 30 shall not proceed until the school bus resumes motion or the visual signals are no longer
 31 actuated.

32 (b) The driver of a vehicle upon a highway with separate roadways or a divided highway,
 33 including, but not limited to, a highway divided by a turn lane, need not stop upon meeting

 37 permitted to cross the roadway.

38 (c) Every school bus driver who observes a violation of subsection (a) of this Code section
 39 is authorized and directed to record specifically the vehicle description, license number of
 40 the offending vehicle, and time and place of occurrence on forms furnished by the
 41 Department of Public Safety. Such report shall be submitted within 15 days of the
 42 occurrence of the violation to the local law enforcement agency which has law enforcement
 43 jurisdiction where the alleged offense occurred.

44 (d)(1) As used in this subsection, the term:

45 (A) 'Agent' means a person or entity who is authorized by a law enforcement agency
 46 or governing body to administer the procedures contained herein and:

 53 company is being operated by another person under a rental agreement with such
 54 company.

55 ~~(B)~~(C) 'Recorded images' means images recorded by a video recording device mounted
 56 on a school bus with a clear view of vehicles passing the bus on either side and showing
 57 the date and time the recording was made and an electronic symbol showing the
 58 activation of amber lights, flashing red lights, stop arms, and brakes.

59 ~~(C)~~(D) 'Video recording device' means a camera capable of recording digital images
 60 showing the date and time of the images so recorded.

61 (2) Subsection (a) of this Code section may be enforced by using recorded images as
62 provided in this subsection.

63 (3) For the purpose of enforcement pursuant to this subsection:

64 (A) The ~~driver~~ owner of a motor vehicle shall be liable for a civil monetary penalty to
65 the governing body of the law enforcement agency provided for in subparagraph
66 (d)(3)(B) of this Code Section if such vehicle is found, as evidenced by recorded
67 images, to have been operated in disregard or disobedience of subsection (a) of this
68 Code section and such disregard or disobedience was not otherwise authorized by law.
69 The amount of such fine shall be ~~\$300.00 for a first offense, \$750.00 for a second~~
70 ~~offense, and \$1,000.00 for each subsequent offense in a five-year period~~ \$250.00;

71 (B) The law enforcement agency authorized to enforce the provisions of this Code
72 section shall send by ~~regular~~ first class mail addressed to the owner of the motor vehicle
73 ~~postmarked~~ not later than ten days after ~~the date of the alleged violation~~ obtaining the
74 name and address of the owner of the motor vehicle:

75 (i) A citation for the alleged violation, which shall include the date and time of the
76 violation, the location of the infraction, the amount of the civil monetary penalty
77 imposed, and the date by which the civil monetary penalty shall be paid;

78 (ii) An image taken from the recorded image showing the vehicle involved in the
79 infraction;

80 (iii) A copy of a certificate sworn to or affirmed by a certified peace officer employed
81 by a law enforcement agency authorized to enforce this Code section and stating that,
82 based upon inspection of recorded images, the owner's motor vehicle was operated
83 in disregard or disobedience of subsection (a) of this Code section and that such
84 disregard or disobedience was not otherwise authorized by law;

85 (iv) A statement of the inference provided by subparagraph (D) of this paragraph and
86 of the means specified therein by which such inference may be rebutted;

87 (v) Information advising the owner of the motor vehicle of the manner and time in
88 which liability as alleged in the citation may be contested in court; and

89 (vi) A warning that failure to pay the civil monetary penalty or to contest liability in
90 a timely manner shall waive any right to contest liability and result in a civil monetary
91 penalty;

92 (C) Proof that a motor vehicle was operated in disregard or disobedience of subsection
93 (a) of this Code section shall be evidenced by recorded images. A copy of a certificate
94 sworn to or affirmed by a certified peace officer employed by a law enforcement
95 agency and stating that, based upon inspection of recorded images, a motor vehicle was
96 operated in disregard or disobedience of subsection (a) of this Code section and that

