BE IT ENACTED BY THE GENERAL ASSEMBLY OF GEORGIA:

SECTION 1.

Title 46 of the Official Code of Georgia Annotated, relating to public utilities and public transportation, is amended by revising Chapter 10, which is reserved, as follows:

"CHAPTER 10

46-10-1.

As used in this chapter, the term:

(1) 'Covered water system' means any water system that is owned and operated by a private company and that provides water services by means of pipes or conduits to 2,000 or more customer service connections in this state. Such term shall not include any water system that is owned or operated by the state or any political subdivision or authority thereof.

(2) 'Surface water' means all rivers, streams, branches, creeks, ponds, tributary streams, drainage basins, natural lakes, and artificial reservoirs and impoundments.

(3) 'Water services' means water services, sanitary sewer services, or both.

(4) 'Water system' means a system for the provision to the public of piped water for human consumption that is sourced exclusively from surface water, sanitary sewer services, or both. Such term includes but is not limited to any collection, treatment,

storage, and distribution facilities under the control of the operator of such system and used primarily in connection with such system and any collection or pretreatment storage facilities not under such control which are used primarily in connection with such system.

46-10-2.
The rates and charges for water services provided through covered water systems shall be just and reasonable and shall be subject to the jurisdiction of the commission as provided in Code Section 46-10-3.

46-10-3.
(a) Any increase to the rates or charges for water services provided through a covered water system that would amount to an increase of 15 percent or more to the lowest amount such rates or charges have been set over the prior three calendar years shall be subject to the jurisdiction of the commission as provided in Code Section 46-2-25, including, without limitation, the authority of the commission, upon its election, to enter upon a hearing concerning the lawfulness of such increase, and the company that owns such covered water system shall comply with the notice provisions of subsection (a) of said Code section prior to making such increase to such rates or charges.
(b) If a hearing on the lawfulness of an increase to the rates or charges for water services provided through a covered water system is held pursuant to subsection (a) of this Code section and the commission determines at such hearing that such increase is just and reasonable, the commission shall not hold another hearing concerning an increase to the rates or charges for water services provided through such covered water system for a period of three years, unless the company that owns such covered water system intends to increase the rates or charges for such water services during such three-year period by 15 percent or more to the rates or charges found to be just and reasonable by the commission at such hearing.
(c) For purposes of calculating whether an increase to the rates or charges for water services provided through a covered water system constitutes an increase of 15 percent or more to the lowest amount such rates or charges have been set over the prior three calendar years, the following shall not be included in such calculation:
(1) One-time fees or charges assessed by the company that owns such covered water system for connecting to the water or sewer lines of such covered water system; or
(2) Recovered costs that were incurred by the company that owns such covered water system as the result of a flood, tornado, hurricane, earthquake, or other occurrence for which the President of the United States has made a federal disaster declaration under the federal Robert T. Stafford Disaster Relief and Emergency Assistance Act, 42 U.S.C. Sections 5121-5206.

46-10-4.
A company that owns a covered water system shall keep records relating to its financial condition and profits and losses in accordance with generally accepted accounting principles. Such records shall be made available to the commission upon request.

46-10-5.
The commission shall have the power to promulgate reasonable rules and regulations not inconsistent with this chapter or other laws of this state that are necessary to carry out the provisions of this chapter.

46-10-6.
The commission shall conduct regular assessments of its jurisdiction over the rates or charges for water services provided through covered water systems as provided in this chapter. When appropriate, the commission may make recommendations to the General Assembly on any legislative changes or revisions to this chapter that may be needed to regulate such rates or charges and to protect the interests of consumers in this state.

46-10-7.
Nothing in this chapter shall apply to water services provided by the state or any political subdivision or authority thereof or subject such entities to the jurisdiction of the commission. ~~Reserved.~~"

"48-5-44.3.

(a) As used in this Code section, the term:

(1) 'Ad valorem taxes' means all ad valorem taxes levied by, for, or on behalf of the state or any county, consolidated government, municipality, or local school district in this state, except for any ad valorem taxes levied to pay interest on and to retire bonded indebtedness.

(2) 'Homestead' means homestead as defined and qualified in Code Section 48-5-40.

(3) 'Senior citizen' means a person who is 65 years of age or older on or before January 1 of the year in which application for the exemption under subsection (b) of this Code section is made.

(4) 'Volunteer work' means the performance of work by an individual as a volunteer, during the year prior to the year in which application for the exemption under subsection (b) of this Code section is made, for the local government from which the applicant seeks an exemption pursuant to this Code section.

(b)(1) Subject to local approval as provided for in paragraph (3) of this subsection, each resident of this state who is a senior citizen is granted an exemption on that person's homestead from ad valorem taxes in an amount as provided for pursuant to the ordinance or resolution adopted pursuant to paragraph (3) of this subsection.

(2) Except as provided for in subsection (c) of this Code section, no exemption provided for in this subsection shall transfer to any subsequent owner of the property, and the assessed value of the property shall be as provided by law.

(3)(A) The exemption provided for in paragraph (1) of this subsection shall not be applicable to any county, consolidated government, municipality, or local school district in this state until January 1 of the calendar year after which the governing authority of the county, consolidated government, municipality, or local school district adopts such exemption by ordinance or resolution as provided for in subparagraph (B) of this paragraph.

(B) An ordinance or resolution adopted pursuant to subparagraph (A) of this paragraph shall include:

(i) The maximum dollar amount of the available exemption, which amount shall not exceed the lesser of $500.00 or the total amount of the tax owed per year;

(iv) The date in each taxable year by which application shall be made for the exemption; and

(v) The types of volunteer work that shall be eligible toward the exemption.

(c) The surviving spouse of the person who was granted the exemption provided for in subsection (b) of this Code section shall continue to receive such exemption so long as such surviving spouse continues to occupy the residence as a homestead.

(d) A person shall not receive the homestead exemption provided for in subsection (b) of this Code section for any taxable year unless and until such person or such person's agent annually files an application with the tax receiver or tax commissioner that person's respective local government or governments charged with the duty of receiving returns of property for taxation. Such application shall provide the person's age and such additional information relative to receiving such exemption as will enable such tax receiver or tax commissioner to make a determination regarding the eligibility of such person for such exemption. Such tax receiver or tax commissioner shall provide application forms for this purpose.

(e) The exemption provided for in subsection (b) of this Code section shall be claimed and returned as provided in Code Section 48-5-50.1. It shall be the duty of any person granted such homestead exemption to notify the tax receiver or tax commissioner of the local government or governments charged with the duty of receiving returns of property for taxation in the event such person for any reason becomes ineligible for such exemption.

(f) The exemption provided for in subsection (b) of this Code section shall be in addition to and not in lieu of any other homestead exemption applicable to ad valorem taxes.

(g) The exemption provided for in subsection (b) of this Code section shall apply to all taxable years beginning on or after January 1, 2027."

SECTION 2.

In accordance with the requirements of Article VII, Section II of the Constitution of the State of Georgia, this Act shall not become law unless it receives the requisite two-thirds' majority vote in both the Senate and the House of Representatives.

iii. Successful completion of either: (i) the Registration Examination for Dietitians administered by CDR, or (ii) a national credentialing examination for dietitians approved by the Compact Commission by Rule; such completion being no more than five years prior to the date of the Licensee's application for initial licensure and accompanied by a period of continuous licensure thereafter, all of which may be further governed by the Rules of the Compact Commission.

2. Hold an Unencumbered License in the Home State;

3. Notify the Compact Commission that the Licensee is seeking a Compact Privilege within a Remote State(s);

4. Pay any applicable fees, including any State fee, for the Compact Privilege;

5. Meet any Jurisprudence Requirements established by the Remote State(s) in which the Licensee is seeking a Compact Privilege; and

6. Report to the Compact Commission any Adverse Action, Encumbrance, or restriction on a License taken by any non-Member State within 30 days from the date the action is taken.

B. The Compact Privilege is valid until the expiration date of the Home State License. To maintain a Compact Privilege, renewal of the Compact Privilege shall be congruent with the renewal of the Home State License as the Compact Commission may define by Rule. The Licensee must comply with the requirements of Section 4(A) to maintain the Compact Privilege in the Remote State(s).

C. A Licensee exercising a Compact Privilege shall adhere to the laws and regulations of the Remote State. Licensees shall be responsible for educating themselves on, and complying with, any and all State laws relating to the Practice of Dietetics in such Remote State.

D. Notwithstanding anything to the contrary provided in this Compact or State law, a Licensee exercising a Compact Privilege shall not be required to complete Continuing Education Requirements required by a Remote State. A Licensee exercising a Compact Privilege is only required to meet any Continuing Education Requirements as required by the Home State.

SECTION 5. OBTAINING A NEW HOME STATE LICENSE BASED ON A COMPACT PRIVILEGE

A. A Licensee may hold a Home State License, which allows for a Compact Privilege in other Member States, in only one Member State at a time.

B. If a Licensee changes Home State by moving between two Member States:

1. The Licensee shall file an application for obtaining a new Home State License based on a Compact Privilege, pay all applicable fees, and notify the current and new Home State in accordance with the Rules of the Compact Commission.

2. Upon receipt of an application for obtaining a new Home State License by virtue of a Compact Privilege, the new Home State shall verify that the Licensee meets the criteria in Section 4 via the Data System, and require that the Licensee complete the following:

a. Federal Bureau of Investigation fingerprint based criminal history record information check;

b. Any other criminal history record information required by the new Home State; and

c. Any Jurisprudence Requirements of the new Home State.

3. The former Home State shall convert the former Home State License into a Compact Privilege once the new Home State has activated the new Home State License in accordance with applicable Rules adopted by the Compact Commission.

4. Notwithstanding any other provision of this Compact, if the Licensee cannot meet the criteria in Section 4, the new Home State may apply its requirements for issuing a new Single State License.

5. The Licensee shall pay all applicable fees to the new Home State in order to be issued a new Home State License.

C. If a Licensee changes their State of residence by moving from a Member State to a non-Member State, or from a non-Member State to a Member State, the State criteria shall apply for issuance of a Single State License in the new State.

D. Nothing in this Compact shall interfere with a Licensee's ability to hold a Single State License in multiple States; however, for the purposes of this Compact, a Licensee shall have only one Home State License.

E. Nothing in this Compact shall affect the requirements established by a Member State for the issuance of a Single State License.

SECTION 6. ACTIVE MILITARY MEMBERS OR THEIR SPOUSES

An Active Military Member, or their spouse, shall designate a Home State where the individual has a current License in good standing. The individual may retain the Home State designation during the period the service member is on active duty.

SECTION 7. ADVERSE ACTIONS

A. In addition to the other powers conferred by State law, a Remote State shall have the authority, in accordance with existing State due process law, to:

1. Take Adverse Action against a Licensee's Compact Privilege within that Member State; and

2. Issue subpoenas for both hearings and investigations that require the attendance and testimony of witnesses as well as the production of evidence. Subpoenas issued by a Licensing Authority in a Member State for the attendance and testimony of witnesses or the production of evidence from another Member State shall be enforced in the latter State by any court of competent jurisdiction, according to the practice and procedure applicable to subpoenas issued in proceedings pending before that court. The issuing authority shall pay any witness fees, travel expenses, mileage, and other fees required by the service statutes of the State in which the witnesses or evidence are located.

B. Only the Home State shall have the power to take Adverse Action against a Licensee's Home State License.

C. For purposes of taking Adverse Action, the Home State shall give the same priority and effect to reported conduct received from a Member State as it would if the conduct had occurred within the Home State. In so doing, the Home State shall apply its own State laws to determine appropriate action.

D. The Home State shall complete any pending investigations of a Licensee who changes Home States during the course of the investigations. The Home State shall also have authority to take appropriate action(s) and shall promptly report the conclusions of the investigations to the administrator of the Data System. The administrator of the Data System shall promptly notify the new Home State of any Adverse Actions.

E. A Member State, if otherwise permitted by State law, may recover from the affected Licensee the costs of investigations and dispositions of cases resulting from any Adverse Action taken against that Licensee.

F. A Member State may take Adverse Action based on the factual findings of another Remote State, provided that the Member State follows its own procedures for taking the Adverse Action.

G. Joint Investigations:

1. In addition to the authority granted to a Member State by its respective State law, any Member State may participate with other Member States in joint investigations of Licensees.

2. Member States shall share any investigative, litigation, or compliance materials in furtherance of any joint investigation initiated under the Compact.

H. If Adverse Action is taken by the Home State against a Licensee's Home State License resulting in an Encumbrance on the Home State License, the Licensee's Compact Privilege(s) in all other Member States shall be revoked until all Encumbrances have been removed from the Home State License. All Home State disciplinary orders that impose Adverse Action against a Licensee shall include a statement that the Licensee's Compact Privileges are revoked in all Member States during the pendency of the order.

I. Once an Encumbered License in the Home State is restored to an Unencumbered License (as certified by the Home State's Licensing Authority), the Licensee must meet the requirements of Section 4(A) and follow the administrative requirements to reapply to obtain a Compact Privilege in any Remote State.

J. If a Member State takes Adverse Action, it shall promptly notify the administrator of the Data System. The administrator of the Data System shall promptly notify the other Member States State of any Adverse Actions.

K. Nothing in this Compact shall override a Member State's decision that participation in an Alternative Program may be used in lieu of Adverse Action.

SECTION 8. ESTABLISHMENT OF THE DIETITIAN LICENSURE COMPACT COMMISSION

A. The Compact Member States hereby create and establish a joint government agency whose membership consists of all Member States that have enacted the Compact known as the Dietitian Licensure Compact Commission. The Compact Commission is an instrumentality of the Compact States acting jointly and not an instrumentality of any one State. The Compact Commission shall come into existence on or after the effective date of the Compact as set forth in Section 12.

12. Assess and collect fees;

13. Accept any and all appropriate donations, grants of money, other sources of revenue, equipment, supplies, materials, services, and gifts, and receive, utilize, and dispose of the same; provided that at all times the Compact Commission shall avoid any actual or appearance of impropriety or conflict of interest;

a. Executive Committee meetings shall be open to the public, except that the Executive Committee may meet in a closed, non-public meeting as provided in subsection (F)(2).

b. The Executive Committee shall give 30 days' notice of its meetings, posted on the website of the Compact Commission and as determined to provide notice to persons with an interest in the business of the Compact Commission.

c. The Executive Committee may hold a special meeting in accordance with subsection (F)(1)(b).

E. The Compact Commission shall adopt and provide to the Member States an annual report.

F. Meetings of the Compact Commission

1. All meetings shall be open to the public, except that the Compact Commission may meet in a closed, non-public meeting as provided in subsection (F)(2).

a. Public notice for all meetings of the full Compact Commission shall be given in the same manner as required under the rulemaking provisions in Section 10, except that the Compact Commission may hold a special meeting as provided in subsection (F)(1)(b).

b. The Compact Commission may hold a special meeting when it must meet to conduct emergency business by giving 24 hours' notice to all Member States, on the Compact Commission's website, and other means as provided in the Compact Commission's Rules. The Compact Commission's legal counsel shall certify that the Compact Commission's need to meet qualifies as an emergency.

2. The Compact Commission or the Executive Committee or other committees of the Compact Commission may convene in a closed, non-public meeting for the Compact Commission or Executive Committee or other committees of the Compact Commission to receive legal advice or to discuss:

a. Non-compliance of a Member State with its obligations under the Compact;

k. Matters specifically exempted from disclosure by federal or Member State law; or

l. Other matters as specified in the Rules of the Compact Commission.

3. If a meeting, or portion of a meeting, is closed, the presiding officer shall state that the meeting will be closed and reference each relevant exempting provision, and such reference shall be recorded in the minutes.

4. The Compact Commission shall keep minutes that fully and clearly describe all matters discussed in a meeting and shall provide a full and accurate summary of actions taken, and the reasons therefore, including a description of the views expressed. All documents considered in connection with an action shall be identified in such minutes. All minutes and documents of a closed meeting shall remain under seal, subject to release only by a majority vote of the Compact Commission or order of a court of competent jurisdiction.

G. Financing of the Compact Commission

1. The Compact Commission shall pay, or provide for the payment of, the reasonable expenses of its establishment, organization, and ongoing activities.

