12 "33-46-20.1.

13 (a) Each insurer that utilizes prior authorization requirements shall implement and

21 shall submit to the department a filing concerning such program. Such filing shall include  
22 a full narrative description of the program, the criteria for participation in the program, a  
23 list of the procedures and services subject to the program, the number of healthcare  
24 providers participating in the program, and any other information deemed necessary by the
