WHEREAS, a significant percentage of school age children, approximately one-third, experience vision problems, yet for many of them the lack of vision screening and necessary follow-up diagnostic evaluations are impairing their ability to acquire literacy skills; and

WHEREAS, hearing screening is only required as a newborn before hospital discharge and at entry into a school system, and vision screening is only required at entry into a school system; and

WHEREAS, Code Section 20-2-771 of the Official Code of Georgia Annotated authorizes and requires the Department of Education to collaborate with public health authorities to address health related mandates for students; and

WHEREAS, effective screening programs can identify vision and hearing impairments early, allowing timely interventions that support academic success and literacy development.

NOW, THEREFORE, BE IT RESOLVED BY THE GEORGIA GENERAL ASSEMBLY that:

(1) The Department of Education and Department of Public Health are urged to collaborate in developing a comprehensive strategy and methods to expand vision and hearing screening for students in pre-kindergarten, kindergarten, and first, third, fifth, and eighth grades, as well as for transfer students in all grade levels; and

BE IT ENACTED BY THE GENERAL ASSEMBLY OF GEORGIA:

SECTION 1.

Article 1 of Chapter 81 of Title 36 of the Official Code of Georgia Annotated, relating to local government budgets and audits, is amended by revising Code Section 36-81-7, relating to audit of financial affairs and transactions, contents, copy to state auditor, and public inspection, as follows:

"36-81-7.

(a)(1) The governing authority of each unit of local government having ~~a population in excess of 1,500 persons according to the latest estimate of population by the United States Bureau of the Census or its successor agency or~~ expenditures of ~~$550,000.00~~ $2.5 million or more shall provide for and cause to be made an annual audit of the financial affairs and transactions of all funds and activities of the local government for each fiscal year of the local government.

(2) The governing authority of each local unit of government ~~not included in paragraph (1) of this subsection shall~~ having expenditures of $2.5 million or less may provide for and cause to be made ~~the~~ an audit ~~required pursuant to paragraph (1) of this subsection not less often than once every two fiscal years~~ using the special purpose framework prescribed by the state auditor. The state auditor shall develop reporting templates to be used by a local unit of government making a report pursuant to this paragraph and establish an effective date to begin reporting under the special purpose framework. ~~Audits performed pursuant to this paragraph shall be for both fiscal years.~~

(3)(A) The governing authority of each local unit of government having expenditures of ~~less than $550,000.00~~ $1 million or less in ~~that~~ such government's most recently ended fiscal year may elect to provide for and cause to be made, in lieu of the ~~biennial~~ audit otherwise ~~required under~~ provided for in ~~paragraph~~ paragraphs (1) and (2) of this subsection, an annual report of agreed upon procedures for that fiscal year. The agreed upon procedures shall include as a minimum: proof and reconciliation of cash, confirmation of cash balances, a listing of bank balances by bank, copies of financial statements and notes as prescribed by the state auditor, a statement of cash receipts and cash disbursements, a review of compliance with state law, and a report of agreed upon procedures. The annual report of agreed upon procedures performed pursuant to this paragraph shall not be used for more than four consecutive years. The governing authority of each local unit of government not included in paragraph (1) or (2) of this subsection shall, no less than every fifth year, provide for and cause to be made an audit of the financial affairs and transactions of all funds and activities of the local government in accordance with generally accepted government auditing standards.

(B) Agreed ~~This agreed~~ upon procedures ~~report~~ reports or reports using the special purpose framework shall be in a format prescribed by the state auditor and shall constitute an annual audit report for purposes of and within the meaning of the requirements of subsections (d) through (g) of this Code section. The Department of Community Affairs is authorized to assist requesting local governments in preparing agreed upon procedures reports or special purpose framework reports required under this paragraph and in establishing record-keeping procedures needed in preparing those reports and is further authorized to charge those local governments reasonable fees for that assistance. To the extent that the state auditor is able to perform the agreed upon procedures, the governing body may contract with the state auditor.

(4) At the option of the governing authority, an audit may be made at a lesser interval than one year.

(5) In the event that a local unit of government presents evidence that in a particular fiscal year unusual circumstances resulted in expenditures exceeding the amounts provided for in this subsection, the state auditor shall be authorized for good cause shown to grant exceptions to the audit filing required under this subsection.

(b) The audits of each local government shall be conducted in accordance with generally accepted government auditing standards. Each audit shall also contain a statement of any agreement or arrangement under which the local unit of government has assumed any

actual or potential liability for the obligations of any governmental or private agency, authority, or instrumentality. Such statement shall include the purpose of the agreement or arrangement, shall identify the agency, authority, or instrumentality upon whose obligations the unit of local government is or may become liable, and shall state the amount of actual liability and the maximum amount of potential liability of the local government under the agreement or arrangement. To the extent that the state auditor is able to provide comparable auditing services, the governing body may contract with the state auditor.

(c) All annual audit reports of local units of government shall contain at least the following:

(1) Financial statements prepared in conformity with generally accepted governmental accounting principles, setting forth the financial condition and results of operation of each fund and activity of the local government and such financial statements shall be the representation of the local government; and

(2) The opinion of the performing auditor with respect to the financial statement; in addition to an explanation of any qualification or disclaimers contained in the opinion, such opinion shall also disclose, in accordance with generally accepted government auditing standards, any apparent material violation of state or local law discovered during the audit; provided, however, that the state auditor may accept an adverse opinion on an audit if the basis of such adverse opinion is the result of a unit of local government making a report pursuant to paragraph (2) of subsection (a) of this Code section.

(c.1)(1) The annual audit reports of a county or consolidated city-county government shall also contain financial statements prepared in conformity with generally accepted governmental accounting principles, providing a detailed account of the supplemental official income and related expenditures of each county officer listed in Article IX, Section I, Paragraph III(a) of the Constitution, provided that such county officer is paid in whole or in part on a salary basis and over whom the county governing authority exercises budgetary authority; and such financial statements shall be the representation of such officers. Such officers shall be obligated to cooperate with the county or consolidated government in the preparation of such financial statements and audit reports and shall provide such government with all documentation the government deems necessary to prepare such financial statements or audit reports. ~~The failure of any such officer to cooperate with or provide required documentation to a county or consolidated government shall not result in any liability applying to such government.~~

(2) The opinion of the performing auditor with respect to the financial statement provided for in this subsection, in addition to an explanation of any qualifications or disclaimers contained in the opinion, shall also disclose, in accordance with generally accepted government auditing standards, any apparent material violation of state or local law discovered during the audit of the supplemental official income of such county officers.

(3) As used in ~~For the purpose of~~ this subsection, the term 'supplemental official income' means all funds from any source other than funds appropriated by a county or

consolidated government that an individual or his or her office derives from performing duties that are within his or her official capacity as a county officer.

