333 (c)(1) If an intergovernmental agreement is entered into in accordance with paragraph (1)
 334 of subsection (b) of this Code section, the rate of the tax may be up to 1 percent and may
 335 be in increments of 0.05 percent. If the requirements for intergovernmental agreements
 336 provided for in paragraph (1) of subsection (b) of this Code section are not satisfied or
 337 such intergovernmental agreements are not entered into by all counties and qualified
 338 municipalities in which proposed transit projects are to be located, no tax shall be
 339 authorized to be levied under this article.

382 (b) The election superintendent shall issue the call and conduct the election in the manner
 383 authorized by general law. Each such election shall be governed, held, and conducted in
 384 accordance with the provisions of law from time to time governing the holding of special
 385 elections as provided in Code Section 21-2-540. The superintendent shall canvass the
 386 returns, declare the result of the election, and certify the result to the Secretary of State and
 387 to the commissioner. The expense of the election shall be paid from county funds. All
 388 persons desiring to vote in favor of imposing the tax shall vote 'Yes,' and all persons
 389 opposed to imposing the tax shall vote 'No.' If more than one-half of the votes cast
 390 throughout the entire special district are in favor of imposing the tax, then the tax shall be
 391 imposed as provided in this article; provided, however, that in the case of a transit project
 392 that crosses county boundaries, unless the referendum is approved in each of the counties
 393 that have elected to hold the referendum, the tax shall not be imposed.

394 (c) Where such question is not approved by the voters, the county may resubmit such
 395 question from time to time upon compliance with the requirements of this article.

396 (d)(1) If the intergovernmental agreement, if applicable, and proposal include the
 397 authority to issue general obligation debt and if more than one-half of the votes cast
 398 throughout the entire special district are in favor of the proposal, then the authority to
 399 issue such debt in accordance with Article IX, Section V, Paragraph I of the Constitution
 400 is given to the proper officers of the county or qualified municipality; otherwise, such
 401 debt shall not be issued. If the authority to issue such debt is so approved by the voters,
 402 then such debt may be issued without further approval by the voters; provided, however,
 403 that in the case of a transit project that crosses county boundaries, unless the referendum
 404 is approved in each of the counties that have elected to hold the referendum, the debt
 405 shall not be issued.

406 (2) If the issuance of general obligation debt is included and approved as provided in this
 407 Code section, then the governing authority of the county or qualified municipality may
 408 incur such debt either through the issuance and validation of general obligation bonds or
 409 through the execution of a promissory note or notes or other instrument or instruments.
 410 If such debt is incurred through the issuance of general obligation bonds, such bonds and
 411 their issuance and validation shall be subject to Articles 1 and 2 of Chapter 82 of Title 36
 412 except as specifically provided otherwise in this article. If such debt is incurred through
 413 the execution of a promissory note or notes or other instrument or instruments, no

414 validation proceedings shall be necessary, and such debt shall be subject to Code
 415 Sections 36-80-10 through 36-80-14 except as specifically provided otherwise in this
 416 article. In either event, such general obligation debt shall be payable first from the
 417 separate account in which are placed the proceeds received by the county or qualified
 418 municipality from the tax. Such general obligation debt shall, however, constitute a
 419 pledge of the full faith, credit, and taxing power of the county or qualified municipality;
 420 and any liability on such debt which is not satisfied from the proceeds of the tax shall be
 421 satisfied from the general funds of the county or qualified municipality.

422 48-8-269.45.

423 (a)(1) If the imposition of the tax is approved at the election, the tax shall be imposed on
 424 the first day of the next succeeding calendar quarter which begins more than 80 days after
 425 the date of the election at which the tax was approved by the voters.

426 (2) With respect to services which are regularly billed on a monthly basis, however, the
 427 resolution shall become effective with respect to and the tax shall apply to services billed
 428 on or after the effective date specified in paragraph (1) of this subsection.

429 (b) The tax shall cease to be imposed on the final day of the maximum period of time
 430 specified for the imposition of the tax.

431 (c) At any point in time within two years of the expiration date of a tax under this article,
 432 proceedings for the reimposition of a tax under this article may be initiated in the same
 433 manner as provided in this article for initial imposition of such tax.

434 48-8-269.46.

435 A tax levied pursuant to this article shall be exclusively administered and collected by the
 436 commissioner for the use and benefit of the county and qualified municipalities within the
 437 special district or special districts imposing the tax. Such administration and collection
 438 shall be accomplished in the same manner and subject to the same applicable provisions,
 439 procedures, and penalties provided in Article 1 of this chapter; provided, however, that all
 440 moneys collected from each taxpayer by the commissioner shall be applied first to such
 441 taxpayer's liability for taxes owed the state; and provided, further, that the commissioner
 442 may rely upon a representation by or on behalf of the special district or the Secretary of
 443 State that such a tax has been validly imposed, and the commissioner and the
 444 commissioner's agents shall not be liable to any person for collecting any such tax which
 445 was not validly imposed. Dealers shall be allowed a percentage of the amount of the tax
 446 due and accounted for and shall be reimbursed in the form of a deduction in submitting,
 447 reporting, and paying the amount due if such amount is not delinquent at the time of

448 payment. The deduction shall be at the rate and subject to the requirements specified under
 449 subsections (b) through (f) of Code Section 48-8-50.