97 such disregard or disobedience was not otherwise authorized by law shall be
98 prima-facie evidence of the facts contained therein; and

99 (D) Liability under this subsection shall be determined based upon preponderance of
100 the evidence. Prima-facie evidence that the vehicle described in the citation issued
101 pursuant to this subsection was operated in violation of subsection (a) of this Code
102 section, together with proof that the defendant was at the time of such violation the
103 registered owner of the vehicle, shall permit the trier of fact in its discretion to infer that
104 such owner of the vehicle was the driver of the vehicle at the time of the alleged
105 violation. Such an inference may be rebutted if the owner of the vehicle:

106 (i) Testifies under oath in open court or submits to the court a sworn notarized
107 statement that he or she was not the operator of the vehicle at the time of the alleged
108 violation and identifies the name of the operator of the vehicle at the time of the
109 alleged violation; or

110 (ii) Presents to the court a certified copy of a police report showing that the vehicle
111 had been reported to the police as stolen prior to the time of the alleged violation.

112 (4) A violation for which a civil penalty is imposed pursuant to this subsection shall not
113 be considered a moving traffic violation for the purpose of points assessment under Code
114 Section 40-5-57. Such violation shall be deemed noncriminal, and imposition of a civil
115 penalty pursuant to this subsection shall not be deemed a conviction and shall not be
116 made a part of the operating record of the person upon whom such liability is imposed,
117 nor shall it be used for any insurance purposes in the provision of motor vehicle insurance
118 coverage.

119 ~~(5) If a person summoned by regular mail fails to appear on the date of return set out in~~
120 ~~the citation and has not paid the penalty for the violation or filed a police report or~~
121 ~~notarized statement pursuant to subparagraph (D) of paragraph (3) of this subsection, the~~
122 ~~person shall then be summoned a second time by certified mail with a return receipt~~
123 ~~requested. The second summons shall include all information required in subparagraph~~
124 ~~(B) of paragraph (3) of this subsection for the initial summons and shall include a new~~
125 ~~date of return. If a person summoned by certified mail again fails to appear on the date~~
126 ~~of return set out in the second citation and has failed to pay the penalty or file an~~
127 ~~appropriate document for rebuttal, the person summoned shall have waived the right to~~
128 ~~contest the violation and shall be liable for the civil monetary penalty provided in~~
129 ~~paragraph (3) of this subsection. If a person is mailed a citation by first class mail~~
130 ~~pursuant to subparagraph (B) of paragraph (3) of this subsection, such person may pay~~
131 ~~the penalty or request a court date. Any citation executed pursuant to this paragraph shall~~
132 ~~provide to the person issued the citation at least 30 business days from the mailing of the~~
133 ~~citation to inspect information collected by the video recording device in connection with~~

134 the violation. If the person requesting a court date fails to appear on the date and time of
 135 such hearing or if a person has not paid the penalty for the violation or filed a police
 136 report or notarized statement pursuant to subparagraph (D) of paragraph (3) of this
 137 subsection, such person shall then be sent a second citation by first class mail. The
 138 second citation shall include all information required in subparagraph (B) of paragraph
 139 (3) of this subsection for the initial citation and shall include a hearing date and time. If
 140 a person fails to appear on the date and time of such hearing set out in the second citation
 141 or if the person has failed to pay the penalty or file an appropriate document for rebuttal,
 142 the person issued the second citation shall have waived the right to contest the violation
 143 and shall be liable for the civil monetary penalty provided in paragraph (3) of this
 144 subsection.

145 (6) Any court having jurisdiction over violations of subsection (a) of this Code section
 146 shall have jurisdiction over cases arising under this subsection ~~and shall be authorized to~~
 147 ~~impose the civil monetary penalty provided by this subsection.~~ Any person receiving a
 148 notice pursuant to subparagraph (B) of this paragraph shall have the right to contest such
 149 liability for the civil monetary penalty in the magistrate court or other court of competent
 150 jurisdiction for a traffic violation. Except as otherwise provided in this subsection, the
 151 provisions of law governing jurisdiction, procedure, defenses, adjudication, appeal, and
 152 payment and distribution of penalties otherwise applicable to violations of subsection (a)
 153 of this Code section shall apply to enforcement under this subsection except as provided
 154 in subparagraph (A) of paragraph (3) of this subsection; provided, however, that any
 155 appeal from superior or state court shall be by application in the same manner as that
 156 provided by Code Section 5-6-35.

