### Local Redistricting Bill Certification

Date: **3/22/2021**

I certify that **SB 294 by substitute** has received the technical review necessary to ensure to the best of our ability the accuracy of its content. However if the description of the districts therein was not prepared by this office, then this statement does not assume responsibility for the accuracy of the geographic boundaries of the described districts. The accuracy of any such description is the responsibility of the local government unit.