450 48-8-269.47.

451 Each sales tax return remitting taxes collected under this article shall separately identify
 452 the location of each transaction at which any of the taxes remitted were collected and shall
 453 specify the amount of sales and the amount of taxes collected at each such location for the
 454 period covered by the return in order to facilitate the determination by the commissioner
 455 that all taxes imposed by this article are collected and distributed according to situs of sale.

456 48-8-269.48.

457 (a) The proceeds of the tax collected by the commissioner in each special district under
 458 this article shall be disbursed as soon as practicable after collection as follows:

459 (1) One percent of the amount collected shall be paid into the general fund of the state
 460 treasury in order to defray the costs of administration; and

461 (2) Except for the percentage provided in paragraph (1) of this Code section, the
 462 remaining proceeds of the tax shall be distributed:

463 (A) Pursuant to the terms of the intergovernmental agreement, if applicable; or

464 (B) If no intergovernmental agreement has been entered into, in accordance with
 465 subsection (b) of this Code section.

466 (b) In the event an intergovernmental agreement has not been entered into, then
 467 distribution of the proceeds shall be as follows:

468 (1) The auditor shall identify the most recent three fiscal years for which an audit under
 469 Code Section 36-81-7 has been made;

470 (2) Utilizing the audit information identified under paragraph (1) of this subsection, the
 471 county and each qualified municipality shall receive a proportional amount of proceeds
 472 of the tax based upon the amount of expenditures made directly for transit in the most
 473 recent three fiscal years. The proportional amount for the county and each qualified
 474 municipality shall be determined by dividing the average expended on transit during the
 475 most recent three fiscal years by the county or qualified municipality by the aggregate
 476 average expended on transit by the county and all qualified municipalities in the special
 477 district during the most recent three fiscal years. Amounts expended on transit include
 478 transit maintenance and operation costs and shall correspond with classifications and
 479 subclassifications specified in the local government uniform chart of accounts under
 480 subsection (e) of Code Section 36-81-3 within section 4200, including noncapital
 481 expenditures within sections 4210-4270, and shall be reported in the local government
 482 audit. Total general fund expenditures by the local government within these categories

483 shall be specified in the footnotes of the audited financial statement. If such transit
 484 expenditures include maintenance and operation costs to support local government airport
 485 and transit operations, reported in functions 7561 and 7563 of the uniform chart, the
 486 general fund costs for those functions shall be included in the footnotes of the local
 487 government's audited financial report; and

488 (3) Following the determinations made pursuant to paragraph (2) of this subsection and
 489 at least 30 days prior to the referendum, the auditor shall certify the appropriate
 490 distribution percentages to the commissioner and the commissioner shall utilize such
 491 percentages for the distribution of proceeds for the term of the tax.

492 48-8-269.49.

493 (a) The proceeds of a tax under this article shall not be subject to any allocation or
 494 balancing of state and federal funds provided for by general law, and such proceeds shall
 495 not be considered or taken into account in any such allocation or balancing.

496 (b) The approval of the tax under this article shall not in any way diminish the percentage
 497 of state or federal funds allocated to any of the local governments under Code Section
 498 32-5-27 within the special district levying the tax.

499 48-8-269.50.

500 (a) Except as to rate, a tax imposed under this article shall correspond to the tax imposed
 501 by Article 1 of this chapter. No item or transaction which is not subject to taxation under
 502 Article 1 of this chapter shall be subject to a tax imposed under this article, except that a
 503 tax imposed under this article shall not apply to:

504 (1) The sale or use of any type of fuel used for off-road heavy-duty equipment, off-road
 505 farm or agricultural equipment, or locomotives;

506 (2) The sale or use of jet fuel to or by a qualifying airline at a qualifying airport, as such
 507 terms are defined in paragraph (33.1) of Code Section 48-8-3;

508 (3) The sale or use of fuel that is used for propulsion of motor vehicles on the public
 509 highways;

510 (4) The sale or use of energy used in the manufacturing or processing of tangible goods
 511 primarily for resale, as such sale or use is described in Code Section 48-8-3.2;

512 (5) The sale or use of motor fuel, as defined under paragraph (9) of Code Section 48-9-2,
 513 for public mass transit; or

514 (6) The purchase or lease of any motor vehicle pursuant to Code Section 48-5C-1.

515 (b) Except as otherwise specifically provided in this article, the tax imposed pursuant to
 516 this article shall be subject to any sales and use tax exemption which is otherwise imposed

517 by law; provided, however, that the tax levied by this article shall be applicable to the sale
518 of food and food ingredients as provided for in paragraph (57) of Code Section 48-8-3.