157 (7) If a violation has not been contested and the assessed penalty has not been paid, the
 158 agent or governing body shall send to the person who is the registered owner of the motor
 159 vehicle a final notice of any unpaid civil monetary penalty authorized by this Code
 160 section, except in cases where there is an adjudication that no violation occurred or there
 161 is otherwise a lawful determination that no civil monetary penalty shall be imposed. The
 162 notice shall inform the registered owner that the agent or governing body shall send a
 163 referral to the Department of Revenue if the assessed penalty and any late fee is not paid
 164 within 30 days after the final notice was mailed and that such referral shall result in the
 165 nonrenewal of the registration of such motor vehicle and shall prohibit the title transfer
 166 of such motor vehicle within this state.

167 (8) The agent or governing body shall send a referral to the Department of Revenue not
 168 sooner than 30 days after the final notice required under paragraph (7) of this subsection
 169 was mailed if a violation of an ordinance or resolution adopted under this article has not

170 been contested and the assessed penalty has not been paid. The referral to the
 171 Department of Revenue shall include the following:

172 (A) Any information known or available to the agent or governing body concerning the
 173 license plate number, year of registration, and the name of the owner of the motor
 174 vehicle;

175 (B) The date on which the violation occurred;

176 (C) The date when the notice required under this Code section was mailed; and

177 (D) The seal, logo, emblem, or electronic seal of the governing body.

178 (9) If the Department of Revenue receives a referral under paragraph (8) of this
 179 subsection, such referral shall be entered into the motor vehicle database within five days
 180 of receipt and the Department of Revenue shall refuse to renew the registration of such
 181 motor vehicle and shall prohibit the title transfer of such vehicle within this state unless
 182 and until the civil monetary penalty plus any late fee is paid to the governing body. The
 183 Department of Revenue shall mail a notice to the registered owner of such motor vehicle
 184 that informs such owner:

185 (A) That the registration of the vehicle involved in the violation will not be permitted
 186 to be renewed;

187 (B) That the title of the vehicle involved in the violation will not be permitted to be
 188 transferred in this state;

189 (C) That the aforementioned penalties are being imposed due to the failure to pay the
 190 civil monetary penalty plus any late fee for an ordinance violation adopted under the
 191 authority of this Code section; and

192 (D) Of the procedure that the person may follow to remove the penalties.

193 (10) The Department of Revenue shall remove the penalties on a vehicle if any person
 194 presents the Department of Revenue with adequate proof that the penalty and any late fee,
 195 if applicable, has been paid.

196 ~~(7)~~(11) Recorded images made for purposes of this subsection shall not be a public
 197 record for purposes of Article 4 of Chapter 18 of Title 50.

198 ~~(8)~~(12) A governing authority shall not impose a civil penalty under this subsection on
 199 the owner of a motor vehicle if the operator of the vehicle was arrested or issued a
 200 citation and notice to appear by a certified peace officer for the same violation.

201 ~~(9)~~(13) A local school system may enter into an intergovernmental agreement with a
 202 local governing authority to offset expenses regarding the implementation and ongoing
 203 operation of video recording devices serving the purpose of capturing recorded images
 204 of motor vehicles unlawfully passing a school bus.

205 ~~(10)~~(14) Any school bus driver operating a vehicle equipped with an activated video
 206 recording device shall be exempt from the recording provisions of subsection (c) of Code
 207 Section 40-6-163.

208 (15) The money collected and remitted to the governing body pursuant to subparagraph
 209 (d)(3)(B) of this Code section shall only be used by such governing body to fund local
 210 law enforcement or public safety initiatives. This paragraph shall not preclude the
 211 appropriation of a greater amount than collected and remitted under this subsection."

