25 30-3A-2.

26 (a) A commercial public facility having a total occupant load greater than 1,000 persons
27 shall install and maintain a minimum of one adult changing station for persons with

29 museum building as defined under Code Section 25-2-13.

30 (b) Each commercial public facility covered under this chapter shall provide signage at or
31 near the entrance of each adult changing station indicating the location of such station. The
32 central facility directory, if provided by such facility, shall indicate the location of any

46 (2) With respect to any such facility, the Commissioner shall have the following powers
47 and duties:

62 or requirements and approve plans and specifications which do not conform, or which
63 only partially conform, to such requirement or requirements.

64 (b) The board of regents shall be responsible for the administration and enforcement of this
65 chapter with respect to all commercial public facilities covered by this chapter under its
66 jurisdiction. No plans for any such facility shall be approved by the board of regents for
67 any construction within the University System of Georgia unless the plans and
68 specifications conform to the requirements of this chapter and the rules and regulations
69 promulgated to carry out its provisions.

70 (c) Local governing authorities shall be responsible for the administration and enforcement
71 of this chapter with respect to all commercial public facilities covered by this chapter
72 which are not under the jurisdiction of the Commissioner or board of regents pursuant to
73 subsections (a) and (b) of this Code section and which are under the jurisdiction of such
74 local governing authorities. No building permit for any such facility shall be approved by
75 any local governing authority for any private person, corporation, partnership, association,

81 building code officials or fire department, or any combination thereof.

82 (e) The Commissioner, the board of regents, and the local building code officials or fire
83 department, or any combination thereof, having jurisdiction over the facilities in question
84 shall from time to time inform, in writing, professional organizations and others of this
85 chapter and its application.

87 having jurisdiction over the commercial public facilities in question shall have all
88 necessary powers to require compliance with their rules, regulations, and procedures, and
89 modifications thereof and substitutions therefor, including powers to institute and
90 prosecute proceedings in the superior court to compel compliance, and shall not be
91 required to pay any entry or filing fee in connection with the institution of such
92 proceedings.

94 with the provisions of this chapter unless 90 days have passed since such person, firm,
95 or corporation has been notified by certified mail or statutory overnight delivery of an
96 alleged violation of this chapter. Such notification shall include a warning of an

98 90 day warning period.

99 (g) The Commissioner, the board of regents, and the local governing authorities having
100 jurisdiction over the commercial public facilities in question, after consultation with state
101 rehabilitation agencies and other sources as they might determine, shall be authorized to
102 promulgate such rules, regulations, and procedures as might reasonably be required to
103 implement and enforce their responsibilities under this chapter. Such rules, regulations, and
104 procedures shall not be less restrictive than those established by the Commissioner.

105 30-3A-4.

106 Any person, firm, or corporation that violates this chapter, or that causes another person,
107 firm, or corporation to violate this chapter, or that fails or refuses to comply with any rule,
108 regulation, or procedure promulgated under this chapter shall be guilty of a misdemeanor.

109 30-3A-5.

110 Any provision of this chapter which affords persons with disabilities greater access than
111 is required by federal law shall be fully effective."