519 48-8-269.51.

520 Where a local sales or use tax has been paid with respect to tangible personal property by
521 the purchaser either in another local tax jurisdiction within this state or in a tax jurisdiction
522 outside this state, the tax may be credited against the tax authorized to be imposed by this
523 article upon the same property. If the amount of sales or use tax so paid is less than the
524 amount of the tax due under this article, the purchaser shall pay an amount equal to the
525 difference between the amount paid in the other tax jurisdiction and the amount due under
526 this article. The commissioner may require such proof of payment in another local tax
527 jurisdiction as he or she deems necessary and proper. No credit shall be granted, however,
528 against the tax under this article for tax paid in another jurisdiction if the tax paid in such
529 other jurisdiction is used to obtain a credit against any other local sales and use tax levied
530 in the county or in a special district which includes the county.

531 48-8-269.52.

532 No tax shall be imposed upon the sale of tangible personal property which is ordered by
533 and delivered to the purchaser at a point outside the geographical area of the special district
534 in which the tax is imposed regardless of the point at which title passes, if the delivery is
535 made by the seller's vehicle, United States mail, or common carrier or by private or contract
536 carrier.

537 48-8-269.53.

538 The commissioner shall have the power and authority to promulgate such rules and
539 regulations as shall be necessary for the effective and efficient administration and
540 enforcement of the collection of the tax.

541 48-8-269.54.

542 Except as provided in Code Section 48-8-6, the tax authorized under this part shall be in
543 addition to any other local sales and use tax. Except as otherwise provided in this article
544 and except as provided in Code Section 48-8-6, the imposition of any other local sales and
545 use tax within a county or qualified municipality within a special district shall not affect
546 the authority of a county to impose the tax authorized under this article, and the imposition
547 of the tax authorized under this article shall not affect the imposition of any otherwise
548 authorized local sales and use tax within the special district.

549 48-8-269.55.

550 (a)(1) The proceeds received from the tax shall be used by the county and qualified
551 municipalities within the special district or special districts exclusively for the transit
552 projects specified in the resolution calling for imposition of the tax. Such proceeds shall
553 be kept in a separate account from other funds of any county or qualified municipality
554 receiving proceeds of the tax and shall not in any manner be commingled with other
555 funds of any county or qualified municipality prior to the expenditure.

556 (2) The governing authority of each county and the governing authority of each qualified
557 municipality receiving any proceeds from the tax under this article shall maintain a record
558 of each and every purpose for which the proceeds of the tax are used. A schedule shall
559 be included in each annual audit which shows for each purpose in the resolution calling
560 for imposition of the tax the original estimated cost, the current estimated cost if it is not
561 the original estimated cost, amounts expended in prior years, and amounts expended in
562 the current year. The auditor shall verify and test expenditures sufficient to provide
563 assurances that the schedule is fairly presented in relation to the financial statements. The
564 auditor's report on the financial statements shall include an opinion, or disclaimer of
565 opinion, as to whether the schedule is presented fairly in all material respects in relation
566 to the financial statements taken as a whole.

567 (b) No general obligation debt shall be issued in conjunction with the imposition of the tax
568 unless the county or qualified municipality governing authority determines that, and if the
569 debt is to be validated it is demonstrated in the validation proceedings that, during each
570 year in which any payment of principal or interest on the debt comes due, the county or
571 qualified municipality will receive from the tax net proceeds sufficient to fully satisfy such
572 liability. General obligation debt issued under this article shall be payable first from the
573 separate account in which are placed the proceeds received by the county or qualified
574 municipality from the tax. Such debt, however, shall constitute a pledge of the full faith,
575 credit, and taxing power of the county or qualified municipality; and any liability on such
576 debt which is not satisfied from the proceeds of the tax shall be satisfied from the general
577 funds of the county or qualified municipality.

578 (c) The intergovernmental agreement, if applicable, and resolution calling for the
579 imposition of the tax may specify that all of the proceeds of the tax will be used for
580 payment of general obligation debt issued in conjunction with the imposition of the tax,
581 and, in that event, such proceeds shall be solely for such purpose except as otherwise
582 provided in subsection (f) of this Code section.

583 (d) The intergovernmental agreement, if applicable, and resolution calling for the
584 imposition of the tax may specify that a part of the proceeds of the tax will be used for
585 payment of general obligation debt issued in conjunction with the imposition of the tax.

586 The intergovernmental agreement, if applicable, and resolution shall specifically state the
 587 other purposes for which such proceeds will be used. In such a case, no part of the net
 588 proceeds from the tax received in any year shall be used for such other purposes until all
 589 debt service requirements of the general obligation debt for that year have first been
 590 satisfied from the account in which the proceeds of the tax are placed.

591 (e) The resolution calling for the imposition of the tax may specify that no general
 592 obligation debt is to be issued in conjunction with the imposition of the tax. The
 593 intergovernmental agreement, if applicable, and resolution shall specifically state the
 594 purpose or purposes for which the proceeds will be used.

