 242 to the court and mail a copy, by first-class mail, to the sexual offender. The findings of the
 243 board shall be considered prima-facie evidence of the classification. The court shall also
 244 consider any relevant evidence submitted, and such evidence and documentation shall be
 245 mailed to the parties as well as submitted to the court. The court shall hold a hearing to
 246 determine the issue of classification. The court may uphold the classification of the board,

 248 placed in the appropriate classification level, the court shall place the sexual offender in the
 249 appropriate risk assessment classification. The court's determination shall be forwarded
 250 by the clerk of the court to the board, the sexual offender, the Georgia Bureau of
