Senator Tillery of the 19th offered the following amendment #3:

Amend SB 203

by amending line 55 so that it reads as follows: “This law shall become effective for any insurance carrier within sixty days after the commercial indemnity insurance of such insurance carrier is reduced by twenty-five percent (25%) of the average rate charged in 2022, provided, however, joinder shall be permissible for any insurance carrier charging an indemnity insurance rate equal to or above the average rate charged in 2022. All laws and parts of laws in conflict are repealed.”
