## A RESOLUTION

1 Creating the Joint Study Committee on Converting Closed Hospitals to Veterans Homes; and  
2 for other purposes.

3 WHEREAS, since 2010, according to the CEO of the National Rural Health Association, 82  
4 rural hospitals have closed nation-wide and as many as 700 more are at risk of closing within  
5 the next ten years; and

6 WHEREAS, six rural hospitals have closed in Georgia since 2013; and

7 WHEREAS, according to a 2016 report on rural hospital strength prepared for the National  
8 Rural Health Association, more than half of this state's remaining rural hospitals are  
9 vulnerable to closure; and

10 WHEREAS, many of this state's closed hospitals can be considered stranded assets, sitting  
11 empty and unused for any governmental or public purpose; and

12 WHEREAS, state veterans homes fill an important need for low income veterans and  
13 veterans who desire to spend their last years with fellow service members; and

14 WHEREAS, every state has at least one veterans home and some states, such as Oklahoma,  
15 have six or seven; and

16 WHEREAS, there is great demand for the services that can be provided through such  
17 veterans homes, but lack of federal and state funding has created a building backlog of more  
18 than 130 such veterans homes; and

19 WHEREAS, according to the Armed Forces Veterans Homes Foundation, this nation is home  
20 to the largest aging veteran population in its history, accommodating roughly 10 million  
21 veterans aged 65 and over; and

22 WHEREAS, it would be beneficial to study the possibility of converting closed hospitals in  
23 Georgia, particularly in rural areas, into state veterans homes. It would further be beneficial  
24 for the U.S. Veterans Administration to work collaboratively with the committee to further  
25 its goals.

26 NOW, THEREFORE, BE IT RESOLVED BY THE GENERAL ASSEMBLY OF