(d)(1) Each annual audit report of a local unit of government shall be completed and a copy of the report forwarded to the state auditor within 180 days after the close of the unit's fiscal year. In addition to the audit report, the local unit of government shall forward to the state auditor, within 30 days after the audit report due date, written comments on the findings and recommendations in the report, including a plan for corrective action taken or planned and comments on the status of corrective action taken on prior findings. If corrective action is not necessary, the written comments should include a statement describing the reason it is not. ~~In the case of units provided for in paragraph (2) of subsection (a) of this Code section, the audit reports for both fiscal periods shall be submitted within 180 days after the close of each second fiscal year and the written comments shall be submitted within 30 days after the audit report due date.~~

(2) The state auditor shall review the audit report and written comments submitted to the auditor's office to ensure that it meets the requirements for audits of local governments. If the state auditor finds the requirements for audits of local governments have not been complied with, the state auditor shall within 60 days of receipt of the audit or the written comments notify the governing authority and the auditor who performed the audit and shall submit to them a list of deficiencies to be corrected. A copy of this notification shall also be sent by the state auditor to each member of the General Assembly whose senatorial or representative district includes any part of the unit of local government.

(3) If the state auditor has not received any required audit or written comments by the date specified in paragraph (1) of this subsection, the state auditor shall within 30 days of such date notify the unit of local government that the audit has not been received as required by law. A copy of this notification shall also be sent by the state auditor to each member of the General Assembly whose senatorial or representative district includes any part of the unit of local government.

(4) The state auditor, for good cause shown by those local units in which an audit is in the process of being conducted or will promptly be conducted, may waive the requirement for completion of the audit within 180 days. Such waiver shall be for an additional period of not more than 180 days and no such waiver shall be granted for more than two successive years to the same unit of local government.

(5) No state agency shall make or transmit any state grant funds to any local government which has failed to provide all the audits required by law within the preceding five years.

(d.1)(1) Public officers and employees serving a given county or consolidated government, including county officers listed in Article IX, Section I, Paragraph III(a) of the Constitution and state officers and employees specifically assigned to such local government, shall be obligated to cooperate with the county or consolidated government in the preparation of financial statements and audit reports required by this

Code section and shall provide such government with all documentation deemed necessary by the government to prepare such financial statements or audit reports.

(2) The failure of any such public officer or employee to cooperate with or provide required documentation to a county or consolidated government shall not result in any liability applying to such government, and the state auditor for good cause shown may waive the requirements of this Code section for either:

(A) A period of 90 days following a 180 day waiver granted pursuant to paragraph (4) of subsection (d) of this Code section; or

(B) In the event that a 180 day waiver granted pursuant to paragraph (4) of subsection (d) of this Code section was granted to such county or consolidated government in the previous two years, a period of 90 days following the deadline provided for in paragraph (1) of subsection (d) of this Code section.

The waiver provided for in this paragraph shall only be granted if the county or consolidated government's failure to timely file an audit is the result of the failure of one or more such public officers or employees to cooperate or provide documentation as required by this paragraph.

(3) In the event that a county or consolidated government fails to forward a copy of an audit or report to the state auditor within the time frame provided for in this Code section, and such failure is the result of the failure of a county officer listed in Article IX, Section I, Paragraph III(a) of the Constitution, other than judges of the probate court, to cooperate with such county or consolidated government in the preparation of such audit or report, the governing authority of such county or consolidated government, notwithstanding any other provision of law to the contrary, shall temporarily withhold 50 percent of the compensation paid to such officer from county funds until such time as such officer has provided all cooperation and information necessary for the filing of the audit or report. Within 14 days of such an audit or report being completed and forwarded to the state auditor, the governing authority of the county or consolidated government shall pay all such withheld compensation to the officer; provided, however, that such officer shall not be entitled to receive any interest or additional compensation related to such withheld funds.

(e) A copy of the report and of any comments made by the state auditor pursuant to paragraph (2) of subsection (d) of this Code section shall be maintained as a public record for public inspection during the regular working hours at the principal office of the local government. Those units of local government not having a principal office shall provide a notification to the public as to the location of and times during which the public may inspect the report.

(f) Upon a failure, refusal, or neglect to have an annual audit made, or a failure to file a copy of the annual audit report with the state auditor, or a failure to correct auditing deficiencies noted by the state auditor, the state auditor shall cause a prominent notice to be published in the legal organ of, and any other newspapers of general circulation within, the unit of local government. Such notice shall be a prominently displayed advertisement or news article and shall not be placed in that section of the newspaper where legal notices appear. Such notice shall be published twice and shall state that the governing authority

of the unit of local government has failed or refused, as the case may be, to file an audit report or to correct auditing deficiencies, as the case may be, for the fiscal year or years in question. Such notice shall further state that such failure or refusal is in violation of state law.

(g) The state auditor may waive the requirement of correction of auditing deficiencies for a period of one year from the required audit filing date, provided evidence is presented that substantial progress is being made ~~towards~~ toward removing the cause of the need for the waiver. No such waiver for the same set of deficiencies shall be granted for more than two successive years to the same local government."

42-8-133.
The providers certified by the Department of Driver Services shall design and adopt pursuant to regulations of such department a warning label which shall be affixed to each intelligent speed assistance device upon installation. The penalty prescribed in this Code section shall be concurrent, alternative, and cumulative with any and all other civil, criminal, or alternative rights, remedies, forfeitures, or penalties provided, allowed, or available to the commissioner with respect to any violation of this chapter or any order, rules, or regulations promulgated pursuant to this chapter."

To amend Chapter 5 of Title 21 of the Official Code of Georgia Annotated, relating to government transparency and campaign finance, so as to provide for transparency in foreign funded political activities within the state; to require agents of hostile foreign principals and foreign supported political organizations to register with the State Ethics Commission; to provide for registration requirements; to provide for definitions; to provide legislative findings; to provide for civil penalties; to authorize the Attorney General to bring civil actions or criminal investigations for violations; to provide for applicability; to provide for related matters; to repeal conflicting laws; and for other purposes.

BE IT ENACTED BY THE GENERAL ASSEMBLY OF GEORGIA:

SECTION 1.

Chapter 5 of Title 21 of the Official Code of Georgia Annotated, relating to government transparency and campaign finance, is amended by adding a new article to read as follows:

"ARTICLE 5

21-5-90.

The General Assembly finds:

(1) That the voters, citizens, and policymakers of Georgia are entitled to transparency in the political and propaganda activities of organizations that may be controlled by or under the influence of foreign countries hostile to the interests of the United States and the State of Georgia;

(2) That, in an increasingly globalized world, determining whether an organization's political and propaganda activities are funded by hostile foreign interests is often difficult; and

(3) That legislation is needed to ensure the transparency necessary to allow voters, citizens, and policymakers to evaluate whether political and propaganda activities are funded by potentially hostile foreign actors.

21-5-91.

