However, if the additional authority is used, the appropriation of the same State fund source for the other programs to that agency shall be reduced in the same amount, such that the stated total in program appropriations from that State fund source for the three programs shall not be exceeded. However, the additional amount shall be from a State fund source which is lawfully available for the program to which it is added.

For purposes of the appropriations for the "Capital Construction Projects," "Capital Maintenance Projects," and "Local Road Assistance Administration" programs of the Department of Transportation, the appropriation of a particular State fund source for each program shall be the amount stated, and each such program shall also be authorized up to an additional amount of 10 percent (10%) of the amount stated. However, if the additional authority is used, the appropriation of the same State fund source for the other programs to that agency shall be reduced in the same amount, such that the stated total in program appropriations from that State fund source for the three programs shall not be exceeded. A BILL TO BE ENTITLED
AN ACT

To amend Title 48 of the Official Code of Georgia Annotated, relating to revenue and taxation, so as to extend the appeal and protest period from 30 days to 45 days for tax assessments; to clarify final determination language for federal income tax adjustments; to provide for an extension of preferential assessment periods for certain historic properties; to provide for related matters; to provide for an effective date; to repeal conflicting laws; and for other purposes.

BE IT ENACTED BY THE GENERAL ASSEMBLY OF GEORGIA:

PART I
SECTION 1-1.

Title 48 of the Official Code of Georgia Annotated, relating to revenue and taxation, is amended in Article 2 of Chapter 2, relating to administration, by revising paragraph (2) of subsection (c) and subparagraph (c)(6)(A) of Code Section 48-2-35, relating to refunds, claims, and notice to political subdivision designee, as follows:

"(2) In the event the taxpayer desires a conference or hearing before the commissioner or the commissioner's delegate in connection with any claim for refund, he or she shall

specify such desire in writing in the claim and, if the claim conforms with the requirements of this Code section, the commissioner shall grant a conference at a time he or she shall reasonably specify. A taxpayer may contest any claim for refund that is denied in whole or in part by filing with the commissioner a written protest at any time within ~~30~~ 45 days from the date of notice of refund denial or partial payment. Such ~~30~~ 45 day period shall be extended for such additional period as may be agreed upon in writing between the taxpayer and the commissioner during the initial ~~30~~ 45 day period or any extension thereof. In the event the taxpayer wishes to request a conference, that request shall be included in the written protest. All protests shall be prepared in the form and contain such information as the commissioner shall reasonably require and shall include a summary statement of the grounds upon which the taxpayer relies, an identification of the transactions being contested, and the reasons for disputing the findings of the commissioner. The commissioner shall grant a conference before the commissioner's designated officer or agent at a time specified and shall make reasonable rules governing the conduct of conferences. The discretion given in this Code section to the commissioner shall be reasonably exercised on all occasions."

"(6)(A) No action or proceeding for the recovery of a refund under this Code section shall be commenced before the expiration of one year from the date of filing the claim for refund unless the commissioner or the commissioner's delegate renders a decision on the claim within that time, nor shall any action or proceeding be commenced after the later of:

(i) The expiration of two years from the date the claim is denied; or

(ii) If a valid protest is filed under paragraph (2) of this subsection, ~~30~~ 45 days after the date of the department's notice of decision on such protest."

SECTION 1-2.

Said title is further amended in said article by revising subsection (a) of Code Section 48-2-38, relating to due date and interest on deferred taxes, as follows:

"(a) Except as otherwise expressly provided by law, all state taxes and licenses except ad valorem and income taxes shall be due and payable either with the return or within ~~30~~ 45 days after notice, as the case may be."

SECTION 1-3.

Said title is further amended in said article by revising subsection (a) of Code Section 48-2-45, relating to service of notice of assessment, as follows:

"(a)(1) In all cases in which the commissioner is required by law to provide an opportunity to appeal, the assessment of a tax or license fee shall become final if no written appeal is filed by the taxpayer with the commissioner within ~~30~~ 45 days of the date of the notice of assessment.

(2) For the purposes of this subsection, the notice shall be deemed to have been given if written notice is sent by registered or certified or first-class mail or by statutory overnight delivery and addressed to the taxpayer at his or her last known address, as shown on the records of the department."

SECTION 1-4.

Said title is further amended in said article by revising Code Section 48-2-46, relating to procedures for protests, as follows:

"48-2-46.

Any taxpayer may contest any proposed assessment or license fee made or determined by the commissioner by filing with the commissioner a written protest at any time within ~~30~~ 45 days from the date of notice of the proposed assessment or license fee or within such other time limit as may be specified within the notice of proposed assessment or license fee, if a different time limit is specified. All protests shall be prepared in the form and contain such information as the commissioner shall reasonably require and shall include a summary statement of the grounds upon which the taxpayer relies and his or her reasons for disputing the finding of the commissioner. The filing of a written protest, a petition for redetermination of a deficiency, or a written request by the taxpayer for additional time for filing such a petition shall toll the period of limitations for making an assessment until the petition is denied by the commissioner or the request is withdrawn in writing by the taxpayer. In the event the taxpayer desires a conference or hearing, the fact of such desire must be set out in the protest. The commissioner shall grant a conference before his or her officers or agents as he or she may designate at a time he or she shall specify and shall make such reasonable rules governing the conduct of conferences as he or she may deem proper. The discretion given in this Code section to the commissioner shall be reasonably exercised on all occasions."

SECTION 1-5.

Said title is further amended in said article by revising Code Section 48-2-54, relating to action by commissioner to collect unpaid tax, as follows:

"48-2-54.

In the event any taxpayer fails to pay any tax due, the commissioner shall notify the taxpayer and his or her surety or sureties by mailing a letter to their post office addresses last known to the commissioner. If, after ~~30~~ 45 days of mailing the notice, the amount due remains unpaid, the commissioner shall bring an action to collect the amount due, including, but not limited to, penalties, interest, and costs. It shall not be necessary to make the defaulting taxpayer a party to any action that may be brought against his or her surety or sureties."

SECTION 1-6.

Said title is further amended in said article by revising subsections (b) and (c) of Code Section 48-2-59, relating to appeals, payment of taxes admittedly owed, bond, and costs, as follows:

"(b) The taxpayer shall commence an appeal by filing a petition with the Georgia Tax Tribunal in accordance with Chapter 13A of Title 50 or the superior court within ~~30~~ 45 days from the date of decision by the commissioner or at any time after the department records a state tax execution pursuant to Code Section 48-3-42.

(c) Before the superior court shall have jurisdiction to entertain an appeal filed by any aggrieved taxpayer, the taxpayer shall file with the clerk of the superior court a written statement whereby the taxpayer agrees to pay on the date or dates the taxes become due all taxes for which the taxpayer has admitted liability. Additionally, the taxpayer shall file with the clerk of the superior court within ~~30~~ 45 days from the date of decision by the commissioner, except when the value of the appellant's title or interest in real property owned in this state is in excess of the amount of the tax in dispute, a surety bond or other security in an amount satisfactory to the clerk, conditioned to pay any tax over and above that for which the taxpayer has admitted liability and which is found to be due by a final judgment of the court, together with interest and costs. It shall be ground for dismissal of the appeal if the taxpayer fails to pay all taxes admittedly owed upon the due date or dates as provided by law. This subsection shall not apply to appeals filed with the Georgia Tax Tribunal as provided in Chapter 13A of Title 50."

SECTION 1-7.

Said title is further amended in Article 3 of Chapter 6, relating to intangible recording tax, by revising subsection (c) of Code Section 48-6-76, relating to procedure for protesting intangible recording tax, payment under protest, special escrow fund, filing claim, approval or denial by commissioner, and action for refund, as follows:

"(c) The taxpayer making a payment under written protest may file at any time within ~~30~~ 45 days after the date of the payment a claim for refund of the protested amount of the payment with the commissioner. Each claim shall be in writing, shall be in the form and contain such information as the commissioner requires, and shall include a summary statement of the grounds upon which the taxpayer relies in contending that the collection of the amount was erroneous or illegal. A copy of the claim shall be filed by the taxpayer within the ~~30~~ 45 day period with the collecting officer or said officer's successor who collected the protested amount."

SECTION 1-8.

Said title is further amended in Article 2 of Chapter 7, relating to imposition, rate, computation, exemptions, and credits, by revising subparagraph (d)(2)(C) of Code Section 48-7-31, relating to taxation of corporations and computation, allocation, and apportionment of income, as follows:

"(C) If the allocation and apportionment provisions provided for in this paragraph do not fairly represent the extent of the taxpayer's business activity in this state, the taxpayer may petition the commissioner for, or the commissioner may by regulation require, with respect to all or any part of the taxpayer's business activity, if reasonable:

(i) Separate accounting;

(ii) The exclusion of any one or more of the factors;

(iii) The inclusion of one or more additional factors that will fairly represent the taxpayer's business activity within this state; or

(iv) The employment of any other method to effectuate an equitable allocation and apportionment of the taxpayer's income.

The denial of a petition under this subparagraph shall be appealable pursuant to Code Section 48-2-59. Such an appeal shall be filed within ~~30~~ 45 days of the date of the commissioner's notice of denial;"

SECTION 1-9.

Said title is further amended in Article 4 of Chapter 7, relating to payment, deficiencies, assessment, and collection, by revising subsection (e) of Code Section 48-7-82, relating to periods of limitation for assessment of taxes, collection by execution, and change or correction of net income, as follows:

"(e)(1) Except as provided in Code Section 48-7-53, when a taxpayer's amount of net income for any year under this chapter as returned to the United States Department of the Treasury is changed or corrected by the commissioner of internal revenue or other officer of the United States of competent authority, the taxpayer, within 180 days after the final determination date of the changed or corrected net income, shall make a return to the commissioner of the changed or corrected income, and the commissioner shall make assessment within one year from the date the return required by this paragraph is filed or the taxpayer shall claim a refund based on the change or correction within one year from the date the return required by this paragraph is filed. If the taxpayer does not make the return reflecting the changed or corrected net income and the commissioner receives from the United States government or one of its agents a report reflecting the changed or corrected net income, the commissioner shall make assessment for taxes due based on the change or correction within five years from the date the report from the United States government or its agent is actually received. If he or she chooses, the commissioner shall have the authority to establish a de minimis amount upon which a taxpayer shall not be required to comply with this subsection. For purposes of this subsection the final determination date shall be determined as follows:

(A) Except as provided in ~~subparagraph~~ subparagraphs (B) and (C) of this paragraph, the final determination date is the first day on which no changes or corrections for a particular audit remain to be finally determined, whether by agreement, or, if appealed or contested, by a final decision with respect to which all rights of appeal have been waived or exhausted. For agreements required to be signed by the commissioner of internal revenue and the taxpayer, the final determination date is the date on which the last party signed the agreement; ~~or~~

(B) If the taxpayer filed as a member of a combined or consolidated group, the final determination date is the first day on which no related changes or corrections for a particular audit remain to be finally determined for the entire group; or

(C) If the federal adjustment results from filing an amended federal return, a federal refund claim, or an administrative adjustment request, or if it is a federal adjustment reported on an amended federal return or other similar report filed pursuant to Section 6225(c) of the Internal Revenue Code, the final determination date is the day on which the amended return, refund claim, administrative adjustment request, or other similar report was filed.

(2) In the event the taxpayer fails to notify the commissioner of the final determination of his or her United States income taxes, the commissioner shall proceed to determine, upon evidence that the commissioner has brought to his or her attention or that he or she otherwise acquires, the corrected income of the taxpayer for the fiscal or calendar year. If additional tax is determined to be due, the tax shall be assessed and collected. If it is determined that there has been an overpayment of tax for the year, the taxpayer, by his or her failure to notify the commissioner as required in paragraph (1) of this subsection, shall forfeit his or her right to any refund due by reason of the change or correction. A taxpayer who so fails to notify the commissioner, however, shall be entitled to equitable recoupment of 90 percent of any overpayment so determined against any additional tax liability so determined, the remaining 10 percent of the overpayment being totally forfeited as a penalty for failure to make a return as required by paragraph (1) of this subsection."

SECTION 1-10.

Said title is further amended in Article 1 of Chapter 9, relating to motor fuel tax, by revising paragraph (5) of subsection (a) of Code Section 48-9-12, relating to powers of commissioner, notice of license cancellation, retention of bonds, public inspection of records, estimated assessments, time extensions, and list of licensed distributors, as follows:

"(5) Reinstate a canceled license when information is provided at a hearing or otherwise within ~~30~~ 45 days of cancellation which satisfies the commissioner that the license should be reinstated;"

PART II
SECTION 2-1.

Said title is further amended in Article 1 of Chapter 5, relating to general provisions relative to ad valorem taxation of property, by revising paragraph (4) of subsection (h) of Code Section 48-5-7.2, relating to preferential assessment for rehabilitated historic property, as follows:

"(4) The expiration of nine years during which the property was classified and assessed as rehabilitated historic property; provided, however, that any such property may qualify thereafter as rehabilitated historic property if such property is subject to subsequent rehabilitation and qualifies under the provisions of this Code section; provided, further, that, if approved by the governing authority of the county, the classification and assessment under this Code section may continue for a period of up to an additional 12 years for income-producing real property, and such property's fair market value shall continue to be calculated pursuant to division (3)(C)(ii) of Code Section 48-5-2 during such period."

SECTION 2-2.

Said title is further amended in said article by revising subparagraph (e)(1)(E) of Code Section 48-5-7.3, relating to preferential assessment for landmark historic property, as follows:

"(E) The expiration of nine years during which the property was classified and assessed as landmark historic property; provided, however, that any such property may qualify thereafter as landmark historic property if such property is subject to subsequent rehabilitation and qualifies under other portions of the historic properties tax incentive program contained within the provisions of this Code section; provided, further, that, if approved by the governing authority of the county, the classification and assessment under this Code section may continue for a period of up to an additional 12 years for income-producing real property, and such property's fair market value shall continue to be calculated pursuant to division (3)(D)(ii) of Code Section 48-5-2 during such period."

BE IT ENACTED BY THE GENERAL ASSEMBLY OF GEORGIA:

(b) It is the intent of the General Assembly to:

(1) Encourage local school systems to serve as local authorizers of charter schools;
(2) Provide financial incentives to local school systems that authorize and oversee charter schools; and

SECTION 2.

This Act shall be known and may be cited as the "Local Charter School Authorization and Support Act of 2025."

SECTION 3.

Article 31 of Chapter 2 of Title 20 of the Official Code of Georgia Annotated, the "Charter School Act of 1998," is amended by revising Code Section 20-2-2064, relating to approval or denial of petition relative to the "Charter Schools Act of 1998," as follows:

"20-2-2064.

(a) A charter petitioner seeking to create a conversion charter school ~~must~~ shall submit a petition to the local board of the local school system in which the proposed charter school will be located. The local board ~~must~~ shall by a majority vote approve or deny a petition no later than 90 days after its submission unless the petitioner requests an extension; provided, however, that a denial of a petition by a local board shall not preclude the submission to the local board of a revised petition that addresses deficiencies cited in the denial; and provided, further, that the local board shall not act upon a petition for a conversion charter school, including, but not limited to, a conversion charter for a high school cluster, until such petition:

(1)(A) Has been freely agreed to, by secret ballot, by a majority of the faculty and instructional staff members of the petitioning local school at a public meeting called with two weeks' advance notice for the purpose of deciding whether to submit the petition to the local board for its approval; and

(B) Has been freely agreed to, by secret ballot, by a majority of the parents or guardians of students enrolled in the petitioning local school present at a public meeting called with two weeks' advance notice for the purpose of deciding whether to submit the petition to the local board for its approval; or

(2) If for a high school cluster, has been approved by a majority of the school councils in the high school cluster and has been freely agreed to, by secret ballot, by at least 60 percent of the combined vote of the faculty and instructional staff members of the high school cluster and the parents or guardians of students who reside in the attendance zone of such high school cluster present at a public meeting called with two weeks' advance notice for the purpose of deciding whether to submit the petition to the local board for its approval. Each school council within the high school cluster shall appoint two representatives to a committee that shall conduct the vote.