2. The Compact Commission may accept any and all appropriate revenue sources as provided in subsection (C)(13).

3. The Compact Commission may levy on and collect an annual assessment from each Member State and impose fees on Licensees of Member States to whom it grants a Compact Privilege to cover the cost of the operations and activities of the Compact Commission and its staff, which must, in a total amount, be sufficient to cover its annual budget as approved each year for which revenue is not provided by other sources. The aggregate annual assessment amount for Member States shall be allocated based upon a formula that the Compact Commission shall promulgate by Rule.

4. The Compact Commission shall not incur obligations of any kind prior to securing the funds adequate to meet the same; nor shall the Compact Commission pledge the credit of any of the Member States, except by and with the authority of the Member State.

5. The Compact Commission shall keep accurate accounts of all receipts and disbursements. The receipts and disbursements of the Compact Commission shall be subject to the financial review and accounting procedures established under its bylaws. H. Qualified Immunity, Defense, and Indemnification

1. The members, officers, executive director, employees and representatives of the Compact Commission shall be immune from suit and liability, both personally and in their official capacity, for any claim for damage to or loss of property or personal injury or other civil liability caused by or arising out of any actual or alleged act, error, or

omission that occurred, or that the person against whom the claim is made had a reasonable basis for believing occurred within the scope of Compact Commission employment, duties, or responsibilities; provided that nothing in this paragraph shall be construed to protect any such person from suit or liability for any damage, loss, injury, or liability caused by the intentional or willful or wanton misconduct of that person. The procurement of insurance of any type by the Compact Commission shall not in any way compromise or limit the immunity granted hereunder.

2. The Compact Commission shall defend any member, officer, executive director, employee, and representative of the Compact Commission in any civil action seeking to impose liability arising out of any actual or alleged act, error, or omission that occurred within the scope of Compact Commission employment, duties, or responsibilities, or as determined by the Compact Commission that the person against whom the claim is made had a reasonable basis for believing occurred within the scope of Compact Commission employment, duties, or responsibilities; provided that nothing herein shall be construed to prohibit that person from retaining their own counsel at their own expense; and provided further, that the actual or alleged act, error, or omission did not result from that person's intentional or willful or wanton misconduct.

3. The Compact Commission shall indemnify and hold harmless any member, officer, executive director, employee, and representative of the Compact Commission for the amount of any settlement or judgment obtained against that person arising out of any actual or alleged act, error, or omission that occurred within the scope of Compact Commission employment, duties, or responsibilities, or that such person had a reasonable basis for believing occurred within the scope of Compact Commission employment, duties, or responsibilities, provided that the actual or alleged act, error, or omission did not result from the intentional or willful or wanton misconduct of that person.

4. Nothing herein shall be construed as a limitation on the liability of any Licensee for professional malpractice or misconduct, which shall be governed solely by any other applicable State laws.

5. Nothing in this Compact shall be interpreted to waive or otherwise abrogate a Member State's state action immunity or state action affirmative defense with respect to antitrust claims under the Sherman Act, Clayton Act, or any other State or federal antitrust or anticompetitive law or regulation.

6. Nothing in this Compact shall be construed to be a waiver of sovereign immunity by the Member States or by the Compact Commission.

SECTION 9. DATA SYSTEM

A. The Compact Commission shall provide for the development, maintenance, operation, and utilization of a coordinated Data System.

B. The Compact Commission shall assign each applicant for a Compact Privilege a unique identifier, as determined by the Rules.

C. Notwithstanding any other provision of State law to the contrary, a Member State shall submit a uniform data set to the Data System on all individuals to whom this Compact is applicable as required by the Rules of the Compact Commission, including:

1. Identifying information;
2. Licensure data;
3. Adverse Actions against a License or Compact Privilege and information related thereto;
4. Non-confidential information related to Alternative Program participation, the beginning and ending dates of such participation, and other information related to such participation not made confidential under Member State law;
5. Any denial of application for licensure, and the reason(s) for such denial;
6. The presence of Current Significant Investigative Information; and
7. Other information that may facilitate the administration of this Compact or the protection of the public, as determined by the Rules of the Compact Commission.

D. The records and information provided to a Member State pursuant to this Compact or through the Data System, when certified by the Compact Commission or an agent thereof, shall constitute the authenticated business records of the Compact Commission, and shall be entitled to any associated hearsay exception in any relevant judicial, quasi-judicial, or administrative proceedings in a Member State.

E. Current Significant Investigative Information pertaining to a Licensee in any Member State will only be available to other Member States.

F. It is the responsibility of the Member States to report any Adverse Action against a Licensee and to monitor the Data System to determine whether any Adverse Action has been taken against a Licensee. Adverse Action information pertaining to a Licensee in any Member State will be available to any other Member State.

G. Member States contributing information to the Data System may designate information that may not be shared with the public without the express permission of the contributing State.

H. Any information submitted to the Data System that is subsequently expunged pursuant to federal law or the laws of the Member State contributing the information shall be removed from the Data System.

SECTION 10. RULEMAKING

A. The Compact Commission shall promulgate reasonable Rules in order to effectively and efficiently implement and administer the purposes and provisions of the Compact. A Rule shall be invalid and have no force or effect only if a court of competent jurisdiction holds that the Rule is invalid because the Compact Commission exercised its rulemaking authority in a manner that is beyond the scope and purposes of the Compact, or the powers granted hereunder, or based upon another applicable standard of review.

B. The Rules of the Compact Commission shall have the force of law in each Member State, provided however that where the Rules conflict with the laws or regulations of a Member State that relate to the procedures, actions, and processes a Licensed Dietitian is permitted to undertake in that State and the circumstances under which they may do so,

as held by a court of competent jurisdiction, the Rules of the Compact Commission shall be ineffective in that State to the extent of the conflict.

C. The Compact Commission shall exercise its rulemaking powers pursuant to the criteria set forth in this Section and the Rules adopted thereunder. Rules shall become binding on the day following adoption or as of the date specified in the Rule or amendment, whichever is later.

D. If a majority of the legislatures of the Member States rejects a Rule or portion of a Rule, by enactment of a statute or resolution in the same manner used to adopt the Compact within four (4) years of the date of adoption of the Rule, then such Rule shall have no further force and effect in any Member State.

E. Rules shall be adopted at a regular or special meeting of the Compact Commission.

F. Prior to adoption of a proposed Rule, the Compact Commission shall hold a public hearing and allow persons to provide oral and written comments, data, facts, opinions, and arguments.

G. Prior to adoption of a proposed Rule by the Compact Commission, and at least thirty (30) days in advance of the meeting at which the Compact Commission will hold a public hearing on the proposed Rule, the Compact Commission shall provide a Notice of Proposed rulemaking:

1. On the website of the Compact Commission or other publicly accessible platform;

2. To persons who have requested notice of the Compact Commission's notices of proposed rulemaking; and

3. In such other way(s) as the Compact Commission may by Rule specify.

H. The Notice of Proposed rulemaking shall include:

1. The time, date, and location of the public hearing at which the Compact Commission will hear public comments on the proposed Rule and, if different, the time, date, and location of the meeting where the Compact Commission will consider and vote on the proposed Rule;

2. If the hearing is held via telecommunication, video conference, or other means of communication, the Compact Commission shall include the mechanism for access to the hearing in the Notice of Proposed rulemaking;

3. The text of the proposed Rule and the reason therefore;

4. A request for comments on the proposed Rule from any interested person; and

5. The manner in which interested persons may submit written comments.

I. All hearings will be recorded. A copy of the recording and all written comments and documents received by the Compact Commission in response to the proposed Rule shall be available to the public.

J. Nothing in this Section shall be construed as requiring a separate hearing on each Rule. Rules may be grouped for the convenience of the Compact Commission at hearings required by this Section.

K. The Compact Commission shall, by majority vote of all members, take final action on the proposed Rule based on the rulemaking record and the full text of the Rule.

1. The Compact Commission may adopt changes to the proposed Rule provided the changes do not enlarge the original purpose of the proposed Rule.

2. The Compact Commission shall provide an explanation of the reasons for substantive changes made to the proposed Rule as well as reasons for substantive changes not made that were recommended by commenters.

3. The Compact Commission shall determine a reasonable effective date for the Rule. Except for an emergency as provided in Section 10(L), the effective date of the Rule shall be no sooner than 30 days after issuing the notice that it adopted or amended the Rule.

L. Upon determination that an emergency exists, the Compact Commission may consider and adopt an emergency Rule with 24 hours' notice, with opportunity to comment, provided that the usual rulemaking procedures provided in the Compact and in this Section shall be retroactively applied to the Rule as soon as reasonably possible, in no event later than ninety (90) days after the effective date of the Rule. For the purposes of this provision, an emergency Rule is one that must be adopted immediately in order to:

1. Meet an imminent threat to public health, safety, or welfare;

2. Prevent a loss of Compact Commission or Member State funds;

3. Meet a deadline for the promulgation of a Rule that is established by federal law or rule; or

4. Protect public health and safety.

M. The Compact Commission or an authorized committee of the Compact Commission may direct revision to a previously adopted Rule for purposes of correcting typographical errors, errors in format, errors in consistency, or grammatical errors. Public notice of any revision shall be posted on the website of the Compact Commission. The revision shall be subject to challenge by any person for a period of thirty (30) days after posting. The revision may be challenged only on grounds that the revision results in a material change to a Rule. A challenge shall be made in writing and delivered to the Compact Commission prior to the end of the notice period. If no challenge is made, the revision will take effect without further action. If the revision is challenged, the revision may not take effect without the approval of the Compact Commission.

N. No Member State's rulemaking requirements shall apply under this Compact.

SECTION 11. OVERSIGHT, DISPUTE RESOLUTION, AND ENFORCEMENT

A. Oversight

1. The executive and judicial branches of State government in each Member State shall enforce this Compact and take all actions necessary and appropriate to implement this Compact.

2. Except as otherwise provided in this Compact, venue is proper and judicial proceedings by or against the Compact Commission shall be brought solely and exclusively in a court of competent jurisdiction where the principal office of the Compact Commission is located. The Compact Commission may waive venue and jurisdictional defenses to the extent it adopts or consents to participate in alternative dispute resolution proceedings. Nothing herein shall affect or limit the selection or propriety of venue in any action against a Licensee for professional malpractice, misconduct, or any such similar matter.

3. The Compact Commission shall be entitled to receive service of process in any proceeding regarding the enforcement or interpretation of the Compact and shall have standing to intervene in such a proceeding for all purposes. Failure to provide the Compact Commission service of process shall render a judgment or order void as to the Compact Commission, this Compact, or promulgated Rules.

B. Default, Technical Assistance, and Termination

1. If the Compact Commission determines that a Member State has defaulted in the performance of its obligations or responsibilities under this Compact or the promulgated Rules, the Compact Commission shall provide written notice to the defaulting State. The notice of default shall describe the default, the proposed means of curing the default, and any other action that the Compact Commission may take and shall offer training and specific technical assistance regarding the default.

2. The Compact Commission shall provide a copy of the notice of default to the other Member States.

C. If a State in default fails to cure the default, the defaulting State may be terminated from the Compact upon an affirmative vote of a majority of the delegates of the Member States, and all rights, privileges, and benefits conferred on that State by this Compact may be terminated on the effective date of termination. A cure of the default does not relieve the offending State of obligations or liabilities incurred during the period of default.

D. Termination of membership in the Compact shall be imposed only after all other means of securing compliance have been exhausted. Notice of intent to suspend or terminate shall be given by the Compact Commission to the governor, the majority and minority leaders of the defaulting State's legislature, the defaulting State's Licensing Authority, and each of the Member States' Licensing Authority.

E. A State that has been terminated is responsible for all assessments, obligations, and liabilities incurred through the effective date of termination, including obligations that extend beyond the effective date of termination.

F. Upon the termination of a State's membership from this Compact, that State shall immediately provide notice to all Licensees within that State of such termination. The terminated State shall continue to recognize all Compact Privileges granted pursuant to this Compact for a minimum of six months after the date of said notice of termination.

G. The Compact Commission shall not bear any costs related to a State that is found to be in default or that has been terminated from the Compact, unless agreed upon in writing between the Compact Commission and the defaulting State.

H. The defaulting State may appeal the action of the Compact Commission by petitioning the U.S. District Court for the District of Columbia or the federal district where the Compact Commission has its principal offices. The prevailing party shall be awarded all costs of such litigation, including reasonable attorney's fees.

I. Dispute Resolution

1. Upon request by a Member State, the Compact Commission shall attempt to resolve disputes related to the Compact that arise among Member States and between Member and non-Member States.

2. The Compact Commission shall promulgate a Rule providing for both mediation and binding dispute resolution for disputes as appropriate.

J. Enforcement

1. By supermajority vote, the Compact Commission may initiate legal action against a Member State in default in the United States District Court for the District of Columbia or the federal district where the Compact Commission has its principal offices to enforce compliance with the provisions of the Compact and its promulgated Rules. The relief sought may include both injunctive relief and damages. In the event judicial enforcement is necessary, the prevailing party shall be awarded all costs of such litigation, including reasonable attorney's fees. The remedies herein shall not be the exclusive remedies of the Compact Commission. The Compact Commission may pursue any other remedies available under federal or the defaulting Member State's law.

2. A Member State may initiate legal action against the Compact Commission in the U.S. District Court for the District of Columbia or the federal district where the Compact Commission has its principal offices to enforce compliance with the provisions of the Compact and its promulgated Rules. The relief sought may include both injunctive relief and damages. In the event judicial enforcement is necessary, the prevailing party shall be awarded all costs of such litigation, including reasonable attorney's fees.

3. No party other than a Member State shall enforce this Compact against the Compact Commission.

SECTION 12. EFFECTIVE DATE, WITHDRAWAL, AND AMENDMENT

A. The Compact shall come into effect on the date on which the Compact statute is enacted into law in the seventh Member State.

1. On or after the effective date of the Compact, the Compact Commission shall convene and review the enactment of each of the first seven Member States ("Charter Member States") to determine if the statute enacted by each such Charter Member State is materially different than the model Compact statute.

a. A Charter Member State whose enactment is found to be materially different from the model Compact statute shall be entitled to the default process set forth in Section 11.

b. If any Member State is later found to be in default, or is terminated, or withdraws from the Compact, the Compact Commission shall remain in existence and the Compact shall remain in effect even if the number of Member States should be less than seven.

2. Member States enacting the Compact subsequent to the seven initial Charter Member States shall be subject to the process set forth in Section 8(C)(21) to determine if their enactments are materially different from the model Compact statute and whether they qualify for participation in the Compact.

3. All actions taken for the benefit of the Compact Commission or in furtherance of the purposes of the administration of the Compact prior to the effective date of the Compact or the Compact Commission coming into existence shall be considered to be

actions of the Compact Commission unless specifically repudiated by the Compact Commission.

4. Any State that joins the Compact subsequent to the Compact Commission's initial adoption of the Rules and bylaws shall be subject to the Rules and bylaws as they exist on the date on which the Compact becomes law in that State. Any Rule that has been previously adopted by the Compact Commission shall have the full force and effect of law on the day the Compact becomes law in that State.

B. Any Member State may withdraw from this Compact by enacting a statute repealing the same.

(5) Represent or imply that a hearing aid device or instrument is or will be 'custom made,' 'made to order,' 'prescription made,' or in any other sense specially fabricated for an individual person when such is not the case;

(d) When a prosecuting attorney makes a determination to remove an affected peace officer's name from a Giglio list, such prosecuting attorney shall provide notice of such

(g) A prosecuting attorney shall be immune from civil liability that might otherwise incur or be imposed for placement of the name of a peace officer on a Giglio list unless the affected peace officer demonstrates that his or her inclusion on such a list was done with actual malice or with actual intent to cause injury to the affected peace officer.

(h) Nothing in this Code section shall be construed to modify federal law or binding court precedent relating to disclosure duties of a prosecuting attorney in criminal prosecutions."

SECTION 2.

It shall be sufficient to identify the affected peace officer, state that review of the affected peace officer's name on a Giglio list has been initiated, and identify the prosecuting attorney who sent such notice.

"Part 8

10-1-439.5.
This part shall be known and may be cited as the 'Georgia Online Automatic Renewal Transparency Act.'