212 **SECTION 2.**

213 Article 2 of Chapter 14 of Title 40 of the Official Code of Georgia Annotated, relating to
 214 speed detection devices, is amended by adding two new Code sections to read as follows:

215 "40-14-1.1.

216 As used in this article, the term:

217 (1) 'Agent' means a person or entity who is authorized by a law enforcement agency or
 218 governing body to administer the procedures contained herein and:

219 (A) Provides services to such law enforcement agency or governing body;

220 (B) Operates, maintains, leases, or licenses an automated traffic enforcement safety
 221 device; or

222 (C) Is authorized by such law enforcement agency or governing body to review and
 223 assemble the recorded images captured by the automated traffic enforcement safety
 224 device for review by a peace officer.

225 (2) 'Automated traffic enforcement safety device' means a speed detection device that:

226 (A) Is capable of producing photographically recorded still or video images, or both,
 227 of the rear of a motor vehicle or of the rear of a motor vehicle being towed by another
 228 vehicle, including an image of such vehicle's rear license plate;

229 (B) Is capable of monitoring the speed of a vehicle as photographically recorded
 230 pursuant to subparagraph (A) of this paragraph; and

231 (C) Indicates on each photographically recorded still or video image produced the date,
 232 time, location, and speed of a photographically recorded vehicle traveling at a speed
 233 above the posted speed limit within a marked school zone.

234 (3) 'Owner' means the registrant of a motor vehicle, except that such term shall not
 235 include a motor vehicle rental company when a motor vehicle registered by such
 236 company is being operated by another person under a rental agreement with such
 237 company.

238 (4) 'Recorded images' means still or video images recorded by an automated traffic
 239 enforcement safety device.

240 (5) 'School zone' means the area within 1,000 feet of the boundary of any public or
 241 private elementary or secondary school.

242 40-14-1.2.

243 Nothing in this article shall be construed to mean that an agent is providing or participating
 244 in private investigative services or acting in such manner as would render such agent
 245 subject to the provisions of Article 4 of Chapter 18 of Title 50."

246 **SECTION 3.**

247 Said article is further amended by revising subsection (c) of Code Section 40-14-2, relating
 248 to permit required for use of speed detection devices, use not authorized where officers paid
 249 on fee system, and operation by registered or certified peace officers, as follows:

250 "(c) A permit shall not be issued by the Department of Public Safety to an applicant under
 251 this Code section unless the applicant provides law enforcement services by certified peace
 252 officers 24 hours a day, seven days a week on call or on duty or allows only peace officers
 253 employed full time by the applicant to operate speed detection devices. Speed detection
 254 devices can only be operated by registered or certified peace officers of the county sheriff,
 255 county, municipality, college, or university to which the permit is applicable; provided,
 256 however, that an automated traffic enforcement safety device may be operated by an agent
 257 or registered or certified peace officers of the county sheriff, county, or municipality to
 258 which the permit is applicable. Persons operating the speed detection devices must be
 259 registered or certified by the Georgia Peace Officer Standards and Training Council as
 260 peace officers and certified by the Georgia Peace Officer Standards and Training Council
 261 as operators of speed detection devices; provided, however, that agents may operate
 262 automated traffic enforcement safety devices without such registrations or certifications."

263 **SECTION 4.**

264 Said article is further amended by revising Code Section 40-14-5, relating to testing and
 265 removal of inaccurate radar devices from service, as follows:

266 "40-14-5.

267 (a) Each state, county, municipal, or campus law enforcement officer using a radar device,
 268 except for an automated traffic enforcement safety device as provided for under Code
 269 Section 40-14-18, shall test the device for accuracy and record and maintain the results of
 270 the test at the beginning and end of each duty tour. Each such test shall be made in
 271 accordance with the manufacturer's recommended procedure. Any radar unit not meeting
 272 the manufacturer's minimum accuracy requirements shall be removed from service and
 273 thereafter shall not be used by the state, county, municipal, or campus law enforcement

274 agency until it has been serviced, calibrated, and recertified by a technician with the
275 qualifications specified in Code Section 40-14-4.