As used in this article, the term:

(1) 'Agent of a hostile foreign principal' means any person who acts as an agent, employee, representative, or servant, or otherwise acts at the order, request, or under the direction or control of a hostile foreign principal:

(A) Whose actions are financed in whole or in part by a hostile foreign principal; and

(B) Who engages in political activity.

(2) 'Control' means the power, direct or indirect, whether or not exercised, to determine, direct, dictate, or decide important matters affecting an entity, including but without limitation, through:

(A) The ownership of at least 20 percent of the total outstanding voting interest in an entity;

(B) Board representation;

(C) The ability to appoint or discharge any board members, officers, directors, employees, or contractors;

(D) Proxy voting, a special share, contractual arrangements, legal obligations, or formal or informal arrangements to act in concert; or

(E) Other means, including but not limited to golden shares, classes or shares of stock or equity that grant the holder superior authority to direct the company's affairs or increased voting rights over other shareholders, operating agreements, bylaws, and customary or written law, whether disclosed or undisclosed.

(3) 'Foreign supported political organization' means a political organization or partnership, committee, association, corporation, limited liability company, limited liability partnership, trust, professional corporation, or any other combination of persons that has, within the past five calendar years, received money or other things of value from a hostile foreign principal or an agent of a hostile foreign principal and which engages in political activity; provided, however, notwithstanding any other provision of this article to the contrary, the following shall not be deemed to be a foreign supported political organization:

(A) An industry, trade, or other professional association that exists to promote the interests of its members, or any affiliated organization; or

(B) A membership organization formed on or before January 1, 1950, that advocates on behalf of the common goals or interests of its members on matters of public policy, or any affiliated organization.

(4) 'Hostile foreign country' means:

(A) The Democratic People's Republic of Korea;

(B) The Islamic Republic of Iran;

(C) The People's Republic of China; or

(D) The Russian Federation.

(5) 'Hostile foreign principal' means:

(A) A government of a hostile foreign country, a political party of a hostile foreign country, or any member of a political party, body, or organization of a hostile foreign country;

(B) A nonresident alien of a hostile foreign country;

(C) A partnership, committee, association, corporation, limited liability company, limited liability partnership, trust, professional corporation, or any other combination of persons organized under the law of or having its principal place of business in a hostile foreign country; or

(D) A partnership, committee, association, corporation, limited liability company, limited liability partnership, trust, professional corporation, or any other combination of persons that is subject to the control of a hostile foreign government, a nonresident alien of a hostile foreign country, or an entity organized under the laws of or having its principal place of business in a hostile foreign country.

(6) 'Political activity' means any activity that is performed to influence any agency or public official of the State of Georgia, any local government entity within the state, or to influence the public within the state, with reference to formulating, adopting, or

changing the policies or laws of the state or electing or opposing a candidate for local or state public office.

21-5-92.

(a) No person shall act as an agent of a hostile foreign principal unless he or she has filed with the commission a true and complete registration statement and supplements thereto as required by this Code section or unless he or she is exempt from registration under the provisions of this Code section. Except as hereinafter provided, every person who becomes an agent of a hostile foreign principal shall, within ten days thereafter, file with the commission a registration statement, under oath, on a form prescribed by the commission. The obligation of an agent of a hostile foreign principal to file a registration statement shall, after the tenth day of his or her becoming such agent, continue from day to day, and termination of such status shall not relieve such agent from his or her obligation to file a registration statement for the period during which he or she was an agent of a hostile foreign principal. (3) A comprehensive statement of the nature of the registrant's business, including a complete list of the registrant's employees;

(4) A statement of the nature of the work of each hostile foreign principal for whom the registrant is acting, assuming or purporting to act, or has agreed to act, and the character of the business or other activities of every such hostile foreign principal. If any such hostile foreign principal is an entity other than a natural person, such statement shall also detail the ownership and control to which each such hostile foreign principal is supervised, directed, owned, controlled, financed, or subsidized, in whole or in part, by any government of a foreign country or foreign political party, or by any other hostile foreign principal;

(5) The nature and amount of contributions, income, money, or thing of value, if any, that the registrant has received within the preceding 60 days from each such hostile

foreign principal, either as compensation or for disbursement or otherwise, and the form and time of each such payment and from whom received;

(6) A detailed statement of every activity which the registrant is performing or is assuming or purporting or has agreed to perform for himself or herself or any other person other than a hostile foreign principal and which requires his registration hereunder;

(11) Such other statements, information, or documents pertinent to the purposes of this Code section as the commission may from time to time require.

(b) Every agent of a hostile foreign principal who has filed a registration statement required by subsection (a) of this Code section shall file with the commission by January 31, April 30, July 31, and October 20 of each calendar year a supplement thereto, under oath, on a form prescribed by the commission, which shall set forth with respect to such preceding reporting period such facts as the commission may deem necessary to make the information required under subsection (a) of this Code section accurate, complete, and current with respect to such period.

To amend Chapter 5 of Title 21 of the Official Code of Georgia Annotated, relating to government transparency and campaign finance, so as to provide for transparency in foreign funded political activities within the state; to require agents of hostile foreign principals and foreign supported political organizations to register with the State Ethics Commission; to provide for registration requirements; to provide for definitions; to provide legislative findings; to provide for civil penalties; to authorize the Attorney General to bring civil actions or criminal investigations for violations; to provide for applicability; to provide for related matters; to repeal conflicting laws; and for other purposes.

BE IT ENACTED BY THE GENERAL ASSEMBLY OF GEORGIA:

SECTION 1.
Chapter 5 of Title 21 of the Official Code of Georgia Annotated, relating to government transparency and campaign finance, is amended by adding a new article to read as follows:

"ARTICLE 5

21-5-90.
The General Assembly finds:

(1) That the voters, citizens, and policymakers of Georgia are entitled to transparency in the political and propaganda activities of organizations that may be controlled by or under the influence of foreign countries hostile to the interests of the United States and the State of Georgia;

(2) That, in an increasingly globalized world, determining whether an organization's political and propaganda activities are funded by hostile foreign interests is often difficult; and

(3) That legislation is needed to ensure the transparency necessary to allow voters, citizens, and policymakers to evaluate whether political and propaganda activities are funded by potentially hostile foreign actors.

21-5-91.

As used in this article, the term:

(1) 'Agent of a hostile foreign principal' means any person who acts as an agent, employee, representative, or servant, or otherwise acts at the order, request, or under the direction or control of a hostile foreign principal:

(A) Whose actions are financed in whole or in part by a hostile foreign principal; and

(B) Who engages in political activity.

(2) 'Control' means the power, direct or indirect, whether or not exercised, to determine, direct, dictate, or decide important matters affecting an entity, including but without limitation, through:

(A) The ownership of at least 20 percent of the total outstanding voting interest in an entity;

(B) Board representation;

(C) The ability to appoint or discharge any board members, officers, directors, employees, or contractors;

(D) Proxy voting, a special share, contractual arrangements, legal obligations, or formal or informal arrangements to act in concert; or

(E) Other means, including but not limited to golden shares, classes or shares of stock or equity that grant the holder superior authority to direct the company's affairs or increased voting rights over other shareholders, operating agreements, bylaws, and customary or written law, whether disclosed or undisclosed.