10-1-439.6.
(a) The purpose of this part shall be to stop the practice of creating unnecessary barriers for customers who wish to cancel automatic renewal or continuous service subscriptions online, particularly when such subscriptions are offered online. It is the intent of the General Assembly that such practice be swiftly stopped, and this part shall be liberally construed and applied to promote its underlying purposes and policies.
(b) It is the further intent of the General Assembly that this part be interpreted and construed consistently with interpretations given by the Federal Trade Commission in the federal courts pursuant to Section 5(a)(1) of the Federal Trade Commission Act (15 U.S.C. (D) The minimum purchase obligation, if any.

10-1-439.8.

The business shall provide a method of cancellation that is available online, which ~~may~~ shall include:

(1) A clear and conspicuous link to a public website or other online cancellation service; ~~or~~ and

(2) A cancellation email formatted and provided by the business that a consumer can send to the business without additional information.

(b) Notwithstanding subsection (a) of this Code section, a business that allows a consumer to accept an automatic renewal or continuous service offer online may require a consumer to enter account information or otherwise authenticate their account online before online cancellation of the automatic renewal or continuous service if the consumer has an account with the business. A consumer who is unwilling or unable to enter account information or otherwise authenticate online before online cancellation of the automatic renewal or continuous service shall not be precluded from cancelling the automatic renewal or continuous service offline using an alternate method pursuant to subsection (c) of this Code section.

(d) The requirements of this Code section apply to the automatic renewal terms and continuous service terms of the contract entered into online, and the remaining provisions of the contract shall continue to be governed by all applicable laws and regulations.

10-1-439.9.

10-1-439.10.

When a business that allows a consumer to accept an automatic renewal or continuous service offer online sends any goods, wares, merchandise, or products to a consumer under an automatic renewal of purchase or a continuous service agreement, without first obtaining the consumer's consent pursuant to paragraph (2) of subsection (a) of Code Section 10-1-439.9, such goods, wares, merchandise, or products shall for all purposes be deemed an unconditional gift to the consumer, who may use or dispose of such goods,

wares, merchandise, and products in any manner he or she sees fit without obligation to the business, including, but not limited to, bearing the cost of or responsibility for shipping any goods, wares, merchandise, or products to the business.

10-1-439.11.

The requirements of this part shall apply only prior to the completion of the initial order for the online automatic renewal or continuous service; provided, however, that an acknowledgment that includes the automatic renewal offer terms or continuous service offer terms, cancellation policy, and information regarding how to cancel, and the notice required pursuant to subsection (b) of Code Section 10-1-439.9 may be fulfilled after the completion of the initial order.

(5) Any foreign bank maintaining a branch or agency licensed under federal law or under the laws of any state of the United States.

10-1-439.13.

(a) The Attorney General shall be authorized to bring an action under this part to obtain a temporary or permanent injunction prohibiting the use of any method, act, or practice in violation of this part and to obtain restitution for consumers who are residents of this state and who incurred a loss of money or property as the direct result of a violation of this part.

(b) If a business that allows a consumer to accept an automatic renewal or continuous service offer online complies with the provisions of this part in good faith, it shall not be subject to civil penalty or damages.

(c) There shall be no private right of action for a violation of this part, nor shall a violation of this part serve as the basis for a private right of action under any other provision of law.

(d) If any provision of this part or its application to any person or circumstance is held invalid, such invalidity shall not affect other provisions or applications of this part that can be given effect without the invalid provision or application. To this end, the provisions of this part are severable.

10-1-439.14.
Nothing in this part shall be construed as impairing the application of the provisions of Chapter 12 of Title 13 to service contracts, as such term is defined in Code Section 13-12-1. To the extent any provision of this part is incompatible, inconsistent, or otherwise in conflict with the provisions of Chapter 12 of Title 13, the provisions of Chapter 12 of Title 13 shall supersede any such incompatible, inconsistent, or otherwise conflicting provisions of this part."

(A) Each penal institution shall provide access to a nonrecording telephonic or electronic device for a client held in custody to communicate with his or her attorney;

(B) The contents of any wire, oral, or electronic communication intercepted pursuant to this chapter, or any evidence derived therefrom, shall not be received in evidence or otherwise disclosed in any trial, hearing, or other proceeding in state court unless each party, not less than ten days before the trial, hearing, or proceeding, has been furnished with a copy of the court order, and accompanying application, under which the interception was authorized or approved;

(C) Any aggrieved person in any trial, hearing, or proceeding in or before any court, department, officer, agency, regulatory body, or the state, or a political subdivision thereof may move to suppress the contents of any wire, oral, or electronic communication intercepted pursuant to Article 3 of Chapter 11 of Title 16, or any evidence derived therefrom, on the grounds that:

(c) Any complaints regarding a professional employer organization shall be filed with the department, and any complaints filed with the Department of Labor shall be forwarded to the department; provided, however, that the department and the Department of Labor shall cooperate in the documentation, investigation, and resolution of any complaints received and in any disciplinary actions.

34-11-6.

(a) In a co-employment relationship:

(1) The client is entitled to enforce the rights and obligated to provide and perform the employer obligations allocated to such client by the professional employer agreement and this chapter;

(2) The client is entitled to enforce any right and obligated to perform any obligation of an employer not specifically allocated to the PEO in the professional employer agreement or this chapter;

(3) The rights, duties, and obligations of the PEO as co-employer with respect to any covered employee shall be limited to those arising pursuant to the professional employer agreement and this chapter during the term of the co-employment relationship with the PEO of such covered employee;

(4) Unless otherwise expressly agreed by the PEO and the client in a professional employer agreement, the client retains the exclusive right to direct and control covered employees as is necessary to conduct the client's business, to discharge any of the client's fiduciary responsibilities, or to comply with any licensure, regulatory, or statutory requirements applicable to the client or covered employees; and

(5) For purposes of any law of this state where employer coverage and employee eligibility is determined based on the number of covered employees employed by the employer, the client as an employer shall be required to count only the covered employees of the client, and not the employees of other clients of the PEO or of the PEO itself.

(b) Except as specifically provided in this chapter, the co-employment relationship between the client and the PEO, and between each co-employer and each covered employee, shall be governed by a professional employer agreement. Each professional employer agreement shall provide for the following:

(1) The allocation of rights, duties, and obligations of each co-employer for each covered employee;

(2) The allocation of rights, duties, and obligations to the PEO regarding payment of wages. The PEO shall pay wages to covered employees; shall withhold, collect, and remit payroll and unemployment taxes; and may make payments for employee benefits. Such payment of wages shall not be interpreted as to include any obligation between a client and a covered employee for payments beyond or in addition to the covered employee's salary, draw, or regular rate of pay, including, but not limited to, severance pay, deferred compensation, profit sharing, or vacation, sick, or other paid time off pay, unless the PEO has expressly agreed to assume liability for such payments in the professional employer agreement; and

(3) A right to hire, discipline, and terminate a covered employee shall be allocated to both the client and the PEO; provided, however, that the PEO's right shall be limited to such employment decisions as may be necessary to fulfill the PEO's responsibilities under this chapter and a valid professional employer agreement.

(c) A PEO shall provide written notice to each covered employee whose co-employment relationship is made effective by a professional employer agreement of the general nature of the co-employment relationship between and among the PEO, the client, and such covered employee.

(d) Except to the extent otherwise provided by the professional employer agreement:

(1) A client shall be solely responsible for:

(A) The quality, adequacy, or safety of the goods produced or sold or services performed in the client's business; and

(B) Directing, supervising, training, and controlling the work of covered employees with respect to the client's business activities, and the acts, errors, or omissions of such covered employees with regard to such activities;

(2) A client shall not be liable for the acts, errors, or omissions of a PEO or of a covered employee when such covered employee is acting under the express direction and control of the PEO;

(3) A PEO shall not be liable for the acts, errors, or omissions of a client or of a covered employee when such covered employee is acting under the express direction and control of the client;

(4) Nothing in this subsection shall serve to limit any contractual liability or obligation specifically provided in the professional employer agreement; and

(5) A covered employee is not an employee of the PEO for purposes of general liability insurance, fidelity bonds, surety bonds, employer's liability, or liquor liability insurance carried by the PEO solely as the result of being a covered employee of a PEO unless covered employees are included by specific reference in the professional employer agreement and applicable prearranged employment contract, insurance contract, or bond.

(e) A PEO registered with the department and in compliance with this chapter shall not be required to obtain:

(1) A license as an agent, subagent, or counselor, provided that such PEO is not selling, soliciting, or negotiating insurance outside of a professional employer agreement as excluded in paragraph (9) of subsection (b) of Code Section 33-23-1;

(2) A license as an administrator, provided that such PEO is not administering insurance outside of a professional employer agreement as excluded in paragraph (14) of subsection (b) of Code Section 33-23-100; or

(3) A certificate of authority to transact insurance, provided that such PEO is not selling, soliciting, negotiating, administering, inducing, or effectuating insurance outside of a professional employer agreement.

(f) For purposes of any tax collected by the state or a county, municipality, or other political subdivision thereof:

(1) A covered employee whose goods or services are subject to sales tax shall be deemed the employee of a client for purposes of collecting and levying sales tax on the goods produced or services performed by the covered employee. Nothing contained in this chapter shall relieve a client of any sales tax liability with respect to its goods or services;

(2) Any tax or assessment imposed upon professional employer services or any business license or other fee which is based upon gross receipts shall allow a deduction from the gross income or receipts of the business derived from performing professional employer services that is equal to that portion of the fee charged to a client that

represents the actual cost of wages and salaries, benefits, payroll taxes, withholding, or other assessments paid to or on behalf of a covered employee by the PEO under a professional employer agreement;

(3) Any tax assessed or assessment or mandated expenditure on a per capita or per employee basis shall be assessed against the client for covered employees and against the professional employer organization for its employees who are not covered employees of a client. Benefits or monetary consideration meeting the requirements of mandates imposed on a client that are received by covered employees through the PEO either through payroll or through benefit plans sponsored by the PEO shall be credited against the client's obligation to fulfill such mandates; and

(4) In the case of a tax or an assessment imposed or calculated upon the basis of total payroll, the professional employer organization shall be eligible to apply any small business allowance or exemption available to the client for the covered employees for the purpose of computing such tax or assessment.

34-11-7.

(a) A professional employer agreement shall have no effect on existing collective bargaining agreements. Nothing in this chapter shall alter the rights or obligations of any client, professional employer organization, or worksite employee under the federal National Labor Relations Act or any state law.

(b) Nothing in this chapter or in any professional employer agreement shall:

(1) Diminish, abolish, or remove rights of a covered employee to a client or obligations of such client to a covered employee existing prior to the effective date of a professional employer agreement;

(2) Affect, modify, or amend any contractual relationship or restrictive covenant between a covered employee and any client in effect at the time a professional employer agreement becomes effective;

(3) Prohibit or amend any contractual relationship or restrictive covenant that is entered into subsequently between a client and a covered employee, provided that a PEO shall bear no liability arising from any such contractual relationship or restrictive covenant unless the PEO and the client have each expressly agreed to such an exception, which shall become an addendum to the professional employment agreement; or

(4) Create any new or additional enforceable right of a covered employee against a PEO that is not expressly provided by the professional employer agreement or this chapter.

(c) Nothing contained in this chapter or any professional employer agreement shall affect, modify, or amend any state, local, or federal licensing, registration, or certification requirement applicable to any client or covered employee or affect, modify, or amend a client's or covered employee's duties and obligations with respect to workplace safety.

(d) A covered employee of a client who is required by law or rule or regulation promulgated thereunder to be licensed, registered, or certified shall be deemed to be solely an employee of the client for purposes of such license, registration, or certification requirement.

(e) A PEO shall not be deemed to engage in any occupation, trade, profession, or other activity that is subject to licensing, registration, or certification requirements, or is otherwise regulated by a governmental entity, solely by entering into and maintaining a co-employment relationship with a covered employee who is subject to such requirements or regulation.

(f) A client shall have the sole right of direction and control of the professional or licensed activities of covered employees and the client's business. Such covered employees and clients shall remain subject to regulation by the regulatory or governmental entity responsible for licensing, registration, or certification of such covered employees or clients.

(g) For purposes of determination of tax credits and other economic incentives provided by the state or any other governmental entity and based on employment, covered employees shall be deemed employees solely of the client. A client shall be entitled to the benefit of any tax credit, economic incentive, or other benefit arising as the result of the employment of covered employees of such client. Notwithstanding that the PEO shall be the W-2 reporting employer, the client shall continue to qualify for any such benefit, incentive, or credit. If the grant or amount of any such incentive is based on number of employees, then each client shall be treated as employing only those covered employees. Covered employees working for other clients of the PEO shall not be counted. (2) 'Geothermal machinery and equipment' means all controls, tanks, pumps, heat exchangers, and other equipment used directly and exclusively for a geothermal machinery installation. Such term excludes any land or structural elements of any building or any equipment ordinarily contained within a dwelling regardless of a geothermal machinery installation.

(3) 'Geothermal machinery installation' means the installation of any:

(A) Heat pump that uses the ground or ground water as a thermal energy source to heat a structure or as a thermal energy sink to cool a structure, together with necessary geothermal and machinery equipment, which is placed in service on or after January 1, 2026, and meets or exceeds applicable federal Energy Star requirements on the date that it is placed in service; or

(B) System that uses the internal heat of the earth as a substitute for traditional energy sources for water heating or active space heating or cooling, together with necessary geothermal machinery and equipment, which is placed in service on or after January 1, 2026, and meets or exceeds applicable federal Energy Star requirements on the date that it is placed in service.

A taxpayer shall only be eligible for the tax credit allowed under this Code section once per dwelling.

(c)(1) In no event shall the aggregate limit of tax credits allowed under this Code section for any year exceed $2.5 million. In no event shall the total amount of any tax credit allowed under this Code section for a taxable year exceed the taxpayer's income tax liability. No such tax credit shall be allowed the taxpayer against prior years' tax liability.

(2) Except as provided in subsection (b) of this Code section, no amount of the tax credit shall be allowed to be carried forward to apply to the taxpayer's succeeding years' tax liability.

(d) A taxpayer seeking to claim a tax credit pursuant to this Code section shall submit an application to the department for preapproval of such tax credit in the manner specified by the department. The department shall preapprove such application within 30 days based on the order in which properly completed applications were submitted. A BILL TO BE ENTITLED
AN ACT

BE IT ENACTED BY THE GENERAL ASSEMBLY OF GEORGIA:

SECTION 1.

Article 2 of Chapter 9 of Title 32 of the Official Code of Georgia Annotated, relating to Metropolitan Atlanta Rapid Transit Authority (MARTA), is amended by adding a new Code section to read as follows:

"32-9-25.

(a) As used in this Code section, the term:

(1) 'Agent' means a person or entity that is authorized by the governing body of the city or a law enforcement agency thereof to administer the provisions of this Code section and:

(A) Provides services relative to automated transit vehicle lane monitoring devices to such governing body of the city or law enforcement agency thereof;

(B) Operates, maintains, leases, or licenses an automated transit vehicle lane monitoring device; or

(C) Is authorized by the governing body of the city or law enforcement agency thereof to review and assemble the recorded images for inspection by a certified peace officer.

(2) 'Automated transit vehicle lane monitoring device' means a device that is capable of producing recorded images of a motor vehicle stopped or parked in a transit vehicle lane.

(3) 'Motor vehicle' shall have the same meaning as set forth in Code Section 40-1-1.

(4) 'Official traffic-control devices' shall have the same meaning as set forth in Code Section 40-1-1.

(5) 'Owner' means the registrant of a motor vehicle as evidenced in the records of the Department of Revenue, except that such term shall not include a motor vehicle rental company when a motor vehicle registered by such company is being operated by another person under a rental agreement with such company, in which case such term shall mean the person authorized to operate the vehicle pursuant to the rental agreement.

(6) 'Recorded images' means still or video images captured and stored by an automated transit vehicle lane monitoring device which include a clear depiction of a motor vehicle license plate number and the date, time, and location the image was produced.

(7) 'Transit lane safety course' means an online educational video which is no longer than ten minutes in length and approved by the department.

(8) 'Transit vehicle' means any motor vehicle that is operated within the city by or under contract with the authority which provides transportation services that are open to the general public or a segment of the general public.

(9) 'Transit vehicle lane' means a lane or series of lanes of public road within the city designated for the exclusive use of transit vehicles and indicated as such by official traffic-control devices.