(3) The provisions of this ~~This~~ subsection shall not apply to a system charter school petitioning to be a conversion charter school.

(b) A charter petitioner seeking to create a start-up charter school ~~must~~ shall submit a petition to the local board of the local school system in which the proposed charter school will be located. The local board ~~must~~ shall by a majority vote approve or deny a petition no later than 90 days after its submission unless the petitioner requests an extension. A denial of a petition by a local board shall not preclude the submission ~~to the local board~~ of a revised petition to the local board that addresses deficiencies cited in the denial.

(c) A system charter school's school council or governing council, as applicable, may petition to become a conversion charter school. The petition shall be submitted to the local board of the charter system in which the school is located. The local board ~~must~~ shall by a majority vote approve or deny a petition no later than 90 days after its submission unless the petitioner requests an extension; provided, however, that a denial of a petition by a local board shall not preclude the submission ~~to the local board~~ of a revised petition to the local board that addresses deficiencies cited in the denial.

(d)(1) A local board shall approve a petition that complies with the rules, regulations, policies, and procedures promulgated in accordance with Code Section 20-2-2063 and the provisions of this title and is in the public interest.

(2) If a local board denies a petition, it ~~must~~ shall within ~~60~~ 20 business days provide a written statement of denial to the charter petitioner, the state board, and the Office of Charter School Compliance specifically ~~state~~ stating the reasons for the denial~~, list~~ and listing all deficiencies with respect to Code Section 20-2-2063, detailing existing access to school choice options for students in the local school system, and assessing the academic performance of existing local schools in the area the charter school proposed to serve. Within three days of such written statement being received by the Office of Charter School Compliance, such written statement shall be published on the public website of the Office of Charter School Compliance ~~and provide a written statement of the denial to the charter petitioner and the state board~~.

(3) If a local board denies a local charter school petition with a single-school system attendance zone and the corresponding state charter school petition with single-school system attendance zones is subsequently approved by the State Charter Schools Commission as provided in Code Section 20-2-2084:

(A) The Office of Charter School Compliance shall notify the local board of such approval; and

(B) The state board and the Office of Charter School Compliance may, upon review of the local school system's written statement of denial provided for in paragraph (2) of this subsection and the State Charter Schools Commission's rationale for approving the charter petition, provide guidance to or recommend authorizer training for the local school system, as appropriate.

(4)(A) Except as provided for in subparagraph (B) of this paragraph, if the local board of a local school system with enrollment of 10,000 to 60,000 students based on such local school system's full-time equivalent program count calculated as provided for in subsection (b) of Code Section 20-2-160, denies two or more local charter school petitions with single-school system attendance zones, and the corresponding state charter school petitions with single-school system attendance zones are subsequently

approved by the State Charter Schools Commission as provided in Code Section 20-2-2084 during the same term of such local school system's charter system contract or strategic waivers school system contract, such local school system shall not be eligible or authorized to renew its charter system status granted under Code Section 20-2-2063.2 or any strategic waivers granted under Article 4 of this chapter for up to three years following the termination or expiration of its current charter system contract or strategic waivers school systems contract, or until the state board determines the local school system has demonstrated its commitment to increasing student performance and encouraging innovation through high quality local charter petition authorizations.

(B) Except as provided for in subparagraph (C) of this paragraph, if the local board of a local school system with enrollment of more than 60,000 students, based on such local school system's full-time equivalent program count calculated as provided for in subsection (b) of Code Section 20-2-160, denies three or more local charter school petitions with single-school system attendance zones, and the corresponding state charter school petitions with single-school system attendance zones are subsequently approved by the State Charter Schools Commission as provided in Code Section 20-2-2084 during the same term of such local school system's charter system contract or strategic waivers school system contract, such local school system shall not be eligible or authorized to renew its charter system status granted under Code Section 20-2-2063.2 or any strategic waivers granted under Article 4 of this chapter for up to three years following the termination or expiration of its current charter system contract or strategic waivers school systems contract, or until the state board determines the local school system has demonstrated its commitment to increasing student performance and encouraging innovation through high quality local charter petition authorizations.

(C) The provisions of subparagraphs (A) and (B) of this paragraph shall not apply to a local school system with a charter system contract or strategic waivers school system contract that, according to the terms of such contract in place on January 1, 2025, will expire on or before July 1, 2025, until the term of such local school system's new or renewed charter system contract or strategic waivers school system contract begins.

(5) This paragraph and paragraphs 3 and 4 of this subsection shall stand automatically repealed on July 1, 2035.

(e) The state board or the Charter Advisory Committee, if directed by the state board to do so, may mediate between the local board and a charter petitioner whose petition was denied to assist in resolving issues which led to denial of the petition by the local board."

Said article is further amended by adding a new Code section to read as follows:

"20-2-2064.2.

(a) The State Board of Education in collaboration with the State Charter Schools Commission shall establish a program for the purposes of promoting and supporting the approval of new local charter school petitions by local boards of education and to provide incentive grants to local boards of education that approve new local charter school

petitions. The State Charter Schools Commission shall promulgate such rules and regulations as it deems necessary to carry out the provisions and intent of this Code section.

In the event that available appropriations are not sufficient to cover the total amount of such incentive grants provided for in this subsection, the amount of each such grant shall be reduced proportionally, providing incentive grants in equal amounts to each such local board of education.

(2) Incentive grants provided for in paragraph (1) of this subsection shall be provided only for the approval of new local charter school petitions and not for the approval or renewal of an existing local charter school.

(c) Incentive grants awarded pursuant to subsection (b) of this Code section may be used by the receiving local board of education for expenses incurred by the local board of education in its role as a local charter school authorizer, which may include, but shall not be limited to, hiring qualified personnel and providing for oversight, compliance monitoring, and professional development related to local charter school authorization.

SECTION 1-2.

Said title is further amended in said part by revising Code Section 20-2-153.1, relating to Georgia Early Literacy, uniform grade appropriate metrics to measure literacy, universal reading screeners, high-quality instructional materials aligned with the science of reading, support for literacy instruction, and reading intervention plans, as follows:

"20-2-153.1.

(a) This Code section shall be known and may be cited as the 'Georgia Early Literacy and Dyslexia Act.'

(b) As used in this Code section, the term:

Secondary consequences may include problems in reading comprehension and reduced reading experience that can impede the growth of vocabulary and background knowledge.

(7) 'Foundational literacy skills' means phonological awareness, phonemic awareness, alphabet knowledge, phonics, oral reading fluency, spelling, vocabulary, reading comprehension, ~~spelling,~~ oral language, and ~~the intersection of reading and writing~~ rapid automatized naming.

~~(7)~~(12) 'Significantly at risk of not attaining grade level reading proficiency' ~~'Significant reading deficiency'~~ means for students in kindergarten through third grade that such student's ~~score on a universal reading screener is within the range of scores determined by the department to demonstrate a lack of proficiency in foundational~~

~~(8)~~(13) 'Structured literacy' means an evidence based approach to teaching oral and written language aligned to the science of reading founded on the science of how children learn to read and characterized by explicit, systematic, cumulative, and diagnostic instruction in phonology, sound-symbol association, syllable instruction, morphology, syntax, and semantics. An approach to teaching oral and written language that features or promotes the three-cueing system shall not constitute structured literacy.

(14) 'Three-cueing system' means any model for teaching students word reading based on meaning, structure and syntax, and visual cues. Such models are also referred to as 'MSV.'

~~(9)~~(15) 'Tiered reading intervention plan' means a plan that describes the evidence based reading intervention services a student will receive to ~~remediate such student's reading deficit and to ensure that such student becomes proficient~~ support the student in reaching grade level proficiency in foundational literacy skills.

SECTION 1.

Title 40 of the Official Code of Georgia Annotated, relating to motor vehicles and traffic, is amended by revising Code Section 40-2-8, relating to operation of unregistered vehicle or vehicle without current license plate, revalidation decal, or county decal and temporary operating permit issued by dealers of new or used motor vehicles, as follows:

"40-2-8.

(a) No person shall own, rent, lease, or operate any vehicle required to be registered pursuant to Code Section 40-2-20 upon a highway in this state without registering such vehicle. Any person who becomes a resident of this state shall register his or her vehicle within 30 days of becoming a resident. Any person who fails to comply with this subsection shall be guilty of a misdemeanor and punished by a fine of $100.00 for each day in which the vehicle is in violation. ~~Any person owning or operating any vehicle described in Code Section 40-2-20 on any public highway or street without complying with that Code section shall be guilty of a misdemeanor, provided that a person shall register his or her motor vehicle within 30 days after becoming a resident of this state. Any person renting, leasing, or loaning any vehicle described in Code Section 40-2-20 which is being used on any public highway or street without complying with that Code section shall be guilty of a misdemeanor and, upon conviction thereof, shall be punished by a fine of $100.00 for each violation; and each day that such vehicle is operated in violation of Code Section 40-2-20 shall be deemed to be a separate and distinct offense.~~

(b)(1) It shall be unlawful and punishable as for a misdemeanor to operate any vehicle required to be registered in this state pursuant to Code Section 40-2-20 without a valid numbered license plate properly validated with a current revalidation decal, unless such operation is otherwise permitted under this chapter; and provided, further, that the purchaser of a new vehicle or a used vehicle from a dealer of new or used motor vehicles who displays a temporary operating permit issued as provided by ~~paragraph (2) of this subsection~~ Code Section 40-2-8.1 may operate such vehicle on the ~~public~~ highways ~~and streets~~ of this state without a current valid license plate during the period ~~within which the purchaser is required by Code Section~~ authorized by Code Sections 40-2-8.1 and 40-2-20. An owner acquiring a motor vehicle from an entity that is not a new or used vehicle dealer shall register such vehicle as provided for in Code Section 40-2-29 unless such vehicle is to be registered under the International Registration Plan pursuant to Article 3A of this chapter.

~~(2)(A) Any dealer of new or used motor vehicles shall issue to the purchaser of a vehicle at the time of sale thereof, unless such vehicle is to be registered under the International Registration Plan, a temporary operating permit as provided for by~~

~~department rules or regulations which may bear the dealer's name and location and shall bear an expiration date 45 days from the date of purchase. The expiration date of such a temporary operating permit may be revised and extended by the county tag agent upon application by the dealer, the purchaser, or the transferee if an extension of the purchaser's initial registration period has been granted as provided by Code Section 40-2-20. Such temporary operating permit shall not resemble a license plate issued by this state and shall be issued without charge or fee. The requirements of this paragraph shall not apply to a dealer whose primary business is the sale of salvage motor vehicles and other vehicles on which total loss claims have been paid by insurers.~~

~~(B) All temporary operating permits issued by dealers to purchasers of vehicles shall be of a standard design prescribed by regulation promulgated by the department. The department may provide by rule or regulation for the sale and distribution of such temporary operating permits by third parties in accordance with paragraph (3) of this subsection.~~

~~(3) All sellers and distributors of temporary operating permits shall maintain an inventory record of temporary operating permits by number and name of the dealer.~~

~~(4)~~(2) The purchaser and operator of a vehicle shall not be subject to the penalties set forth in this Code section during the period allowed for the registration of such vehicle. ~~If the owner of such vehicle presents evidence that such owner has properly applied for the registration of such vehicle, but that the license plate or revalidation decal has not been delivered to such owner, then the owner shall not be subject to the penalties enumerated in this subsection.~~

(c) It shall be unlawful and punishable as for a misdemeanor to operate any vehicle required to be registered in ~~the State of Georgia~~ this state without a valid county decal designating the county where the vehicle was last registered, unless such operation is otherwise permitted under this chapter. ~~Any person convicted of such offense shall be punished by a fine of $25.00 for a first offense and $100.00 for a second or subsequent such offense. However, a~~ A county name decal shall not be required if there is no space provided for a county name decal on the current license plate. Any person convicted of a violation of this subsection shall be subject to a fine not to exceed $25.00 if that person shows to the court having jurisdiction of the offense that the proper revalidation decal had been obtained prior to the time of the offense.

(d) No violation of this Code section shall have occurred upon presentation of evidence that the owner had properly applied for the registration of such vehicle, but that the license plate or revalidation decal had not been delivered to such owner at the time the uniform traffic citation was issued.

(e) The commissioner is authorized to promulgate rules and regulations necessary to effectuate the provisions of this Code section."

SECTION 2.

Said title is further amended by revising Code Section 40-2-8.1, relating to operation of vehicle without revalidation decal on license plate, as follows:

"40-2-8.1.

~~Notwithstanding Code Section 40-2-8 or any other provision of law, a person who operates a vehicle which is required to be registered in this state and which has attached to the rear thereof a valid numbered license plate without having the required revalidation decal affixed upon that plate, which person is otherwise guilty of a misdemeanor for not having such decal affixed to the plate, shall be subject for that offense only to a fine not to exceed $25.00 if that person shows to the court having jurisdiction of the offense that the proper revalidation decal had been obtained prior to the time of the offense.~~

(a) Any dealer of new or used motor vehicles other than a motor vehicle broker, as such term is defined in Code Section 43-47-2, shall issue a temporary operating permit without charge or fee to the purchaser of a vehicle at the time of sale thereof, unless such vehicle is to be registered under the International Registration Plan or such dealer is one whose primary business is the sale of salvage motor vehicles and other vehicles on which total loss claims have been paid by insurers. Such temporary operating permit shall be of a standard design prescribed the department; provided, however, that such permit shall not resemble a license plate issued by this state. A temporary operating permit may bear the name of the dealer and location and shall include an expiration date which shall be 45 days from the date of purchase. The expiration date of a temporary operating permit may be revised and extended by the county tag agent upon application by the dealer, purchaser, or transferee if an extension of the purchaser's initial registration period has been granted as provided by Code Section 40-2-20.

(b)(1) The department may provide by rule or regulation for the sale and distribution of temporary operating permits to dealers by third parties through the development and maintenance of an electronic temporary operating permit issuance system and establish standards for distribution and issuance of such permits. The department may further provide by rule or regulation for standards for authorized access to an electronic temporary operating permit issuance system, which may include, but shall not be limited to, required criminal background checks for any user of the system. Any third party authorized to sell and distribute temporary operating permits shall maintain an inventory record of such permits by number and name of the dealer.

(2)(A) The department shall be authorized to suspend access to the electronic temporary operating permit issuance system established pursuant to this Code section for any dealer found to have issued temporary operating permits for a vehicle which has not been sold or intended to be registered or otherwise violated requirements for issuance of such permits established by rule or regulation of the department after issuance of notice of such violation by electronic means and opportunity for informal review as set forth in this subparagraph. Any dealer who has received notice pursuant to this subsection of an alleged violation and for whom the department intends to suspend access to the electronic temporary operating permit issuance system may request an informal review of the allegations with the department. The method for making such request shall be developed by the department and may be by electronic means. Upon receipt of such request for informal review, the department shall, within ten business days, schedule an informal conference with such dealer to review the

suspected violations. Proceedings under this subparagraph shall not be governed by any formal procedural requirements and may be conducted in such manner as the department may establish by rule or regulation. The department shall consider the historical use of the electronic temporary operating permit issuance system by the dealer under consideration for access suspension, together with other pertinent information which may be available, and shall render a decision regarding access to the electronic temporary operating permit issuance system within seven business days of the informal conference. Upon a finding that such dealer violated the requirements of this Code section or rules and regulations of the department, the department shall be authorized to impose fines or fees as provided by law. The department shall not be authorized to suspend access to the temporary operating permit system unless the department finds a dealer to be substantially out of compliance with the requirements of this Code section or the rules and regulations of the department and such dealer has failed to produce satisfactory evidence of extenuating circumstances to justify such noncompliance.

