(1) Each school system and private school shall transmit, in a manner and at times prescribed by the Georgia Student Finance Commission, an electronic transcript of courses and course grades for each graduating senior that reflects the complete high school academic record of the student, including scores on any state tests required for graduation, the grading scales used by the school system or private school for the time

periods referenced by the transcripts, and any other pertinent information as determined by the Georgia Student Finance Commission. (2) The Georgia Student Finance Commission shall calculate a grade point average for the purpose of determining eligibility for the HOPE scholarship from these electronic transcripts and shall notify students of their eligibility and high schools as to the eligibility of students;

(3) For students otherwise qualified and enrolling as freshmen students in eligible public or private postsecondary institutions for the first time on May 1, 2007, or thereafter, except as otherwise provided in paragraph (3.1) of this subsection, the Georgia Student Finance Commission shall calculate grade point averages for determining eligibility for the HOPE scholarship and other scholarships referenced in this Code section as follows:

(B) For students receiving a career/technical diploma, each grade for a student in attempted coursework in English, mathematics, science, and social studies that would, if successfully completed, satisfy a core graduation requirement for the career/technical curriculum shall be equated to a grade on a 4.0 scale, such that a grade of 'A' = 4.0, a grade of 'B' = 3.0, a grade of 'C' = 2.0, a grade of 'D' = 1.0, and a grade of 'F' = 0.

The sum of the equated grades shall be divided by the number of course grades, adjusted for term length, to yield a grade point average on a 4.0 scale;

(3.1) For students otherwise qualified and enrolling in the ninth grade for the first time during the 2008-2009 school year and thereafter, the Georgia Student Finance Commission shall calculate grade point averages for determining eligibility for the HOPE scholarship and other scholarships referenced in this Code section by equating each grade for a student in attempted coursework in English, mathematics, science, social studies,

and foreign language during the student's ninth, tenth, eleventh, or twelfth grade year to a grade on a 4.0 scale, such that a grade of 'A' = 4.0, a grade of 'B' = 3.0, a grade of 'C' = 2.0, a grade of 'D' = 1.0, and a grade of 'F' = 0. Grades for coursework that is classified as advanced placement, a dual credit course, or international baccalaureate shall be weighted uniformly by the Georgia Student Finance Commission in calculating the overall grade point averages for students, provided that the weighting of such course grades is uniformly applied to all students in ~~the~~ this state taking the specified coursework. The sum of the equated grades shall be divided by the number of course grades, adjusted for term length, to yield a grade point average on a 4.0 scale; and

This paragraph shall apply regardless of when a student graduated from high school and regardless of such student's eligibility status prior to May 1, 2007.