276 (b) Each county, municipal, or campus law enforcement officer using a radar device,
277 except for an automated traffic enforcement safety device as provided for under Code
278 Section 40-14-18, shall notify each person against whom the officer intends to make a case
279 based on the use of the radar device that the person has a right to request the officer to test
280 the radar device for accuracy. The notice shall be given prior to the time a citation and
281 complaint or ticket is issued against the person and, if requested to make a test, the officer
282 shall test the radar device for accuracy. In the event the radar device does not meet the
283 minimum accuracy requirements, the citation and complaint or ticket shall not be issued
284 against the person, and the radar device shall be removed from service and thereafter shall
285 not be used by the county, municipal, or campus law enforcement agency until it has been
286 serviced, calibrated, and recertified by a technician with the qualifications specified in
287 Code Section 40-14-4.

288 (c)(1) The law enforcement agency, or agent on behalf of the law enforcement agency,
289 operating an automated traffic enforcement safety device provided for under Code
290 Section 40-14-18 shall maintain a log for the automated traffic enforcement safety device
291 attesting to the performance of such device's self-test at least once every 30 days and the
292 results of such self-test pertaining to the accuracy of the automated traffic enforcement
293 safety device. Such log shall be admissible in any court proceeding for a violation issued
294 pursuant to Code Section 40-14-18.

295 (2) The law enforcement agency, or agent on behalf of the law enforcement agency,
296 operating an automated traffic enforcement safety device shall perform an independent
297 calibration test on the automated traffic enforcement safety device at least once every 12
298 months. The results of such calibration test shall be admissible in any court proceeding
299 for a violation issued pursuant to Code Section 40-14-18."

300 SECTION 5.

301 Said article is further amended by adding a new subsection to Code Section 40-14-6, relating
302 to the requirement for warning signs, to read as follows:

303 "(c) In addition to the signs required under subsections (a) and (b) of this Code section,
304 each law enforcement agency using an automated traffic enforcement safety device as
305 provided for in Code Section 40-14-18 shall erect signs warning of the use of a stationary
306 speed detection device within the approaching school zone. Such signs shall be at least 24
307 by 30 inches in area, shall be visible plainly from every lane of traffic, shall be viewable
308 in all traffic conditions, and shall not be placed in such a manner that the view of such sign
309 is subject to being obstructed by any other vehicle on such highway. Such signs shall be

310 placed within 500 feet prior to the warning sign announcing the reduction of the speed limit
 311 for the school speed zone. There shall be a rebuttable presumption that such signs are
 312 properly installed pursuant to this subsection at the time of any alleged violation under this
 313 article."

314 **SECTION 6.**

315 Said article is further amended by revising Code Section 40-14-7, relating to the visibility
 316 of a vehicle from which a speed detection device is operated, as follows:

317 "40-14-7.

318 ~~No~~ Except as provided for in Code Section 40-14-18, no stationary speed detection device
 319 shall be employed by county, municipal, college, or university law enforcement officers
 320 where the vehicle from which the device is operated is obstructed from the view of
 321 approaching motorists or is otherwise not visible for a distance of at least 500 feet."

322 **SECTION 7.**

323 Said article is further amended by revising subsection (b) of Code Section 40-14-8, relating
 324 to when case may be made and conviction had, as follows:

325 "(b) The limitations contained in subsection (a) of this Code section shall not apply in
 326 properly marked school zones one hour before, during, and one hour after the normal hours
 327 of school operation or programs for care and supervision of students before school, after
 328 school, or during vacation periods as provided for under Code Section 20-2-65, in properly
 329 marked historic districts, and in properly marked residential zones. For purposes of this
 330 chapter, thoroughfares with speed limits of 35 miles per hour or more shall not be
 331 considered residential districts. For purposes of this Code section, the term 'historic
 332 district' means a historic district as defined in paragraph (5) of Code Section 44-10-22 and
 333 which is listed on the Georgia Register of Historic Places or as defined by ordinance
 334 adopted pursuant to a local constitutional amendment."