(3) 'Foreign supported political organization' means a political organization or partnership, committee, association, corporation, limited liability company, limited liability partnership, trust, professional corporation, or any other combination of persons that has, within the past five calendar years, received a contribution or donation of money or other thing of value from a hostile foreign principal or an agent of a hostile foreign principal and which engages in political activity; provided, however, notwithstanding any other provision of this article to the contrary, the following shall not be deemed to be a foreign supported political organization:

(A) An industry, trade, or other professional association that exists to promote the interests of its members, or any affiliated organization; or

(B) A membership organization formed on or before January 1, 1950, that advocates on behalf of the common goals or interests of its members on matters of public policy, or any affiliated organization.

(4) 'Hostile foreign country' means a country whose government is designated as a foreign adversary by the United States Secretary of Commerce pursuant to 15 C.F.R. Section 7.4.

(5) 'Hostile foreign principal' means:

(A) A government of a hostile foreign country, a political party of a hostile foreign country, or any member of a political party, body, or organization of a hostile foreign country;

(B) A nonresident alien of a hostile foreign country;

(C) A partnership, committee, association, corporation, limited liability company, limited liability partnership, trust, professional corporation, or any other combination of persons organized under the law of or having its principal place of business in a hostile foreign country; or

(6) 'Political activity' means any activity that is performed to influence any agency or public official of the State of Georgia, any local government entity within the state, or to influence the public within the state, with reference to formulating, adopting, or changing the policies or laws of the state or electing or opposing a candidate for local or state public office.

21-5-92.

Except as hereinafter provided, every person who becomes an agent of a hostile foreign principal shall, within ten days thereafter, file with the commission a registration statement, under oath, on a form prescribed by the commission. The obligation of an agent of a hostile foreign principal to file a registration statement shall, after the tenth day of his or her becoming such agent, continue from day to day, and termination of such status shall not relieve such agent from his or her obligation to file a registration statement for the period during which he or she was an agent of a hostile foreign principal. (4) A statement of the nature of the work of each hostile foreign principal for whom the registrant is acting, assuming or purporting to act, or has agreed to act, and the character of the business or other activities of every such hostile foreign principal. If any such hostile foreign principal is an entity other than a natural person, such statement shall also detail the ownership and control to which each such hostile foreign principal is supervised, directed, owned, controlled, financed, or subsidized, in whole or in part, by any government of a foreign country or foreign political party, or by any other hostile foreign principal;

(5) The nature and amount of contributions, income, money, or thing of value, if any, that the registrant has received within the preceding 60 days from each such hostile foreign principal, either as compensation or for disbursement or otherwise, and the form and time of each such payment and from whom received;

(6) A detailed statement of every activity which the registrant is performing or is assuming or purporting or has agreed to perform for himself or herself or any other person other than a hostile foreign principal and which requires his registration hereunder;

(11) Such other statements, information, or documents pertinent to the purposes of this Code section as the commission may from time to time require.

(b) Every agent of a hostile foreign principal who has filed a registration statement required by subsection (a) of this Code section shall file with the commission by January 31, April 30, July 31, and October 20 of each calendar year a supplement thereto, under oath, on a form prescribed by the commission, which shall set forth with respect to such preceding reporting period such facts as the commission may deem necessary to make the information required under subsection (a) of this Code section accurate, complete, and current with respect to such period.

"CHAPTER 11A

ARTICLE 1

43-11A-1.

This chapter shall be known and may be cited as the 'Dietetics and Nutrition Practices Act.'

43-11A-2.

The General Assembly acknowledges that the application of scientific knowledge relating to the practices of dietetics and nutrition is important in the treatment of diseases and medical conditions and in the attainment and maintenance of health. The General Assembly acknowledges further that the rendering of sound dietetic and nutrition services for the treatment and management of diseases and medical conditions in hospitals, nursing homes, school districts, health departments, private practice and consultation, and other settings requires trained and competent professionals. It is declared, therefore, to be the purpose of this chapter to protect the health, safety, and welfare of the public by providing for the licensure of individuals engaged in the practices of dietetics and nutrition, including the provision of medical nutrition therapy.

43-11A-3.

As used in this article, the term:

(1) 'ACEND' means the Accreditation Council for Education in Nutrition and Dietetics or its successor organization.

(2) 'Advertising' means, but is not limited to, issuing or causing to be distributed any card, sign, or other device; causing or permitting any sign or marking on or in any building or structure or in any newspaper, magazine, or directory; or causing or permitting any announcement on radio or any announcement or display on television, a computer network, or an electronic or telephonic medium.

(3) 'Applicant' means an individual seeking a license under this article.

(4) 'Board' means the Georgia Board of Examiners of Licensed Dietitians and Licensed Nutritionists established by this article.

(5) 'Complex medical condition' means a disease state, medical condition, or clinical presentation that requires the provision of medical nutrition therapy by a licensed dietitian due to one or more of the following: instability of the patient's health status; the presence of multiple interacting high acuity comorbidities; a high risk of complications or rapid clinical deterioration; the need for intensive monitoring; or the need for advanced nutrition interventions including therapeutic diets administered via enteral or parenteral routes. Such term includes, but is not limited to, severe malnutrition, organ failure, conditions requiring enteral or parenteral nutrition, renal disease requiring dialysis, severe metabolic disturbances, post-bariatric surgery care, and critical illness.

(6) 'Degree' means a degree received from an educational institution that, at the time the degree was awarded, was accredited by a United States institutional accrediting body for higher education recognized by the Council for Higher Education Accreditation, or its successor, or by the United States Department of Education, or its successor, or a validated foreign equivalent.

(7) 'General nonmedical nutrition information' means information on:

(A) Principles of human nutrition and food preparation;

(B) Principles of self-care and a healthy relationship with food;

Noncomplex conditions do not require intensive monitoring, do not involve multiple interacting high acuity comorbidities, and do not necessitate advanced interventions such as therapeutic diets delivered via enteral or parenteral nutrition.

(13) 'Nonmedical weight control' means nutrition care services provided for the purpose of reducing, maintaining, or gaining weight that do not constitute the treatment or management of a disease or medical condition. Such term includes weight control services for healthy population groups to achieve or maintain a healthy weight.

In so doing, the Home State shall apply its own State laws to determine appropriate action.

D. The Home State shall complete any pending investigations of a Licensee who changes Home States during the course of the investigations. The Home State shall also have authority to take appropriate action(s) and shall promptly report the conclusions of the investigations to the administrator of the Data System. The administrator of the Data System shall promptly notify the new Home State of any Adverse Actions.

E. A Member State, if otherwise permitted by State law, may recover from the affected Licensee the costs of investigations and dispositions of cases resulting from any Adverse Action taken against that Licensee.