(b) No person shall stop or park a motor vehicle other than a transit vehicle in a transit vehicle lane unless such stopping or parking is authorized by an official traffic-control device, occurs during an emergency situation, or is otherwise authorized by law.

(c) A violation of this Code section shall be punished as follows:

(1) Upon enforcement through the issuance of a uniform traffic citation by a law enforcement officer at the time of the offense, as a misdemeanor, and upon conviction thereof with a fine:

(A) Not to exceed $50.00 for the first violation; provided, however, that such fine shall be waived for any offender who completes a transit lane safety course;

(B) Not to exceed $100.00 for the second offense; and

(C) Not to exceed $150.00 for the third offense and such offender shall be required to complete a defensive driving course approved by the commissioner of driver services pursuant to Code Section 40-5-83.

(2)(A) Unless the operator of the motor vehicle was arrested or issued a uniform traffic citation by a law enforcement officer for the same violation, upon enforcement through the use of an automated transit vehicle lane monitoring device with recorded images, a civil monetary penalty as follows:

(i) $50.00 for the first violation; provided, however, that such fine shall be waived for any offender who completes a transit lane safety course;

(ii) $100.00 for the second offense; and

(iii) $150.00 for the third offense and such offender shall be required to complete a defensive driving course approved by the commissioner of driver services pursuant to Code Section 40-5-83.

(B) Any fee for the processing of a civil monetary penalty issued under this Code section shall be no greater than $25.00 and any late fee assessed for failure to pay a civil monetary penalty owed shall be no greater than $5.00. No additional penalty, fee, or surcharge other than those set forth in this Code section shall be authorized. A violation punished with a civil monetary penalty pursuant to this paragraph shall not be considered a conviction, shall not be considered a moving traffic violation for purposes of points assessed pursuant to Code Section 40-5-57, shall not be made a part of the motor vehicle operating record of the person upon whom such penalty is

imposed, nor shall it be used for any purposes in the provision of motor vehicle insurance coverage.

(C) The law enforcement agency or agent authorized to enforce the provisions of this Code section on behalf of the governing body of the city through the use of an automated transit vehicle lane monitoring device shall send by first-class mail addressed to the owner of the motor vehicle no later than 60 days after the date of the alleged violation:

(i) A citation for the alleged violation, which shall include the date, time, and location of the alleged violation, the amount of the civil monetary penalty imposed, and the date by which the civil monetary penalty shall be paid;

(ii) An image produced from the recorded images showing the motor vehicle involved in the alleged violation;

(iii) A website address where recorded images showing the motor vehicle involved in the alleged violation, the transit lane safety course, and a duplicate of the information provided for in this subsection may be viewed;

(iv) A copy of a certificate sworn to or affirmed by a certified peace officer employed by a law enforcement agency authorized to enforce the provisions of this Code section stating that, based upon inspection of recorded images, the owner's motor vehicle was stopped or parked in a transit vehicle in violation of this Code section;

(v) A statement of the inference provided by subparagraph (E) of this Code section and of the means specified therein by which such inference may be rebutted;

(vi) Information advising the owner of the motor vehicle of the manner in which liability as alleged in the citation may be contested; and

(vii) A warning that failure to complete the transit lane safety course, pay the civil monetary penalty, or contest the violation in a timely manner may result in assessment of late fees in addition to the civil monetary penalty owed.

(D) Proof that a motor vehicle was stopped or parked in a transit vehicle lane in violation of this Code section may be evidenced by recorded images. A copy of a certificate sworn to or affirmed by a certified peace officer employed by a law enforcement agency authorized to enforce this Code section stating that, based upon inspection of recorded images, a motor vehicle was stopped or parked in a transit vehicle lane and that such stopping or parking was not otherwise authorized by law shall be prima-facie evidence of the facts contained therein.

(E) Liability under this paragraph shall be determined based upon a preponderance of the evidence. Prima-facie evidence that the motor vehicle described in the citation was stopped or parked in a transit vehicle lane, together with proof that the defendant was, at the time of such violation, the owner of the vehicle, shall permit the trier of fact in its discretion to infer that such owner of the motor vehicle was the operator of the motor vehicle at the time of the alleged violation. Such inference may be rebutted if the owner of the motor vehicle:

(i) Testifies under oath in open court or submits to the court a sworn notarized statement that he or she was not the operator of the motor vehicle at the time of the alleged violation;

(ii) Presents evidence in court that demonstrates he or she is not the owner of the motor vehicle in the recorded images nor rented the motor vehicle in the recorded images; or

(iii) Presents to the court a certified copy of a police report showing that the motor vehicle had been reported to the police as stolen prior to the time of the alleged violation.

(F) Except in cases where an adjudication that no violation occurred has been issued or there is an otherwise lawful determination that no civil monetary penalty shall be imposed:

(i) When an owner fails to complete the transit lane safety course or pay the civil monetary penalty for which citation and notice was sent to the owner pursuant to this paragraph within 60 days such notice was mailed, or has failed to submit documentation to the court pursuant to subparagraph (E) of this paragraph, the law enforcement agency or agent thereof which sent the original citation shall send a second notice. Such second notice shall include all information required of the original citation and a new date by which the civil monetary penalty shall be paid which shall be no less than 30 days after such mailing. If such owner notified by second notice again fails to complete the transit lane safety course, pay the civil monetary penalty, or submit documentation to the court pursuant to subparagraph (E) of this paragraph by the new date by which the civil monetary penalty shall be paid, such owner shall have waived the right to contest the violation and shall be liable for the civil monetary penalty provided for under this paragraph; and

(ii) When a citation issued pursuant to this paragraph has not been contested, the transit lane safety course has not been completed, or the civil monetary penalty has not been paid, the agent or governing authority shall mail a second notice of any unpaid civil monetary penalty to the owner.

(G) Notices mailed by first-class mail shall be adequate notification of the requirements, fees, and penalties imposed by this paragraph.

(H) Any court having jurisdiction over violations relating to traffic laws within the city shall have jurisdiction over cases arising under this paragraph and shall be authorized to impose the civil monetary penalty provided by this paragraph. Except as otherwise provided to the contrary, the provisions of law governing jurisdiction, procedure, defenses, adjudication, appeal, and payment and distribution of penalties otherwise applicable to traffic violations within the city shall apply to enforcement under this article; provided, however, that any appeal from a superior or state court shall be by application in the same manner as that provided by Code Section 5-6-35.

(I) Money collected and remitted to the city pursuant to this paragraph shall be remitted to the authority to be used to fund public safety initiatives. This subparagraph shall not preclude the appropriation of a greater amount than collected and remitted by the authority pursuant to this paragraph for such purposes.

(J) Any agreement entered into between the governing body of the city or law enforcement agency and an agent for the administration of this paragraph shall be established upon a subscription basis and subject to approval by the department. No such agreement shall authorize any agent to collect or retain a percentage of the civil monetary penalties assessed. Such agreement shall require the maintenance of recorded images in a system compliant with security and privacy standards set forth by the Georgia Crime Information Center Council for criminal justice information systems. Such agreement shall further require that recorded images shall only be used for purposes set forth in this paragraph and shall be destroyed no later than 72 hours after the transit lane safety course is completed, the civil monetary penalty paid, or a final determination in the case has been rendered. Recorded images produced by an automated transit vehicle lane monitoring device shall not be a public record for purposes of Article 4 of Chapter 18 of Title 50.

(K) In order to enforce the provisions of this paragraph, the city and authority shall erect signs warning of the use of an automated transit vehicle lane monitoring device no closer than 200 feet and no farther than 500 feet prior to any signalized entrance to a transit vehicle lane. Any such sign shall be at least 24 by 30 inches in size and be placed in such a manner that the sign is plainly visible from every lane of traffic and viewable in all traffic conditions. Any such sign shall indicate whether the automated transit lane monitoring device is fixed upon the roadway or located upon the transit vehicles utilizing the lane or lanes.

(L) Any district attorney, solicitor-general of state court, or prosecuting attorney of municipal court whose jurisdiction includes the city shall be authorized to prosecute civil actions to enforce any civil penalty set forth in this paragraph.

(3) For a period of six months after the date a transit vehicle lane is designated as such, any violation of this Code section shall be punishable only by issuance of a warning. After six months from the date a transit vehicle lane is designated, all provisions of this Code section regarding such violations shall be in full force and effect.

(4) No uniform traffic citation shall be issued for a violation of Code Section 32-9-4 if a uniform traffic citation for the same act has been issued under the provisions of this Code section, nor shall any uniform traffic citation be issued under the provisions of this Code section if a uniform traffic citation for the same act has been issued pursuant to Code Section 32-9-4.

(d) The department, in consultation with the city, shall be authorized to promulgate appropriate rules and regulations for the implementation of the provisions of this Code section for any portion of a transit vehicle lane that is part of the state highway system. The city and the authority in the utilization of such transit vehicle lanes shall at all times cooperate fully with the department. The department shall be authorized, at any time, to inspect an automated transit vehicle lane monitoring device used by the city or authority or agent thereof on any such transit vehicle lane and any records pertaining to revenues collected from the use of such devices in such lanes. Certified peace officers of the Georgia State Patrol and the Department of Public Safety shall be nonexclusively authorized to enforce the provisions of this Code section.

(e) No violation of the provisions of this Code section shall be punished by any term of confinement or imprisonment; provided, however, that this Code section shall not affect the power of a court to punish for contempt or to employ any sanction authorized by law for the enforcement of an order, civil judgment, or decree.
(f) This Code section shall stand repealed on January 1, 2030."

SECTION 2.
All laws and parts of laws in conflict with this Act are repealed.

A BILL TO BE ENTITLED
AN ACT

To amend Part 14 of Article 6 of Chapter 2 of Title 20 of the Official Code of Georgia Annotated, relating to other educational programs under the "Quality Basic Education Act," so as to provide that local boards of education shall be authorized to provide instruction in hunting safety in grades six through 12; to provide for the adoption of content standards by the State Board of Education; to provide that local boards of education may establish a curriculum in hunting safety; to provide for instructor requirements; to provide legislative findings; to provide for related matters; to repeal conflicting laws; and for other purposes.

SECTION 1.

The General Assembly finds that hunter education courses provide young and beginning hunters with the information that they need to understand the purposes of hunting, general hunting practices, the conservation ethic shared by sportsmen and women, an appreciation for the wildlife of this state, and much more. Providing a hunting safety course in the public schools of this state is a great way to train and recruit the next generation of sportsmen and women, teach youth about the benefits of hunting and fishing, and build support for sportsmen and women led wildlife conservation.

SECTION 2.

Part 14 of Article 6 of Chapter 2 of Title 20 of the Official Code of Georgia Annotated, relating to other educational programs under the "Quality Basic Education Act," is amended by revising Code Section 20-2-308, which is reserved, as follows:

"20-2-308.

(a) Beginning in the 2026-2027 school year, each local board of education shall be authorized to provide instruction in hunting safety in grades six through 12, which instruction may be incorporated into an existing course of study.

(b) No later than April 1, 2026, the State Board of Education shall adopt content standards for such instruction in hunting safety.

(c) Each local board of education shall be authorized to establish a curriculum for instruction in hunting safety, which curriculum shall be based on the hunter education courses offered by the Department of Natural Resources.

(2) The name of the county in which the property being annexed or deannexed is located; the total acreage annexed or deannexed; the enactment date and effective date of the annexation or deannexation ordinance, resolution, or local Act of the General Assembly;

(3) A letter from the governing authority of any municipality annexing or deannexing property stating its intent to add the annexed area to, or remove the deannexed area from, maps provided by the United States Bureau of the Census during their next regularly scheduled boundary and annexation survey of the municipality and stating that the survey and map will be completed as instructed and returned to the United States Bureau of the Census;

(3) Compliance with the requirements of this Code section shall be construed to be merely ancillary to and not an integral part of the annexation or deannexation procedure such that an annexation or deannexation shall, if otherwise authorized by law, become effective even though required filings under this Code section are temporarily delayed.

(d) The Department of Community Affairs may provide technical assistance to any municipality with respect to the requirements of subsection (a) of this Code section.

(f) In the event that any municipality annexing or deannexing property cannot produce the digital shapefile required by paragraph (5) of subsection (a) of this Code section by utilizing its own geographic information system, the regional commission established pursuant to Article 2 of Chapter 8 of Title 50 for the county that includes such municipality shall assist such municipality in producing and providing such digital shapefile.

BE IT ENACTED BY THE GENERAL ASSEMBLY OF GEORGIA:

SECTION 1.

Article 2 of Chapter 7 of Title 48 of the Official Code of Georgia Annotated, relating to income tax imposition, rate, computation, exemptions, and credits, is amended by adding a new Code section to read as follows:

"48-7-28.5.

(a) As used in this Code section, the term:

(1) 'Catastrophe savings account' means a regular savings account or money market account established by a resident taxpayer to pay for qualified catastrophe expenses.

(2) 'Catastrophic event' means windstorms, cyclones, earthquakes, hurricanes, ice storms, tornadoes, high winds, floods, hail storms, and any other weather events or occurrences, provided that such event or occurrence has been declared as a disaster or emergency by the Governor.

(3) 'Qualified catastrophe expenses' means:

(A) A qualified deductible paid for damage resulting from a catastrophic event; and

(B) Expenses incurred in repairing or replacing damage to a taxpayer's primary residence as a result of a catastrophic event that are not covered by a homeowner's insurance policy.

(4) 'Qualified deductible' means the deductible for the homeowner's insurance policy of the taxpayer covering catastrophic event damage for his or her primary residence. If such policy provides for more than one deductible, the deductible with the highest amount shall constitute the qualified deductible.

(b) A taxpayer may establish one catastrophe savings account pursuant to this Code section which shall be labeled as a catastrophe savings account and shall specify that the purpose of the account is to cover qualified catastrophe expenses. No more than one catastrophe savings account pursuant to this Code section shall be established for a primary residence.

(c)(1) For a taxpayer whose qualified deductible is $1,000.00 or less, the total amount that may be contributed to a catastrophe savings account shall not exceed $2,000.00.

(2) For a taxpayer whose qualified deductible is greater than $1,000.00, the total amount that may be contributed to a catastrophe savings account shall not exceed the lesser of twice the amount of the taxpayer's qualified deductible or $25,000.00.

(3) For a self-insured taxpayer who chooses not to obtain insurance on his or her primary residence, the total amount that may be contributed to a catastrophe savings account shall not exceed $250,000.00; provided, however, that in no case shall the amount contributed to the catastrophe savings account exceed the fair market value of the taxpayer's primary residence.

(d)(1) An individual taxpayer shall be allowed a deduction from the tax imposed pursuant to this article for amounts contributed to a catastrophe savings account in accordance with this Code section.

(2) All interest income earned by a catastrophe savings account in compliance with this Code section shall be exempt from the tax imposed pursuant this article.

(3) A distribution from a catastrophe savings account shall be included in the income of the taxpayer unless the amount of the distribution is used to cover qualified

catastrophe expenses; provided, however, that no such amount shall be included in the income of the taxpayer if the qualified catastrophe expenses of the taxpayer during the taxable year are equal to or greater than the aggregate distributions from such account during the taxable year. If the aggregate distributions during the taxable year from such account exceed the qualified catastrophe expenses of the taxpayer during the taxable year, the amount otherwise included in the taxpayer's income shall be reduced by the amount of the distributions for qualified catastrophe expenses and the amount of interest income earned by the catastrophe savings account.

(e)(1) If a taxpayer contributes in excess of the limits provided in this Code section and claimed a deduction pursuant to subsection (d) of this Code section, the taxpayer shall withdraw the amount of the excess contributions and include that amount in the income of the taxpayer in the year of withdrawal.

(2) If a taxpayer who owns a catastrophe savings account dies, his or her account shall be included in the income of the person who receives the account, unless that person is the surviving spouse of the taxpayer. Upon the death of such a surviving spouse, the amount in the account shall be included in the income of the person who receives the account.

(f) The department shall promulgate any rules and regulations necessary to implement and administer the provisions of this Code section."

SECTION 2.

This Act shall become effective on July 1, 2025, and shall be applicable to taxable years beginning on or after January 1, 2026.

