

**ADOPTED**

Senators Burke of the 11th and Kirkpatrick of the 32nd offered the following amendment:

Amend floor amendment 1 to the committee substitute to SB 46 by deleting e-1 (C) and inserting in lieu thereof: “(C) For vaccines administered to a declared public health emergency, as defined in OCGA 38-3-51, a third party that is authorized by law to collect and receive such information for the purpose of averting a serious and imminent threat to life and safety, so long as such third party adheres to state and federal privacy laws without the consent of the person or the person’s parents or guardians.
