30 State Properties Commission.

31 SECTION 2.

32 That the State of Georgia, acting by and through its State Properties Commission, may grant  
33 to Georgia Power Company, or its successors and assigns, a nonexclusive easement to

42 Commission for approval.

43 **SECTION 3.**

44 That the above-described easement area shall be used solely for the purpose of constructing,  
45 installing, operating, and maintaining underground electrical distribution lines, pad mount  
46 transformer, and associated equipment.

47 **SECTION 4.**

48 That Georgia Power Company shall have the right to remove or cause to be removed from

50 construction, installation, operation, and maintenance of underground electrical distribution

52 **SECTION 5.**

53 That, after Georgia Power Company has put into use the underground electrical distribution  
54 lines, pad mount transformer, and associated equipment for which this easement is granted,  
55 a subsequent abandonment of the use thereof shall cause a reversion to the State of Georgia,

57 herein. Upon abandonment, Georgia Power Company, or its successors and assigns, shall  
58 have the option of removing their facilities from the easement area or leaving the same in

1569 That, after Georgia Power Company has put into use the underground electrical distribution

1595 sole discretion, that the removal and relocation is for the sole benefit of the State of Georgia.  
1596 Upon written request from Georgia Power Company or any third party, the State Properties
