A RESOLUTION

Proposing an amendment to the Constitution so as to provide that taxes on motor fuels shall be appropriated for any or all public transportation purposes; to provide for submission of this amendment for ratification or rejection; and for other purposes.

BE IT RESOLVED BY THE GENERAL ASSEMBLY OF GEORGIA:

SECTION 1.

Article III, Section IX, Paragraph VI of the Constitution is amended by revising subparagraph (b) as follows:

"(b)(1) An amount equal to all money derived from motor fuel taxes received by the state in each of the immediately preceding fiscal years, less the amount of refunds, rebates, and collection costs authorized by law, is hereby appropriated for the fiscal year beginning July 1, of each year following, for all activities incident to providing and maintaining an adequate system of public roads and bridges in this state, as authorized by laws enacted by the General Assembly of Georgia, and for grants to counties by law authorizing road construction and maintenance, as provided by law authorizing such grants. Said sum is hereby appropriated for, and shall be available for, the aforesaid purposes regardless of whether the General Assembly enacts a general appropriations Act; and said sum need not be specifically stated in any general appropriations Act passed by the General Assembly in order to be available for such purposes. However, this shall not preclude the General Assembly from appropriating for such purposes an amount greater than the sum specified above for such purposes. The expenditure of such funds shall be subject to all the rules, regulations, and restrictions imposed on the expenditure of appropriations by provisions of the Constitution and laws of this state, unless such provisions are in conflict with the provisions of this paragraph. And provided, however, that the proceeds of the tax hereby appropriated shall not be subject to budgetary reduction. In the event of invasion of this state by land, sea, or air or in case of a major catastrophe so proclaimed by the Governor, said funds may be utilized for defense or relief purposes on the executive order of the Governor."
As used in this subparagraph (b), public transportation shall include, but not be limited to, roads, bridges, rails, airports, buses, seaports, and all accompanying infrastructure and services necessary to provide access to these public transportation facilities."

SECTION 2.

The above proposed amendment to the Constitution shall be published and submitted as provided in Article X, Section I, Paragraph II of the Constitution. The ballot submitting the above proposed amendment shall have written or printed thereon the following:

"( ) YES Shall the Constitution of Georgia be amended so as to provide that tax collected on motor fuel shall be appropriated for all public transportation purposes?"

( ) NO

All persons desiring to vote in favor of ratifying the proposed amendment shall vote "Yes."

All persons desiring to vote against ratifying the proposed amendment shall vote "No." If such amendment shall be ratified as provided in said Paragraph of the Constitution, it shall become a part of the Constitution of this state.
