Statement by Sen. George Hooks on Dismissal of Richardson Complaint

“Pursuant to Rule 3 of the Rules of the Joint Legislative Ethics Committee, a Review Committee was appointed. The Review Committee was bipartisan and met to review the contents of the complaint filed on Friday January 5, 2007. The Review Committee took a vote and unanimously found that the complaint did not assert any detailed description of an alleged conflict of interest and did not contain specific information or particular facts. Neither the Review Committee nor the Joint Legislative Ethics Committee has anything to investigate. The Joint Legislative Ethics Committee considers this matter closed.”

2007 Member of Joint Legislative Ethics Committee