(B) If the department suspends a dealer's access to the electronic temporary operating permit issuance system established pursuant to this Code section after an informal review held pursuant to subparagraph (A) of this paragraph, the suspended dealer shall have the right to a formal hearing to review the suspension pursuant to Code Section 40-3-6. Such hearing shall be held within 30 days of the department's decision to suspend the dealer's access to the electronic temporary operating permit issuance system and shall be conducted in accordance with Chapter 13 of Title 50, the 'Georgia Administrative Procedure Act.' At such hearing, the department may present evidence of any instances in which the suspended dealer unlawfully issued temporary operating permits or issued fraudulent temporary operating permits. Upon a finding that the suspended dealer is in compliance with the requirements of this Code section and has issued temporary operating permits predominantly for bona fide motor vehicle sales, the department shall provide for the immediate restoration of access to the electronic temporary operating permit issuance system for such dealer but shall be authorized to impose fines or fees as provided by law for failure to comply with the requirements of this chapter. Upon a finding that the suspended dealer violated the requirements of this Code section or rules and regulations of the department, the department shall be authorized to extend the term of suspension for a period of up to 24 months. Upon a finding that a dealer has unlawfully issued temporary operating permits in violation of this chapter or rules and regulations of the department, the department shall further be authorized to issue a civil monetary penalty in an amount no greater than $100.00 per violation, suspend or revoke the registration issued to a dealer pursuant to Code Section 40-2-39, and suspend, confiscate, or limit issuance of any dealer plates issued pursuant to Code Section 40-2-38 for a period of up to 24 months. The department shall comply with Chapter 13 of Title 50, the 'Georgia Administrative Procedure Act,' in relation to the expedited review provided for in this subparagraph and the suspended dealer shall have the right to appeal any decision of the department in accordance with such chapter.

(c) The commissioner is authorized to promulgate rules and regulations necessary to effectuate the provisions of this Code section."

SECTION 3.

Said title is further amended in Code Section 40-2-33, relating to issuance of license plates and decals, transfer of registration to a digital license plate, compensation of tag agents, and required identification, by revising paragraph (3) of subsection (a) as follows:

"(3) At the time of initial application for registration or at any time during the registration period, a vehicle owner may file with the county tag agent, on a form or electronic form prescribed by the commissioner, a request to have a vehicle license plate duplicated on a digital license plate purchased from a digital license plate provider. Such request to the county tag agent shall include all applicable registration fees. Upon approving the application provided in this paragraph, the commissioner or county tag agent shall furnish the digital license plate provider with the appropriate licensing information to be displayed upon the digital license plate. In accordance with Code Section ~~40-2-8~~ 40-2-8.1, a 45 day temporary operating permit shall be issued by the commissioner or county tag agent to an applicant for a digital license plate until such license plate is received by the applicant."

"(f) It shall be unlawful and punishable by a fine of $1,000.00 for any immobilization device operator or towing and storage firm, permitted or unpermitted, licensed or unlicensed, to enter into any agreement with any person in possession of private property to provide automatic or systematic surveillance of such property for purposes of immobilization or removal and relocation of any ~~such~~ trespassing vehicle or ~~trespassing~~ personal property except upon call by such person in possession of such private property to such immobilization device operator or towing and storage firm for each individual case of trespass; provided, further, that it shall be unlawful and punishable by a fine of $1,000.00 for any ~~towing and storage firm~~ person to pay to any private property owner or one in possession of private property any fee or emolument, directly or indirectly, for the right to immobilize or remove a trespassing vehicle or ~~trespassing~~ personal property from said private property."

The tax commissioner shall grant a temporary permit in the event the failure to timely apply for a first certificate of title is due to the failure of a lienholder to comply with Code Section 40-3-56, regarding release of a security interest or lien, and no penalty or interest shall be assessed. Such penalty and interest shall be in addition to the penalty and fee required under Code Section 40-3-21 or 40-3-32, as applicable.

The Georgia Peace Officer Standards and Training Council shall make every effort to ensure that space is available for newly elected sheriffs who are not certified ~~or registered~~ peace officers to attend the course as soon as possible after such persons take office. Such notice shall include:

(1) The factual basis for the prosecuting attorney's decision to place the name of the peace officer on a Giglio list:

(2) A statement informing the affected peace officer and his or her employing agency of the right to request relevant materials from the prosecuting attorney;

(3) A statement informing the affected peace officer and his or her employing agency of the right to provide supplemental information to the prosecuting attorney; and

(f) A prosecuting attorney shall be authorized to use an affected peace officer's inclusion on a Giglio list when making charging decisions related to a case and shall disclose to defense counsel or a defendant in any criminal case as required by law the fact of and basis for inclusion of an affected officer on such list including any notice or relevant materials as provided in subsection (b) of this Code section.

(g) A prosecuting attorney shall be immune from civil liability that might otherwise incur or be imposed for placement of the name of a peace officer on a Giglio list unless the affected peace officer demonstrates that his or her inclusion on such a list was done with actual malice or with actual intent to cause injury to the affected peace officer.

(h) Nothing in this Code section shall be construed to modify federal law or binding court precedent relating to disclosure duties of a prosecuting attorney in criminal prosecutions."

SECTION 3.

Chapter 8 of Title 35 of the Official Code of Georgia Annotated, relating to employment and training of peace officers, is amended in Code Section 35-8-2, relating to definitions, by adding two new paragraphs to read as follows:

Said chapter is further amended in Code Section 35-8-7.1, relating to authority of council to refuse certificate to applicant or to discipline council certified officer or exempt officer, grounds, restoration of certificate, emergency suspension of certification, notice of investigation, and retention of records, by revising subsections (e) through (g) and by adding a new subsection to read as follows:

"(e)(1) Upon receipt of notice from a prosecuting attorney that the name of a peace officer has been placed on a Giglio list, the council shall initiate a review of the factual basis provided in such notice and notify the affected peace officer and the head of the law enforcement agency that employs such affected peace officer of such review. It shall be sufficient to identify the affected peace officer, state that review of the affected peace officer's name on a Giglio list has been initiated, and identify the prosecuting attorney who sent such notice.

(2) In reviewing the inclusion of the name of an affected peace officer on a Giglio list pursuant to this subsection, the council shall consider:

(A) Any bias or injury against a specific defendant alleged by the prosecuting attorney to have occurred when the prosecuting attorney's notice relates to a specific criminal prosecution;

(B) Allegations or instances of previous misleading, deceptive, untrue, or fraudulent statements made by the affected peace officer to the prosecuting attorney or while serving as a witness for the prosecuting attorney;

(C) Whether the affected peace officer has pleaded guilty or been convicted, by final judgment and when all appeals have been exhausted, of an offense punishable as false swearing within the meaning of Code Section 16-10-71 or an offense of perjury pursuant to Code Section 16-10-70; and

(D) Any allegations of acts or omissions which would otherwise subject the affected peace officer to discipline pursuant to subsection (a) of this Code section.

(3) Upon completion of review pursuant to this subsection, the council shall notify the affected peace officer and the employing agency of the affected peace officer of its determination concerning the factual basis asserted by the prosecuting attorney. If the council determines from its review that discipline of the affected peace officer is warranted, notice sent pursuant to this paragraph shall include such information. If the council determines that discipline of the affected peace officer is not warranted, such matter shall be administratively dismissed, the affected peace officer's public status shall not reflect the occurrence of such investigation, and notice of such action shall be delivered to the head of the employing agency, the affected peace officer, and the

prosecuting attorney who placed the affected peace officer on a Giglio list. No peace officer shall be suspended, revoked, or otherwise sanctioned solely based upon the placement of his or her name on a Giglio list.

(f) Upon initiating an investigation of ~~an~~ a peace officer for possible disciplinary action or upon disciplining ~~an~~ a peace officer pursuant to this Code section, the council shall notify the head of the law enforcement agency that employs such peace officer of the investigation or disciplinary action. ~~In the case of an investigation, it~~ It shall be sufficient for such notice to identify the peace officer and state that a disciplinary investigation has been opened. ~~Notice of the initiation of an investigation shall be sent by priority mail.~~ If the investigation is completed without any further action, notice of the termination of such investigation shall also be provided to the head of the employing agency. In the case of disciplinary action, the notice shall identify the officer and state the nature of the disciplinary action taken. The notice of disposition shall be sent only after the action of the council is deemed final. ~~Such notice shall be sent by priority mail.~~

~~(f)~~(g) If the certification of ~~an~~ a peace officer is suspended or revoked by either the executive director or council pursuant to this Code section, ~~then~~ the council shall notify the head of the law enforcement agency that employs the peace officer; the district attorney of the judicial circuit in which such law enforcement agency is located; and the solicitor of the state court, if any, of the county in which such law enforcement agency is located. It shall be sufficient for this notice to identify the peace officer and state the length of time, if known, that the peace officer will not have powers of arrest. ~~Such notice shall be sent by priority mail.~~

(h) Any notice required by this Code section shall be sent by certified mail or certificate of mailing. As used in this subsection, the term 'certificate of mailing' means a delivery method utilized by the United States Postal Service which provides evidence that an item has been sent and the date such item was accepted.

~~(g)~~(i) Notwithstanding Article 5 of Chapter 18 of Title 50, records of an investigation of ~~an~~ a peace officer by the council, including, but not limited to, records used to investigate complaints against ~~an~~ a peace officer and polygraph case files containing official polygraph reports, shall be retained for 30 years following the date that such investigation is deemed concluded by the council and then such records may be destroyed; provided, however, that the council shall have the authority to destroy such records prior to such 30 years where such peace officer is deceased and no action upon the complaint was taken by the council beyond the council's initial intake of such complaint."

SECTION 6.

Said chapter is further amended in Code Section 35-8-7.2, relating to administrative procedure, hearings, and review, by revising subsection (a) as follows:

"(a) Except as otherwise provided in subsection (b) of this Code section, proceedings of the council in the exercise of its authority to issue any certificate, conduct a review of the inclusion of an affected peace officer on a Giglio list, or discipline any peace officer under the terms of this chapter shall be conducted in accordance with Chapter 13 of Title 50, the 'Georgia Administrative Procedure Act.' In all such proceedings the council shall

have authority to compel the attendance of witnesses and the production of any book, writing, or document upon the issuance of a subpoena therefor. In any hearing in which the fitness of a peace officer or applicant is in question, the council may exclude all persons from its deliberation of the appropriate action and may, when it deems necessary, speak to the peace officer or applicant in private. All final determinations, findings, and conclusions of the council under this chapter are final and conclusive decisions of the matters involved."

SECTION 7.

Said chapter is further amended by revising Code Section 35-8-8, relating to requirements for appointment or certification of persons as peace officers and preemployment attendance at basic training course and "employment related information" defined, and by redesignating the current provisions of subsection (c) of said Code section as a new Code section to read as follows:

~~(c)(1) For purposes of this subsection~~ (a) As used in this Code section, the term 'employment related information' means written information contained in a prior employer's records or personnel files that relates to an applicant's, candidate's, or peace officer's performance or behavior while employed by such prior employer, including performance evaluations, records of disciplinary actions, and eligibility for rehire. Such term shall not include information prohibited from disclosure by federal law or any document not in the possession of the employer at the time a request for such information is received.

(b)(1)~~(2)~~ Where an investigation is conducted for the purpose of hiring, certifying, or continuing the certification of a peace officer, an employer shall disclose employment related information to the investigating law enforcement agency upon receiving a written request from such agency. Disclosure shall only be required under this subsection if the law enforcement agency's request is accompanied by a copy of a signed, notarized statement from the applicant, candidate, or peace officer releasing and holding harmless such employer from any and all liability for disclosing complete and accurate information to the law enforcement agency.

~~(3)~~(2) An employer may charge a reasonable fee to cover actual costs incurred in copying and furnishing documents pursuant to this subsection to a requesting law enforcement agency, including retrieving and redacting costs, provided such amount shall not exceed $25.00 or 25¢ per page, whichever is greater. No employer shall be required to prepare or create any document not already in the employer's possession at the time a request for employment related information is received. Any employment related information provided pursuant to this subsection that is not subject to public disclosure while in the possession of a prior employer shall continue to be privileged and protected from public disclosure as a record of the requesting law enforcement agency.

~~(4)~~(3) No employer or law enforcement agency shall be subject to any civil liability for any cause of action by virtue of disclosing complete and accurate information to a law enforcement agency in good faith and without malice pursuant to this subsection. In any such cause of action, malice or bad faith shall only be demonstrated by clear and convincing evidence. Nothing ~~contained~~ in this subsection shall be construed so as to affect or limit rights or remedies provided by federal law.

~~(5)~~(4) Before taking final action on an application for employment based, in whole or in part, on any unfavorable employment related information received from a previous employer, a law enforcement agency shall inform the applicant, candidate, or peace officer that it has received such employment related information and that the applicant, candidate, or peace officer may inspect and respond in writing to such information. Upon the applicant's, candidate's, or peace officer's request, the law enforcement agency shall allow him or her to inspect the employment related information and to submit a written response to such information. The request for inspection shall be made within five business days from the date that the applicant, candidate, or peace officer is notified of the law enforcement agency's receipt of such employment related information. The inspection shall occur not later than ten business days after said notification. Any response to the employment related information shall be made by the applicant, candidate, or peace officer not later than three business days after his or her inspection.

~~(6)~~(5) Nothing ~~contained~~ in this ~~Code section~~ subsection shall be construed so as to require any person to provide self-incriminating information or otherwise to compel any person to act in violation of his or her right guaranteed by the Fifth Amendment of the United States Constitution and Article I, Section I, Paragraph XVI of the Georgia Constitution. It shall not be a violation of this ~~Code section~~ subsection for a person to fail to provide requested information based on a claim that such information is self-incriminating provided that notice of such claim is served in lieu of the requested information. An action against such person to require disclosure on the grounds that the claim of self-incrimination is not substantiated may be brought in the superior court of the county of such party's residence or where such information is located.

(c) A law enforcement agency that receives notice from a prosecuting attorney that the name of an affected peace officer has been placed on a Giglio list shall forward a copy of such notice to the council within 30 days of receipt for review pursuant to Code Section 35-8-7.1."

SECTION 8.

Said chapter is further amended by revising Code Section 35-8-14, which is designated as reserved, as follows:

"35-8-14.

(a) Upon receipt of notice from a prosecuting attorney that a peace officer employed by the law enforcement agency has been placed on a Giglio list, such agency shall provide a copy of such notice to the affected peace officer in as timely manner as possible, not to exceed three days from the date of receipt. If the affected peace officer is no longer employed by the law enforcement agency that receives such notice, the law enforcement agency shall forward such notice to be served in person or delivered by certified mail or statutory overnight delivery, return receipt requested, to the last known address of the affected peace officer.

(b) A law enforcement agency that employs an affected peace officer shall not demote, suspend, discharge, impose discipline, or take adverse employment action upon an

affected peace officer solely based upon the placement of such peace officer's name on a Giglio list.