595 (f)(1)(A) If the proceeds of the tax are specified to be used solely for the purpose of
 596 payment of general obligation debt issued in conjunction with the imposition of the tax,
 597 then any net proceeds of the tax in excess of the amount required for final payment of
 598 such debt may be used for additional transit projects selected from the regional transit
 599 plan and through agreement with the authority, provided that an intergovernmental
 600 agreement meeting the requirements set forth in paragraph (2) of subsection (b) of Code
 601 Section 48-8-269.43 has been entered into if such an intergovernmental agreement was
 602 previously entered into prior to the imposition of the tax. If a subsequent
 603 intergovernmental agreement required by this subparagraph or an agreement with the
 604 authority regarding additional transit projects to be funded with any excess net proceeds
 605 is not entered into, then such excess proceeds shall be subject to and applied as
 606 provided in paragraph (2) of this subsection.

607 (B) If the special district receives from the tax net proceeds in excess of the maximum
 608 cost of the transit projects stated in the resolution calling for the imposition of the tax
 609 or in excess of the actual cost of such projects, then such excess proceeds may be used
 610 for additional transit projects selected from the regional transit plan and through
 611 agreement with the authority, provided that an intergovernmental agreement meeting
 612 the requirements set forth in paragraph (2) of subsection (b) of Code Section
 613 48-8-269.43 has been entered into if such an intergovernmental agreement was
 614 previously entered into prior to the imposition of the tax. If a subsequent
 615 intergovernmental agreement required by this subparagraph or an agreement with the
 616 authority regarding additional transit projects to be funded with the excess proceeds is
 617 not entered into, then such excess proceeds shall be subject to and applied as provided
 618 in paragraph (2) of this subsection unless otherwise specified in the intergovernmental
 619 agreement, if applicable.

620 (2) Except as provided in paragraph (1) of this subsection, excess proceeds shall be used
 621 solely for the purpose of reducing any indebtedness of any county or qualified
 622 municipality within the special district other than indebtedness incurred pursuant to this

623 article. If there is no such other indebtedness or if the excess proceeds exceed the amount
 624 of any such other indebtedness, then the excess proceeds shall next be paid into the
 625 general fund of such county or qualified municipality, it being the intent that any funds
 626 so paid into the general fund of such county or qualified municipality be used for the
 627 purpose of reducing ad valorem taxes.

628 48-8-269.56.

629 Not later than December 31 of each year, the governing authority of the county and each
 630 qualified municipality receiving any proceeds from the tax under this part shall publish
 631 annually, in a newspaper of general circulation in the boundaries of such county or
 632 qualified municipality, if applicable, a simple, nontechnical report which shows for each
 633 purpose in the resolution calling for the imposition of the tax the original estimated cost,
 634 the current estimated cost if it is not the original estimated cost, amounts expended in prior
 635 years, and amounts expended in the current year. The report shall also include a statement
 636 of what corrective action the county or qualified municipality, if applicable, intends to
 637 implement with respect to each purpose which is underfunded or behind schedule and a
 638 statement of any surplus funds which have not been expended for a purpose."

639 **SECTION 1-7.**

640 Said title is further amended by adding a new article to Chapter 13, relating to specific,
 641 business, and occupation taxes, to read as follows:

642 "ARTICLE 8

643 48-13-140.

644 It is declared to be the purpose and intent of the General Assembly that:

- 645 (1) An effective air quality control measure is to reduce the number of motor vehicles
 646 on the roadways through an increased use of transit vehicles;
 647 (2) Reducing the number of motor vehicles on the roadways is of great import and would
 648 aid in improvement of the air quality of this state;
 649 (3) An excise tax shall be levied upon for-hire ground transport trips; and
 650 (4) Funds derived from such tax shall be made available and used exclusively for transit
 651 and transit projects.

652 48-13-141.

653 As used in this article, the term:

654 (1) 'For-hire ground transport service provider' means a limousine carrier, ride share
 655 network service, taxi service, and transportation referral service as such terms are defined
 656 in Code Section 40-1-190.

657 (2) 'For-hire ground transport trip' means a completed journey by vehicle provided by
 658 a for-hire ground transport service provider.

659 48-13-142.

660 Pursuant to the authority granted by Article IX, Section II, Paragraph VI of the Constitution
 661 of this state, there are created within this state 159 special districts. The geographical
 662 boundary of each county shall correspond with and shall be conterminous with the
 663 geographical boundary of one of the 159 special districts.

664 48-13-143.

665 (a) On and after January 1, 2019, an excise tax in the amount of 50¢ shall be levied upon
 666 any for-hire ground transport trip. Such excise tax shall be collected and remitted by the
 667 for-hire ground transport service provider itself and not the vehicle driver. Such excise tax
 668 shall be due and payable in the same manner as would otherwise be required under Article
 669 1 of Chapter 8 of this title if such service was provided by a dealer as such term is defined
 670 in Code Section 48-8-2.