F. A Member State may take Adverse Action based on the factual findings of another Remote State, provided that the Member State follows its own procedures for taking the Adverse Action.

G. Joint Investigations:

1. In addition to the authority granted to a Member State by its respective State law, any Member State may participate with other Member States in joint investigations of Licensees.

2. Member States shall share any investigative, litigation, or compliance materials in furtherance of any joint investigation initiated under the Compact.

H. If Adverse Action is taken by the Home State against a Licensee's Home State License resulting in an Encumbrance on the Home State License, the Licensee's Compact Privilege(s) in all other Member States shall be revoked until all Encumbrances have been removed from the Home State License. All Home State disciplinary orders that impose Adverse Action against a Licensee shall include a statement that the Licensee's Compact Privileges are revoked in all Member States during the pendency of the order.

I. Once an Encumbered License in the Home State is restored to an Unencumbered License (as certified by the Home State's Licensing Authority), the Licensee must meet the requirements of Section 4(A) and follow the administrative requirements to reapply to obtain a Compact Privilege in any Remote State.

J. If a Member State takes Adverse Action, it shall promptly notify the administrator of the Data System. The administrator of the Data System shall promptly notify the other Member States State of any Adverse Actions.

K. Nothing in this Compact shall override a Member State's decision that participation in an Alternative Program may be used in lieu of Adverse Action.

omission that occurred, or that the person against whom the claim is made had a reasonable basis for believing occurred within the scope of Compact Commission employment, duties, or responsibilities; provided that nothing in this paragraph shall be construed to protect any such person from suit or liability for any damage, loss, injury, or liability caused by the intentional or willful or wanton misconduct of that person. The procurement of insurance of any type by the Compact Commission shall not in any way compromise or limit the immunity granted hereunder.

2. The Compact Commission shall defend any member, officer, executive director, employee, and representative of the Compact Commission in any civil action seeking to impose liability arising out of any actual or alleged act, error, or omission that occurred within the scope of Compact Commission employment, duties, or responsibilities, or as determined by the Compact Commission that the person against whom the claim is made had a reasonable basis for believing occurred within the scope of Compact Commission employment, duties, or responsibilities; provided that nothing herein shall be construed to prohibit that person from retaining their own counsel at their own expense; and provided further, that the actual or alleged act, error, or omission did not result from that person's intentional or willful or wanton misconduct.

3. The Compact Commission shall indemnify and hold harmless any member, officer, executive director, employee, and representative of the Compact Commission for the amount of any settlement or judgment obtained against that person arising out of any actual or alleged act, error, or omission that occurred within the scope of Compact Commission employment, duties, or responsibilities, or that such person had a reasonable basis for believing occurred within the scope of Compact Commission employment, duties, or responsibilities, provided that the actual or alleged act, error, or omission did not result from the intentional or willful or wanton misconduct of that person.

4. Nothing herein shall be construed as a limitation on the liability of any Licensee for professional malpractice or misconduct, which shall be governed solely by any other applicable State laws.

5. Nothing in this Compact shall be interpreted to waive or otherwise abrogate a Member State's state action immunity or state action affirmative defense with respect to antitrust claims under the Sherman Act, Clayton Act, or any other State or federal antitrust or anticompetitive law or regulation.

6. Nothing in this Compact shall be construed to be a waiver of sovereign immunity by the Member States or by the Compact Commission.

SECTION 9. DATA SYSTEM

A. The Compact Commission shall provide for the development, maintenance, operation, and utilization of a coordinated Data System.

B. The Compact Commission shall assign each applicant for a Compact Privilege a unique identifier, as determined by the Rules.

E. Current Significant Investigative Information pertaining to a Licensee in any Member State will only be available to other Member States.

F. Adverse Action information pertaining to a Licensee in any Member State will be available to any other Member State.

G. Member States contributing information to the Data System may designate information that may not be shared with the public without the express permission of the contributing State.

H. Any information submitted to the Data System that is subsequently expunged pursuant to federal law or the laws of the Member State contributing the information shall be removed from the Data System.

SECTION 10. RULEMAKING

A. The Compact Commission shall promulgate reasonable Rules in order to effectively and efficiently implement and administer the purposes and provisions of the Compact. A Rule shall be invalid and have no force or effect only if a court of competent jurisdiction holds that the Rule is invalid because the Compact Commission exercised its rulemaking authority in a manner that is beyond the scope and purposes of the Compact, or the powers granted hereunder, or based upon another applicable standard of review.

B. The Rules of the Compact Commission shall have the force of law in each Member State, provided however that where the Rules conflict with the laws or regulations of a Member State that relate to the procedures, actions, and processes a Licensed Dietitian is permitted to undertake in that State and the circumstances under which they may do so,

as held by a court of competent jurisdiction, the Rules of the Compact Commission shall be ineffective in that State to the extent of the conflict.

C. The Compact Commission shall exercise its rulemaking powers pursuant to the criteria set forth in this Section and the Rules adopted thereunder. Rules shall become binding on the day following adoption or as of the date specified in the Rule or amendment, whichever is later.

D. If a majority of the legislatures of the Member States rejects a Rule or portion of a Rule, by enactment of a statute or resolution in the same manner used to adopt the Compact within four (4) years of the date of adoption of the Rule, then such Rule shall have no further force and effect in any Member State.

E. Rules shall be adopted at a regular or special meeting of the Compact Commission.

F. Prior to adoption of a proposed Rule, the Compact Commission shall hold a public hearing and allow persons to provide oral and written comments, data, facts, opinions, and arguments.

G. Prior to adoption of a proposed Rule by the Compact Commission, and at least thirty (30) days in advance of the meeting at which the Compact Commission will hold a public hearing on the proposed Rule, the Compact Commission shall provide a Notice of Proposed rulemaking:

1. On the website of the Compact Commission or other publicly accessible platform;

2. To persons who have requested notice of the Compact Commission's notices of proposed rulemaking; and

3. In such other way(s) as the Compact Commission may by Rule specify.

H. The Notice of Proposed rulemaking shall include:

1. The time, date, and location of the public hearing at which the Compact Commission will hear public comments on the proposed Rule and, if different, the time, date, and location of the meeting where the Compact Commission will consider and vote on the proposed Rule;

2. If the hearing is held via telecommunication, video conference, or other means of communication, the Compact Commission shall include the mechanism for access to the hearing in the Notice of Proposed rulemaking;

3. The text of the proposed Rule and the reason therefore;

4. A request for comments on the proposed Rule from any interested person; and

5. The manner in which interested persons may submit written comments.

I. All hearings will be recorded. A copy of the recording and all written comments and documents received by the Compact Commission in response to the proposed Rule shall be available to the public.

J. Nothing in this Section shall be construed as requiring a separate hearing on each Rule. Rules may be grouped for the convenience of the Compact Commission at hearings required by this Section.