(c) A law enforcement agency that employs an affected peace officer shall be authorized to demote, suspend, discharge, impose discipline, or take adverse employment action upon an affected peace officer when:

(1) An internal investigation establishes, based upon a preponderance of the evidence, that a factual basis exists for the reason provided by the prosecuting attorney for placement of the affected peace officer on a Giglio list; or

(2) The council has imposed discipline upon the affected peace officer for the conduct identified by the prosecuting attorney which was the basis for placement of such officer on the Giglio list ~~Reserved~~."

SECTION 9.

Code Section 50-18-72 of the Official Code of Georgia Annotated, relating to when public disclosure not required, is amended by adding a new paragraph to subsection (a) to read as follows:

"(4.1) Records relating to Giglio lists, as such term is defined in Code Section 35-8-2;"

A BILL to be entitled an Act to amend Code Section 10-1-393 of the Official Code of Georgia Annotated, relating to unfair or deceptive practices in consumer transactions unlawful and examples, so as to provide increased consumer protection for homeowners entering into contracts with contractors following natural disasters; to provide for certain contractual requirements; to provide for notice language; to amend Code Section 33-6-5 of the Official Code of Georgia Annotated, relating to unfair methods of competition and unfair or deceptive acts or practices, so as to prohibit the assignment of benefits in certain circumstances; to provide for definitions; to provide for related matters; to provide for legislative findings; to repeal conflicting laws; and for other purposes.

The following Committee substitute was read and adopted:

A BILL TO BE ENTITLED
AN ACT

To amend Code Section 10-1-393 of the Official Code of Georgia Annotated, relating to unfair or deceptive practices in consumer transactions unlawful and examples, so as to provide increased consumer protection for homeowners entering into contracts with contractors following natural disasters; to provide for certain contractual requirements; to provide for notice language; to amend Code Section 33-6-5 of the Official Code of Georgia Annotated, relating to unfair methods of competition and unfair or deceptive acts or practices, so as to prohibit the assignment of benefits in certain circumstances; to provide for definitions; to provide for related matters; to provide for legislative findings; to provide for effective dates and applicability; to repeal conflicting laws; and for other purposes.

BE IT ENACTED BY THE GENERAL ASSEMBLY OF GEORGIA:

SECTION 1.

The General Assembly finds that:

(1) Following natural disasters, homeowners often need for repairs to be completed to their homes in an expeditious manner;

(2) Due to such time pressures, homeowners may enter into contracts with contractors much more quickly than such homeowners typically would;

(3) Many homeowners believe that assigning their insurance proceeds to contractors who contract to work on their homes will expedite the repairs of such homes;

(4) Such homeowners may not realize that some contractors will accept the assigned insurance proceeds and then fail to expeditiously perform the required work or perform the work in a substandard manner;

(5) There is a need in this state to provide greater protection for homeowners following natural disasters to ensure that contracted work on their homes is performed in an expeditious and professional manner; and

(6) There is also a need to specifically prohibit the assignment of insurance proceeds to contractors for a period of one year following the occurrence of a natural disaster.

SECTION 2.

Code Section 10-1-393 of the Official Code of Georgia Annotated, relating to unfair or deceptive practices in consumer transactions unlawful and examples, is amended in subsection (b) by striking "and" at the end of paragraph (34), by replacing the period at the end of paragraph (35) with "; and", and by adding a new paragraph to read as follows:

"(36)(A) With respect to any contractor entering into a contract with a homeowner within one year of a natural disaster for the provision of services for the repair, replacement, or mitigation of damage of or to the homeowner's home caused by such disaster:

(i) Failing to substantially commence work on the contracted services within one year of the execution of such contract;

(ii) Completing all or a portion of the agreed upon services in a substandard manner;

(iii) Entering into a contract with the homeowner whereby the homeowner assigned insurance proceeds to the contractor;

(iv) Completing services in a manner inconsistent with the state minimum standard codes or accredited industry standards; or

(v) Failing to comply with subparagraph (B) of this paragraph.

(B) Any contractor entering into a contract with a homeowner within one year of a natural disaster for the provision of services for the repair, replacement, or mitigation of damage of or to the homeowner's home caused by such disaster shall:

(i) Accept the cancellation of the contract by the homeowner prior to midnight on the fifth business day after such homeowner has received written notice from the insurer that all or any part of the claim or contract related to the natural disaster is not a covered loss under the homeowner's insurance policy. Cancellation shall be evidenced by the homeowner giving written notice of cancellation to the contractor at the address stated in the contract. Notice of cancellation, if given by mail, shall be effective upon deposit into the United States mail, postage prepaid and properly addressed to the contractor. Notice of cancellation need not take a particular form and shall be sufficient if it indicates, by any form of written expression, the intention of the homeowner not to be bound by the contract; and

(ii) Before entering a contract as provided in this subparagraph:

(I) Furnish the homeowner with a statement in boldface type of a minimum size of ten points in substantially the following form:

'You may cancel this contract at any time before midnight on the fifth business day after you have received written notification from your insurer that all or any part of the claim or contract is not a covered loss under the insurance policy. This right to cancel is in addition to any other rights of cancellation which may be found in state or federal law or regulation. See the attached notice of cancellation form for an explanation of this right'; and

(II) Furnish each homeowner with a fully completed form in duplicate, captioned 'NOTICE OF CANCELLATION,' which shall be attached to the contract but easily detachable, and which shall contain in boldface type of a minimum size of ten points the following statement:

'NOTICE OF CANCELLATION

If you are notified by your insurer that all or any part of the claim or contract is not a covered loss under the insurance policy, you may cancel the contract by mailing or delivering a signed and dated copy of this cancellation notice or any other written notice to _____ (name of contractor) at_____ _____(address of contractor's place of business) at any time prior to midnight on the fifth business day after you have received such notice from your insurer.

I HEREBY CANCEL THIS TRANSACTION

_____

(date)

_____

(insured's signature).'

(C) Notwithstanding other provisions of law in this paragraph, if the contractor has performed any emergency services, acknowledged by the homeowner in writing to be necessary to prevent immediate damage to the premises, the contractor shall be entitled to collect the reasonable amount due for the emergency services at the time they are rendered. Any provision in a contract provided for in this paragraph that requires the payment of any fee for any services except emergency services shall not be enforceable against any homeowner who has canceled a contract under this paragraph.

(D) As used in this paragraph, the term 'natural disaster' means a flood, tornado, hurricane, earthquake, or other occurrence for which a state of emergency is proclaimed by the Governor."

SECTION 3.

Code Section 33-6-5 of the Official Code of Georgia Annotated, relating to unfair methods of competition and unfair or deceptive acts or practices, is amended by striking "and" at the end of paragraph (13), striking the period at the end of paragraph (14) and inserting "; and" in lieu thereof, and adding a new paragraph to read as follows:

"(15)(A) No insurer shall sell homeowner's insurance policies that allow for the assignment of proceeds to a contractor within one year of a natural disaster which causes damage to the insured's residential property.

(B) As used in this paragraph, the term:

(i) 'Natural disaster' means a flood, tornado, hurricane, earthquake, or other occurrence for which a state of emergency is proclaimed by the Governor.

(ii) 'Residential property' means real property used or occupied as the primary residence of a natural person."

SECTION 4.

Section 3 of this Act shall become effective on January 1, 2026, and shall apply to all policies issued, delivered, issued for delivery, or renewed in this state on or after such date. The remainder of this Act shall become effective on July 1, 2025.

SECTION 5.

All laws and parts of laws in conflict with this Act are repealed.

A BILL TO BE ENTITLED
AN ACT

To amend Part 2 of Article 6 of Chapter 7 of Title 17 of the Official Code of Georgia Annotated, relating to insanity and mental incapacity, so as to require a hearing before a court orders an evaluation of the mental competency of an accused person to stand trial; to provide for the release of reports of such evaluations; to establish different procedures in cases where the subject has been accused only of one or more nonviolent misdemeanor offenses, including automatic dismissal in some cases, subject to exceptions; to provide for such different procedures and such exceptions; to amend Article 2 of Chapter 1 of Title 37 of the Official Code of Georgia Annotated, relating to powers and duties of the Department of Behavioral Health and Developmental Disabilities, so as to provide for the receipt of conviction data; to provide for related matters; to provide for an effective date and applicability; to repeal conflicting laws; and for other purposes.

BE IT ENACTED BY THE GENERAL ASSEMBLY OF GEORGIA:

SECTION 1.

Part 2 of Article 6 of Chapter 7 of Title 17 of the Official Code of Georgia Annotated, relating to insanity and mental incapacity, is amended by revising Code Section 17-7-129, relating to mental capacity to stand trial and release of competency evaluation to prosecuting attorney, as follows:

"17-7-129.

(a) When information becomes known to the court sufficient to raise a bona fide doubt regarding the accused's mental competency to stand trial, the court has a duty, sua sponte, to inquire into the accused's mental competency to stand trial; provided, however, that if such information is made known to the court by the accused or the attorney for the accused, a hearing as provided for in paragraph (1) of subsection (b) of Code Section 17-7-130 shall be required. The court may order the Department of Behavioral Health and Developmental Disabilities to conduct an evaluation of the accused's competency. ~~If the court determines that it is necessary to have a trial on the issue of competency, the court shall follow the procedures set forth in Code Section 17-7-130.~~ The court's order shall set forth those facts which give rise to its bona fide doubt as to the accused's mental competency to stand trial. The evaluation of the Department of Behavioral Health and Developmental Disabilities shall be submitted to the court, and the court shall submit such evaluation to the attorney for the accused or, if pro se, to the accused, but otherwise, the report shall remain under seal.

(b) If ~~the court orders a competency evaluation and~~ the accused serves notice of a special plea of mental incompetency to stand trial ~~or raises the issue of insanity~~ and the court orders a competency evaluation, the court shall release the competency evaluation to the attorney for the accused or, if pro se, to the accused, and to the prosecuting attorney~~.~~ ~~Such~~; provided, however, that such evaluation shall not be released to any other person absent a court order.

(c) If the court determines that it is necessary to have a trial on the issue of competency, the court shall follow the procedures set forth in Code Section 17-7-130."

SECTION 2.

Said part is further amended in Code Section 17-7-130, relating to proceedings upon a plea of mental incompetency to stand trial, by revising subsections (b) and (c) as follows:

"(b)(1)(A) If an accused files a motion requesting a competency evaluation, the court shall hold a hearing to determine if there is sufficient information to raise a bona fide doubt regarding the accused's current mental competency to stand trial. The prosecuting attorney may submit information regarding the accused's current mental competency to stand trial. Any evidence presented by the accused, may, upon request by the accused or the attorney for the accused, be ex parte and any evidence submitted by either party shall be filed under seal. The court may, upon cause shown at such hearing, order the department to conduct an evaluation by a physician or licensed psychologist to determine the accused's mental competency to stand trial ~~and, if such~~.

(B) If the physician or licensed psychologist provided for in subparagraph (A) of this paragraph determines the accused to be mentally incompetent to stand trial, the ~~Department of Behavioral Health and Developmental Disabilities~~ department, in its sole discretion, shall determine an appropriate treatment with the capability to restore the accused to competency, which may include inpatient treatment in a secure facility designated by the department or a jail-based competency restoration program~~. If~~, and, if the accused is a child, the department shall be authorized to place such child in a secure facility designated by the department.

(C) The department's evaluation made pursuant to subparagraph (A) of this paragraph shall be submitted to the court, and the court shall submit such evaluation to the attorney for the accused or, if pro se, to the accused~~, but otherwise,~~; provided, however, that the evaluation shall be under seal and shall not be released to any other person absent a court order.

(D) As used in this paragraph, the term 'jail-based competency restoration' means clinical services for competency restoration that are provided in jails to persons found incompetent to stand trial pursuant to mutual agreements entered into between sheriffs and the department to offer such clinical services in jails.

(2) If the accused files a special plea alleging that the accused is mentally incompetent to stand trial, it shall be the duty of the court to have a bench trial, unless the state or the accused demands a special jury trial, to determine the accused's competency to stand trial. Once a special plea has been filed, the court shall submit the department's evaluation to the prosecuting attorney.

(c)(1) If the court finds the accused is mentally incompetent to stand trial, the court may order a department physician or licensed psychologist to evaluate and diagnose the accused as to whether there is a substantial probability that the accused will attain mental competency to stand trial in the foreseeable future. The court shall retain jurisdiction over the accused and shall transfer the accused to the physical custody of the department. At its discretion, the court may allow the evaluation to be performed on the accused as an outpatient if the accused is charged with a nonviolent offense.

(2) The ~~Such~~ evaluation provided for in paragraph (1) of this subsection shall be performed:

(A) Except as provided in subparagraph (B) of this paragraph, within 90 days after the department has received actual custody of an accused or, in the case of an outpatient, a court order requiring evaluation of an accused. If the accused is a child, the department shall be authorized to place such child in a secure facility designated by the department; or

(B) If the accused is charged only with one or more nonviolent misdemeanor offenses, within 45 days after the department has received actual custody of an accused or, in the case of an outpatient, a court order requiring evaluation of an accused; provided, however, that the provisions of this subparagraph shall not apply to a misdemeanor charge of driving under the influence of drugs or alcohol in violation of Code Section 40-6-391 or a misdemeanor charge involving an act of domestic violence.

(3) If the evaluation provided for in paragraph (1) of this subsection shows:

~~(1)~~(A) That the accused is mentally competent to stand trial, the department shall immediately report that determination and the reasons therefor to the court, and the court shall submit such determination to the attorney for the accused or, if pro se, to the accused and to the prosecuting attorney. The accused shall be returned to the court as provided for in subsection (d) of this Code section;

~~(2)~~(B) That the accused is mentally incompetent to stand trial and that there is not a substantial probability that the accused will attain competency in the foreseeable future, the court shall follow the procedures set forth in subsection (e) of this Code section for civil commitment or release; or

~~(3)~~(C) That the accused is mentally incompetent to stand trial but there is a substantial probability that the accused will attain competency in the foreseeable future:

(i) Except as provided in division (ii) of this subparagraph, by the end of the 90 day period provided for in subparagraph (A) of paragraph (2) of this subsection, or at any prior time, the department shall report that finding and the reasons therefor to the court and shall retain custody over the accused for the purpose of continued treatment for an additional period not to exceed nine months; provided, however, that if the accused is charged with a misdemeanor offense or a nonviolent offense, the court shall retain jurisdiction over the accused but may, in its discretion, allow continued treatment to be done on an outpatient basis by the department~~. The~~ and the department shall monitor the accused's outpatient treatment for the additional period not to exceed nine months; or

(ii) If the accused is charged only with one or more nonviolent misdemeanor offenses, by the end of the 45 day period provided for in subparagraph (B) of paragraph (2) of this subsection, or at any prior time, the department shall report that finding and the reasons therefor to the court and shall retain custody over the accused for the purpose of continued treatment for an additional period not to exceed 120 days; provided, however, that the court shall retain jurisdiction over the accused but may, in its discretion, allow continued treatment to be done on an outpatient basis by the department and the department shall monitor the accused's outpatient treatment for the additional period not to exceed 120 days.

(D)(i) If, by the end of the nine-month period provided for in division (i) of subparagraph (C) of this paragraph or at any prior time the accused's condition warrants, the accused is still determined by the department physician or licensed psychologist to be mentally incompetent to stand trial, irrespective of the probability of recovery in the foreseeable future, the department shall report that finding and the reasons therefor to the court. The court shall then follow the procedures in subsection (e) of this Code section for civil commitment or release.