671 (b) It is the intention of the General Assembly, subject to appropriations, that the taxes
 672 collected pursuant to subsection (a) of this Code section shall be made available and used
 673 exclusively for transit and transit projects, as such terms are defined in Code Section
 674 48-8-269.40, in the special districts where such tax is collected.

675 (c) If the amount collected under this Code section is ever not appropriated for a fiscal year
 676 as provided by subsection (b) of this Code section, as determined jointly by the House
 677 Budget and Research Office and the Senate Budget and Evaluation Office, then the amount
 678 collected shall be reduced by 50 percent. Upon the conclusion of a second fiscal year in
 679 which the amount collected is not so appropriated, this Code section shall stand repealed
 680 and reserved, and such fees shall cease to be collected, on the date the appropriations Act
 681 for such fiscal year becomes effective. Such budget offices shall certify any such lack of
 682 appropriation to the Code Revision Commission for purposes of updating the Code in
 683 accordance with this subsection.

684 48-13-144.

685 Any for-hire ground transport service provider that knowingly and willfully violates the
 686 requirements of this article shall be assessed a civil penalty of not more than \$10,000.00
 687 in addition to the amount of tax due.

688 48-13-145.

689 The department is authorized to adopt rules and regulations necessary for the enforcement
 690 and implementation of the provisions of this article."

691 **PART II**
 692 **GOVERNANCE**
 693 **SECTION 2-1.**

694 Chapter 32 of Title 50 of the Official Code of Georgia Annotated, relating to the Georgia
 695 Regional Transportation Authority, is amended by revising Code Section 50-32-1, relating
 696 to the short title, as follows:

697 "50-32-1.

698 This chapter shall be known and may be cited as the '~~Georgia Regional Transportation~~
 699 Atlanta-region Transit Link "ATL" Authority Act.'"

700 **SECTION 2-2.**

701 Said chapter is further amended in Code Section 50-32-2, relating to definitions, by revising
 702 paragraph (1) and by adding new paragraphs to read as follows:

703 "(1) 'Authority' means the ~~Georgia Regional Transportation~~ Atlanta-region Transit Link
 704 'ATL' Authority."

705 "(6.1) 'Land public transportation' means transit."

706 "(14.1) 'Regional transit plan' means the official multiyear plan adopted by the authority
 707 for the provision of transit services throughout the jurisdiction of the authority pursuant
 708 to Code Section 50-32-11.1."

709 "(18.1) 'Transit' means regular, continuing shared-ride or shared-use surface
 710 transportation services that are made available by a public entity and are open to the
 711 general public or open to a segment of the general public defined by age, disability, or
 712 low income. Such term includes services or systems operated by or under contract with
 713 the state, a public agency or authority, a county or municipality, a community
 714 improvement district, or any other similar public entity of this state and all accompanying
 715 infrastructure and services necessary to provide access to these modes of transportation.
 716 Such term excludes charter or sightseeing services, school bus services, courtesy shuttle
 717 and intra-facility or terminal services, limousine carriers, and ride share network services,
 718 transportation referral services, and taxi services not paid for by a public entity."

719 **SECTION 2-3.**

720 Said chapter is further amended in Code Section 50-32-3, relating to creation of authority and
 721 board, quorum, and vacancies, by revising subsections (a) and (c) as follows:

722 "(a) There is created the Georgia Regional Transportation Atlanta-region Transit Link
 723 'ATL' Authority as a body corporate and politic, which shall be deemed an instrumentality
 724 of the State of Georgia and a public corporation thereof, for purposes of managing or
 725 causing to be managed ~~land transportation~~ transit and air quality within certain areas of this
 726 state; and by that name, style, and title such body may contract and be contracted with and
 727 bring and defend actions in all courts of this state. Such body shall serve as the sole entity
 728 for regional transit planning, federal and state funding, and coordination and work with
 729 counties, municipalities, and operators of transit services within the region to provide a
 730 consistent and integrated vision for transit through transparent decision making and
 731 execution."

732 "(c) Except as otherwise provided in this chapter, a majority of the members of the board
 733 then in office shall constitute a quorum for the transaction of business. The vote of a
 734 majority of the members of the board present at the time of the vote, if a quorum is present
 735 at such time, shall be the act of the board unless the vote of a greater number is required
 736 by law or by the bylaws of the board of directors. The board of directors, by resolution
 737 adopted by a majority of the full board of directors, ~~shall~~ may designate from among its
 738 members ~~an executive committee and one or more other~~ committees, each consisting of
 739 two or more members of the board, which shall have and exercise such authority as the
 740 board may delegate to it under such procedures as the board may direct by resolution
 741 establishing such committee or committees."

742 **SECTION 2-4.**

743 Said chapter is further amended by revising Code Section 50-32-4, relating to board
 744 membership, terms, appointment, expenses, removal, applicability of Chapter 10 of Title 45,
 745 meetings, voting, and assignment of authority, as follows:

746 "50-32-4.

