The Senate Committee on Appropriations offered the following substitute to HR 164:

AS PASSED SENATE

A RESOLUTION

Proposing an amendment to the Constitution so as to authorize the General Assembly to provide by general law for the dedication of revenues derived from certain fees or taxes to the public purpose for which such fees or taxes were imposed; to provide for procedures, conditions, and limitations; to provide for temporary suspension of such dedication of revenues; to provide for the redesignation of a current subparagraph of the Constitution; to provide for the submission of this amendment for ratification or rejection; and for other purposes.

BE IT RESOLVED BY THE GENERAL ASSEMBLY OF GEORGIA:

SECTION 1.

Article III, Section IX, Paragraph VI of the Constitution is amended by redesignating the second subparagraph (o), relating to the dedication of the excise tax on the sale of fireworks, as subparagraph (p) and by adding a new subparagraph to read as follows:

*(q)(1) Subject to the limitations in this subparagraph, the General Assembly may provide by general law for the dedication of revenues derived from fees or taxes regarding hazardous wastes and solid wastes, including fees related to the disposal of scrap automobile tires, to the public purpose for which such fees or taxes were imposed. (2) Fees or taxes regarding hazardous wastes shall be dedicated funding grants and loans for the following public purposes:

(A) Activities associated with the investigation, detoxification, removal, and disposal of any hazardous wastes, hazardous constituents, or hazardous substances at sites where corrective action is necessary to mitigate a present or future danger to human health or the environment;

(B) For emergency actions necessary to protect public health, safety, or the environment whenever there is release of hazardous wastes, hazardous constituents, or hazardous substances;

(C) For financing of the state and local share of the costs associated with the investigation, remediation, and postclosure care and maintenance of sites placed on the
National Priority List pursuant to the federal Comprehensive Environmental Response, Compensation, and Liability Act of 1980, as amended, or sites placed on the hazardous site inventory of the Environmental Protection Division of the Department of Natural Resources;

(D) For activities administered by the Environmental Protection Division of the Department of Natural Resources associated with pollution prevention, including the reduction of hazardous wastes generated in this state; and

(E) For activities associated with the administration of such matters, including reviewing and overseeing investigations, corrective action, and other actions by federal agencies and supporting the reduction of hazardous waste and pollution prevention activities by federal agencies.

(3) Fees or taxes regarding solid wastes shall be dedicated to:

(A) Grants to counties, municipalities, or a combination thereof or to any public authority, agency, commission, or institution to assist such government or public body in the construction of solid waste handling systems which are consistent with local and regional solid waste management plans prepared in accordance with law; and

(B) Grants and loans to counties, municipalities, or any combination thereof or to any authority, agency, or council for the cleanup of solid waste disposal facilities, including those used for the disposal of scrap tires; for the development and implementation of solid waste enforcement programs for the prevention and abatement of illegal dumping of solid waste, including without limitation, the prevention and abatement of litter; for the implementation of innovative technologies for the recycling and reuse of solid waste, including without limitation, scrap tires; and for educational and other efforts to promote waste reduction, recycling, and recycling market development.

(4) The General Assembly shall not be authorized to dedicate state revenues pursuant to this subparagraph when the total revenues dedicated hereunder, including any nonlapsed funds, are equal to or exceed 1 percent of the total state revenues based on the previous fiscal year's state revenues subject to appropriation.

(5) Any funds dedicated pursuant to this subparagraph shall not be subject to the limitations of Article III, Section IX, Paragraph IV(c), relating to the lapsing of funds; subparagraph (a) of this Paragraph, relating to allocation of proceeds; or Article VII, Section III, Paragraph II(a), relating to payment into the general fund of the state treasury.

(6) Any revenues remaining after funding the grants and loans provided for in this Paragraph shall be dedicated to funding the operational costs of the Environmental Protection Division of the Department of Natural Resources.

(7) No revenues which are dedicated pursuant to this subparagraph shall be subject to any further dedication, any rededication to another purpose, or any alteration whatsoever
through the general appropriations Act, or any amendment thereto, or any supplementary
appropriations Act, or any amendment thereto, and any such further dedication,
rededication to another purpose, or alteration shall be void and of no force and effect.

(8) In the event that there is a state revenue decline for three consecutive months from
the revenues collected for the corresponding months in the immediately preceding fiscal
year, the Governor may by executive order temporarily suspend the dedication of
revenues pursuant to general law enacted pursuant to this subparagraph. Upon such
executive order being issued by the Governor, the dedication of revenues pursuant to
general law enacted pursuant to this subparagraph shall be temporarily suspended and
previously dedicated revenues which remain unspent shall be made subject to
appropriation. Such suspension shall continue in effect until either the Governor
withdraws such suspension by executive order or there is a state revenue increase for
three consecutive months from the revenues collected for the corresponding months in
the immediately preceding fiscal year, whichever occurs first."

SECTION 2.
The above proposed amendment to the Constitution shall be published and submitted as
provided in Article X, Section I, Paragraph II of the Constitution. The ballot submitting the
above proposed amendment shall have written or printed thereon the following:

"( ) YES  Shall the Constitution of Georgia be amended so as to authorize the General
Assembly to dedicate revenues derived from hazardous wastes and solid
wastes, including fees related to the disposal of scrap automobile tires, fees
or taxes to the public purpose for which such fees or taxes were imposed?"
All persons desiring to vote in favor of ratifying the proposed amendment shall vote "Yes."
All persons desiring to vote against ratifying the proposed amendment shall vote "No." If
such amendment shall be ratified as provided in said Paragraph of the Constitution, it shall
become a part of the Constitution of this state.