(ii) If, by the end of the 120 day period provided for in division (ii) of subparagraph (C) of this paragraph or at any prior time the accused's condition warrants, the accused is still determined by the department physician or licensed psychologist to be mentally incompetent to stand trial, irrespective of the probability of recovery in the foreseeable future, the charges against the accused shall be dismissed as a matter of law by the court and the accused shall be referred to a community service board unless otherwise ordered by the court for cause shown upon the hearing of a motion by the prosecuting attorney."

SECTION 3.

(B) The claimant's conviction was reversed or vacated and the claimant was thereafter acquitted of the charges;

(C) The claimant's conviction was reversed or vacated and the claimant thereafter entered an Alford plea or a plea of nolo contendere when the claimant would otherwise have been entitled to a new trial; or

(D) The claimant received a pardon for the conviction based on the claimant's innocence.

(b) In evaluating whether a claimant has met the requirements of subsection (a) of this Code section, an administrative law judge may, in the interest of justice, give due consideration to difficulties of proof caused by the passage of time, the death or unavailability of witnesses, the destruction of evidence, and other factors not caused by the claimant or those acting on the claimant's behalf.

(c) Upon determining that a claimant meets the requirements of subsection (a) of this Code section, an administrative law judge shall award compensation to the claimant for wrongful conviction and incarceration in accordance with the provisions of this chapter; provided, however, that no compensation shall be awarded if the administrative law judge determines by a preponderance of the evidence that:

(1) The claimant was an accomplice in the commission of the crime for which the claimant was convicted; or

(2) For the purpose of protecting the true perpetrator from conviction, the claimant intentionally and voluntarily caused the conviction by entering a guilty plea, by committing perjury at trial, or by fabricating evidence at trial.

17-22-6.

(a) Upon receiving a claim under this chapter filed and served in accordance with Code Section 17-22-4, the Office of State Administrative Hearings shall, within 15 days, designate an administrative law judge to adjudicate the claim and notify the claimant, the Attorney General, and the prosecuting district attorney of such designation.

(b) Any such administrative law judge shall, within 180 days of being designated to adjudicate the claim, hold a hearing to determine if the claimant is eligible for compensation under this chapter, and if so, the amount of compensation to be awarded. The Attorney General and the prosecuting district attorney shall be entitled to file, within 30 days of such administrative law judge being designated to adjudicate the claim, a response in opposition to the claim and appear at the hearing for the purpose of contesting the claim.

(c) At a hearing held pursuant to subsection (b) of this Code section on a claim filed under this chapter, the claimant, the Attorney General, or the prosecuting district attorney may present evidence in support of or in opposition to the claimant's eligibility for compensation under this chapter or regarding the amount of compensation that the claimant is entitled to pursuant to Code Section 17-22-7. The rules of evidence established in Code Section 50-13-15 shall apply in any such hearing held.

(d) Within 30 days of holding a hearing under subsection (b) of this Code section, the administrative law judge shall issue a decision on the claimant's eligibility for compensation under this chapter and the amount of compensation to be awarded under Code Section 17-22-7, if any, which shall include a statement of the administrative law judge's findings and an explanation of the administrative law judge's calculation of any such compensation to be awarded. Within 30 days after the administrative law judge has issued such decision, the claimant, the Attorney General, or the prosecuting district

attorney may appeal such decision by filing, in accordance with the provisions of Chapter 3 of Title 5, a petition for review in the Superior Court of Fulton County or in the superior court of the county in which the claimant was prosecuted for the crime or crimes leading to the wrongful conviction and incarceration, provided that such appeal shall be without a jury, shall be confined to the record, and nothing in this chapter shall preclude the appeal of any decision or order issued by such superior court during or upon the completion of its review of the decision issued by the administrative law judge. If no such appeal of the administrative law judge's decision is timely filed, such decision shall become final and the administrative law judge shall, subject to the limitation provided in subsection (e) of this Code section, issue a judgment either awarding compensation to the claimant or denying the claim. If such an appeal of the administrative law judge's decision is filed, the administrative law judge shall only issue a judgment when such appeal process is completed in accordance with any orders of the reviewing court. The issuance of a judgment after completion of such appeal process shall be subject to the limitation provided in subsection (e) of this Code section.

(e) No claimant shall be entitled to compensation under this chapter, and no judgment awarding compensation to a claimant under this chapter shall be issued by an administrative law judge under subsection (d) of this Code section, unless and until the claimant has executed and filed with the Office of State Administrative Hearings a release and waiver, in a form and manner as the Office of State Administrative Hearings shall prescribe in consultation with the Department of Administrative Services, that releases, satisfies, acquits, and forever discharges any and all claims, demands, actions, causes of action, and damages, of every kind and nature whatsoever, past, present, or future, whether known or unknown, asserted or unasserted, that the claimant has or may claim to have against the state, any state governmental entity, or any current or former members, officers, employees, or agents of the state or any state governmental entity that arise out of or relate to any and all facts in connection with the claimant's wrongful conviction and incarceration. Nothing in this subsection shall be construed to require a claimant to release any claims, demands, actions, causes of action, or damages that the claimant may have or claim to have against any political subdivision of this state or any current or former members, officers, employees, or agents of any political subdivision of this state.

17-22-7.

(a) A claimant that satisfies the requirements of and is entitled to compensation under Code Section 17-22-5 shall be awarded:

(1) For each year of incarceration, $75,000.00, provided that a prorated amount shall be allocated to any partial year of incarceration;

(2) An additional $25,000.00 for each year of incarceration while awaiting a sentence of death based on the conviction at issue, provided that a prorated amount shall be allocated to any partial year of incarceration;

(3) The reasonable and necessary attorney's fees, costs, and expenses incurred by the claimant or on the claimant's behalf in reversing or vacating the claimant's conviction, obtaining a pardon, and filing a claim for compensation under this chapter; and

(4) Reimbursement for restitution, costs, fines, fees, or surcharges paid by or on behalf of the claimant as a result of the wrongful conviction at issue.

(b) In calculating time of incarceration, an administrative law judge shall only include time served for the charge for which the claimant is making a claim under this chapter, consistent with the requirements of Code Section 17-10-11; provided, however, that a claimant shall not be entitled to compensation under this chapter for any portion of a sentence spent incarcerated during which the claimant was also serving a concurrent sentence of incarceration for another crime for which the claimant's conviction was not overturned and for which the claimant was not pardoned based on innocence, except to the extent that:

(1) The sentence for that crime was longer than it would have been without consideration by the sentencing court of one or more of the crimes at issue; or

(2) The intact conviction was based on an Alford plea or a plea of nolo contendere maintaining a claim of innocence that the claimant accepted to resolve the underlying case after the original conviction was overturned, and the claimant proves by a preponderance of the evidence that the claimant did not commit the crime that resulted in the Alford plea or the plea of nolo contendere.

(c) If a claimant has received a monetary award or settlement in a civil action against the state, any state governmental entity, or any member, officer, employee, or agent of the state or a state governmental agency arising from or relating to the claimant's wrongful conviction and incarceration, such amount received by the claimant, less any attorney's fees, costs, and expenses paid by the claimant in obtaining the civil action award or settlement, shall be deducted from the amount of the compensation award to which the claimant is entitled under subsection (a) of this Code section.

(d) Beginning on January 1, 2026, and each year thereafter, the Office of State Administrative Hearings, by rules and regulations, shall adjust the dollar amounts specified in subsection (a) of this Code section to reflect the effect of annual inflation or deflation on the cost of living that citizens of this state experienced in the prior calendar year. In making such adjustments, the Office of State Administrative Hearings may use the Consumer Price Index, or its successor or appropriate replacement index, if any, published by the Bureau of Labor Statistics of the United States Department of Labor.

17-22-8.

(a) Any award of compensation made pursuant to this chapter shall not be:

(1) Subject to any monetary limitation of damages awarded in civil actions;

(2) Subject to any state income taxes; or

(3) Reduced by any expense related to the claimant's wrongful incarceration incurred by the state or any political subdivision thereof.

(b) No attorney shall collect any fees, costs, or expenses from a claimant in connection with obtaining relief under this chapter, including any fees, costs, or expenses calculated

on a contingency basis, except for the amounts awarded under paragraph (3) of subsection (a) of Code Section 17-22-7.

17-22-9.

(a) There is created the Wrongful Conviction and Incarceration Compensation Trust Fund as a separate fund in the state treasury. The state treasurer shall credit to the trust fund all moneys appropriated by the General Assembly for the purpose of providing claimants with compensation under this chapter and shall invest the moneys held in the trust fund in the same manner in which state funds are invested as authorized by the State Depository Board pursuant to Article 3 of Chapter 17 of Title 50.

(b) No award of compensation issued under this chapter shall be payable except from the Wrongful Conviction and Incarceration Compensation Trust Fund. Nothing in this chapter shall be construed to authorize any execution or levy against any state property or state funds, and such execution or levy against any state property or state funds for purposes of paying compensation awards issued under this chapter is expressly prohibited. The liability of the state under this chapter shall never exceed the amount of funds available in the Wrongful Conviction and Incarceration Compensation Trust Fund and no award of compensation issued under this chapter shall be payable unless and until the General Assembly appropriates moneys for the payment thereof.

(c) Subject to the availability of funds, any award of compensation issued under this chapter shall be paid out of the Wrongful Conviction and Incarceration Compensation Trust Fund as follows:

(1)(A) If the judgment awarding such compensation is issued by the administrative law judge pursuant to subsection (d) of Code Section 17-22-6 before September 1 of a given calendar year, the state treasurer shall pay to the claimant an initial sum of $6,000.00 within 60 days of such judgment being issued and such judgment being presented to the state treasurer for payment, and such initial sum shall be deducted from the total award amount.

(B) If the judgment awarding such compensation is issued by the administrative law judge pursuant to subsection (d) of Code Section 17-22-6 on or after September 1 of a given calendar year, the state treasurer shall pay to the claimant an initial sum of $18,000.00 within 60 days of such judgment being issued and such judgment being presented to the state treasurer for payment, and such initial sum shall be deducted from the total award amount.

(2) Thereafter, the General Assembly shall, through an amended appropriations Act for the current fiscal year for a judgment issued before September 1 of a given calendar year or through the general appropriations Act for the next fiscal year for a judgment issued on or after September 1 of a given calendar year, appropriate a sum sufficient to pay the remainder of the award of compensation; provided, however, that, for any award of compensation that exceeds $1.5 million, the General Assembly shall appropriate such sum in equal amounts over three separate fiscal years. Within 60 days of such appropriation being made and such funds being credited to the Wrongful Conviction and Incarceration Compensation Trust Fund, the state treasurer shall pay to

the claimant the remainder of the award of compensation; provided, however, that, if such award exceeds $1.5 million, the state treasurer shall pay to the claimant the remainder of the award in three equal payments, each within 60 days of such amounts being appropriated by the General Assembly and credited to the Wrongful Conviction and Incarceration Compensation Trust Fund.

(d) Any payment of an award of compensation pursuant to subsection (c) of this Code section may be made to or for the benefit of the claimant, or, in the case of the death of the claimant, to or for the benefit of one or more heirs at law or designated beneficiaries of the claimant.

17-22-10.

Subject to the provisions and limitations of this chapter, the sovereign immunity of this state is waived for the purpose of authorizing claimants to file claims for and seek compensation awards under this chapter and for authorizing payment of any judgment awarding such compensation from the Wrongful Conviction and Incarceration Compensation Trust Fund.

17-22-11.

The Office of State Administrative Hearings, through the chief state administrative law judge, shall have the power to promulgate any rules and regulations and establish any procedures that are necessary to carry out, and are not inconsistent with, the provisions of this chapter.

17-22-12.

(a) A court entering a dismissal or judgment of acquittal after a defendant's criminal conviction has been overturned, vacated, or reversed shall provide a copy of this chapter to the defendant at the time of entry of the dismissal or acquittal and obtain from the defendant a written acknowledgment of receipt of a copy of this chapter on a form established by the Supreme Court of Georgia. Such acknowledgment shall be transmitted by the court to the Supreme Court of Georgia and shall be entered on the docket by the Supreme Court of Georgia. The acknowledgment shall be admissible in any proceeding subsequently filed by the defendant under this chapter.

(b) Upon the issuance and acceptance of a pardon of innocence or a commutation of sentence resulting in release because of a finding of innocence, the State Board of Pardons and Paroles shall provide a copy of this chapter to the individual receiving the pardon or commutation and obtain from the individual a written acknowledgment of receipt of a copy of this chapter on a form established by the State Board of Pardons and Paroles. The acknowledgment shall be retained on file by the State Board of Pardons and Paroles as part of its official records and shall be admissible in any proceeding subsequently filed by the individual under this chapter."

A BILL TO BE ENTITLED
AN ACT

To amend Code Section 48-5-7.4 of the Official Code of Georgia Annotated, relating to preferential assessment for bona fide conservation use property and bona fide residential transitional property, so as to remove a limitation on leased property as to certain entities; to amend Code Section 48-7-40.26A of the Official Code of Georgia Annotated, relating to tax credits for postproduction expenditures, so as to renew a tax credit for postproduction expenditures; to provide for related matters; to provide for an effective date and applicability; to repeal conflicting laws; and for other purposes.

BE IT ENACTED BY THE GENERAL ASSEMBLY OF GEORGIA:

SECTION 1.

Code Section 48-5-7.4 of the Official Code of Georgia Annotated, relating to preferential assessment for bona fide conservation use property and bona fide residential transitional property, is amended by revising subsection (b) as follows:

"(b) Except in the case of the underlying portion of a tract of real property on which is actually located a constructed storm-water wetland, the following additional rules shall apply to the qualification of conservation use property for current use assessment:

(1) When one-half or more of the area of a single tract of real property is used for a qualifying purpose, then such tract shall be considered as used for such qualifying purpose unless some other type of business is being operated on the unused portion; provided, however, that such unused portion must be minimally managed so that it does not contribute significantly to erosion or other environmental or conservation problems. The lease of hunting rights or the use of the property for hunting purposes shall not constitute another type of business. The charging of admission for use of the property for fishing purposes shall not constitute another type of business;

(2)(A)(i) The owner of a tract, lot, or parcel of land totaling less than ten acres shall be required by the tax assessor to submit additional relevant records regarding proof of bona fide conservation use for qualified property that on or after May 1, 2012, is either first made subject to a covenant or is subject to a renewal of a previous covenant. The provisions of this paragraph relating to requiring additional relevant records regarding proof of bona fide conservation use shall not apply to such property if the owner of the subject property provides one or more of the following:

~~(i)~~(I) Proof that such owner has filed with the Internal Revenue Service a Schedule E, reporting farm related income or loss, or a Schedule F, with Form 1040, or, if applicable, a Form 4835, pertaining to such property;

~~(ii)~~(II) Proof that such owner has incurred expenses for the qualifying use; or

~~(iii)~~(III) Proof that such owner has generated income from the qualifying use.

(ii) Prior to a denial of eligibility under this paragraph, the tax assessor shall conduct and provide proof of a visual, on-site inspection of the property. Reasonable notice shall be provided to the property owner before being allowed a visual, on-site inspection of the property by the tax assessor.