747 (a)(1) Until December 31, 2018, the ~~The~~ initial board of directors of the authority shall
 748 consist of 15 members and those members in office on January 1, 2018, shall serve until
 749 such date. All members of the board and their successors shall be appointed for terms of
 750 five years each, except that the initial terms for eight members of the board appointed in
 751 1999 shall be three years each; and the particular beginning and ending dates of such
 752 terms shall be specified by the Governor.

753 (2)(A) On and after January 1, 2019, the board of directors shall be reconstituted to
 754 consist of 14 members, ten of whom shall be appointed from the authority districts

755 described in subparagraph (B) of this paragraph, two of whom shall be appointed as
 756 described in subparagraph (C) of this paragraph, the Governor who shall serve as
 757 chairperson, and the commissioner of transportation who shall serve ex officio and be
 758 a nonvoting member. The members appointed from such authority districts shall be
 759 appointed by a majority vote of a caucus of the members of the House of
 760 Representatives and Senate whose respective districts are embraced or partly embraced

 1476 Section 32-9-22 and Section 25 of the MARTA Act may be done so throughout the
 1477 established boundaries of the South Cobb County Transportation District and not the
 1478 entire county.

1479 (d) The procedure for holding the referendum called for in subsection (c) of this Code
 1480 section shall be as follows: There shall be published in a newspaper having general
 1481 circulation throughout the territory of the South Cobb County Transportation District, once
 1482 each week for four weeks immediately preceding the week during which the referendum
 1483 is to be held, a notice to the electors thereof that on the day named therein an election will
 1484 be held to determine the question of whether or not the local government shall enter into
 1485 the proposed rapid transit contract and said notices shall contain the full text of said
 1486 proposed contract, which contract shall set forth the obligations of the parties thereto. It
 1487 is expressly provided, however, that none of the documents or exhibits which are
 1488 incorporated in such contract by reference or are attached to such contract and made a part
 1489 thereof shall be published. Such special election shall be held at all the election districts
 1490 within the territorial limits of the South Cobb County Transportation District. The question
 1491 to be presented to the electorate in any such referendum shall be and shall be stated on the

1493 'South Cobb County Transportation District has executed a contract for the provision of
 1494 transit services, dated as of (insert date).

1495 Shall this contract be approved?

1496 YES _____ NO _____'

1497 The question shall be published as a part of the aforesaid notice of election. Such election
 1498 shall be governed by and held and conducted in accordance with the provisions of law from
 1499 time to time governing the holding of elections to elect members to the General Assembly
 1500 of this state. After the returns of such an election have been received, and the same have

1501 been canvassed and computed, the result shall be certified to the board of commissioners
 1502 of Cobb County, in addition to any other person designated by law to receive the same, and
 1503 such board of commissioners shall officially declare the result thereof.

1504 (e) If a majority of those voting in such an election vote in favor of the proposition
 1505 submitted, then the rapid transit contract as approved shall become valid and binding in
 1506 accordance with its terms.

1507 (f) The board of commissioners of Cobb County may elect any method provided in
 1508 subsection (b) of this Code section to finance the participation required of it in whole or in
 1509 part, and the election of one method shall not preclude the election of another method with
 1510 respect thereto or with respect to any additional or supplementary participation determined
 1511 to be necessary.

1512 (g) When the authority and the board of commissioners of Cobb County have completed
 1513 and fully executed a rapid transit contract in compliance with the requirements of this Code
 1514 section, and the voters shall have approved such contract as herein provided, such contract
 1515 shall constitute participation of the county in the authority and obligation on the part of the
 1516 local government for the payment of which its good faith and credit are pledged, but in no
 1517 other way can the good faith and credit of any local government be pledged with respect
 1518 to a rapid transit contract.

1519 (h) The board of commissioners of Cobb County may use public funds to provide for a
 1520 rapid transit system within the metropolitan area and may levy and collect any taxes
 1521 authorized to it by law to the extent necessary to fulfill the obligations incurred in a rapid
 1522 transit contract or contracts with the authority.

1523 (i) Cobb County may transfer to the authority any property or facilities, or render any
 1524 services, with or without consideration, which may be useful to the establishment,
 1525 operation, or administration of the rapid transit system contemplated hereunder, and may
 1526 contract with the authority for any other purpose incidental to the establishment, operation,
 1527 or administration of such system, or any part or project thereof or the usual facilities related
 1528 thereto.

1529 32-9-21.

