37 limited to, the following:

38 (A) All provisions contained in this title related to elementary and secondary education  
39 including, but not limited to, provisions related to staff ratios, staff certifications,  
40 background checks, and minimum requirements for instructional space;

41 (B) All regulatory provisions related to the operation of a day-care or child care center  
42 or an at-home day care contained in Chapter 1A of this title, including, but not limited

47 (C) Any state or local building or fire codes applicable to educational or child care  
48 facilities; and

50 group, building, or facility but for the operation or presence of a learning pod.

51 (4) No state, local, or local school system employee shall initiate or conduct any site  
52 inspection, site visit, or other investigation that would not have been initiated or made but  
53 for the operation or presence of a learning pod.

54 (5) No school district shall take any action or in any manner discriminate against or  
55 otherwise distinguish any student or parent based on their participation in a learning pod.

56 (6) No state agency, local government, or school district shall require that any learning  
57 pod be in any manner required to register or otherwise report its existence or anything  
58 related to the operation of a learning pod.

59 (7) Participation in a learning pod to facilitate a remote learning option offered by the  
60 student's primary education provider shall satisfy all mandatory attendance requirements  
61 provided for in Code Section 20-2-690.1.

62 (8) In any administrative or judicial hearing or other action regarding this subsection, the  
63 following burdens of proof may be deemed to apply by the presiding officer:

64 (A) Whether any state, local, or local school system law, regulation, guideline, or any  
65 other action complies with the requirements of this subsection shall be a judicial  
66 question and determined without regard to any assertion of compliance with this  
67 subsection; and

68 (B) Any state, local, or local school system adopting a law, regulation, or guideline or  
69 taking any other action providing for the operation of learning pods shall be required

70 to establish by clear and convincing evidence that such law, regulation, guideline, or  
71 action:

72 (i) Does not unduly impede on the freedom of parents and guardians to provide care

75 recreational or social activities remain unregulated; and

76 (iii) Is narrowly tailored to protect the public health and safety.

77 (9) The provisions of this subsection are severable. If any part of this act is declared  
78 invalid or unconstitutional, that declaration shall not necessarily affect any portions which  
79 remain."

80 **SECTION 2.**

81 All laws and parts of laws in conflict with this Act are repealed.
