or

 167 administering lactation care and services.

168 (b) The Secretary is authorized to conduct investigations into allegations of conduct
 169 described in subsection (a) of this Code section.

170 (c) In addition to revoking, suspending, denying, or refusing to renew a license, the
 171 Secretary may fine a licensee found to have violated any provision of this chapter or any
