20 This chapter is enacted pursuant to Article III, Section IX, Paragraph VI(p) of the
21 Constitution, which authorizes up to 0.75 percent of all moneys received by the state from
22 the sales and use tax in the immediately preceding fiscal year to be dedicated to the

23 Georgia Outdoor Stewardship Trust Fund for the purpose of funding the protection of
 24 conservation land.

25 12-6A-3.

26 The intent of this chapter is to provide stewardship for state parks, state lands, and wildlife
 27 management areas; support local parks and trails; and protect critical conservation land.

29 As used in this chapter, the term:

 32 with, or are restored to be consistent with, at least one of the following environmental
 33 values or conservation benefits:

34 (A) Water quality protection for wetlands, rivers, streams, or lakes;

35 (B) Protection of wildlife habitat;

36 (C) Protection of cultural sites, heritage corridors, and archeological and historic

42 (F) Provision for recreation in the form of boating, hiking, camping, fishing, hunting,
 43 running, jogging, biking, walking, or similar outdoor activities.

 45 applicable state laws and local ordinances or policies in order to convey a conservation
 46 easement, or to obtain fee simple or other lesser interests in real property, to a holder who
 47 will ensure the permanent protection of the property as conservation land; provided,
 48 however, that such costs shall not include any costs for services provided in violation of
 49 Chapter 40 of Title 43.

50 (3) 'Nongovernmental entity' means a nonprofit organization primarily concerned with
 51 the protection and conservation of land and natural resources, as evidenced by its
 52 organizational documents.

54 (A) Owned by the federal government and dedicated for recreation or conservation or
 55 as a natural resource;

56 (B) Owned by the State of Georgia and dedicated for recreation or conservation or as
 57 a natural resource;

 59 (i) A conservation easement ensuring that the property will be maintained in a
 60 manner consistent with conservation land;
 61 (ii) Contractual arrangements ensuring that, if the protected status is discontinued on
 62 a parcel, such property will be replaced by other conservation land which at the time
 63 of such replacement is of equal or greater monetary and resource protection value; or

 65 44-5-60; or

 75 (b) Such funds shall not lapse to the general fund. Such funds shall be used to support the
 76 protection and conservation of land and shall be used to supplement, not supplant,
 77 department resources.
 78 (c) In the event that, in any current year, the immediately preceding year's total moneys
 79 received from the levy of a sales and use tax fall at least 10 percent below the total moneys

 81 the amount that the state treasurer shall credit to the trust fund during the current year shall
 82 be reduced by 20 percent of the trust fund credit, which amount shall instead be paid into
 83 the state general fund.
 84 (d) In any current year following a year for which the amount paid to the trust fund is
