House Bill 28
By: Representative Mitchell of the 88th

A BILL TO BE ENTITLED
AN ACT

To amend Part 3 of Article 16 of Chapter 2 of Title 20 of the Official Code of Georgia Annotated, relating to health of students in elementary and secondary education, so as to require testing of drinking water in public and private schools for lead contamination; to provide for remediation plans or alternate sources of drinking water; to provide for rules and regulations; to provide for an exemption; to provide for related matters; to repeal conflicting laws; and for other purposes.

BE IT ENACTED BY THE GENERAL ASSEMBLY OF GEORGIA:

SECTION 1.

Part 3 of Article 16 of Chapter 2 of Title 20 of the Official Code of Georgia Annotated, relating to health of students in elementary and secondary education, is amended by adding a new Code section to read as follows:

"20-2-779.2.
(a) No later than December 31, 2017, every public and private school shall conduct testing of drinking water outlets for lead contamination. Such testing shall be conducted in accordance with rules and regulations established pursuant to subsection (c) of this Code section.
(b) Where a finding of lead contamination is made, a school shall establish a remediation plan for or alternate source of drinking water.
(c) The Department of Education, in consultation with the Department of Public Health, shall establish rules and regulations regarding the testing of drinking water outlets and the remediation of lead contamination as required pursuant to this Code section.
(d) Public or private schools which are classified as public water systems pursuant to Parts 141 and 142 of Title 40 of the Code of Federal Regulations shall be exempt from this Code section."