K. The Compact Commission shall, by majority vote of all members, take final action on the proposed Rule based on the rulemaking record and the full text of the Rule.

1. The Compact Commission may adopt changes to the proposed Rule provided the changes do not enlarge the original purpose of the proposed Rule.

2. The Compact Commission shall provide an explanation of the reasons for substantive changes made to the proposed Rule as well as reasons for substantive changes not made that were recommended by commenters.

3. The Compact Commission shall determine a reasonable effective date for the Rule. Except for an emergency as provided in Section 10(L), the effective date of the Rule shall be no sooner than 30 days after issuing the notice that it adopted or amended the Rule.

L. Upon determination that an emergency exists, the Compact Commission may consider and adopt an emergency Rule with 24 hours' notice, with opportunity to comment, provided that the usual rulemaking procedures provided in the Compact and in this Section shall be retroactively applied to the Rule as soon as reasonably possible, in no event later than ninety (90) days after the effective date of the Rule. For the purposes of this provision, an emergency Rule is one that must be adopted immediately in order to:

1. Meet an imminent threat to public health, safety, or welfare;

2. Prevent a loss of Compact Commission or Member State funds;

3. Meet a deadline for the promulgation of a Rule that is established by federal law or rule; or

4. Protect public health and safety.

M. The Compact Commission or an authorized committee of the Compact Commission may direct revision to a previously adopted Rule for purposes of correcting typographical errors, errors in format, errors in consistency, or grammatical errors. Public notice of any revision shall be posted on the website of the Compact Commission. The revision shall be subject to challenge by any person for a period of thirty (30) days after posting. The revision may be challenged only on grounds that the revision results in a material change to a Rule. A challenge shall be made in writing and delivered to the Compact Commission prior to the end of the notice period. If no challenge is made, the revision will take effect without further action. If the revision is challenged, the revision may not take effect without the approval of the Compact Commission.

N. No Member State's rulemaking requirements shall apply under this Compact.

SECTION 11. OVERSIGHT, DISPUTE RESOLUTION, AND ENFORCEMENT

A. Oversight

1. The executive and judicial branches of State government in each Member State shall enforce this Compact and take all actions necessary and appropriate to implement this Compact.

2. Except as otherwise provided in this Compact, venue is proper and judicial proceedings by or against the Compact Commission shall be brought solely and exclusively in a court of competent jurisdiction where the principal office of the Compact Commission is located. The Compact Commission may waive venue and jurisdictional defenses to the extent it adopts or consents to participate in alternative dispute resolution proceedings. Nothing herein shall affect or limit the selection or propriety of venue in any action against a Licensee for professional malpractice, misconduct, or any such similar matter.

3. The Compact Commission shall be entitled to receive service of process in any proceeding regarding the enforcement or interpretation of the Compact and shall have standing to intervene in such a proceeding for all purposes. Failure to provide the Compact Commission service of process shall render a judgment or order void as to the Compact Commission, this Compact, or promulgated Rules.

B. Default, Technical Assistance, and Termination

1. If the Compact Commission determines that a Member State has defaulted in the performance of its obligations or responsibilities under this Compact or the promulgated Rules, the Compact Commission shall provide written notice to the defaulting State. The notice of default shall describe the default, the proposed means of curing the default, and any other action that the Compact Commission may take and shall offer training and specific technical assistance regarding the default.

2. The Compact Commission shall provide a copy of the notice of default to the other Member States.

C. If a State in default fails to cure the default, the defaulting State may be terminated from the Compact upon an affirmative vote of a majority of the delegates of the Member States, and all rights, privileges, and benefits conferred on that State by this Compact may be terminated on the effective date of termination. A cure of the default does not relieve the offending State of obligations or liabilities incurred during the period of default.

D. Termination of membership in the Compact shall be imposed only after all other means of securing compliance have been exhausted. Notice of intent to suspend or terminate shall be given by the Compact Commission to the governor, the majority and minority leaders of the defaulting State's legislature, the defaulting State's Licensing Authority, and each of the Member States' Licensing Authority.

E. A State that has been terminated is responsible for all assessments, obligations, and liabilities incurred through the effective date of termination, including obligations that extend beyond the effective date of termination.

F. Upon the termination of a State's membership from this Compact, that State shall immediately provide notice to all Licensees within that State of such termination. The terminated State shall continue to recognize all Compact Privileges granted pursuant to this Compact for a minimum of six months after the date of said notice of termination.

G. The Compact Commission shall not bear any costs related to a State that is found to be in default or that has been terminated from the Compact, unless agreed upon in writing between the Compact Commission and the defaulting State.

H. The defaulting State may appeal the action of the Compact Commission by petitioning the U.S. District Court for the District of Columbia or the federal district where the Compact Commission has its principal offices. The prevailing party shall be awarded all costs of such litigation, including reasonable attorney's fees.

I. Dispute Resolution

1. Upon request by a Member State, the Compact Commission shall attempt to resolve disputes related to the Compact that arise among Member States and between Member and non-Member States.

2. The Compact Commission shall promulgate a Rule providing for both mediation and binding dispute resolution for disputes as appropriate.

J. Enforcement

1. By supermajority vote, the Compact Commission may initiate legal action against a Member State in default in the United States District Court for the District of Columbia or the federal district where the Compact Commission has its principal offices to enforce compliance with the provisions of the Compact and its promulgated Rules. The relief sought may include both injunctive relief and damages. In the event judicial enforcement is necessary, the prevailing party shall be awarded all costs of such litigation, including reasonable attorney's fees. The remedies herein shall not be the exclusive remedies of the Compact Commission. The Compact Commission may pursue any other remedies available under federal or the defaulting Member State's law.

2. A Member State may initiate legal action against the Compact Commission in the U.S. District Court for the District of Columbia or the federal district where the Compact Commission has its principal offices to enforce compliance with the provisions of the Compact and its promulgated Rules. The relief sought may include both injunctive relief and damages. In the event judicial enforcement is necessary, the prevailing party shall be awarded all costs of such litigation, including reasonable attorney's fees.

3. No party other than a Member State shall enforce this Compact against the Compact Commission.

SECTION 12. EFFECTIVE DATE, WITHDRAWAL, AND AMENDMENT

A. The Compact shall come into effect on the date on which the Compact statute is enacted into law in the seventh Member State.

1. On or after the effective date of the Compact, the Compact Commission shall convene and review the enactment of each of the first seven Member States ("Charter Member States") to determine if the statute enacted by each such Charter Member State is materially different than the model Compact statute.

a. A Charter Member State whose enactment is found to be materially different from the model Compact statute shall be entitled to the default process set forth in Section 11.

b. If any Member State is later found to be in default, or is terminated, or withdraws from the Compact, the Compact Commission shall remain in existence and the Compact shall remain in effect even if the number of Member States should be less than seven.

