

House Resolution 239

By: Representative Stephens of the 164th

A RESOLUTION

1 Designating the Savannah Logistics Technology Innovation Corridor as an official
2 technology innovation corridor in Georgia; and for other purposes.

3 WHEREAS, Georgia's economy would greatly benefit from further growth in the
4 information technology arena; and

5 WHEREAS, it is highly desirable to review current state incentives as well as opportunities
6 for future incentives for technology growth; and

7 WHEREAS, it would be beneficial to establish specific information technology corridors in
8 this state, and such corridors would directly foster the growth of information technology and
9 innovation through local collaboration among universities, hospitals, and logistics hubs; and

10 WHEREAS, it would be advantageous for official corridors to be established for the pursuit
11 of state and federal grants; and

12 WHEREAS, the Savannah Logistics Technology Innovation Corridor shall be composed of
13 the following two contiguous parcels:

14 Parcel '1'

15 All that territory hereinafter described, including all parcels abutting either said of every
16 named road, street, or other vehicular right of way:

17 Beginning at the state line between the State of Georgia and the State of South Carolina
18 where said line intersects U.S. Highway 17 and running thence north along said state line to
19 a point due west of the southern boundary of the Savannah National Wildlife refuge on Kings
20 Island; running thence west to and along said southern boundary; leaving said boundary as
21 it turns northwest and running thence due west to the west bank of the Savannah River;
22 running thence north along the west bank of the Savannah River to its intersection with the
23 southern boundary of the Savannah National Wildlife Refuge; running thence west along said
24 boundary to its intersection with the eastern terminus of EMD Boulevard; running thence

25 north along the western boundary of the Savannah National Wildlife Refuge to its
26 intersection with Interstate 95; running thence north along Interstate 95 to its intersection
27 with the state line of the State of Georgia and the State of South Carolina; running thence due
28 west to State Highway 21; running thence north along State Highway 21 to its intersection
29 with West 9th Street/Blandford Road; running thence west along Blandford Road/Blue Jay
30 Road/State Highway 156 to Sand Hill Road; running thence south along Sand Hill Road to
31 its intersection with U.S. Highway 80; running thence west along U.S. Highway 80 to its
32 intersection with U.S. Highway 280; running thence southwest along U.S. Highway 280 to
33 its intersection with State Highway 204; running thence east along State Highway 204 to its
34 intersection with East Victory Street; running thence west along East Victory Street to its
35 intersection with Bull Street; running thence north along Bull Street to its intersection with
36 West Park Avenue; running thence west along West Park Avenue to its intersection with
37 Montgomery Street; running thence north along Montgomery Street and continuing from its
38 terminus directly to the point of beginning on the state line of the State of Georgia and the
39 State of South Carolina.

40 Parcel '2'

41 All that territory extending one and one half mile along each side of Interstate 95 from its
42 intersection with State Highway 204 south to its intersection with Belfast-Keller Road.

43 NOW, THEREFORE, BE IT RESOLVED BY THE GENERAL ASSEMBLY OF
44 GEORGIA that the members of this body designate the Savannah Logistics Technology
45 Innovation Corridor as an official technology innovation corridor in the State of Georgia.

46 BE IT FURTHER RESOLVED that the Clerk of the House of Representatives is authorized
47 and directed to make appropriate copies of this resolution available for distribution to the
48 public and the press.