If the cost-of-living increase or general performance based increase received by state employees is in different percentages or different amounts as to certain categories of employees, the amounts fixed in the minimum salary schedule in paragraph (1) of this subsection, and

(3) The county governing authority may supplement the minimum annual salary of the coroner in such amount as it may fix from time to time; but no coroner's compensation supplement shall be decreased during any term of office. Any prior expenditure of county funds to supplement the coroner's salary in the manner authorized by this paragraph is ratified and confirmed. Nothing contained in this paragraph shall prohibit the General Assembly by local law from supplementing the annual salary of the coroner.

(a.1) In the event that the coroner or his or her immediate predecessor spent at least 2,080 hours on duties related to his or her role as the coroner and the coroner's office in such county administered at least 100 death investigations in the preceding calendar year, the county governing authority shall provide the coroner the same employment benefits it provides the clerk of the superior court, judge of the probate court, sheriff, or tax commissioner.

BE IT ENACTED BY THE GENERAL ASSEMBLY OF GEORGIA:

SECTION 1.

Article 2 of Chapter 11 of Title 43 of the Official Code of Georgia Annotated, relating to licenses for the practice of dentistry, is amended by adding a new Code section to read as follows:

"43-11-54.

(a) As used in this Code section, the term:

(1) 'Authorizing dentist' means a dentist licensed by and in good standing with the board and practicing in the State of Georgia.

(2) 'Dental hygienist' means a licensed dental hygienist in good standing with the board who meets the requirements to perform the specific dental hygiene functions permitted under general supervision under Code Section 43-11-74.

(3) 'Digital scan' means a computer generated replica of the hard and soft tissues of the oral cavity created with digital technology and enhanced digital photography.

(4) 'Direct supervision' shall have the same meaning as set forth in Code Section 43-l1-74.

(5) 'General supervision' shall have the same meaning as set forth in Code Section 43-11-74.

(6) 'Referred dentist' means a dentist licensed by and in good standing with the board practicing in this state to provide in-person dental treatment to patients receiving dental care through a teledentistry interaction under this Code section.

(7) 'Store and forward technologies' means technologies that allow for the electronic transmission of dental and health information, including images, photographs, documents, and health histories, through a secure communication system.

(8) 'Synchronous, real-time communication' means a live, two-way interaction between the authorizing dentist and a dental hygienist or patient permitted under this Code section using audiovisual telecommunications technology but shall not constitute direct supervision for the purposes of Code Section 43-l1-74 and the practice of dentistry in this state.

(9) 'Teledentistry' means the delivery of dental care through the use of synchronous, real-time communication in conjunction with and supported by store and forward technologies under the general supervision of the authorizing dentist when dental care is provided to a patient physically located at a site in this state that is different from the site where the authorizing dentist is physically located. A teledentistry interaction shall not constitute or be considered the equivalent of an in-person, clinical examination by a licensed dentist.

(b) No licensed dentist in this state shall provide dental care through teledentistry except under the conditions specified in this Code section.

(c) A licensed dentist who intends to provide dental care through teledentistry pursuant to this Code section shall notify the board of such intent and provide written documentation evidencing that such dentist has:

(1) A physical office for the provision of dental services in this state; and

(2) Established a referral relationship with a referred dentist who practices dentistry and treats patients in a physical and operational dental office located in this state.

Such dentist shall provide any other pertinent information as prescribed by the board.

(d) Subject to the conditions specified in subsection (e) of this Code section, an authorizing dentist shall only be allowed to:

(1) Authorize a dental hygienist to perform the specific dental hygiene functions permitted under general supervision in accordance with the requirements of Code Section 43-11-74, except as otherwise provided in paragraph (1) of subsection (e) of this Code section;

(3) Authorize the performance of digital scans by a dentist or dental hygienist;

(4) Authorize the use of store and forward technologies to transmit patient records, images, digital scans, X-rays, and other relevant health information between the authorizing dentist and a dental hygienist for the purposes of evaluating a patient's oral health condition and authorizing the performance of dental care permitted under this Code section. The authorizing dentist shall be the custodian of all patient records for the purposes of this Code section unless the patient is treated by a referred dentist. In such instance, the referred dentist shall be the custodian of the patient's records associated with the dental care the referred dentist provides to the patient, and such referred dentist shall furnish copies of these records to the authorizing dentist;

(5) Provide consultation to another provider regarding the patient's care; and

(6) Provide the following teledentistry services that are appropriately delivered without an in-person clinical examination:

(A) Emergency evaluation;

(1) Teledentistry services shall be consistent with how dental treatment is provided in person and shall adhere to the standards of appropriate patient care required in other dental care settings, including, but not limited to, appropriate patient examination, the taking and review of X-rays, and review of a patient's medical and dental history;

(2)(A) Initial consultations with new patients may be conducted via teledentistry, provided that the authorizing dentist establishes a bona fide dentist-patient relationship by reviewing the patient's medical and dental history and verifying the patient's identity and physical location to ensure the patient is physically located in this state when dental care is provided and shall obtain the requisite consent from a parent or guardian if the patient is a minor.

(B) An in-person clinical examination shall be performed immediately prior to providing or authorizing services or treatments to patients that are not reversible or that otherwise result in increased risk to the patient as set forth in regulations by the board. For ongoing dentist-patient relationships, dentists shall strongly encourage patients to be seen in person at least annually.

(3) The authorizing dentist shall prepare a written authorization, which shall be given to the patient and included in the patient's record, providing the name and license number of the authorizing dentist and the name and license number of the dental hygienist treating the patient during the teledentistry interaction, as well as any other information the authorizing dentist or board deems appropriate;

(4) Prior to each teledentistry interaction, informed consent shall be obtained from the patient, or from the parent or guardian if the patient is a minor, explaining the alternatives to and the capabilities and limitations of teledentistry, which shall include a written statement advising that a teledentistry interaction is not equivalent to an in-person clinical examination and that the authorizing dentist shall not be physically present during the delivery of dental care. Such informed consent shall also be documented and included in the patient's record;

(5) The authorizing dentist shall provide dental services through teledentistry only if such dental services are appropriate for the patient, as determined by such authorizing dentist;

(C) A dental hygienist practicing under general supervision via teledentistry pursuant to this Code section shall maintain professional liability insurance in accordance with board rules and regulations; provided, however, that this subparagraph shall not apply to an entity covered under sovereign immunity;

(8) No authorizing dentist or dental hygienist shall attempt to waive liability for teledentistry services in advance of delivering such services, and no authorizing dentist or dental hygienist shall attempt to prevent a patient from filing any complaint with any governmental agency or authority relating to the provision of dental care through teledentistry; and

(9) The authorizing dentist shall ensure that the use of teledentistry complies with the privacy and security requirements of the federal Health Insurance Portability and Accountability Act of 1996, in effect on January 1, 2025, as well as those of Chapter 33 of Title 31.

(f) Nothing in this Code section shall be construed to:

(1) Require a licensed dentist in this state to practice teledentistry;

(2) Require a licensed dentist to authorize a dental hygienist to perform the functions permitted in this Code section via teledentistry;

(3) Require a school or facility receiving dental hygiene services provided pursuant to subsection (h) or (i) of Code Section 43-ll-74 to purchase any equipment to provide dental care through teledentistry; or

(4) Expand the scope of practice for dental hygienists or establish independent dental hygiene practice.

(g) The board shall promulgate rules and regulations that are reasonably necessary to implement the provisions of this Code section."

This subsection shall not limit any other jurisdiction granted to the court in this Code section or as provided for in subsection (g) of Code Section 42-8-34.

(2)(A) A person who is serving a sentence may submit a petition to the court requesting to be sentenced under Code Section 17-10-22. Such petition shall be served upon the district attorney. The state shall file its response, if any, within 60 days of being served with such petition.

(B) There shall be a presumption in favor of granting a hearing on a petition filed pursuant to this paragraph unless the court determines that there is a lack of circumstantial guarantees of trustworthiness, an inherent unreliability of the facts asserted, or a deficiency in the factual allegations in the petition. If the court decides that the petitioner is not entitled to a hearing, the court shall enter an order denying relief and shall include written findings of fact outlining the reasons for such order.

(C) A hearing on a petition filed pursuant to this paragraph, if granted, shall be scheduled not more than 90 days from the date such petition is filed. The state shall be given notice and the opportunity to respond at any such hearing.

(D)(i) If, based upon evidence presented at the hearing, the court determines that the petitioner has met the criteria provided in subsection (b) of Code Section 17-10-22, the court shall enter an order reducing the defendant's sentence pursuant to subsection (c) of Code Section 17-10-22.

(ii) If, based upon the petition or evidence presented at the hearing, the court determines that the petitioner has not met the criteria provided in subsection (b) of Code Section 17-10-22, the court shall notify the petitioner, dismiss his or her petition without prejudice, and enter an order to such effect. Such an order shall include written findings of fact outlining the reasons for such order.

(E) Any order issued by a court pursuant to this paragraph shall include written findings of fact and the reasons for such order.

(F) Any judgments pursuant to this paragraph shall be final judgments and appealable under Code Section 5-6-34."

BE IT ENACTED BY THE GENERAL ASSEMBLY OF GEORGIA:

SECTION 1.

Title 48 of the Official Code of Georgia Annotated, relating to revenue and taxation, is amended by designating Code Sections 48-11-1 through 48-11-30 as Article 1 of Chapter 11 and enacting a new article to read as follows:

"ARTICLE 2

48-11-40.

This article shall be known and may be cited as the 'Georgia Nicotine Vapor Products Directory Act.'

48-11-41.

As used in this article, the term:

(1) 'Directory' means the directory of nicotine vapor products the commissioner is required to develop and maintain as provided in this article.

(2) 'FDA' means the United States Food and Drug Administration.

(3) 'Foreign business entity' means an entity formed under a law other than the law of this state.

(4) 'Licensee' means any vapor product dealer, vapor product distributor, vapor product importer, or vapor product manufacturer licensed under Article 1 of this chapter.

(5) 'Nicotine vapor product' means any consumable vapor product that contains any amount of nicotine and any vapor device developed or intended to deliver any consumable vapor product that contains nicotine. Such term shall not include a consumable vapor product contained within an open system or any vapor device that utilizes or is designed to utilize an open system.

(6) 'Timely filed premarket tobacco product application' means an application pursuant to 21 U.S.C. Section 387j for a nicotine vapor product marketed in the United States as of August 8, 2016, that was submitted to the FDA on or before September 9, 2020, and accepted for filing.

48-11-42.

(a)(1) The commissioner shall develop a process by which vapor product manufacturers can submit the certification required under subsection (b) of this Code section and any other information required under this article to be used to create the directory listing required under Code Section 48-11-43 and for such other purposes as provided in this article. Such process may include a portal or software application accessible through an internet website. The commissioner may allow a vapor product manufacturer to file a single certification for all of its nicotine vapor products or require a separate certification for each nicotine vapor product.

(2) Notwithstanding any law to the contrary, the commissioner shall be authorized to disclose the certifications and any other information received pursuant to this chapter, Chapters 13 and 13A of Title 10, and Title 16 with federal, state, or local courts or agencies for purposes of enforcing the provisions of this chapter, Chapters 13 and 13A of Title 10, and Title 16, or the corresponding laws of other states.

(b) Within 12 months of the effective date of this article, and annually thereafter, every vapor product manufacturer that sells nicotine vapor products in this state or sells nicotine vapor products to a licensee shall execute and deliver a certification to the commissioner in a format prescribed by the commissioner through rules and regulations. In such certification, the vapor product manufacturer shall attest, under penalty of perjury, as to each nicotine vapor product:

(1) The vapor product manufacturer in offering such nicotine vapor product for sale in this state or in selling such nicotine vapor product to a licensee for the purpose of selling in it in this state is compliant with federal law and this chapter;

(2) The nicotine vapor product does not contain any substance or exceed the quantity of any substance that is illegal to be sold in this state pursuant to federal law or the laws of this state; and

(3)(A) The vapor product manufacturer has submitted a timely filed premarket tobacco product application for the nicotine vapor product pursuant to 21 U.S.C. Section 387j to the FDA, and the application either remains under review by the FDA or has received a marketing denial order that has been and remains stayed by the FDA or court order, rescinded by the FDA, or vacated by a court; or

(B) The vapor product manufacturer has received a marketing granted order under 21 U.S.C. Section 387j for the nicotine vapor product from the FDA.

(c) The certification under subsection (b) of this Code section shall require each vapor product manufacturer to set forth:

(1) The name under which the vapor product manufacturer transacts or intends to transact business;

(2) The license identification information for any license issued to the vapor product manufacturer by the commissioner under Article 1 of this chapter;

(3) The address of the location of the vapor product manufacturer's principal place of business;

(4) The vapor product manufacturer's email address;

(5) The brand name, category or type, product name, flavor, and description of each of such vapor product manufacturer's nicotine vapor product that it seeks to have made part of the directory; and

(6) Such other information as may be required by the commissioner pursuant to rules and regulations.

(d) In addition to the certification required under subsection (b) of this Code section, each vapor product manufacturer shall submit to the commissioner for each nicotine vapor product a copy of:

(1)(A) The cover page of the marketing granted order issued pursuant to 21 U.S.C. Section 387j;

(B) A copy of the acceptance letter issued by the FDA pursuant to 21 U.S.C. Section 387j for a timely filed premarket tobacco product application; or

(C) A document issued by the FDA or by a court confirming that the premarket tobacco product application has received a denial order that is not yet in effect; and

(2) A payment of $1,000.00 for each nicotine vapor product the first time the vapor product manufacturer submits a certification for that nicotine vapor product and a payment of $250.00 annually thereafter for each such nicotine vapor product.

(e) The information submitted by the vapor product manufacturer pursuant to paragraph (1) of subsection (d) of this Code section shall be considered confidential commercial or financial information for purposes of Article 4 of Chapter 18 of Title 50. The vapor product manufacturer may redact certain confidential commercial or financial information provided under paragraph (1) of subsection (d) of this Code section, subject to approval by the commissioner. The commissioner shall not disclose such information except as required or authorized by law.

(f) Any vapor product manufacturer that submits a certification pursuant to subsection (b) of this Code section shall notify the commissioner within 30 days after any material change to such certification as to any nicotine vapor product, including, but not limited to:

(1) Issuance or denial of a marketing authorization or other order by the FDA pursuant to 21 U.S.C. Section 387j;

(2) Any other order by the FDA or a court or any action required by the FDA concerning the content or quality of the nicotine used in a nicotine vapor product requiring a vapor product manufacturer to remove such nicotine vapor product from the market either temporarily or permanently;

(3) Any notice of action taken by the FDA affecting the ability of the nicotine vapor product to be introduced or delivered into interstate commerce for commercial distribution in the United States; or

(4) Any other change deemed material by the commissioner pursuant to the rules and regulations.

(g) The commissioner may by rules and regulations establish a procedure to allow vapor product manufacturers to renew certifications without having to resubmit all the information required by this Code section, if there has not been any change as to such information.

48-11-43.

(a) The commissioner shall develop and maintain a directory listing all the nicotine vapor products for which a certification has been submitted that complies with this article. Such directory listing shall include information as to the vapor product manufacturer that submitted the certification and may include the status of any marketing authorization, order, or other action of the FDA or any court provided under subsection (b) of Code Section 48-11-42. The commissioner shall make the directory available on the department's public website within 14 months of the effective date of this article. The commissioner on at least a monthly basis shall update the directory to correct mistakes, ensure accuracy, and add or remove nicotine vapor products as may be necessary. The commissioner shall establish by rules and regulations a process to provide any vapor product manufacturer that submits a certification pursuant to Code Section 48-11-42 and all licensees notice of the initial publication of the directory and changes made to the directory in the prior month.

(b)(1) The commissioner shall provide a vapor product manufacturer with notice of any deficiencies in the submitted certification and an opportunity to cure such deficiencies before removing a nicotine vapor product of such vapor product manufacturer from the directory.

(2) The commissioner shall not remove from the directory a nicotine vapor product of such vapor product manufacturer until at least 15 days after the vapor product manufacturer has been given notice of such intended action. Notice shall be sufficient and deemed immediately received by a vapor product manufacturer if the notice is sent either electronically or by facsimile to an email address or facsimile number provided by the vapor product manufacturer in its most recent certification form for such nicotine vapor product.

(3) The vapor product manufacturer shall have 15 days from the date of service of the notice of the commissioner's intended action provided pursuant to paragraph (2) of this subsection to cure any deficiencies or otherwise establish to the satisfaction of the commissioner that such nicotine vapor product of such vapor product manufacturer should be included in the directory.