2. Member States enacting the Compact subsequent to the seven initial Charter Member States shall be subject to the process set forth in Section 8(C)(21) to determine if their enactments are materially different from the model Compact statute and whether they qualify for participation in the Compact.

3. All actions taken for the benefit of the Compact Commission or in furtherance of the purposes of the administration of the Compact prior to the effective date of the Compact or the Compact Commission coming into existence shall be considered to be

actions of the Compact Commission unless specifically repudiated by the Compact Commission.

4. Any State that joins the Compact subsequent to the Compact Commission's initial adoption of the Rules and bylaws shall be subject to the Rules and bylaws as they exist on the date on which the Compact becomes law in that State. Any Rule that has been previously adopted by the Compact Commission shall have the full force and effect of law on the day the Compact becomes law in that State.

B. Any Member State may withdraw from this Compact by enacting a statute repealing the same.

1. A Member State's withdrawal shall not take effect until 180 days after enactment of the repealing statute.

2. Withdrawal shall not affect the continuing requirement of the withdrawing State's Licensing Authority to comply with the investigative and Adverse Action reporting requirements of this Compact prior to the effective date of withdrawal.

3. Upon the enactment of a statute withdrawing from this Compact, a State shall immediately provide notice of such withdrawal to all Licensees within that State. Notwithstanding any subsequent statutory enactment to the contrary, such withdrawing State shall continue to recognize all Compact Privileges granted pursuant to this Compact for a minimum of 180 days after the date of such notice of withdrawal.

C. Nothing contained in this Compact shall be construed to invalidate or prevent any licensure agreement or other cooperative arrangement between a Member State and a non-Member State that does not conflict with the provisions of this Compact.

D. This Compact may be amended by the Member States. No amendment to this Compact shall become effective and binding upon any Member State until it is enacted into the laws of all Member States.

SECTION 13. CONSTRUCTION AND SEVERABILITY

A. This Compact and the Compact Commission's rulemaking authority shall be liberally construed so as to effectuate the purposes and the implementation and administration of the Compact. Provisions of the Compact expressly authorizing or requiring the promulgation of Rules shall not be construed to limit the Compact Commission's rulemaking authority solely for those purposes.

B. The provisions of this Compact shall be severable and if any phrase, clause, sentence, or provision of this Compact is held by a court of competent jurisdiction to be contrary to the constitution of any Member State, a State seeking participation in the Compact, or of the United States, or the applicability thereof to any government, agency, person, or circumstance is held to be unconstitutional by a court of competent jurisdiction, the validity of the remainder of this Compact and the applicability thereof to any other government, agency, person, or circumstance shall not be affected thereby.

C. Notwithstanding Section 13(B), the Compact Commission may deny a State's participation in the Compact or, in accordance with the requirements of Section 11(B), terminate a Member State's participation in the Compact, if it determines that a constitutional requirement of a Member State is a material departure from the Compact.

Otherwise, if this Compact shall be held to be contrary to the constitution of any Member State, the Compact shall remain in full force and effect as to the remaining Member States and in full force and effect as to the Member State affected as to all severable matters.

SECTION 14. CONSISTENT EFFECT AND CONFLICT WITH OTHER STATE LAWS

A. Nothing herein shall prevent or inhibit the enforcement of any other law of a Member State that is not inconsistent with the Compact.

B. Any laws, statutes, regulations, or other legal requirements in a Member State in conflict with the Compact are superseded to the extent of the conflict.

C. All permissible agreements between the Compact Commission and the Member States are binding in accordance with their terms.'"

(e) Such application shall be in such form and shall require such documentation as the division director shall determine. If the applicant satisfies the requirements of this Code section, the division director shall direct the appropriate division to issue the appropriate license, and the division shall immediately issue such license; provided, however, that the applicant shall satisfy all financial and insurance requirements for the issuance of such license. BE IT ENACTED BY THE GENERAL ASSEMBLY OF GEORGIA:

SECTION 1.

Code Section 33-8-8.3 of the Official Code of Georgia Annotated, relating to the funding of services, or reduction of ad valorem taxes, in unincorporated areas of counties and powers and duties of governing authority, is amended as follows:

"33-8-8.3.

(a) ~~The~~ Except as provided in subsection (c) of this Code section, the proceeds from the county taxes levied for county purposes, as provided by this chapter, shall be separated from other county funds and shall be used by the county governing authorities solely for the purpose of either:

(E) Flood risk reduction, which, for purposes of this paragraph, ~~such term~~ shall mean policies adopted or projects implemented by a county to reduce the risks from flood events to residents of or property located in unincorporated areas of such county that are prone to experiencing floods. Such policies or projects may include but are not limited to the creation of flood risk management strategies and plans, installation of storm-water management infrastructure, and acquisition of high-risk properties; and

(F) Such other services as may be provided by the county governing authority for the primary benefit of the inhabitants of the unincorporated area of the county; or

(2) Reducing ad valorem taxes of the inhabitants of the unincorporated areas of those counties in which the governing authority of a county does not provide any of the services enumerated in paragraph (1) of this subsection to inhabitants of the unincorporated areas. In fixing the ad valorem tax millage rate for the year, the governing authorities of such counties shall be authorized and directed to reduce such ad valorem tax millage rate on taxable property within the unincorporated areas of such counties to offset any of the proceeds derived from any tax provided for in this chapter which cannot be expended pursuant to paragraph (1) of this subsection.

(b) In the adoption of the budget utilizing any of the funds derived from the tax imposed by Code Sections 33-8-8.1 and 33-8-8.2, the governing authority of a county shall specify in such budget the amount of such funds expended as authorized by paragraph (1) of subsection (a) of this Code section or used to reduce ad valorem taxes as provided in paragraph (2) of subsection (a) of this Code section. Such provisions shall be spread on the minutes of the meeting at which such budget is adopted.

(c) On or before October 30 of each year, each county and municipal corporation shall remit 1.5 percent of all funds distributed to them pursuant to subsection (g) of Code Section 33-8-8.1 and subsection (b) of Code Section 33-8-8.2 to the Peace Officers' Annuity and Benefit Fund established in Chapter 17 of Title 47."

SECTION 2.

Chapter 17 of Title 47 of the Official Code of Georgia Annotated, relating to the Peace Officers' Annuity and Benefit Fund, is amended in Article 4, relating to revenues collected from fines and fees, by adding a new Code section to read as follows:

Additionally, it is the intention of the General Assembly, subject to the appropriations process, that an amount equal to one-half of 1 percent of state insurance premium taxes collected annually and remitted to the department pursuant to Code Section 33-8-4 be appropriated each year to the Peace Officers' Annuity and Benefit Fund."

SECTION 3.