(B) The owner of a tract, lot, or parcel of land totaling ten acres or more shall not be required by the tax assessor to submit additional relevant records regarding proof of

bona fide conservation use for qualified property that on or after May 1, 2012, is either first made subject to a covenant or is subject to a renewal of a previous covenant;

(3) No property shall qualify as bona fide conservation use property if such current use assessment would result in any person who has a beneficial interest in such property, including any interest in the nature of stock ownership, receiving in any tax year any benefit of current use assessment as to more than 2,000 acres. If any taxpayer has any beneficial interest in more than 2,000 acres of tangible real property which is devoted to bona fide conservation uses, such taxpayer shall apply for current use assessment only as to 2,000 acres of such land;

(4) No property shall qualify as bona fide conservation use property if it is leased to a person or entity which would not be entitled to conservation use assessment~~;~~. This paragraph shall not apply to a corporation, a partnership, a general partnership, a limited partnership, a limited corporation, or a limited liability company registered with the Secretary of State that meets the following conditions:

(A)(i) Its ownership includes only natural or naturalized citizens;

(ii) It has as its primary purpose the production of agricultural products or timber from or on the land, including, but not limited to, subsistence farming or commercial production; and

(iii) It derives 80 percent or more of its gross income from bona fide conservation uses, including earnings on investments directly related to past or future bona fide conservation uses, within this state; or

(B) At least one of its members has no less than a 25 percent ownership interest in the property being leased and would be entitled to conservation use assessment;

(5) No property shall qualify as bona fide conservation use property if such property is at the time of application for current use assessment subject to a restrictive covenant which prohibits the use of the property for the specific purpose described in subparagraph (a)(1)(E) of this Code section for which bona fide conservation use qualification is sought; and

(6) No otherwise qualified property shall be denied current use assessment on the grounds that no soil map is available for the county in which such property is located; provided, however, that, if no soil map is available for the county in which such property is located, the owner making an application for current use assessment shall provide the board of tax assessors with a certified soil survey of the subject property unless another method for determining the soil type of the subject property is authorized in writing by such board."

SECTION 2.

Code Section 48-7-40.26A of the Official Code of Georgia Annotated, relating to tax credits for postproduction expenditures, is amended by revising subsections (d) and (f) as follows:

"28-1-17.

(a) The Senate or the House of Representatives may, through rules of procedure or resolution, authorize one or more committees of such chamber to exercise the investigatory powers provided for in Code Section 45-15-19. The Senate and the House of Representatives may, through joint resolution or joint rules of procedure, authorize

one or more joint committees to exercise the investigatory powers provided for in Code Section 45-15-19.

(b) For the purpose of conducting any investigation, a committee that has been authorized to exercise investigatory powers pursuant to subsection (a) of this Code section shall have the power to administer oaths; to call any party to testify under oath at such investigation; to require the attendance of witnesses and the production of books, records, and papers; and to take the depositions of witnesses. For such purposes, the committee is authorized to issue a subpoena for any witness or a subpoena to compel the production of any books, records, or papers consistent with the rules of procedure or resolution enabling such committee. A subpoena issued under this Code section may be served at any place in this state and in any manner authorized in Code Section 24-13-24.

(c) When authorized by the rules of procedure or resolution enabling such committee, the confidential treatment of material and information in the course of investigations and other proceedings of such committee shall be recognized by law. (d)(1) In case of refusal to obey a subpoena issued under this Code section to any person and upon application by the committee that has been authorized to exercise investigatory powers pursuant to subsection (a) of this Code section, the superior court in whose jurisdiction the witness is to appear or in which the books, records, or papers are to be produced may issue to that person an order requiring him or her to appear before the court to show cause why he or she should not be held in contempt for refusal to obey the subpoena. Failure to obey a subpoena may be punished by the court as contempt of court.

The court may, but shall not be required to, issue the subpoena in such a manner as to preserve its confidentiality. If the court determines that a subpoena may be issued but confidential treatment is not warranted under the rules of procedure or resolution enabling such committee, the judge shall so notify the chairperson or acting chairperson; and the chairperson or acting chairperson shall then have the option to:

(A) Abandon the request for a subpoena, in which case the application shall remain confidential; or

(B) Accept the determination of the court, in which case the subpoena shall issue, but the application and the issuance shall not be treated as confidential.

(e) Nothing in this Code section, Code Section 28-1-16, Code Section 45-15-17, or Code Section 45-15-19, or in any other section of this Code, is intended to, or shall be interpreted as, abrogating, modifying, superseding, or in any other way limiting any authority, immunity, privilege, or power granted to or possessed by the General Assembly, the Senate, the House of Representatives, any committee of either chamber, any joint committee, and the members thereof, whether explicitly or implicitly, by the Constitution, the rules of procedure of either chamber, statutory law, decisional law, or common law and the General Assembly expressly intends to preserve all such authority,

A BILL TO BE ENTITLED
AN ACT

To amend Article 3 of Chapter 6 of Title 48 of the Official Code of Georgia Annotated, relating to intangible recording tax, so as to revise the notes for which such tax is imposed; to provide for procedures; to revise definitions; to provide for related matters; to repeal conflicting laws; and for other purposes.

BE IT ENACTED BY THE GENERAL ASSEMBLY OF GEORGIA:

SECTION 1.

Article 3 of Chapter 6 of Title 48 of the Official Code of Georgia Annotated, relating to intangible recording tax, is amended in Code Section 48-6-60, relating to definitions, by revising paragraph (3) and by repealing paragraph (4) as follows:

"(3) 'Long-term note secured by real estate' means any note representing credits secured by real estate by means of mortgages, deeds to secure debt, purchase money deeds to secure debt, bonds for title, or any other form of security instrument, when any part of the principal of the note falls due more than ~~three years~~ 62 months from the date of the note or from the date of any instrument executed to secure the note and conveying or creating a lien or encumbrance on real estate for such purpose."

SECTION 2.

Said article is further amended by revising Code Section 48-6-66, relating to showing correct amount and due date on instruments conveying, encumbering, or creating a lien upon real estate, as follows:

"48-6-66.

Every instrument conveying, encumbering, or creating a lien upon real estate shall set forth in words and figures the correct amount of the note secured by the instrument and the date upon which the note falls due. When the note falls due within ~~three years~~ 62

months from the date of the note or from the date of any instrument executed to secure the note, a statement of that fact in lieu of specifying the date upon which the note falls due may be made in the security instrument and shall constitute sufficient compliance with this Code section. The inclusion in the instrument of a provision that the instrument secures all other indebtedness then existing or thereafter incurred shall not require the setting forth in the instrument of existing indebtedness for loans not made on the security of the instrument."

SECTION 3.

Said article is further amended by revising Code Section 48-6-68, relating to bond for title in absence of security deed and recording and tax, as follows:

"48-6-68.

Any seller of real estate who retains title to the real estate as security for the purchase price and who does not convey title to the purchaser or take back a deed to secure debt shall execute and deliver to the purchaser a bond for title which shall correctly set forth the unpaid portion of the purchase price and the maturity of the indebtedness. If any part of the purchase price falls due more than ~~three years~~ 62 months from the date of the instrument, the seller shall have the instrument recorded before delivery of the bond for title in the county where the land is located and shall pay the tax required by this article for the recording of the instrument."

SECTION 4.

All laws and parts of laws in conflict with this Act are repealed.

HB 131. By Representatives Reeves of the 99th, Gunter of the 8th, Leverett of the 123rd, Oliver of the 84th, Holcomb of the 101st and others:

A BILL to be entitled an Act to amend Article 5 of Chapter 4 of Title 10 of the Official Code of Georgia Annotated, relating to self-service storage facilities, so as to revise the advertisement requirements before an owner of a self-service storage facility can enforce an owner's lien; to provide for related matters; to provide for an effective date and applicability; to repeal conflicting laws; and for other purposes.

The following Senate substitute was read:

A BILL TO BE ENTITLED
AN ACT

To amend Article 5 of Chapter 4 of Title 10 of the Official Code of Georgia Annotated, relating to self-service storage facilities, so as to revise the advertisement requirements before an owner of a self-service storage facility can enforce an owner's lien; to provide for related matters; to provide for an effective date and applicability; to repeal conflicting laws; and for other purposes.

BE IT ENACTED BY THE GENERAL ASSEMBLY OF GEORGIA:

SECTION 1.

Article 5 of Chapter 4 of Title 10 of the Official Code of Georgia Annotated, relating to self-service storage facilities, is amended by revising subsection (a) of Code Section 10-4-213, relating to enforcement of lien without judicial intervention and execution of rental agreement, as follows:

"(a) Provided that it complies with the requirements of this Code section, an owner may enforce the lien without judicial intervention. The owner shall obtain from the occupant a written rental agreement which includes the following language:

'This agreement, made and entered into this _____ day of _____, ____, by and between _____, hereinafter called Owner, and _____, hereinafter called Occupant, whose last known address is _____. For the consideration hereinafter stated, Owner agrees to let Occupant use and occupy a space in the self-service storage facility, known as _____, situated in the City of _____, County of _____, State of Georgia, and more particularly described as follows: Building #_____, Space #_____, Size _____. Said space is to be occupied and used for the purposes specified herein and subject to the conditions set forth for a period of _____, beginning on the _____ day of _____, ____, and continuing month to month until terminated.

'"Space,'" as used in this agreement, will be that part of the self-service storage facility as described above. Occupant agrees to pay Owner, as payment for the use of the space and improvements thereon, the monthly sum of $_____. Monthly installments are payable in advance on or before the first of each month, in the amount of $_____, and a like amount for each month thereafter, until the termination of this agreement.

If any monthly installment is not paid by the seventh calendar day of the month due, or if any check given in payment is dishonored by the financial institution on which it is drawn, Occupant shall be deemed to be in default.

Occupant further agrees to pay the sum of one month's fees, which shall be used as a clean-up and maintenance fund, and is to be used, if required, for the repair of any damage done to the space and to clean up the space at the termination of the agreement. In the event that the space is left in a good state of repair, and in a broom-swept condition, then this amount shall be refunded to Occupant. However, it is agreed to between the parties that Owner may set off any claims it may have against Occupant from this fund.

The space named herein is to be used by Occupant solely for the purpose of storing any personal property belonging to Occupant. Occupant agrees not to store any explosives or any highly inflammable goods or any other goods in the space which would cause danger to the space. Occupant agrees that the property will not be used for any unlawful purposes and Occupant agrees not to commit waste, nor alter, nor affix signs on the space, and to keep the space in good condition during the term of this agreement.

OWNER HAS A LIEN ON ALL PERSONAL PROPERTY STORED IN OCCUPANT'S SPACE FOR RENT, FEES FOR THE LATE PAYMENT OF RENT, LABOR, OR OTHER CHARGES, PRESENT OR FUTURE, IN RELATION TO THE PERSONAL PROPERTY, AND FOR ITS

PRESERVATION OR EXPENSES REASONABLY INCURRED IN ITS SALE OR OTHER DISPOSITION PURSUANT TO THIS AGREEMENT. PERSONAL PROPERTY STORED IN OCCUPANT'S SPACE WILL BE SOLD OR OTHERWISE DISPOSED OF IF NO PAYMENT HAS BEEN RECEIVED FOR A CONTINUOUS THIRTY-DAY PERIOD AFTER DEFAULT. IN ADDITION, UPON OCCUPANT'S DEFAULT, OWNER MAY WITHOUT NOTICE DENY OCCUPANT ACCESS TO THE PERSONAL PROPERTY STORED IN OCCUPANT'S SPACE UNTIL SUCH TIME AS PAYMENT IS RECEIVED. IF ANY MONTHLY INSTALLMENT IS NOT MADE BY THE SEVENTH CALENDAR DAY OF THE MONTH DUE, OR IF ANY CHECK GIVEN IN PAYMENT IS DISHONORED BY THE FINANCIAL INSTITUTION ON WHICH IT IS DRAWN, OCCUPANT IS IN DEFAULT FROM DATE PAYMENT WAS DUE.

I hereby agree that all notices other than bills and invoices shall be given by hand delivery, verified mail, or email at the following addresses:

_____ (hand delivery)
_____ (verified mail)
_____ (email).

and I further understand that I may designate to ~~owner~~ Owner an agent to receive such notice by providing:

_____ (hand delivery)
_____ (verified mail)
_____ (email).

For purposes of Owner's lien: '"personal property '" means movable property, not affixed to land, and includes, but is not limited to, goods, wares, merchandise, motor vehicles, trailers, watercraft, household items, and furnishings; '"last known address '" means the street address or post office box address provided by Occupant in the latest rental agreement or the address provided by Occupant in a subsequent written notice of a change of address by hand delivery, verified mail, or email.

Owner's lien is superior to any other lien or security interest, except those which are evidenced by a certificate of title or perfected and recorded prior to the date of this rental agreement in Georgia, in the name of Occupant, either in the county of Occupant's 'last known address' or in the county where the self-service storage facility is located, except any tax lien as provided by law and except those liens or security interests of whom Owner has knowledge through Occupant's disclosure in this rental agreement or through other written notice. Occupant attests that the personal property in Occupant's space(s) is free and clear of all liens and secured interests except for _____. Owner's lien attaches as of the date the personal property is brought to the self-service storage facility.

Except as otherwise specifically provided in this rental agreement, the exclusive care, custody, and control of any and all personal property stored in the leased space shall remain vested in Occupant. Owner does not become a bailee of Occupant's personal property by the enforcement of Owner's lien.

If Occupant has been in default continuously for thirty (30) days, Owner may enforce its lien, provided Owner shall comply with the following procedure:

Occupant shall be notified of Owner's intent to enforce Owner's lien by written notice delivered in person, by verified mail, or by email. Owner also shall notify other parties with superior liens or security interests as defined in this rental agreement. A notice given pursuant to this rental agreement shall be presumed sent when it is deposited with the United States Postal Service or the statutory overnight delivery service properly addressed with postage or delivery fees prepaid or sent by email. If Owner sends notice of a pending sale of property to Occupant's last known email address and does not receive a nonautomated response or a receipt of delivery to the email address, Owner shall send notice of the sale to Occupant by verified mail to Occupant's last known address or to the last known address of the designated agent of the Occupant before proceeding with the sale.

Owner's notice to Occupant shall include an itemized statement of Owner's claim showing the sum due at the time of the notice and the date when the sum became due. Owner's notice shall notify Occupant of denial of access to the personal property and provide the name, street address, email address, and telephone number of Owner or its designated agent, whom Occupant may contact to respond to this notice. Owner's notice shall demand payment within a specified time, not less than fourteen (14) days after delivery of the notice. It shall state that, unless the claim is paid, within the time stated in the notice, the personal property will be advertised for public sale to the highest bidder, and will be sold at a public sale to the highest bidder, at a specified time and place.

After the expiration of the time given in Owner's notice, Owner shall publish an advertisement of the public sale to the highest bidder, once ~~a week, for two consecutive weeks,~~ in the legal organ for the county where the self-service storage facility is located; provided, however, that the advertisement of the sale may be done in any other commercially reasonable manner when the property being sold is anything other than a motor vehicle, motorcycle, trailer, any watercraft, or any recreational vehicle. The advertisement and sale shall be deemed commercially reasonable if at least three (3) independent bidders attend the sale at the time and place advertised. '"Independent bidder "' means a bidder who is not related to and who has no controlling interest in, or common pecuniary interest with, Owner or any other bidder. The advertisement shall include: a brief and general description of the personal property, reasonably adequate to permit its identification; the address of the self-service storage facility, and the number, if any, of the space where the personal property is located, and the name of Occupant; and the time, place, and manner of the public sale. The public sale to the highest bidder shall take place not sooner than fifteen (15) days after ~~the first~~ publication. Regardless of whether a sale involves the property of more than one Occupant, a single advertisement may be used to advertise the disposal of property at the sale. A public sale includes offering the property on a publicly accessible website that regularly conducts online auctions of personal property. Such sale shall be considered incidental to the self-storage business and no license shall be required.

If no one purchases the property at the public sale and if Owner has complied with the foregoing procedures, Owner may otherwise dispose of the property and shall notify Occupant of the action taken. Any sale or disposition of the personal property shall be held at the self-service storage facility or at the nearest suitable place to where the personal property is held or stored.