(4) A determination by the commissioner not to include in or to remove from the directory a nicotine vapor product shall be subject to judicial review in the same manner as is provided by law for judicial review of contested cases under Chapter 13 of Title 50, the 'Georgia Administrative Procedure Act.'

48-11-44.

(a) Beginning on the date that the commissioner first makes the directory available on the department's public website, nicotine vapor products not included in the directory shall not be sold or purchased in this state except as provided in this Code section.

(b)(1) Each vapor product dealer shall have six months from the date that the commissioner first makes the directory available on the department's public website to sell nicotine vapor products that were in its inventory and not included in the directory or to remove those nicotine vapor products from its inventory and return those nicotine

vapor products to the vapor product manufacturer or vapor product distributor from whom it was acquired for a full refund.

(2) Each vapor product distributor shall have six months from the date that the commissioner first makes the directory available on the department's public website to remove those nicotine vapor products intended for sale or purchase in this state from its inventory and return those nicotine vapor products to the vapor product manufacturer from whom it was acquired for a full refund.

(3) After six months following publication of the directory, nicotine vapor products not listed in the directory and intended for sale or purchase in this state shall be subject to seizure, forfeiture, storage, and destruction consistent with the provisions of Code Section 48-11-48 and shall not be sold or purchased in this state except as otherwise provided in this article.

(c)(1) If a nicotine vapor product is removed from the directory, each vapor product dealer and vapor product distributor shall have 30 days from the date notice is received that such nicotine vapor product has been removed from the directory to sell such nicotine vapor product or remove such nicotine vapor product from its inventory and return such nicotine vapor product to the vapor product manufacturer from whom it was acquired for a full refund. Each such nicotine vapor product manufacturer shall provide to the commissioner information regarding the return of such nicotine vapor product within 21 days after receipt.

(2) After 30 days following removal of a nicotine vapor product from the directory, it shall be unlawful to purchase or sell such nicotine vapor product identified in the notice of removal in this state and such nicotine vapor product shall be subject to seizure consistent with the provisions of Code Section 48-11-48. Such prohibition on the purchase and sale of such nicotine vapor products shall not prohibit the vapor product manufacturer or vapor product distributor from providing a refund pursuant to this Code section.

48-11-45.

Each vapor product dealer and vapor product distributor that sells or distributes vapor products in this state shall be subject to compliance checks by the department for purposes of enforcing this article. Unannounced follow-up compliance checks conducted on behalf of the department of all noncompliant vapor product dealers and vapor product distributors shall be conducted within 30 days after any violation of this Code section. The commissioner on an annual basis shall make available on the department's public website the results of all compliance checks.

48-11-46.

(a) In addition to any other provision of law, a vapor product dealer or a vapor product distributor that has a nicotine vapor product that is not included in the directory and is available for sale or is offered for sale in this state in violation of this article shall be subject to a civil penalty as follows:

(1) A violation of a total quantity of 20 nicotine vapor product units or less shall be punishable:

(A) For a first violation, no penalty if the nicotine vapor products are removed as provided in this chapter;

(B) For a second violation within a 12 month period, by a fine of ten times the retail value of the units of nicotine vapor products involved;

(C) For a third violation within an 18 month period, by a fine of 25 times the retail value of the units of nicotine vapor products involved; and

(D) For a fourth violation within a 24 month period, by a fine of 25 times the retail value of the units of nicotine vapor products involved and revocation of the license of the vapor product dealer or the vapor product distributor, as applicable, by the department pursuant to Code Section 48-11-6;

(2) A violation of a total quantity of more than 20 nicotine vapor product units shall be punishable:

(A) For a first violation, no penalty if the nicotine vapor products are removed as provided in this chapter;

(B) For a second violation within a 12 month period, by a fine of $10,000.00 or 50 times the retail value for each unit of nicotine vapor product involved, whichever is greater;

(C) For a third violation within an 18 month period, by a fine of $20,000.00 or 50 times the retail value for each unit of nicotine vapor product involved, whichever is greater, and a 60 day suspension of the license of the vapor product dealer or the vapor product distributor, as applicable, by the department pursuant to Code Section 48-11-6; and

(D) For a fourth violation within a 24 month period, by a fine of $30,000.00 or 50 times the retail value for each unit of nicotine vapor product involved, whichever is greater, and revocation of the license of the vapor product dealer or the vapor product distributor, as applicable, by the department pursuant to Code Section 48-11-6; and

(3) Notwithstanding paragraphs (1) and (2) of this subsection, a fourth violation of any quantity of units of nicotine vapor products shall result in a revocation of the license of the vapor product dealer or the vapor product distributor, as applicable, by the department pursuant to Code Section 48-11-6.

For purposes of this subsection, each unit of a nicotine vapor product that may be sold individually shall be counted separately to determine the quantity of nicotine vapor products.

(b) A vapor product manufacturer whose nicotine vapor products are not listed in the directory and that causes the nicotine vapor products that are not listed to be sold in this state, whether directly or through a vapor product importer, vapor product distributor, vapor product dealer, or any other person, shall be subject to a civil penalty of $10,000.00 per day for each individual nicotine vapor product offered for sale in violation of this chapter until the offending nicotine vapor product is either removed from the market or properly listed on the directory. In addition, any vapor product manufacturer that falsely represents any information on the certification or that is required under this chapter to be

provided to the commissioner or the department shall be guilty of a misdemeanor for each false representation.
(c) A repeated violation of this Code section shall constitute a deceptive trade practice under Part 1 of Article 15 of Chapter 1 of Title 10, the 'Uniform Deceptive Trade Practices Act.'

48-11-47.
In an action for any violation brought under this chapter, the commissioner may recover reasonable expenses incurred in investigating and preparing the case and attorneys' fees if successful in the initial action, unless such action is successfully appealed and reversed.

48-11-48.
(a) Any nicotine vapor products offered for sale or sold in violation of this article are declared to be contraband goods and shall be seized by the commissioner, the commissioner's agents or employees, or any law enforcement officer of this state if directed by the commissioner to do so.
(b) Upon seizure, the person from whom the contraband property was seized, if known, shall be provided with a receipt identifying the contraband property seized and indicating from whom the contraband property was seized and the place of seizure. Such contraband shall be stored pending a hearing and appeal provided for in subsections (d) and (e) of this Code section and thereafter destroyed, if authorized.
(c) A copy of the receipt shall be:
(1) Filed with the department and shall be a public record open to public inspection; and
(2) Posted at the courthouse of the county in which the contraband was seized.
(d) Any person desiring to make claim to the contraband property shall file a claim with the commissioner within ten days from the day of seizure. The commissioner, within 30 days of receipt of any such claim, shall afford the claimant a hearing in which to show entitlement to the seized items. The burden of proof at such hearing shall be upon the claimant to establish a claim as to the items seized and to show compliance with or justification for noncompliance with this article. The commissioner shall enter a written order granting or denying the claim within 30 days from the date of the hearing.
(e) An appeal from the commissioner's order may be taken to the Superior Court of Fulton County by filing with the commissioner, within 15 days from the date of the decision, a copy of the petition for review filed in the Superior Court of Fulton County. The proceedings on the petition for review shall be governed by Chapter 3 of Title 5 except as provided otherwise in this Code section. The appeal shall be based upon the record made before the commissioner. The commissioner shall transmit the record and appropriate documents to the superior court within 30 days after the date the petition for review is received. The superior court shall review the record for errors of law, violation of constitutional or statutory provisions, violation of the statutory authority of the agency, lawfulness of the procedure, lack of any evidence to support the commissioner's decision,

and arbitrariness and abuse of discretion. However, the court shall not substitute its judgment as to the weight of evidence on questions of fact.

(f) The cost of such seizure, forfeiture, storage, and destruction shall be borne by the person from whom the nicotine vapor products determined to be contraband are confiscated.

48-11-49.

(a) Any nonresident vapor product manufacturer that has not registered to do business in this state as a foreign business entity shall, as a condition precedent to being included in the directory, appoint and continually engage without interruption the services of an agent in this state to act as agent for the service of process on whom all process, and any action or proceeding against it concerning or arising out of the enforcement of this article, may be served in any manner authorized by law. Such service shall constitute legal and valid service of process on the vapor product manufacturer. The vapor product manufacturer shall provide the name, address, telephone number, and proof of the appointment and availability of such agent to the commissioner.

(b) The vapor product manufacturer shall provide notice to the commissioner 30 days prior to termination of the authority of an agent and shall further provide proof to the satisfaction of the commissioner of the appointment of a new agent no less than five days prior to the termination of an existing agent appointment. In the event an agent terminates an agency appointment, the vapor product manufacturer shall notify the commissioner of the termination within five days and shall include proof to the satisfaction of the commissioner of the appointment of a new agent.

(c) Any vapor product manufacturer whose nicotine vapor products are offered for sale or sold in this state that has not appointed and engaged the services of an agent as required by this Code section shall be deemed to have appointed the Secretary of State as its agent for service of process. The appointment of the Secretary of State as agent shall not satisfy the condition precedent required in subsection (a) of this Code section to be included or retained in the directory.

48-11-50.

PART II
SECTION 2-1.

Title 10 of the Official Code of Georgia Annotated, relating to commerce and trade, is amended by revising Part 8 of Article 15 of Chapter 1, the "Georgia Online Automatic Renewal Transparency Act," as follows:

"Part 8

10-1-439.5.
This part shall be known and may be cited as the 'Georgia Online Automatic Renewal Transparency Act.'

10-1-439.6.
(a) The purpose of this part shall be to stop the practice of creating unnecessary barriers for customers who wish to cancel automatic renewal or continuous service subscriptions online, particularly when such subscriptions are offered online. It is the intent of the General Assembly that such practice be swiftly stopped, and this part shall be liberally construed and applied to promote its underlying purposes and policies.
(b) It is the further intent of the General Assembly that this part be interpreted and construed consistently with interpretations given by the Federal Trade Commission in the

federal courts pursuant to Section 5(a)(1) of the Federal Trade Commission Act (15 U.S.C. Section 45(a)(1)), as from time to time amended.

10-1-439.10.
When a business that allows a consumer to accept an automatic renewal or continuous service offer online sends any goods, wares, merchandise, or products to a consumer under an automatic renewal of purchase or a continuous service agreement, without first obtaining the consumer's consent pursuant to paragraph (2) of subsection (a) of Code Section 10-1-439.9, such goods, wares, merchandise, or products shall for all purposes be deemed an unconditional gift to the consumer, who may use or dispose of such goods, wares, merchandise, and products in any manner he or she sees fit without obligation to the business, including, but not limited to, bearing the cost of or responsibility for shipping any goods, wares, merchandise, or products to the business.

10-1-439.11.
The requirements of this part shall apply only prior to the completion of the initial order for the online automatic renewal or continuous service; provided, however, that an acknowledgment that includes the automatic renewal offer terms or continuous service offer terms, cancellation policy, and information regarding how to cancel, and the notice required pursuant to subsection (b) of Code Section 10-1-439.9 may be fulfilled after the completion of the initial order.

(b) If a business that allows a consumer to accept an automatic renewal or continuous service offer online complies with the provisions of this part in good faith, it shall not be subject to civil penalty or damages.
(c) There shall be no private right of action for a violation of this part, nor shall a violation of this part serve as the basis for a private right of action under any other provision of law.
(d) If any provision of this part or its application to any person or circumstance is held invalid, such invalidity shall not affect other provisions or applications of this part that can be given effect without the invalid provision or application. To this end, the provisions of this part are severable.

10-1-439.14.
Nothing in this part shall be construed as impairing the application of the provisions of Chapter 12 of Title 13 to service contracts, as such term is defined in Code Section 13-12-1. A BILL TO BE ENTITLED
AN ACT

To amend Article 2 of Chapter 7 of Title 48 of the Official Code of Georgia Annotated, relating to income tax imposition, rate, computation, exemptions, and credits, so as to revise a tax credit for certain contributions to student scholarship organizations; to increase the annual aggregate limit; to decrease the amount allowed for insurance companies; to provide that such credits shall not carry forward; to provide for related matters; to provide for an effective date and applicability; to repeal conflicting laws; and for other purposes.

BE IT ENACTED BY THE GENERAL ASSEMBLY OF GEORGIA:

SECTION 1.

Article 2 of Chapter 7 of Title 48 of the Official Code of Georgia Annotated, relating to income tax imposition, rate, computation, exemptions, and credits, is amended in Code Section 48-7-29.16, relating to tax credits for contributions to student scholarship organizations, by revising subsections (c.1), (e), and (f) as follows:

"(c.1) A business enterprise shall be allowed a credit against the tax imposed by Code Section 33-8-4 in an amount equal to its qualified education expenses or ~~75~~ 30 percent of the business enterprise's state insurance premium tax liability owed pursuant to Code Section 33-8-4, whichever is less~~; provided, however, that the amount of such credit shall not exceed $1 million~~."

"(e) In no event shall the total amount of the tax credit allowed to any taxpayer or business enterprise under this Code section for a taxable year exceed such taxpayer's income tax liability or such business enterprise's state insurance premium tax liability owed pursuant to Code Section 33-8-4~~, provided that any unused tax credit shall be allowed the taxpayer or business enterprise against up to its succeeding three years' tax liability~~. No unused tax credit shall be allowed the taxpayer or business enterprise against succeeding years' tax liability. No such credit shall be allowed the taxpayer or business enterprise against prior years' tax liability.

(f)(1) The aggregate amount of tax credits allowed under this Code section shall not exceed~~:~~

~~(A) Fifty-eight million dollars for the year ending on December 31, 2018;~~

~~(B) For 2019 through 2022, $100 million per year; and~~

~~(C) For 2023 and all subsequent years, $120~~ $140 million per year.

~~(1.1) In no event shall the aggregate amount of tax credits allowed under this Code section to all business enterprises for state insurance premium tax liability owed pursuant to Code Section 33-8-4 exceed $6 million for any year.~~

(2) The commissioner shall allow the tax credits on a first come, first served basis.

(3) For the purposes of paragraph (1) of this subsection, a student scholarship organization shall notify a potential donor of the requirements of this Code section. Before making a contribution to a student scholarship organization, the taxpayer or business enterprise shall electronically notify the department, in a manner specified by

the department, of the total amount of contributions that the taxpayer or business enterprise intends to make to the student scholarship organization. The commissioner shall preapprove, deny, or prorate the requested amount within 30 days after receiving the request from the taxpayer or business enterprise and shall provide notice to the taxpayer or business enterprise and the student scholarship organization of such preapproval, denial, or proration which shall not require any signed release or notarized approval by the taxpayer or business enterprise. In order to receive a tax credit under this Code section, the taxpayer or business enterprise shall make the contribution to the student scholarship organization within 60 days after receiving notice from the department that the requested amount was preapproved. If the taxpayer or business enterprise does not comply with this paragraph, the commissioner shall not include this preapproved contribution amount when calculating the limit prescribed in paragraph (1) of this subsection ~~or the additional limitation specific to business enterprises prescribed in paragraph (1.1) of this subsection~~. (4) Preapproval of contributions by the commissioner shall be based ~~solely~~ on the availability of tax credits subject to the aggregate total limit established under paragraph (1) of this subsection ~~or the additional limitation specific to business enterprises prescribed in paragraph (1.1) of this subsection~~. The department shall maintain an ongoing, current list on its website of the amount of tax credits available under this Code section.

(5)(A) For the period beginning on July 1 and ending on December 31 of each year, to the extent that the aggregate amount of tax credits authorized by subsection (b) of this Code section has not been reached, the commissioner shall preapprove, deny, or prorate additional requested amounts on a first come, first served basis and shall provide notice to such taxpayer and the qualified scholarship organization of such preapproval, denial, or proration.

(B) A taxpayer that is preapproved for the tax credit allowed pursuant to this Code section during the period provided for in subparagraph (A) of this paragraph shall only be allowed such credit in an amount that shall not exceed 95 percent of the amount otherwise allowed pursuant to this Code section.

(6) Notwithstanding any laws to the contrary, the department shall not take any adverse action against donors to student scholarship organizations if the commissioner preapproved a donation for a tax credit prior to the date the student scholarship organization is removed from the Department of Education list pursuant to Code Section 20-2A-7, and all such donations shall remain as preapproved tax credits subject only to the donor's compliance with paragraph (3) of this subsection.