335 **SECTION 8.**

336 Said article is further amended by revising subsection (d) of Code Section 40-14-11, relating
 337 to investigations by the commissioner of public safety, issuance of order suspending or
 338 revoking a permit, and ratio of speeding fines to agency's budget, as follows:

339 "(d) There shall be a rebuttable presumption that a law enforcement agency is employing
 340 speed detection devices for purposes other than the promotion of the public health, welfare,
 341 and safety if the fines levied based on the use of speed detection devices for speeding
 342 offenses are equal to or greater than 35 percent of a municipal or county law enforcement
 343 agency's budget. For purposes of this Code section, fines collected for citations issued for

344 violations of Code Section 40-6-180 shall be included when calculating total speeding fine
 345 revenue for the agency; provided, however, that fines for speeding violations exceeding 20
 346 miles per hour over the established speed limit and civil monetary penalties for speeding
 347 violations issued pursuant to Code Section 40-14-18 shall not be considered when
 348 calculating total speeding fine revenue for the agency."

349 **SECTION 9.**

350 Said article is further amended by adding a new Code section to read as follows:

351 "40-14-18.

352 (a)(1) The speed limit within any school zone as provided for in Code Section 40-14-8
 353 and marked pursuant to Code Section 40-14-6 may be enforced by using photographically
 354 recorded images for violations which occurred only on a school day during the time in
 355 which instructional classes are taking place and one hour before such classes are
 356 scheduled to begin and for one hour after such classes have concluded when such
 357 violations are in excess of ten miles per hour over the speed limit.

358 (2) Prior to the placement of a device within a school zone, each school within whose
 359 school zone such automated traffic enforcement safety device is to be placed shall first
 360 apply for and secure a permit from the Department of Transportation for the use of such
 361 automated traffic enforcement safety device. Such permit shall be awarded based upon
 362 need. The Department of Transportation shall promulgate rules and regulations for the
 363 implementation of this paragraph.

364 (b) For the purpose of enforcement pursuant to this Code section:

365 (1) The owner of a motor vehicle shall be liable for a civil monetary penalty to the
 366 governing body of the law enforcement agency provided for in paragraph (2) of this
 367 subsection if such vehicle is found, as evidenced by photographically recorded images,
 368 to have been operated in disregard or disobedience of the speed limit within any school
 369 zone and such disregard or disobedience was not otherwise authorized by law. The
 370 amount of such civil monetary penalty shall be \$75.00 for a first violation and \$125.00
 371 for a second or any subsequent violation, in addition to fees associated with the electronic
 372 processing of such civil monetary penalty which shall not exceed \$25.00; provided,
 373 however, that for a period of 30 days after the first automated traffic enforcement safety
 374 device is introduced by a law enforcement agency within a school zone, the driver of a
 375 motor vehicle shall not be liable for a civil monetary penalty but shall be issued a civil
 376 warning for disregard or disobedience of the speed limit within the school zone;

377 (2) A law enforcement agency authorized to enforce the speed limit of a school zone, or
 378 an agent working on behalf of a law enforcement agency or governing body, shall send
 379 by first class mail addressed to the owner of the motor vehicle within 30 days after

380 obtaining the name and address of the owner of the motor vehicle but no later than 60
381 days after the date of the alleged violation:

382 (A) A citation for the alleged violation, which shall include the date and time of the
383 violation, the location of the infraction, the maximum speed at which such motor
384 vehicle was traveling in photographically recorded images, the maximum speed
385 applicable within such school zone, the civil warning or the amount of the civil
386 monetary penalty imposed, and the date by which a civil monetary penalty shall be
387 paid;

388 (B) An image taken from the photographically recorded images showing the vehicle
389 involved in the infraction;

390 (C) A website address where photographically recorded images showing the vehicle
391 involved in the infraction and a duplicate of the information provided for in this
392 paragraph may be viewed;