1530 (a)(1) Any provisions to the contrary in the MARTA Act notwithstanding and pursuant
 1531 to the authority granted under a provision of the Constitution enacted by Ga. L. 1964, p.
 1532 1008, and subject to such limitations set forth in this Code section, the authority and the
 1533 board of commissioners of Gwinnett County may negotiate and determine the extent of
 1534 financial participation and the time or times such financial participation may be required
 1535 with respect to Gwinnett County in order to finance the provision of a rapid transit system
 1536 through the joint instrumentality of the authority. Except as provided in Code

1537 Section 32-9-19 if such county is entering into a transportation services contract, such
1538 determination shall take the form of a rapid transit contract to be entered into between the
1539 authority and the local government. The final execution of a rapid transit contract shall
1540 be completed in every instance in the manner hereinafter set forth in this Code section.

1541 (2) As one method of providing the financial participation determined by the board of
1542 commissioners and the authority to be Gwinnett County's proper share of the cost of
1543 financing a rapid transit project or projects, Gwinnett County may, in the manner
1544 prescribed by law and subject to the conditions and limitations prescribed by law, issue
1545 its general obligation bonds, pay over the proceeds thereof to the authority, and thereby
1546 complete and make final the execution of the proposed rapid transit contract anticipated
1547 by such bond authorization and issuance and the authority shall agree in such contract to
1548 perform for such local government the aforesaid governmental function and to provide
1549 specified public transportation services and facilities.

1550 (3) As an alternative method of providing the financial participation determined by the
1551 board of commissioners and the authority to be Gwinnett County's proper share of the
1552 cost of financing a rapid transit project or projects, Gwinnett County may enter into a
1553 rapid transit contract or contracts calling for the authority to perform for it the aforesaid
1554 governmental function and calling for it to make periodic payments to the authority for
1555 the public transportation services and facilities contracted for, which payments may
1556 include amounts required to defray the periodic principal and interest payments on any
1557 obligations issued by the authority for the purpose of financing the cost of any rapid
1558 transit project or projects, amounts necessary to establish and maintain reasonable
1559 reserves to insure the payment of said debt service and to provide for renewals,
1560 extensions, repairs and improvements and additions to the rapid transit system, and
1561 amounts required to defray any operational deficit which the system or any part thereof
1562 may incur from time to time.

1563 (b) The board of commissioners of Gwinnett County, subject to the conditions provided
1564 in this Code section, shall be authorized to enter into a rapid transit contract for and on
1565 behalf of the county with the authority for the provision of the aforesaid services and
1566 extension of the existing system to and from and within said county subject to approval by
1567 a majority of the qualified voters within said county voting in a referendum as provided for
1568 in subsection (c) of this Code section. As conditions precedent to the board of
1569 commissioners of Gwinnett County holding such referendum:

1570 (1) If a rapid transit contract is entered into after January 1, 2019, the rapid transit service
1571 to be provided through the execution of a rapid transit contract shall be from the regional
1572 transit plan and approved by the Atlanta-regional Transit Link 'ATL' Authority; and

1573 (2) The Rapid Transit Contract and Assistance Agreement by and between the authority,
 1574 the Counties of Fulton and DeKalb and the City, dated September 1, 1971, as amended,
 1575 must first be amended to provide that any rapid transit contract between Gwinnett County
 1576 and the authority which requires Gwinnett County to levy the sales and use tax authorized
 1577 by subsection (b) of Code Section 32-9-22 and Section 25 of the MARTA Act may be
 1578 done so throughout the county.

1579 (c) The procedure for holding the referendum called for in subsection (b) of this Code
 1580 section shall be as follows: There shall be published in a newspaper having general
 1581 circulation throughout the territory of Gwinnett County, once each week for four weeks
 1582 immediately preceding the week during which the referendum is to be held, a notice to the
 1583 electors thereof that on the day named therein an election will be held to determine the
 1584 question of whether or not the local government shall enter into the proposed rapid transit
 1585 contract and said notices shall contain the full text of said proposed contract, which
 1586 contract shall set forth the obligations of the parties thereto. It is expressly provided,
 1587 however, that none of the documents or exhibits which are incorporated in such contract
 1588 by reference or are attached to such contract and made a part thereof shall be published.
 1589 Such special election shall be held at all the election districts within the territorial limits of
 1590 Gwinnett County. The question to be presented to the electorate in any such referendum
 1591 shall be and shall be stated on the ballots or ballot label as follows:

1592 'Gwinnett County has executed a contract for the provision of transit services, dated as
 1593 of (insert date).

1594 Shall this contract be approved?

1595 YES _____ NO _____'

1596 The question shall be published as a part of the aforesaid notice of election. Such election
 1597 shall be governed by and held and conducted in accordance with the provisions of law from
 1598 time to time governing the holding of elections to elect members to the General Assembly
 1599 of this state. After the returns of such an election have been received, and the same have
 1600 been canvassed and computed, the result shall be certified to the board of commissioners
 1601 of Gwinnett County, in addition to any other person designated by law to receive the same,
 1602 and such board of commissioners shall officially declare the result thereof.

1603 (d) If a majority of those voting in such an election vote in favor of the proposition
 1604 submitted, then the rapid transit contract as approved shall become valid and binding in
 1605 accordance with its terms.