HR 128. By Representatives Dempsey of the 13th, Barton of the 5th and Lumsden of the 12th:

A RESOLUTION compensating Mr. Joseph Samuel Watkins; and for other purposes.

The following substitute, offered by the Committee on Rules, was read and withdrawn:

A RESOLUTION

Compensating individuals who have been exonerated following a wrongful conviction and incarceration; and for other purposes.

PART I

Compensating Mr. Joseph Samuel Watkins

WHEREAS, on the evening of January 11, 2000, while driving north on Highway 27 toward Rome, Georgia, a man saw a small blue car driving erratically in front of him and interacting aggressively with a truck, and shortly thereafter the man observed a flash and saw the truck veer over the median and opposite lanes and then crash; and

WHEREAS, 20-year-old Mr. Isaac Dawkins was driving north in his truck on Highway 27 when he was shot in the head, causing Mr. Dawkins to crash his truck and later die from the injuries he suffered; and

WHEREAS, on the same evening of January 11, 2000, 18-year-old Mr. Joseph Samuel Watkins drove his white truck south from his home in Rome to the home of his girlfriend in Cedartown, making several calls on his cell phone and passing the scene of Mr. Dawkins's crash on the way; and

WHEREAS, Mr. Watkins's cell phone records and testimonial evidence regarding a shot dog were introduced at trial; and

WHEREAS, the prosecution and defense presented cell phone experts who agreed that there was no possibility that Mr. Watkins's cellphone was located at or near the scene at the time the shooter's blue car would have been located at the scene; and

WHEREAS, on July 2, 2001, a Floyd County jury convicted Mr. Watkins for the murder of Mr. Dawkins; and

WHEREAS, Mr. Watkins's co-defendant, who was the alleged shooter, was acquitted by a different jury; and

WHEREAS, Mr. Watkins continued to maintain his innocence and pursued appeals and other post-conviction relief; and

WHEREAS, years later, the podcast *Undisclosed* and the Georgia Innocence Project learned that during jury deliberations at Mr. Watkins's trial, one of the jurors had improperly conducted her own "drive test" related to the cell phone records, causing her to erroneously determine that Mr. Watkins could have been present at the crime scene, a determination which she then shared with other jurors; and

WHEREAS, the Georgia Innocence Project discovered that although more than 15 years had passed, a former medical examiner for GBI had retained a personal autopsy log from the timeframe that he worked at the GBI, which included a previously unknown case number; and

WHEREAS, the new case number assisted GBI in providing documents that established that the bullet taken from the shot dog was of another caliber than the bullet used to shoot Mr. Dawkins; and

WHEREAS, after discovering the evidence of the unauthorized juror drive test and the bullet, Mr. Watkins filed a second petition for habeas corpus; and

WHEREAS, following a three-day evidentiary hearing in February and March, 2022, the state habeas court granted the habeas corpus petition, overturning Mr. Watkins's convictions, and granting him a new trial; and

WHEREAS, in a unanimous decision on December 20, 2022, the Supreme Court of Georgia affirmed the state habeas court's grant of relief to Mr. Watkins, holding that the habeas court did not err by concluding that Mr. Watkins showed that the juror's improper drive test during deliberations, conducted to see whether Mr. Watkins could have been physically present at the time and place Isaac Dawkins was shot, caused Mr. Watkins actual prejudice; and

WHEREAS, on January 3, 2023, Mr. Watkins was granted bond and released, but the charges against him remained pending and the State could have sought to retry him; and

WHEREAS, on September 21, 2023, based on a review of all of the available evidence, including the evidence presented at trial and new investigations, the State moved for entry of an order of nolle prosequi, which the Superior Court of Floyd County granted, thereby dismissing all the charges and officially exonerating Mr. Watkins; and

WHEREAS, the conviction, incarceration, and subsequent loss of liberty and other damages suffered by Mr. Watkins occurred through no fault or negligence on his part, and it is only fitting and proper that he be compensated for his losses for each year of wrongful imprisonment; and

WHEREAS, Georgia is one of only eleven states that does not have a statutory regime for compensating innocent individuals who have been exonerated following wrongful conviction and incarceration; and

WHEREAS, this lack of a statutory regime for compensation requires introduction of a resolution to secure such compensation in Georgia.

NOW, THEREFORE, BE IT RESOLVED BY THE GENERAL ASSEMBLY OF GEORGIA that the Department of Administrative Services is authorized and directed to pay the sum of $1,688,527.40 to Mr. Joseph Samuel Watkins as compensation as provided above. Said sum shall be paid from funds appropriated to or available to the Department of Administrative Services and shall be in full and complete satisfaction of all claims against the state arising out of or related to any and all facts in connection with Mr. Watkins's wrongful conviction and incarceration and shall be paid subject to the provisions of this resolution.

BE IT FURTHER RESOLVED that, prior to the payment of the compensation, Mr. Watkins shall sign a release and waiver which shall release, satisfy, quitclaim, and forever discharge any and all claims, demands, actions, causes of action, and damages, of every kind and nature whatsoever, past, present, or future, whether known or unknown, specifically including, but not limited to, all claims asserted or which could have been asserted, on behalf of himself and his heirs, successors, and assigns, forever releasing the state and all offices, authorities, agencies, departments, units, divisions, subdivisions, instrumentalities, institutions, commissions, boards, branches, and entities of the State of Georgia or any political subdivisions thereof, and any and all current and former members, officers, employees, and agents of the state, or any branch or political subdivisions thereof, from all past, present, or future claims that Mr. Watkins or his heirs, successors, and assigns may have against such individuals or entities in any capacity arising out of or related to any and all facts in connection with his wrongful conviction and incarceration.

BE IT FURTHER RESOLVED that Mr. Watkins shall not be authorized to receive compensation pursuant to this resolution if he has a lawsuit pending against the state or any offices, authorities, agencies, departments, units, divisions, subdivisions, instrumentalities, institutions, commissions, boards, branches, or entities of the State of Georgia or any political subdivisions thereof, or against any current and former members, officers, employees, or agents of the state or any branch or political subdivisions thereof in state or federal court requesting compensation arising out of or related to any and all facts in connection to his wrongful conviction and incarceration.

BE IT FURTHER RESOLVED that said sum shall be paid in the form of an annuity in equal monthly installments over a ten-year period of time beginning one year after an initial lump sum payment of $535,000.00. The remainder of said sum shall be paid immediately into a commercial annuity account bearing interest at the prevailing market rate, payable in equal monthly installments over a ten-year period of time beginning in 2026 with interest payable to Mr. Watkins. Compensation paid pursuant to this resolution is intended to provide the sole, final, and exclusive compensation by the state and any and all offices, authorities, agencies, departments, units, divisions, subdivisions, instrumentalities, institutions, commissions, boards, branches, and entities of the state, and any political subdivisions thereof, and any and all current and former members, officers, employees, or agents of the State of Georgia or any branches or political subdivisions thereof, for any and all present and future claims arising out of or related to any and all facts in connection with Mr. Watkins's wrongful conviction and incarceration. No estate of or personal representative for Mr. Watkins shall be entitled to requisition or otherwise seek compensation on behalf of Mr. Watkins. Upon the death of Mr. Watkins, all payments and all obligations of the State of Georgia with respect to any and all future payments with respect to the annuity shall continue to be made to his estate or heirs.

BE IT FURTHER RESOLVED that any amount received by Mr. Watkins pursuant to this resolution shall be excluded from his taxable net income for state income tax purposes.

PART II

Compensating Mr. Daryl Lee Clark

WHEREAS, on October 18, 1996, fifteen-year-old Mr. Brian Bowling tragically lost his life while playing "Russian Roulette" with his friend, seventeen-year-old Mr. Cain Joshua Storey, in the bedroom of Mr. Brian Bowling's home in Floyd County, Georgia; and

WHEREAS, several months later, seventeen-year-old Mr. Daryl Lee Clark, an acquaintance of Mr. Brian Bowling, was arrested, and both he and Mr. Storey were charged with the murder and conspiracy to commit the murder of Mr. Bowling; and

WHEREAS, one of the State's two key witnesses was Ms. Angela Bruce, who claimed that during a party at her home after Mr. Bowling's death, she heard Mr. Storey say he had shot and killed Mr. Bowling, and heard Mr. Clark say he was present at the time of the shooting; and

WHEREAS, the second of the State's two key witnesses was Mr. Charlie Childers, a functionally illiterate and severely hearing and speech impaired man with limited and unique sign language skills, who testified that he had seen a person named "Daryl" flee from Mr. Bowling's yard immediately after the shooting and identified Mr. Clark in a police photo lineup; and

WHEREAS, on January 19, 1998, Mr. Clark and Mr. Storey were both convicted of murder and conspiracy to commit murder and sentenced to life imprisonment; and

WHEREAS, in late 2021, Ms. Bruce admitted for the first time to reporters and the Georgia Innocence Project that her incriminating testimony concerning Mr. Clark's and Mr. Storey's admissions was false; and

WHEREAS, the independent investigation further established for the first time that Mr. Childers's translator at Mr. Clark's trial later questioned the accuracy of her own translation of Mr. Childers's testimony, and regretted providing the translation at trial, because Mr. Childers's manner of communication was not standard American Sign Language ("ASL"), but instead a communication method unique to Mr. Childers and his former teacher (an ASL expert who knew and understood Mr. Childers's unique communication method, having worked with him from the time he has been a child); and

WHEREAS, through interpretation by a new translator (his former teacher) in 2021, Mr. Childers indicated that testimony given by him over 20 years earlier had not been accurately interpreted to the jury; and

WHEREAS, on September 16, 2022, Georgia Innocence Project lawyers filed an Extraordinary Motion for New Trial (EMNT) and a petition for a writ of habeas corpus; and

WHEREAS, on December 8, 2022, Mr. Clark's convictions were overturned and vacated by the Superior Court of Floyd County; and

WHEREAS, on that same date, the District Attorney's Office for the Rome Judicial Circuit sought, and a Floyd County Superior Court Judge granted, dismissal of all charges against Mr. Clark based upon evidentiary considerations; and

WHEREAS, after more than twenty-five years of wrongful imprisonment by the State of Georgia, Mr. Clark was finally exonerated and freed from his incarceration on December 8, 2022; and

WHEREAS, the conviction, incarceration, and subsequent loss of liberty and other damages suffered by Mr. Clark occurred through no fault or negligence on his part, and it is only fitting, just, and proper that he be compensated for his losses for each year of wrongful imprisonment; and

WHEREAS, Georgia is one of only eleven states that does not have a statutory regime for compensating innocent individuals who have been exonerated following wrongful conviction and incarceration; and

WHEREAS, this lack of a statutory regime for compensation requires introduction of a resolution to secure such compensation in Georgia.

NOW, THEREFORE, BE IT RESOLVED BY THE GENERAL ASSEMBLY OF GEORGIA that the Department of Administrative Services is authorized and directed to pay the sum of $1,917,128.00 to Mr. Daryl Lee Clark as compensation as provided above. Said sum shall be paid from funds appropriated to or available to the Department of Administrative Services and shall be in full and complete satisfaction of all claims against the state arising out of or related to any and all facts in connection with Mr. Clark's wrongful conviction and incarceration and shall be paid subject to the provisions of this resolution.

BE IT FURTHER RESOLVED that, prior to the payment of the compensation, Mr. Clark shall sign a release and waiver which shall release, satisfy, quitclaim, and forever discharge any and all claims, demands, actions, causes of action, and damages, of every kind and nature whatsoever, past, present, or future, whether known or unknown, specifically including, but not limited to, all claims asserted or which could have been asserted, on behalf of himself and his heirs, successors, and assigns, forever releasing the state and all offices, authorities, agencies, departments, units, divisions, subdivisions, instrumentalities, institutions, commissions, boards, branches, and entities of the State of Georgia or any political subdivisions thereof, and any and all current and former members, officers, employees, and agents of the state, or any branch or political subdivisions thereof, from all past, present, or future claims that Mr. Clark or his heirs, successors, and assigns may have against such individuals or entities in any capacity arising out of or related to any and all facts in connection with his wrongful conviction and incarceration.

BE IT FURTHER RESOLVED that Mr. Clark shall not be authorized to receive compensation pursuant to this resolution if he has a lawsuit pending against the state or any offices, authorities, agencies, departments, units, divisions, subdivisions, instrumentalities, institutions, commissions, boards, branches, or entities of the State of Georgia or any political subdivisions thereof, or against any current and former members, officers, employees, or agents of the state or any branch or political subdivisions thereof in state or federal court requesting compensation arising out of or related to any and all facts in connection to his wrongful conviction and incarceration.

BE IT FURTHER RESOLVED that said sum shall be paid in the form of an annuity in equal monthly installments over a ten-year period of time beginning one year after an initial lump sum payment of $632,652.00. The remainder of said sum shall be paid immediately into a commercial annuity account bearing interest at the prevailing market rate, payable in equal monthly installments over a ten-year period of time beginning in 2026 with interest payable to Mr. Clark. Compensation paid pursuant to this resolution is intended to provide the sole, final, and exclusive compensation by the state and any and all offices, authorities, agencies, departments, units, divisions, subdivisions, instrumentalities, institutions,

commissions, boards, branches, and entities of the state, and any political subdivisions thereof, and any and all current and former members, officers, employees, or agents of the State of Georgia or any branches or political subdivisions thereof, for any and all present and future claims arising out of or related to any and all facts in connection with Mr. Clark's wrongful conviction and incarceration. No estate of or personal representative for Mr. Clark shall be entitled to requisition or otherwise seek compensation on behalf of Mr. Clark. Upon the death of Mr. Clark, all payments and all obligations of the State of Georgia with respect to any and all future payments with respect to the annuity shall continue to be made to his estate or heirs.

BE IT FURTHER RESOLVED that any amount received by Mr. Clark pursuant to this resolution shall be excluded from his taxable net income for state income tax purposes.

PART III

Compensating Mr. Michael Woolfolk

WHEREAS, on April 16, 2004, a jury convicted Mr. Michael Woolfolk and Mr. Mario Stinchcomb of murder and aggravated assault in the death of Ms. Jaketha Young; and

WHEREAS, a witness present at the scene, Mr. Jamario Ford, was presumed dead and could not be located for trial; and

WHEREAS, in August of 2018, Mr. Stinchcomb filed an Extraordinary Motion for New Trial, based on newly discovered evidence, as the witness, Mr. Ford, was located; and

WHEREAS, on June 25, 2019, the Fulton County Superior Court entered an order denying Mr. Stinchcomb's motion; and

WHEREAS, in July of 2019, a motion for permission to file a discretionary appeal was filed in the Georgia Supreme Court; and

WHEREAS, the Fulton County District Attorney's Office of Conviction Integrity Unit reinvestigated the case and concluded that the witness, Mr. Ford, was clear in his testimony that Ms. Young fired at Mr. Woolfolk and Mr. Stinchcomb, who both returned fire in self-defense; and

WHEREAS, on April 12, 2021, Superior Court Judge Shukura Millender ordered the case against Mr. Stinchcomb dismissed; and

WHEREAS, May 17, 2021, Mr. Woolfolk's conviction was likewise vacated and dismissed; and

WHEREAS, the conviction, incarceration, and subsequent loss of liberty and other damages suffered by Mr. Woolfolk occurred through no fault or negligence on his part, and it is only fitting and proper that he be compensated for his losses for each year of wrongful imprisonment; and

WHEREAS, Georgia is one of only 11 states that do not have a statutory regime for compensating innocent individuals who have been exonerated following a wrongful conviction and incarceration; and

WHEREAS, this lack of a statutory regime for compensation requires introduction of a resolution to secure such compensation in Georgia.

A RESOLUTION

Compensating individuals who have been exonerated following a wrongful conviction and incarceration; and for other purposes.