Before any sale or other disposition of personal property pursuant to this agreement, Occupant may pay the amount necessary to satisfy the lien and the reasonable expenses incurred and thereby redeem the personal property and thereafter Owner shall have no liability to any person with respect to such personal property.

A Purchaser in good faith of the personal property sold to satisfy Owner's lien takes the property free of any rights of persons against whom the lien was valid, despite noncompliance by Owner with the requirements of this agreement.

In the event of a sale, Owner may satisfy his or her lien from the proceeds of the sale. Owner shall hold the balance of the proceeds, if any, for Occupant or any notified secured interest holder. If not claimed within two years of the date of sale, the balance of the proceeds shall be disposed of in accordance with Article 5 of Chapter 12 of Title 44, the '"Disposition of Unclaimed Property Act."' In no event shall Owner's liability exceed the proceeds of the sale.

If the rental agreement contains a limit on the value of property stored in Occupant's storage space, the limit shall be deemed to be the maximum value of the property stored in that space.

If the property upon which the lien is claimed is a motor vehicle, trailer, or watercraft and rent and other charges related to the property remain unpaid or unsatisfied for 60 days following the maturity of the obligation to pay rent, Owner may have the property towed in lieu of foreclosing on the lien. If a motor vehicle, trailer, or watercraft is towed as authorized in this section, Owner shall not be liable for the motor vehicle, trailer, or watercraft or any damages to the motor vehicle, trailer, or watercraft once the tower takes possession of the property.'"

SECTION 2.

The Act shall become effective on July 1, 2025, and shall apply to any actions for lien enforcement without judicial intervention initiated on or after such date.

SECTION 3.

All laws and parts of laws in conflict with this Act are repealed.

(1) Immediately appoint legal counsel to represent the proposed ward at the emergency hearing, which counsel may be the same counsel who is appointed to represent the proposed ward in the hearing on the petition for guardianship or conservatorship, if any such petition has been filed, and shall inform counsel of the appointment;

(2) Order an emergency hearing to be conducted not sooner than three days nor later than five days after the filing of the petition;
(3) Order an evaluation of the proposed ward by ~~a physician~~ an evaluator who shall be a physician licensed to practice medicine under Chapter 34 of Title 43, a psychologist licensed to practice under Chapter 39 of Title 43, a physician assistant licensed under Chapter 34 of Title 43, a nurse practitioner or clinical nurse specialist in psychiatric/mental health licensed or registered under Chapter 26 of Title 43, a professional counselor licensed under Chapter 10A of Title 43, or a licensed clinical social worker, other than the physician, psychologist, ~~or~~ physician assistant, nurse practitioner, clinical nurse specialist in psychiatric/mental health, professional counselor, or licensed clinical social worker who completed the affidavit attached to the petition pursuant to paragraph (1) of subsection (d) of Code Section 29-4-10. The evaluation shall be conducted within 72 hours of the time the order was issued and a written report shall be furnished to the court and made available to the parties within this time frame, which evaluation and report shall be governed by the provisions of subsection (d) of Code Section 29-4-11;
(4) Immediately notify the proposed ward of the proceedings by service of all pleadings on the proposed ward, which notice shall:

(B) Inform the proposed ward that a petition has been filed to have an emergency guardian appointed for the proposed ward, that the proposed ward has the right to attend any hearing that is held, and that, if an emergency guardian is appointed, the proposed ward may lose important rights to control the management of the proposed ward's person;
(C) Inform the proposed ward of the place and time at which the proposed ward shall submit to the evaluation provided for by paragraph (3) of this subsection;
(D) Inform the proposed ward of the appointment of legal counsel; and
(E) Inform the proposed ward of the date and time of the hearing on the emergency guardianship; and

Any emergency guardian appointed under this paragraph shall have only those powers and duties specifically enumerated in the letters of emergency guardianship, and the powers

and duties shall not exceed those absolutely necessary to respond to the immediate threatened risk to the ward."

The proposed ward may also challenge, by appropriate evidence and argument, the sufficiency and weight of the results and conclusions of the evaluation and written report and the qualifications, experience, or abilities of the person performing the evaluation. The burden of proof shall be upon the petitioner. Upon the consent of the petitioner and the proposed ward, the court may grant a continuance of the case for a period not to exceed 30 days.

(3) If the court finds that the proposed ward has one or more developmental disabilities as defined in paragraph (8) of Code Section 37-1-1, the court shall not find that there is a need for an emergency guardianship unless the evidence shows by clear and convincing evidence that, due to such developmental disability or disabilities and other factors that may be present, the proposed ward lacks sufficient capacity to make or communicate significant responsible decisions concerning his or her health or safety and there is an immediate and substantial risk of death or serious physical injury, illness, or disease unless an emergency guardian is appointed; and

If, after reviewing the petition and the affidavits, the court determines that there is no probable cause to believe that there has been a significant change in the capacity of the ward, the court shall dismiss the petition. If the petition is not dismissed, the court shall order that an evaluation be conducted, in accordance with the provisions of subsection (d) of Code Section 29-4-11. If, after reviewing the evaluation report, the court finds that there is no probable cause to believe that there has been a significant change in the capacity of the ward, the court shall dismiss the petition. If the petition is not dismissed, the court shall schedule a hearing, with notice as the court deems appropriate."

SECTION 10.

Said title is further amended in Code Section 29-4-42, relating to termination of guardianship, required evidence, burden of proof, and return of property, by revising subsection (b) as follows:

"(b) A petition for termination must be supported either by the affidavits of two persons who have knowledge of the ward, one of whom may be the petitioner, or of a physician licensed to practice medicine under Chapter 34 of Title 43, a psychologist licensed to practice under Chapter 39 of Title 43, a physician assistant licensed under Chapter 34 of Title 43, a nurse practitioner or clinical nurse specialist in psychiatric/mental health licensed or registered under Chapter 26 of Title 43, a professional counselor licensed under Chapter 10A of Title 43, or a licensed clinical social worker, setting forth the supporting facts and determinations. If, after reviewing the petition and the affidavits, the court determines that there is no probable cause to believe that the guardianship should be terminated, the court shall dismiss the petition. If the petition is not dismissed, the court shall order that an evaluation be conducted, in accordance with the provisions of subsection (d) of Code Section 29-4-11. If, after reviewing the evaluation report, the court finds that there is no probable cause to believe that the guardianship should be

terminated, the court shall dismiss the petition. If the petition is not dismissed, the court shall schedule a hearing, with such notice as the court deems appropriate."

SECTION 11.

Said title is further amended in Code Section 29-4-70, relating to right of ward to appeal, procedure, and appointment of emergency guardian, by revising subsection (d) as follows:

"(d) Pending any appeal, the superior court or a probate court that is described in paragraph (2) of Code Section 15-9-120 may appoint an emergency guardian with such powers and duties as are described in Code Section 29-4-16; provided, however, that an emergency guardian may be appointed only upon the filing of an affidavit of a physician licensed to practice medicine under Chapter 34 of Title 43, a psychologist licensed to practice under Chapter 39 of Title 43, a physician assistant licensed under Chapter 34 of Title 43, a nurse practitioner or clinical nurse specialist in psychiatric/mental health licensed or registered under Chapter 26 of Title 43, a professional counselor licensed under Chapter 10A of Title 43, or a licensed clinical social worker, setting forth the existence of the emergency circumstances described in subsection (d) of Code Section 29-4-14 and after a hearing at which other evidence may be presented. The appointment of an emergency guardian is not appealable."

BE IT ENACTED BY THE GENERAL ASSEMBLY OF GEORGIA:

PART I
SECTION 1-1.

Article 2 of Chapter 6 of Title 5 of the Official Code of Georgia Annotated, relating to appellate practice, is amended by revising Code Section 5-6-41, relating to reporting, preparation, and disposition of transcript, correction of omissions or misstatements, preparation of transcript from recollections, filing of disallowed papers, filing of stipulations in lieu of transcript, and reporting at party's expense, as follows:

"5-6-41.

(a) For any felony trial; for any post-indictment evidentiary hearing in a felony case excluding arraignments, guilty pleas, bond hearings, and any hearings in which no witness testifies; and for all proceedings in a case in which the prosecuting attorney has filed a notice of intent to seek the death penalty ~~In all felony cases~~, the transcript of evidence and proceedings shall be reported and prepared by a court reporter as provided in Code Section 17-8-5 or as otherwise provided by law. In all other felony proceedings, the transcript of evidence and proceedings shall either be reported and prepared by a court reporter as provided in Code Section 17-8-5 or as otherwise provided by law or, except as provided in Code Section 5-6-41, in the judge's discretion, be recorded via a digital recording system, as defined in Code Section 15-14-22, and as provided for by uniform court rules adopted and published by order of the Supreme Court with the advice and consent of the council of the affected class or classes of trial courts.

(b) In all misdemeanor cases, the trial judge may, in the judge's discretion, require the reporting and transcribing of the evidence and proceedings by a court reporter on terms prescribed by the trial judge, or, except as provided in Code Section 5-6-41, may require the recording of the evidence and proceedings via a digital recording system, as defined in Code Section 15-14-22, and as provided for by uniform court rules adopted and published by order of the Supreme Court with the advice and consent of the council of the affected class or classes of trial courts.

(c) In all civil cases tried in the superior and city courts, in the Georgia State-wide Business Court, and in any other court, the judgments of which are subject to review by the Supreme Court or the Court of Appeals, the trial judge thereof may require the parties to have the proceedings and evidence reported by a court reporter, the costs thereof to be borne equally between them, or, except as provided in Code Section 5-6-41, recorded via a digital recording system, as defined in Code Section 15-14-22, and as provided for by uniform court rules adopted and published by order of the Supreme Court with the advice

and consent of the council of the affected class or classes of trial courts; and, where an appeal is taken which draws in question the transcript of the evidence and proceedings, it shall be the duty of the appellant to have the transcript prepared at the appellant's expense. Where it is determined that the parties, or either of them, are financially unable to pay the costs of reporting or transcribing, and the proceeding was not recorded by a digital recording system, as defined in Code Section 15-14-22, the judge may, in the judge's discretion, authorize trial of the case unreported; and, when it becomes necessary for a transcript of the evidence and proceedings to be prepared, it shall be the duty of the moving party to prepare the transcript from recollection or otherwise.

(d) Where a trial in any civil or criminal case is reported by a court reporter or recorded via a digital recording system, as defined in Code Section 15-14-22, and as provided for by uniform court rules adopted and published by order of the Supreme Court with the advice and consent of the council of the affected class or classes of trial courts, all motions, colloquies, objections, rulings, evidence, whether admitted or stricken on objection or otherwise, copies or summaries of all documentary evidence, the charge of the court, and all other proceedings which may be called in question on appeal or other posttrial procedure shall be reported or recorded; and, where the report or recording is transcribed, all such matters shall be included in the written transcript, it being the intention of this article that all these matters appear in the record. Where matters occur which were not reported or recorded, such as objections to oral argument, misconduct of the jury, or other like instances, the court, upon motion of either party, shall require that a transcript of these matters be made and included as a part of the record. The transcript of proceedings shall not be reduced to narrative form unless by agreement of counsel; but, where the trial is not reported or recorded or the transcript of the proceedings for any other reason is not available and the evidence is prepared from recollection, it may be prepared in narrative form.

(e) Where a civil or criminal trial is reported by a court reporter or recorded via a digital recording system, as defined in Code Section 15-14-22, and as provided for by uniform court rules adopted and published by order of the Supreme Court with the advice and consent of the council of the affected class or classes of trial courts, and the evidence and proceedings are transcribed, ~~the~~ a court reporter shall complete the transcript and file the original and one copy thereof with the clerk of the trial court, together with the court reporter's certificate attesting to the correctness thereof. In criminal cases where the accused was convicted of a capital felony, an additional copy shall be filed for the Attorney General, for which the court reporter shall receive compensation from the Department of Law as provided by law. The original transcript shall be transmitted to the appellate court as a part of the record on appeal; and one copy will be retained in the trial court, both as referred to in Code Section 5-6-43. Upon filing by the court reporter, the transcript shall become a part of the record in the case and need not be approved by the trial judge.

(f) Where any party contends that the transcript or record does not truly or fully disclose what transpired in the trial court and the parties are unable to agree thereon, the trial court shall set the matter down for a hearing with notice to both parties and resolve the

difference so as to make the record conform to the truth. If anything material to either party is omitted from the record on appeal or is misstated therein, the parties by stipulation, or the trial court, either before or after the record is transmitted to the appellate court, on a proper suggestion or of its own initiative, may direct that the omission or misstatement shall be corrected and, if necessary, that a supplemental record shall be certified and transmitted by the clerk of the trial court. The trial court or the appellate court may at any time order the clerk of the trial court to send up any original papers or exhibits in the case, to be returned after final disposition of the appeal.

(g) Where a proceeding is recorded via a digital recording system, as defined in Code Section 15-14-22, and as provided for by uniform court rules adopted and published by order of the Supreme Court with the advice and consent of the council of the affected class or classes of trial courts, such recording shall not be considered the record of the proceeding unless it is transcribed and certified pursuant to subsection (b) of Code Section 15-14-5. Such transcript shall not be created if the recorded proceeding is also taken down and transcribed by a court reporter.

~~(g)~~(h) Where a trial is not reported or recorded as referred to in subsections (b) and (c) of this Code section or where for any other reason the transcript of the proceedings is not obtainable and a transcript of the evidence and proceedings is prepared from recollection, the agreement of the parties thereto or their counsel, entered thereon, shall entitle such transcript to be filed as a part of the record in the same manner and with the same binding effect as a transcript filed by the court reporter as referred to in subsection (e) of this Code section. In case of the inability of the parties to agree as to the correctness of such transcript, the decision of the trial judge thereon shall be final and not subject to review; and, if the trial judge is unable to recall what transpired, the judge shall enter an order stating that fact.

~~(h)~~(i) Where any amendment or other pleading or paper which requires approval or sanction of the court in any proceeding before being filed of record is disallowed or sanction thereof is refused, the amendment, pleading, or paper may nevertheless be filed, with notation of disallowance thereon, and shall become part of the record for purposes of consideration on appeal or other procedure for review.

~~(i)~~(j) In lieu of sending up a transcript of record, the parties may by agreement file a stipulation of the case showing how the questions arose and were decided in the trial court, together with a sufficient statement of facts to enable the appellate court to pass upon the questions presented therein. Before being transmitted to the appellate court, the stipulation shall be approved by the trial judge or the presiding judge of the court where the case is pending.

~~(j)~~(k) In all cases, civil or criminal, any party may as a matter of right have the case reported by a court reporter at the party's own expense."

SECTION 1-2.

Article 2 of Chapter 14 of Title 9 of the Official Code of Georgia Annotated, relating to procedure for persons under sentence of state court of record, is amended by revising Code Section 9-14-50, relating to transcription of proceedings, as follows:

"9-14-50.

All trials held under this article shall be recorded via a digital recording system, as defined in Code Section 15-14-22, and as provided for by uniform court rules adopted and published by order of the Supreme Court with the advice and consent of the council of the affected class or classes of trial courts and transcribed by a court reporter, or taken down and transcribed by a court reporter, as designated by the superior court hearing the case."

Except as provided in subsection (k) of Code Section 5-6-41, the judge shall have discretion as to whether to use a digital recording system, as defined in Code Section 15-14-22."

SECTION 2-3.

Said title is further amended by revising subsection (f) of and by adding a new subsection to Code Section 15-12-83, relating to oath of court reporter attending grand jury proceeding, compensation, and role and responsibilities, to read as follows:

BE IT ENACTED BY THE GENERAL ASSEMBLY OF GEORGIA:

SECTION 1.