1606 (e) The board of commissioners of Gwinnett County may elect any method provided in
 1607 subsection (a) of this Code section to finance the participation required of it in whole or in
 1608 part, and the election of one method shall not preclude the election of another method with

1609 respect thereto or with respect to any additional or supplementary participation determined
1610 to be necessary.

1611 (f) When the authority and the board of commissioners of Gwinnett County have
1612 completed and fully executed a rapid transit contract in compliance with the requirements
1613 of this Code section, and the voters shall have approved such contract as herein provided,
1614 such contract shall constitute an obligation on the part of the local government for the
1615 payment of which its good faith and credit are pledged, but in no other way can the good
1616 faith and credit of any local government be pledged with respect to a rapid transit contract.

1617 (g) The board of commissioners of Gwinnett County may use public funds to provide for
1618 a rapid transit system within the metropolitan area and may levy and collect any taxes
1619 authorized to it by law to the extent necessary to fulfill the obligations incurred in a rapid
1620 transit contract or contracts with the authority.

1621 (h) Gwinnett County may transfer to the authority any property or facilities, or render any
1622 services, with or without consideration, which may be useful to the establishment,
1623 operation, or administration of the rapid transit system contemplated hereunder, and may
1624 contract with the authority for any other purpose incidental to the establishment, operation,
1625 or administration of such system, or any part or project thereof or the usual facilities related
1626 thereto.

1627 32-9-22.

1628 (a) In the event Cobb County, acting for and on behalf of the South Cobb County
1629 Transportation District or any other district that may be created in accordance with
1630 subsection (a) of Code Section 32-9-20, and the authority enter into a rapid transit contract
1631 which is approved by a majority of voters within the district created pursuant to standards
1632 set forth in Code Section 32-9-20, a retail sales and use tax shall be authorized to be levied
1633 pursuant to the conditions and limitations set forth in Section 25 of the MARTA Act except
1634 as provided to the contrary in subsection (c) of this Code section. Such tax shall be levied
1635 only within the geographical area contained within said district. Such additional tax shall
1636 not count toward any local sales tax limitation provided for by Code Section 48-8-6.

1637 (b) In the event Gwinnett County and the authority enter into a rapid transit contract which
1638 is approved by a majority of voters, a retail sales and use tax shall be authorized to be
1639 levied pursuant to the conditions and limitations set forth in Section 25 of the MARTA Act,
1640 except as provided to the contrary in subsection (c) of this Code section. Such additional
1641 tax shall not count toward any local sales tax limitation provided for by Code
1642 Section 48-8-6.

1643 (c)(1) The retail sales and use tax authorized to be levied pursuant to this Code section
 1644 shall be at a rate of up to 1 percent. Any tax imposed under this Code section shall be in
 1645 increments of 0.05 percent.

1646 (2) The proceeds of the tax authorized to be levied pursuant to this Code section shall be
 1647 used solely by each local government to fulfill the obligations incurred in the contracts
 1648 entered into with the authority and as contemplated by this article.

1649 (3) The effective date of the tax authorized to be levied pursuant to this Code section
 1650 shall be the first day of the first calendar month following approval of the tax in the
 1651 referendum required by subsection (d) of Code Section 32-9-20 or subsection (c) of Code
 1652 Section 32-9-21 unless a later effective date shall have been specified in the resolution
 1653 or ordinance providing for the levy of the tax; provided that, with respect to services
 1654 which are regularly billed on a monthly basis, the tax shall become effective with the first
 1655 regular billing period coinciding with or following the effective date of the tax.

1656 (4) The tax authorized to be levied pursuant to this Code section shall not be subject to
 1657 any restrictions as to rate provided for by the MARTA Act and shall not be subject to the
 1658 provisions of subsection (k) of Section 25 of the MARTA Act.

1659 (5) A tax levied pursuant to this Code section shall be added to the state sales and use tax
 1660 imposed by Article 1 of Chapter 8 of Title 48 and the state revenue commissioner is
 1661 authorized and directed to establish a bracket system by appropriate rules and regulations
 1662 to collect the tax imposed under this Code section.

1663 32-9-23.

1664 Notwithstanding subsections (a) and (b) of Section 6 of the MARTA Act to the contrary,
 1665 upon approval of a rapid transit contract pursuant to Code Section 32-9-21, the board of
 1666 commissioners of Gwinnett County may appoint three residents of the county to the board.
 1667 The board of commissioners shall designate one such resident to serve an initial term
 1668 ending on the 31st day of December in the second full year after the year in which the
 1669 referendum approving said rapid transit contract was held and one such resident to serve

 1671 which the referendum approving said rapid transit contract was held, in which event the
 1672 board shall, subsections (a) and (b) of Section 6 of the MARTA Act to the contrary
 1673 notwithstanding, be composed of such additional members. Upon the conclusion of the
 1674 initial terms provided for in this Code section, the board of commissioners of Gwinnett
 1675 County shall appoint a successor thereto for a term of office of four years."