PART I

Compensating Mr. Joseph Samuel Watkins

WHEREAS, on the evening of January 11, 2000, while driving north on Highway 27 toward Rome, Georgia, a man saw a small blue car driving erratically in front of him and interacting aggressively with a truck, and shortly thereafter the man observed a flash and saw the truck veer over the median and opposite lanes and then crash; and

WHEREAS, 20-year-old Mr. Isaac Dawkins was driving north in his truck on Highway 27 when he was shot in the head, causing Mr. Dawkins to crash his truck and later die from the injuries he suffered; and

WHEREAS, on the same evening of January 11, 2000, 18-year-old Mr. Joseph Samuel Watkins drove his white truck south from his home in Rome to the home of his girlfriend

in Cedartown, making several calls on his cell phone and passing the scene of Mr. Dawkins's crash on the way; and

WHEREAS, Mr. Watkins's cell phone records and testimonial evidence regarding a shot dog were introduced at trial; and

WHEREAS, the prosecution and defense presented cell phone experts who agreed that there was no possibility that Mr. Watkins's cellphone was located at or near the scene at the time the shooter's blue car would have been located at the scene; and

WHEREAS, on July 2, 2001, a Floyd County jury convicted Mr. Watkins for the murder of Mr. Dawkins; and

WHEREAS, Mr. Watkins's co-defendant, who was the alleged shooter, was acquitted by a different jury; and

WHEREAS, Mr. Watkins continued to maintain his innocence and pursued appeals and other post-conviction relief; and

WHEREAS, years later, the podcast *Undisclosed* and the Georgia Innocence Project learned that during jury deliberations at Mr. Watkins's trial, one of the jurors had improperly conducted her own "drive test" related to the cell phone records, causing her to erroneously determine that Mr. Watkins could have been present at the crime scene, a determination which she then shared with other jurors; and

WHEREAS, the Georgia Innocence Project discovered that although more than 15 years had passed, a former medical examiner for GBI had retained a personal autopsy log from the timeframe that he worked at the GBI, which included a previously unknown case number; and

WHEREAS, the new case number assisted GBI in providing documents that established that the bullet taken from the shot dog was of another caliber than the bullet used to shoot Mr. Dawkins; and

WHEREAS, after discovering the evidence of the unauthorized juror drive test and the bullet, Mr. Watkins filed a second petition for habeas corpus; and

WHEREAS, following a three-day evidentiary hearing in February and March, 2022, the state habeas court granted the habeas corpus petition, overturning Mr. Watkins's convictions, and granting him a new trial; and

WHEREAS, in a unanimous decision on December 20, 2022, the Supreme Court of Georgia affirmed the state habeas court's grant of relief to Mr. Watkins, holding that the

habeas court did not err by concluding that Mr. Watkins showed that the juror's improper drive test during deliberations, conducted to see whether Mr. Watkins could have been physically present at the time and place Isaac Dawkins was shot, caused Mr. Watkins actual prejudice; and

WHEREAS, on January 3, 2023, Mr. Watkins was granted bond and released, but the charges against him remained pending and the State could have sought to retry him; and

WHEREAS, on September 21, 2023, based on a review of all of the available evidence, including the evidence presented at trial and new investigations, the State moved for entry of an order of nolle prosequi, which the Superior Court of Floyd County granted, thereby dismissing all the charges and officially exonerating Mr. Watkins; and

WHEREAS, the conviction, incarceration, and subsequent loss of liberty and other damages suffered by Mr. Watkins occurred through no fault or negligence on his part, and it is only fitting and proper that he be compensated for his losses for each year of wrongful imprisonment; and

WHEREAS, Georgia is one of only eleven states that does not have a statutory regime for compensating innocent individuals who have been exonerated following wrongful conviction and incarceration; and

WHEREAS, this lack of a statutory regime for compensation requires introduction of a resolution to secure such compensation in Georgia.

NOW, THEREFORE, BE IT RESOLVED BY THE GENERAL ASSEMBLY OF GEORGIA that the Department of Administrative Services is authorized and directed to pay the sum of $1,688,527.40 to Mr. Joseph Samuel Watkins as compensation as provided above. Said sum shall be paid from funds appropriated to or available to the Department of Administrative Services and shall be in full and complete satisfaction of all claims against the state arising out of or related to any and all facts in connection with Mr. Watkins's wrongful conviction and incarceration and shall be paid subject to the provisions of this resolution.

BE IT FURTHER RESOLVED that, prior to the payment of the compensation, Mr. Watkins shall sign a release and waiver which shall release, satisfy, quitclaim, and forever discharge any and all claims, demands, actions, causes of action, and damages, of every kind and nature whatsoever, past, present, or future, whether known or unknown, specifically including, but not limited to, all claims asserted or which could have been asserted, on behalf of himself and his heirs, successors, and assigns, forever releasing the state and all offices, authorities, agencies, departments, units, divisions, instrumentalities, institutions, commissions, boards, branches, and entities of the State of Georgia but not including any political subdivisions thereof, and any and all current and former members,

officers, employees, and agents of the state, or any branch but not including any political subdivisions thereof, from all past, present, or future claims that Mr. Watkins or his heirs, successors, and assigns may have against such individuals or entities in any capacity arising out of or related to any and all facts in connection with his wrongful conviction and incarceration.

BE IT FURTHER RESOLVED that Mr. Watkins shall not be authorized to receive compensation pursuant to this resolution if he has a lawsuit pending against the state or any offices, authorities, agencies, departments, units, divisions, instrumentalities, institutions, commissions, boards, branches, or entities of the State of Georgia, or against any current and former members, officers, employees, or agents of the state or any branch thereof in state or federal court requesting compensation arising out of or related to any and all facts in connection to his wrongful conviction and incarceration.

BE IT FURTHER RESOLVED that said sum shall be paid in the form of an annuity in equal monthly installments over a ten-year period of time beginning one year after an initial lump sum payment of $535,000.00. The remainder of said sum shall be paid immediately into a commercial annuity account bearing interest at the prevailing market rate, payable in equal monthly installments over a ten-year period of time beginning in 2026 with interest payable to Mr. Watkins. Compensation paid pursuant to this resolution is intended to provide the sole, final, and exclusive compensation by the state and any and all offices, authorities, agencies, departments, units, divisions, instrumentalities, institutions, commissions, boards, branches, and entities of the state, and any and all current and former members, officers, employees, or agents of the State of Georgia or any branches thereof, for any and all present and future claims arising out of or related to any and all facts in connection with Mr. Watkins's wrongful conviction and incarceration. No estate of or personal representative for Mr. Watkins shall be entitled to requisition or otherwise seek compensation on behalf of Mr. Watkins. Upon the death of Mr. Watkins, all payments and all obligations of the State of Georgia with respect to any and all future payments with respect to the annuity shall continue to be made to his estate or heirs.

BE IT FURTHER RESOLVED that any amount received by Mr. Watkins pursuant to this resolution shall be excluded from his taxable net income for state income tax purposes.

PART II

Compensating Mr. Daryl Lee Clark

WHEREAS, on October 18, 1996, fifteen-year-old Mr. Brian Bowling tragically lost his life while playing "Russian Roulette" with his friend, seventeen-year-old Mr. Cain Joshua Storey, in the bedroom of Mr. Brian Bowling's home in Floyd County, Georgia; and

WHEREAS, several months later, seventeen-year-old Mr. Daryl Lee Clark, an acquaintance of Mr. Brian Bowling, was arrested, and both he and Mr. Storey were charged with the murder and conspiracy to commit the murder of Mr. Bowling; and

WHEREAS, one of the State's two key witnesses was Ms. Angela Bruce, who claimed that during a party at her home after Mr. Bowling's death, she heard Mr. Storey say he had shot and killed Mr. Bowling, and heard Mr. Clark say he was present at the time of the shooting; and

WHEREAS, the second of the State's two key witnesses was Mr. Charlie Childers, a functionally illiterate and severely hearing and speech impaired man with limited and unique sign language skills, who testified that he had seen a person named "Daryl" flee from Mr. Bowling's yard immediately after the shooting and identified Mr. Clark in a police photo lineup; and

WHEREAS, on January 19, 1998, Mr. Clark and Mr. Storey were both convicted of murder and conspiracy to commit murder and sentenced to life imprisonment; and

WHEREAS, in late 2021, Ms. Bruce admitted for the first time to reporters and the Georgia Innocence Project that her incriminating testimony concerning Mr. Clark's and Mr. Storey's admissions was false; and

WHEREAS, the independent investigation further established for the first time that Mr. Childers's translator at Mr. Clark's trial later questioned the accuracy of her own translation of Mr. Childers's testimony, and regretted providing the translation at trial, because Mr. Childers's manner of communication was not standard American Sign Language ("ASL"), but instead a communication method unique to Mr. Childers and his former teacher (an ASL expert who knew and understood Mr. Childers's unique communication method, having worked with him from the time he has been a child); and

WHEREAS, through interpretation by a new translator (his former teacher) in 2021, Mr. Childers indicated that testimony given by him over 20 years earlier had not been accurately interpreted to the jury; and

WHEREAS, on September 16, 2022, Georgia Innocence Project lawyers filed an Extraordinary Motion for New Trial (EMNT) and a petition for a writ of habeas corpus; and

WHEREAS, on December 8, 2022, Mr. Clark's convictions were overturned and vacated by the Superior Court of Floyd County; and

WHEREAS, on that same date, the District Attorney's Office for the Rome Judicial Circuit sought, and a Floyd County Superior Court Judge granted, dismissal of all charges against Mr. Clark based upon evidentiary considerations; and

WHEREAS, after more than twenty-five years of wrongful imprisonment by the State of Georgia, Mr. Clark was finally exonerated and freed from his incarceration on December 8, 2022; and

WHEREAS, the conviction, incarceration, and subsequent loss of liberty and other damages suffered by Mr. Clark occurred through no fault or negligence on his part, and it is only fitting, just, and proper that he be compensated for his losses for each year of wrongful imprisonment; and

WHEREAS, Georgia is one of only eleven states that does not have a statutory regime for compensating innocent individuals who have been exonerated following wrongful conviction and incarceration; and

WHEREAS, this lack of a statutory regime for compensation requires introduction of a resolution to secure such compensation in Georgia.

NOW, THEREFORE, BE IT RESOLVED BY THE GENERAL ASSEMBLY OF GEORGIA that the Department of Administrative Services is authorized and directed to pay the sum of $1,917,128.00 to Mr. Daryl Lee Clark as compensation as provided above. Said sum shall be paid from funds appropriated to or available to the Department of Administrative Services and shall be in full and complete satisfaction of all claims against the state arising out of or related to any and all facts in connection with Mr. Clark's wrongful conviction and incarceration and shall be paid subject to the provisions of this resolution.

BE IT FURTHER RESOLVED that, prior to the payment of the compensation, Mr. Clark shall sign a release and waiver which shall release, satisfy, quitclaim, and forever discharge any and all claims, demands, actions, causes of action, and damages, of every kind and nature whatsoever, past, present, or future, whether known or unknown, specifically including, but not limited to, all claims asserted or which could have been asserted, on behalf of himself and his heirs, successors, and assigns, forever releasing the state and all offices, authorities, agencies, departments, units, divisions, instrumentalities, institutions, commissions, boards, branches, and entities of the State of Georgia but not including any political subdivisions thereof, and any and all current and former members, officers, employees, and agents of the state, or any branch but not including any political subdivisions thereof, from all past, present, or future claims that Mr. Clark or his heirs, successors, and assigns may have against such individuals or entities in any capacity arising out of or related to any and all facts in connection with his wrongful conviction and incarceration.

BE IT FURTHER RESOLVED that Mr. Clark shall not be authorized to receive compensation pursuant to this resolution if he has a lawsuit pending against the state or any offices, authorities, agencies, departments, units, divisions, instrumentalities, institutions, commissions, boards, branches, or entities of the State of Georgia, or against any current and former members, officers, employees, or agents of the state or any branch thereof in state or federal court requesting compensation arising out of or related to any and all facts in connection to his wrongful conviction and incarceration.

BE IT FURTHER RESOLVED that said sum shall be paid in the form of an annuity in equal monthly installments over a ten-year period of time beginning one year after an initial lump sum payment of $632,652.00. The remainder of said sum shall be paid immediately into a commercial annuity account bearing interest at the prevailing market rate, payable in equal monthly installments over a ten-year period of time beginning in 2026 with interest payable to Mr. Clark. Compensation paid pursuant to this resolution is intended to provide the sole, final, and exclusive compensation by the state and any and all offices, authorities, agencies, departments, units, divisions, instrumentalities, institutions, commissions, boards, branches, and entities of the state, and any and all current and former members, officers, employees, or agents of the State of Georgia or any branches thereof, for any and all present and future claims arising out of or related to any and all facts in connection with Mr. Clark's wrongful conviction and incarceration. No estate of or personal representative for Mr. Clark shall be entitled to requisition or otherwise seek compensation on behalf of Mr. Clark. Upon the death of Mr. Clark, all payments and all obligations of the State of Georgia with respect to any and all future payments with respect to the annuity shall continue to be made to his estate or heirs.

BE IT FURTHER RESOLVED that any amount received by Mr. Clark pursuant to this resolution shall be excluded from his taxable net income for state income tax purposes.

Compensating Mr. Sedrick Moore

WHEREAS, on the night of February 15, 1993, three men broke into a Colquitt County, Georgia, home where they robbed and sexually assaulted a woman at gunpoint; and

WHEREAS, the victim was only able to identify one of the three perpetrators, Mr. Tyrone White; and

WHEREAS, during his interview with police, Mr. White implicated Mr. Sedrick Moore and Mr. Kerry Robinson as the two other perpetrators; and

WHEREAS, over six years after the incident, Mr. Moore was arrested in connection with the incident and charged, along with Mr. Robinson, with rape and other offenses related to robbery and possession of a firearm; and

WHEREAS, both Mr. Moore and Mr. Robinson were tried at the same time; and

WHEREAS, other evidence against Mr. Moore and Mr. Robinson was a statement from Mr. Johnny Brown, III, a neighbor of the victim, placing Mr. Moore in the area that night and testimony from a DNA expert that DNA from a sexual assault exam performed on the victim on the night of the incident matched Mr. Moore's and Mr. Robinson's DNA; and

WHEREAS, on February 26, 2002, a jury convicted Mr. Moore of one count of rape, three counts of possession of a firearm during the commission of a crime, one count of armed robbery, and one count of burglary, and Mr. Moore was sentenced to 50 years' imprisonment; and

WHEREAS, based on this new DNA evidence, Mr. Robinson filed an Extraordinary Motion for New Trial (EMNT) and was ultimately exonerated on January 8, 2020, after the State declined to further prosecute his case; and

WHEREAS, Mr. Moore subsequently filed an EMNT and, on May 12, 2023, a Colquitt County Superior Court Judge granted Mr. Moore's EMNT; and

WHEREAS, on August 28, 2023, the State moved for entry of an order of nolle prosequi, which a Colquitt County Superior Court Judge granted, thereby dismissing all charges and officially exonerating Mr. Moore after more than 21 years of wrongful imprisonment by the State of Georgia; and

In the preceding sentence, "Federal Funds" means any federal funding source, whether specifically identified or not specifically identified; "Other Funds" means all other fund sources except State Funds and Federal Funds, including in Other Funds without limitation all Intra-State Government Transfers. However, if the additional authority is used, the appropriation of the same State fund source for the other programs to that agency shall be reduced in the same amount, such that the stated total in program appropriations from that State fund source for the three programs shall not be exceeded. However, the additional amount shall be from a State fund source which is lawfully available for the program to which it is added.

For purposes of the appropriations for the "Capital Construction Projects," "Capital Maintenance Projects," and "Local Road Assistance Administration" programs of the Department of Transportation, the appropriation of a particular State fund source for each program shall be the amount stated, and each such program shall also be authorized up to an additional amount of 10 percent (10%) of the amount stated. For purposes of the appropriations for the "Airport Aid," "Ports and Waterways," and "Rail" programs of the Department of Transportation, the appropriation of a particular State fund source for each program shall be the amount stated, and each such program shall also be authorized up to an additional amount of 20 percent (20%) of the amount stated. However, if the additional authority is used, the appropriation of the same State fund source for the other programs to that agency shall be reduced in the same amount, such that the stated total in program appropriations from that State fund source for the three programs shall not be exceeded. However, the additional amount shall be from a State fund source which is lawfully available for the program to which it is added.

For purposes of the appropriations for the "HOPE Grant," "HOPE High School Equivalency Exam," "HOPE Scholarships – Private Schools," and "HOPE Scholarships – Public Schools" programs of the Georgia Student Finance Commission, the appropriation of a particular State fund source for each program shall be the amount stated, and each such program shall also be authorized up to an additional amount of 10 percent (10%) of the amount stated.