Article 2 of Chapter 11 of Title 43 of the Official Code of Georgia Annotated, relating to licenses for the practice of dentistry, is amended by adding a new Code section to read as follows:

"43-11-54.

(a) As used in this Code section, the term:

(1) 'Authorizing dentist' means a dentist licensed by and in good standing with the board and practicing in the State of Georgia.

(2) 'Dental hygienist' means a licensed dental hygienist in good standing with the board who meets the requirements to perform the specific dental hygiene functions permitted under general supervision under Code Section 43-11-74.

(3) 'Digital scan' means a computer generated replica of the hard and soft tissues of the oral cavity created with digital technology and enhanced digital photography.

(4) 'Direct supervision' shall have the same meaning as set forth in Code Section 43-l1-74.

(5) 'General supervision' shall have the same meaning as set forth in Code Section 43-11-74.

(6) 'Referred dentist' means a dentist licensed by and in good standing with the board practicing in this state to provide in-person dental treatment to patients receiving dental care through a teledentistry interaction under this Code section.

(7) 'Store and forward technologies' means technologies that allow for the electronic transmission of dental and health information, including images, photographs, documents, and health histories, through a secure communication system.

(8) 'Synchronous, real-time communication' means a live, two-way interaction between the authorizing dentist and a dental hygienist or patient permitted under this Code section using audiovisual telecommunications technology but shall not constitute direct supervision for the purposes of Code Section 43-l1-74 and the practice of dentistry in this state.

(9) 'Teledentistry' means the delivery of dental care through the use of synchronous, real-time communication in conjunction with and supported by store and forward technologies under the general supervision of the authorizing dentist when dental care is provided to a patient physically located at a site in this state that is different from the site where the authorizing dentist is physically located. A teledentistry interaction shall not constitute or be considered the equivalent of an in-person, clinical examination by a licensed dentist.

(b) No licensed dentist in this state shall provide dental care through teledentistry except under the conditions specified in this Code section.

(c) A licensed dentist who intends to provide dental care through teledentistry pursuant to this Code section shall notify the board of such intent and provide written documentation evidencing that such dentist has:

(1) A physical office for the provision of dental services in this state; and

(2) Established a referral relationship with a referred dentist who practices dentistry and treats patients in a physical and operational dental office located in this state.

Such dentist shall provide other reasonably pertinent information as prescribed by the board.

(d) Subject to the conditions specified in subsection (e) of this Code section, an authorizing dentist shall only be allowed to:

(1) Authorize a dental hygienist to perform the specific dental hygiene functions permitted under general supervision in accordance with the requirements of Code Section 43-11-74, except as otherwise provided in paragraph (1) of subsection (e) of this Code section;

(2) Prescribe a medication that is not a controlled substance for a patient receiving dental care through a teledentistry interaction;

(3) Authorize the performance of digital scans by a dentist or dental hygienist;

(4) Authorize the use of store and forward technologies to transmit patient records, images, digital scans, X-rays, and other relevant health information between the

authorizing dentist and a dental hygienist for the purposes of evaluating a patient's oral health condition and authorizing the performance of dental care permitted under this Code section. The authorizing dentist shall be the custodian of all patient records for the purposes of this Code section unless the patient is treated by a referred dentist. In such instance, the referred dentist shall be the custodian of the patient's records associated with the dental care the referred dentist provides to the patient, and such referred dentist shall furnish copies of these records to the authorizing dentist;

(5) Provide consultation to another provider regarding the patient's care; and

(6) Provide the following teledentistry services that are appropriately delivered without an in-person clinical examination:

(A) Emergency evaluation;

(B) Rendering second opinions; and

(C) Assessment, diagnosis, consultation, treatment, and monitoring of a patient.

Teledentistry services described in this paragraph do not include orthodontics, delivering of dental appliances, or the supervision of a dental hygienist.

(e) Authorizing and referring dentists as well as those acting under their supervision shall be subject to the following conditions when providing dental care through teledentistry as authorized in subsection (d) of this Code section:

(1) Teledentistry services shall be consistent with how dental treatment is provided in person and shall adhere to the standards of appropriate patient care required in other dental care settings, including, but not limited to, appropriate patient examination, the taking and review of X-rays, and review of a patient's medical and dental history;

(2)(A) Initial consultations with new patients may be conducted via teledentistry, provided that the authorizing dentist establishes a bona fide dentist-patient relationship by reviewing the patient's medical and dental history and verifying the patient's identity and physical location to ensure the patient is physically located in this state when dental care is provided and shall obtain the requisite consent from a parent or guardian if the patient is a minor.

(B) An in-person clinical examination shall be performed immediately prior to providing or authorizing services or treatments to patients that are not reversible or that otherwise result in increased risk to the patient. For ongoing dentist-patient relationships, dentists shall strongly encourage patients to be seen in person at least annually.

(3) The authorizing dentist shall prepare a written authorization, which shall be given to the patient and included in the patient's record, providing the name and license number of the authorizing dentist and the name and license number of the dental hygienist treating the patient during the teledentistry interaction, as well as any other information the authorizing dentist or board deems appropriate;

(4) Prior to first performing teledentistry services, and at least annually thereafter, informed consent shall be obtained from the patient, or from the parent or guardian if the patient is a minor, explaining the alternatives to and the capabilities and limitations of teledentistry, which shall include a written statement advising that a teledentistry interaction is not equivalent to an in-person clinical examination and that the

authorizing dentist shall not be physically present during the delivery of dental care. Such informed consent shall also be documented and included in the patient's record;

(5) The authorizing dentist shall provide dental services through teledentistry only if such dental services are appropriate for the patient, as determined by such authorizing dentist;

(6)(A) The authorizing dentist shall provide the name, license number, office mailing address, and office phone number of the referred dentist to the patient after each teledentistry interaction.

(B) The referred dentist shall accept a referral to treat all dental emergencies and provide all necessary dental care, as determined by and in consultation with the authorizing dentist.

(7)(A) An authorizing dentist may only authorize up to four dental hygienists to perform the functions permitted in subsection (d) of this Code section at any one time. This requirement shall not apply to the performance of dental hygiene duties by personnel of the Department of Public Health or county boards of health.

(B) A dental hygienist performing the functions permitted in subsection (d) of this Code section via teledentistry shall have at least two years of experience in the practice of dental hygiene, shall be in compliance with continuing education requirements pursuant to Code Section 43-11-73.1 and cardiopulmonary resuscitation certification requirements contained in Code Section 43-11-73, and shall be licensed in good standing.

(C) A dental hygienist practicing under general supervision via teledentistry pursuant to this Code section shall maintain professional liability insurance in accordance with board rules and regulations; provided, however, that this subparagraph shall not apply to an entity covered under sovereign immunity;

(8) No authorizing dentist or dental hygienist shall attempt to waive liability for teledentistry services in advance of delivering such services, and no authorizing dentist or dental hygienist shall attempt to prevent a patient from filing any complaint with any governmental agency or authority relating to the provision of dental care through teledentistry; and

(9) The authorizing dentist shall ensure that the use of teledentistry complies with the privacy and security requirements of the federal Health Insurance Portability and Accountability Act of 1996, in effect on January 1, 2025, as well as those of Chapter 33 of Title 31.

(f) Nothing in this Code section shall be construed to:

(1) Require a licensed dentist in this state to practice teledentistry;

(2) Require a licensed dentist to authorize a dental hygienist to perform the functions permitted in this Code section via teledentistry;

(3) Require a school or facility receiving dental hygiene services provided pursuant to subsection (h) or (i) of Code Section 43-ll-74 to purchase any equipment to provide dental care through teledentistry; or

(4) Expand the scope of practice for dental hygienists or establish independent dental hygiene practice.

(g) The board shall promulgate rules and regulations that are reasonably necessary to implement the provisions of this Code section."

"16-3-26.

A person is not guilty of a crime, except ~~murder~~ for the offense of murder provided for in subsection (a) of Code Section 16-5-1, if the act upon which the supposed criminal liability is based is performed under such coercion that ~~the person~~ he or she reasonably believes that performing the act is ~~the only way~~ necessary to prevent ~~his~~ imminent death or great bodily injury to himself or herself or a third person."

Title 17 of the Official Code of Georgia Annotated, relating to criminal procedure, is amended in Article 1 of Chapter 10, relating to procedure for sentencing and imposition of punishment, by revising subsection (f) of Code Section 17-10-1, relating to fixing of sentence, suspension or probation of sentence, change in sentence, eligibility for parole, prohibited modifications, and exceptions, as follows:

"(f)(1) Within one year of the date upon which the sentence is imposed, or within 120 days after receipt by the sentencing court of the remittitur upon affirmance of the judgment after direct appeal, whichever is later, the court imposing the sentence has the jurisdiction, power, and authority to correct or reduce the sentence and to suspend or probate all or any part of the sentence imposed. The time periods prescribed in this

subsection require the defendant to file a motion within such time periods; however, the court shall not be constrained to issue its order or hear the matter within such time periods. Prior to entering any order correcting, reducing, or modifying any sentence, the court shall afford notice and an opportunity for a hearing to the prosecuting attorney. Any order modifying a sentence which is entered without notice and an opportunity for a hearing as provided in this subsection shall be void. This subsection shall not limit any other jurisdiction granted to the court in this Code section or as provided for in subsection (g) of Code Section 42-8-34.

(ii) The petition includes evidence that was not part of the record of the case at any sentencing hearing.

(B) Such petition shall be served upon the district attorney. The state shall file its response, if any, within 60 days of being served with such petition. The superior court shall, upon motion for an extension of time and after a hearing and good cause shown, grant one extension to the original 60 day period, not to exceed 180 additional days.

(C) There shall be a presumption in favor of granting a hearing on a petition filed pursuant to this paragraph unless the court determines that there is a lack of circumstantial guarantees of trustworthiness, an inherent unreliability of the facts asserted, or a deficiency in the factual allegations in the petition. If the court decides that the petitioner is not entitled to a hearing, the court shall enter an order denying relief and shall include written findings of fact outlining the reasons for such order.

(D) A hearing on a petition filed pursuant to this paragraph, if granted, shall be scheduled within 90 days of the filing of such petition or within 60 days of the deadline for the state's response, whichever is later. The state shall be given notice and the opportunity to respond at any such hearing.

(E)(i) If, based upon evidence presented at the hearing, the court determines that the petitioner has met the criteria provided in subsection (b) of Code Section 17-10-22, the court shall enter an order reducing the defendant's sentence pursuant to subsection (c) of Code Section 17-10-22.

(ii) If, based upon the petition or evidence presented at the hearing, the court determines that the petitioner has not met the criteria provided in subsection (b) of Code Section 17-10-22, the court shall notify the petitioner, dismiss his or her petition without prejudice, and enter an order to such effect. Such an order shall include written findings of fact outlining the reasons for such order.

(F) Any order issued by a court pursuant to this paragraph shall include written findings of fact and the reasons for such order.

(G) Any judgments pursuant to this paragraph shall be final judgments and subject to direct appeal by the petitioner and the state under Code Sections 5-6-34 and 5-7-1."

SECTION 6.

Said title is further amended in said article by adding a new Code section to read as follows:

"17-10-22.

(a) At the time of sentencing, the defendant may present evidence that he or she was subjected to acts of family violence, dating violence, or child abuse, as such acts are described in Code Sections 19-13-1, 19-13A-1, and 19-15-1, respectively, and that such acts were a significant contributing factor for the offense for which the defendant is being sentenced. The rules of evidence shall apply to such presentation of evidence except that the following evidence shall be admissible:

(1) Hearsay;

(2) Character evidence;

(3) Evidence indicating the defendant sought law enforcement assistance;

(4) Evidence indicating the defendant sought services from a counselor, social worker, domestic violence program, or other relevant agency or service provider;

(5) Evidence indicating the defendant sought medical attention;

(6) Evidence of prior statements regarding the acts of family violence, dating violence, or child abuse, as such acts are described in Code Sections 19-13-1, 19-13A-1, and 19-15-1, respectively;

(7) Evidence of the effects of battering and post-traumatic stress disorder on the defendant;

(8) Evidence pertaining to the alleged perpetrator's history of other acts of family violence, dating violence or child abuse, as such acts are described in Code Sections 19-13-1, 19-13A-1, and 19-15-1, respectively, including, but not limited to, temporary protective order petitions, ex parte orders, and final orders in which the alleged perpetrator is the respondent;

(9) Expert testimony, including facts and circumstances relating to the family violence, dating violence, or child abuse, as such acts are described in Code Sections 19-13-1, 19-13A-1, and 19-15-1, respectively, that are the bases of such expert's opinion; and

(10) Any other evidence that the court determines is of sufficient credibility or probative value.

(b) The court shall impose a sentence as provided in subsection (c) of this Code section if the court finds that:

(1) By a preponderance of the evidence, the defendant was subjected to acts of family violence, dating violence, or child abuse, as such acts are described in Code Sections 19-13-1, 19-13A-1, and 19-15-1, respectively, and such acts were a significant contributing factor to the offense; or

(2) The best interest of justice and welfare of society would be served; provided, however, that such finding shall only be entered with the consent of the state.

(c) Upon a finding provided for in subsection (b) of this Code section:

(1) A person convicted of a crime punishable by death or by life imprisonment shall be punished by imprisonment for not less than ten years nor more than 30 years. In the court's discretion, the judge may depart from such mandatory minimum sentence when the prosecuting attorney and the defendant have agreed to a sentence that is below such

mandatory minimum. Notwithstanding any other provision of law to the contrary, such sentence may be reduced by any form of parole or early release administered by the State Board of Pardons and Paroles or by any earned time, early release, work release, leave, or other sentence-reducing measures under programs administered by the Department of Corrections.

(2) A person convicted of a felony other than a felony punishable by death or life imprisonment shall be punished by imprisonment for not less than one year nor more than one-half the maximum period of time for which he or she could have been sentenced, by one-half the maximum fine to which he or she could have been subjected, or both."

SECTION 7.

Title 24 of the Official Code of Georgia Annotated, relating evidence, is amended in Chapter 5, relating to privileges relative to evidence, by revising paragraphs (8) and (9) of and adding a new paragraph to subsection (a) of Code Section 24-5-501, relating to certain communications privileged, to read as follows:

"(8) Communications between or among any psychiatrist, psychologist, licensed clinical social worker, clinical nurse specialist in psychiatric/mental health, licensed marriage and family therapist, and licensed professional counselor who are rendering psychotherapy or have rendered psychotherapy to a patient, regarding that patient's communications which are otherwise privileged by paragraph (5), (6), or (7) of this subsection; ~~and~~

(9) Communications between accountant and client as provided by Code Section 43-3-29; and

(10) Communications made in the context of victim centered practices or victim-offender dialogues as provided for in Code Section 24-5-511."

SECTION 8.

Said title is further amended in said chapter by adding a new Code section to read as follows:

(b)(1) Any communication or action made at any time while preparing for or participating in a victim centered practice or a victim-offender dialogue or as a follow up to such practice or dialogue, or the fact that such practice or dialogue has been planned or convened, shall be privileged and shall not be referred to, used, or admitted in any proceeding unless such privilege is waived. Such waiver may be made during the proceeding or in writing by the party or parties protected by the privilege. Privileged information shall not be subject to discovery or disclosure in any judicial or extrajudicial proceeding and shall not be subject to public inspection as provided by Article 4 of Chapter 18 of Title 50.

(2) Parties of a victim centered practice or victim-offender dialogue may refuse to disclose communications relating to a victim centered practice or victim-offender dialogue and prevent others from disclosing such communications.