393 (D) A copy of a certificate sworn to or affirmed by a certified peace officer employed
394 by a law enforcement agency authorized to enforce the speed limit of the school zone
395 and stating that, based upon inspection of photographically recorded images, the
396 owner's motor vehicle was operated in disregard or disobedience of the speed limit in
397 the marked school zone and that such disregard or disobedience was not otherwise
398 authorized by law;

399 (E) A statement of the inference provided by paragraph (4) of this subsection and of
400 the means specified therein by which such inference may be rebutted;

401 (F) Information advising the owner of the motor vehicle of the manner in which
402 liability as alleged in the citation may be contested through an administrative hearing;
403 and

404 (G) A warning that failure to pay the civil monetary penalty or to contest liability in
405 a timely manner as provided for in subsection (d) of this Code section shall waive any
406 right to contest liability;

407 (3) Proof that a motor vehicle was operated in disregard or disobedience of the speed
408 limit of the marked school zone shall be evidenced by photographically recorded images.
409 A copy of a certificate sworn to or affirmed by a certified peace officer employed by a
410 law enforcement agency and stating that, based upon inspection of photographically
411 recorded images, a motor vehicle was operated in disregard or disobedience of the speed
412 limit in the marked school zone and that such disregard or disobedience was not
413 otherwise authorized by law shall be prima-facie evidence of the facts contained therein;
414 and

415 (4) Liability under this Code section shall be determined based upon a preponderance of
416 the evidence. Prima-facie evidence that the vehicle described in the citation issued

417 pursuant to this Code section was operated in violation of the speed limit of the school
418 zone, together with proof that the defendant was, at the time of such violation, the
419 registered owner of the vehicle, shall permit the trier of fact in its discretion to infer that
420 such owner of the vehicle was the driver of the vehicle at the time of the alleged
421 violation. Such an inference may be rebutted if the owner of the vehicle:

422 (A) Testifies under oath in open court or submits to the court a sworn notarized
423 statement that he or she was not the operator of the vehicle at the time of the alleged
424 violation and identifies the name of the operator of the vehicle at the time of the alleged
425 violation; or

426 (B) Presents to the court a certified copy of a police report showing that the vehicle had
427 been reported to the police as stolen prior to the time of the alleged violation.

428 (c) A violation for which a civil warning or a civil monetary penalty is imposed pursuant
429 to this Code section shall not be considered a moving traffic violation for the purpose of
430 points assessment under Code Section 40-5-57. Such violation shall be deemed
431 noncriminal, and imposition of a civil warning or civil monetary penalty pursuant to this
432 Code section shall not be deemed a conviction and shall not be made a part of the operating
433 record of the person upon whom such liability is imposed, nor shall it be used for any
434 insurance purposes in the provision of motor vehicle insurance coverage.

435 (d) If a person issued and mailed a citation pursuant to subsection (b) of this Code section
436 fails to pay the civil monetary penalty for the violation or has not filed a police report or
437 notarized statement pursuant to paragraph (4) of subsection (b) of this Code section in no
438 less than 30 nor more than 60 days after such mailing as determined and noticed by the law
439 enforcement agency, the agent or law enforcement agency shall send to such person by first
440 class mail a second notice of any unpaid civil monetary penalty, except in cases where
441 there is an adjudication that no violation occurred or there is otherwise a lawful
442 determination that no civil monetary penalty shall be imposed. The second notice shall
443 include all information required in paragraph (2) of subsection (b) of this Code section and
444 shall include a new date of return which shall be no less than 30 days after such mailing as
445 determined and noticed by the law enforcement agency. If such person notified by second
446 notice again fails to pay the civil monetary penalty or file a police report or notarized
447 statement pursuant to paragraph (4) of subsection (b) of this Code section by the new date
448 of return, such person shall have waived the right to contest the violation and shall be liable
449 for the civil monetary penalty provided for under this Code section, except in cases where
450 there is an adjudication that no violation occurred or there is otherwise a lawful
451 determination that no civil monetary penalty shall be imposed.

