167 been accepted for admission to the school where the hazing incident occurred which  
168 gives rise to an offense under this article.

169 20-1-31.

170 (a) Beginning with the 2021-2022 school year, each postsecondary educational institution  
171 shall maintain and publicly report actual findings of violations of the school's code of  
172 student conduct or federal or state laws relating to hazing that are reported to school  
173 officials, law enforcement officials, national organizations, or any organization formally  
174 affiliated with the postsecondary educational institution.

175 (b) The report required pursuant to subsection (a) of this Code section shall include:

176 (1) The name of the school organization;

177 (2) The date the school organization was charged with misconduct;

178 (3) The date or dates on which the misconduct occurred;

179 (4) The date the investigation was initiated;

180 (5) A general description of the incident and the charges, findings, and sanctions placed  
181 on the school organization; and

182 (6) The date on which the investigation ended with a finding that a violation occurred.

183 (c) Investigations that do not result in a finding of formal violations of the school's code  
184 of student conduct shall not be included in the report required pursuant to subsection (a)  
185 of this Code section. The report shall not include personal identifying information of the  
186 individual students and shall be subject to the requirements of the Family Education Rights  
187 and Privacy Act (FERPA), 20 U.S.C. Section 1232g.

188 (d) Each postsecondary educational institution shall update this report at least ten calendar  
189 days before the start of the fall and spring academic semesters.

190 (e) Each postsecondary educational institution must make reports required under this Code  
191 section available on its website in a prominent location. The website that contains the  
192 reports must include a statement notifying the public:

193 (1) Of the availability of additional information related to findings, sanctions, and  
194 whether the school organization has completed or complied with sanctions imposed;

195 (2) Where a member of the public may obtain the additional information that is not  
196 protected under the Family Education Rights and Privacy Act (FERPA), 20 U.S.C.  
197 Section 1232g; and

198 (3) That the postsecondary educational institution is required to provide this additional  
199 information pursuant to the Article 4 of Chapter 18 of Title 50.

200 (f) Each postsecondary educational institution shall furnish a printed notice of the nature  
201 and availability of this report and the website address where it can be found to attendees  
202 at each student orientation.

203 (g) Each postsecondary educational institution shall maintain reports as they are updated  
204 for five years."

205 **SECTION 4.**

206 All laws and parts of laws in conflict with this Act are repealed.