452 (e) Notices mailed by first class mail pursuant to this Code section shall be adequate
453 notification of the fees and penalties imposed by this Code section. No other notice shall
454 be required for the purposes of this Code section.

455 (f)(1) Any court having jurisdiction over violations of subsection (a) of this Code section
456 shall have jurisdiction over cases arising under this subsection and shall be authorized to
457 impose the civil monetary penalty provided by this subsection. Except as otherwise
458 provided in this subsection, the provisions of law governing jurisdiction, procedure,
459 defenses, adjudication, appeal, and payment and distribution of penalties otherwise
460 applicable to violations of subsection (a) of this Code section shall apply to enforcement
461 under this Code section except as provided in subsection (b) of this Code section;
462 provided, however, that any appeal from superior or state court shall be by application
463 in the same manner as that provided by Code Section 5-6-35.

464 (g) If a violation has not been contested and the assessed penalty has not been paid, the
465 agent or governing body shall send to the person who is the registered owner of the motor
466 vehicle a final notice of any unpaid civil monetary penalty authorized by this Code section,
467 except in cases where there is an adjudication that no violation occurred or there is
468 otherwise a lawful determination that no civil monetary penalty shall be imposed. The
469 notice shall inform the registered owner that the agent or governing body shall send a
470 referral to the Department of Revenue if the assessed penalty is not paid within 30 days
471 after the final notice was mailed and such that such referral shall result in the nonrenewal
472 of the registration of such motor vehicle and shall prohibit the title transfer of such motor
473 vehicle within this state.

474 (h) The agent or governing body shall send a referral to the Department of Revenue not
475 sooner than 30 days after the final notice required under subsection (g) was mailed if a
476 violation of an ordinance or resolution adopted under this article has not been contested and
477 the assessed penalty has not been paid. The referral to the Department of Revenue shall
478 include the following:

479 (1) Any information known or available to the agent or governing body concerning the
480 license plate number, year of registration, and the name of the owner of the motor
481 vehicle;

482 (2) The date on which the violation occurred;

483 (3) The date when the notice required under this Code section was mailed; and

484 (4) The seal, logo, emblem, or electronic seal of the governing body.

485 (i) If the Department of Revenue receives a referral under subsection (h) of this Code
486 section, such referral shall be entered into the motor vehicle database within five days of
487 receipt and the Department of Revenue shall refuse to renew the registration of the motor
488 vehicle and shall prohibit the title transfer of such vehicle within this state unless and until

489 the civil monetary penalty plus any late fee is paid to the governing body. The Department
490 of Revenue shall mail a notice to the registered owner:

491 (1) That the registration of the vehicle involved in the violation will not be permitted to
492 be renewed;

493 (2) That the title of the vehicle involved in the violation will not be permitted to be
494 transferred in this state;

495 (3) That the aforementioned penalties are being imposed due to the failure to pay the
496 civil monetary penalty and any late fee for an ordinance violation adopted under the
497 authority of this Code section; and

498 (4) Of the procedure that the person may follow to remove the penalties.

499 (j) The Department of Revenue shall remove the penalties on a vehicle if any person
500 presents the Department of Revenue with adequate proof that the penalty and any late fee,
501 if applicable, has been paid.

502 (k) Recorded images made for purposes of this Code section shall not be a public record
503 for purposes of Article 4 of Chapter 18 of Title 50.

504 (l) A civil warning or civil monetary penalty under this Code section on the owner of a
505 motor vehicle shall not be imposed if the operator of the vehicle was arrested or issued a
506 citation and notice to appear by a certified peace officer for the same violation.

507 (m) The money collected and remitted to the governing body pursuant to paragraph (1) of
508 subsection (b) of this Code section shall only be used by such governing body to fund local
509 law enforcement or public safety initiatives. This subsection shall not preclude the
510 appropriation of a greater amount than collected and remitted under this subsection."

511 **SECTION 10.**

512 All laws and parts of laws in conflict with this Act are repealed.