"(b)(1) Option One shall consist of a single life annuity payable in monthly payments for the life of the member only. The monthly payment under this option shall be an amount equal to $30.00 per month for each full year of creditable service and in the event the member shall have additional service credit not totaling a full year, the further sum of one-twelfth of the amount paid per month for each additional year of service credit shall be paid for each month of additional service credit, provided that the member either has at least ten years of membership service, or 15 years of membership service for individuals who became members on or after July 1, 2010, and is at least 55 years of age or has at least 30 years of creditable service, regardless of age. (B) On and after July 1, 2027, the board is authorized to increase the benefit multiplier in paragraph (1) of this subsection from $30.00 per month up to $35.00 per month, provided that any increase in the benefit multiplier is for an amount not less than $1.00 and that any such increase does not lower the funded ratio of the system below 90 percent, based on the recommendation of the actuary of the board."

~~(d) Upon the payment of the requisite fee, the purchaser of a new motor vehicle which is a passenger car, for which such purchaser has paid state and local title ad valorem taxes, may choose to register such passenger car for an initial period of two years instead of the annual registration provided for in this Code section, provided that the motor vehicle owner does not elect a prestige or special license plate. SECTION 8.
Revenue Bonds

The Authority, or any Authority or body which has succeeded, or which may in the future succeed, to the powers, duties and liabilities vested in the Authority created hereby, shall have the power, and is hereby authorized, to provide by resolution for the issuance of negotiable revenue bonds, for the purpose of paying all or any part of the cost as herein defined of any one or more projects. The principal and interest of such revenue bonds

shall be payable solely from the special fund herein provided for such payment. The bonds of each issue shall be dated, shall bear interest at such rate or rates as may be authorized by the Authority, shall be payable semiannually, shall mature at such time or times not exceeding 30 years from their date or dates, shall be payable in such medium of payment as to both principal and interest as may be determined by the Authority, and may be made redeemable before maturity at the option of the Authority, at such price or prices and under such terms and conditions as may be fixed by the Authority in the resolution providing for the issuance of the bonds. Such revenue bonds or obligations shall be issued pursuant to, and in conformity with, Article 3 of Chapter 82 of Title 36 of the O.C.G.A, the 'Revenue Bond Law,' as now or hereafter amended. All procedures pertaining to such issuance and the conditions thereof shall be the same as those contained in said Revenue Bond Law and any amendments thereto.

SECTION 9.
Form, Denominations, Registration, Place of Payment

The Authority shall determine the form of the bonds and the place or places of payment of principal thereto, and shall fix the denomination or denominations of the bonds and the place or places of payment of principal and interest thereof, which may be at any bank or trust company within or without the state. The bonds may be issued in coupon or registered form, or both. The Authority may make provisions for the registration of any coupon bond, as to principal alone, or to both the principal and interest.

SECTION 10.
Signatures, Seal

In case any officer whose signature shall appear on any bonds, or whose facsimile signature shall appear on any coupon, shall cease to be such officer before the delivery of such bonds, such signature shall nevertheless be valid and sufficient for all purposes the same as if he or she had remained in office until such delivery. All such bonds shall be signed by the Chairman of the Authority and attested by the Secretary-Treasurer of the Authority, and the official seal of the Authority shall be affixed thereto. Any coupons attached thereto shall bear the facsimile signatures of the Chairman and Secretary-Treasurer of the Authority. Any bond may be signed, sealed and attested on behalf of the Authority by such persons as shall be duly authorized or hold the proper office, at the actual time of the execution of such bonds, although such persons may not have been so authorized or shall not have held such office on the date of delivery and payment of such bonds.

SECTION 11.
Negotiability. Exemption from Taxation

All revenue bonds issued under the provisions of this Act shall have, and are hereby declared to have, all the qualities and incidents of negotiable instruments under the negotiable instruments law of this state. Such bonds are declared to be issued for an essential public and governmental purpose, and the said bonds, their transfer, and the income thereof shall be exempt from all taxation within this state.

SECTION 12.
Sale Price

The Authority may sell such bonds in such manner and for such price as it may determine to be for the best interest of the Authority, but no such sale shall be made at a price less than par, as provided in Article 3 of Chapter 82 of Title 36 of the O.C.G.A, the 'Revenue Bond Law', unless said 'Revenue Bond Law' be hereafter amended to permit the sale of such bonds at less than par.

SECTION 13.
Proceeds of Bonds

The proceeds of such bonds shall be used solely for the payment of the cost of the project or projects, and unless otherwise provided in the resolution authorizing the issuance of the bonds or in the trust indenture, additional bonds may in like manner be issued to provide the amount of any deficit for the cost of the project or projects, which, unless otherwise provided in the resolution authorizing the issuance of the bonds or in the trust indenture, shall be deemed to be of the same issue and shall be entitled to payment from the same fund without preference or priority of the bonds first issued for the same purposes. If the proceeds of the bonds of any issue shall exceed the amount required for the purpose for which such bonds are issued, the surplus shall be paid into a sinking fund or used for additional construction as may be provided in the resolution authorizing the issuance of the bonds or in the trust indenture.

SECTION 14.
Interim Receipts and Certificates or Temporary Bonds

Prior to the preparation of definitive bonds, the Authority may, under like restrictions, issue interim receipts, interim certificates or temporary bonds, with or without coupons exchangeable for definitive bonds upon the issuance of the latter.

SECTION 15.
Replacement of Lost or Mutilated Bonds

The Authority may also provide for the replacement of any bond which shall become mutilated or be destroyed or lost.

SECTION 16.
Conditions Precedent to Issuance, Object of Issuance

Such revenue bonds may be issued without any other proceedings or the happening of any other conditions or things than those proceedings, conditions and things which are specified or required by this Act. In the discretion of the Authority, revenue bonds of a single issue may be issued for the purpose of any particular project. Any resolution, providing for the issuance of revenue bonds under the provisions of this Act shall become effective immediately upon its passage and need not be published or posted, and any such resolution may be passed at regular, special, or adjourned meeting of the Authority by a majority vote of the quorum as provided in this Act.

SECTION 17.
Credit not Pledged

Revenue bonds issued under the provisions of this Act shall not be deemed to constitute a debt of Henry County. Such bonds shall be payable solely from the fund hereinafter provided for, and the issuance of such revenue bonds shall not directly, indirectly or contingently obligate said county to levy or to pledge any form of taxation whatever therefor or to make any appropriation for the payment of such bonds. All such bonds shall contain recitals on their face substantially covering the foregoing provisions of this section.

SECTION 18.
Trust Indenture as Security

In the discretion of the Authority any issue of such revenue bonds may be secured by a trust indenture by and between the Authority and a corporate trustee, which may be any trust company or bank having the powers of a trust company within or outside of the State. Such trust indenture may pledge or assign fees, tolls, revenues and earnings to be received by the Authority, including the proceeds derived from the sale of any surplus property of the Authority, both real and personal. Either the resolution providing for the issuance of revenue bonds or such trust indenture may contain such provisions for protecting and enforcing the rights and remedies of the bondholders as may be reasonable and proper and not in violation of law, including covenants setting forth the duties of the Authority in relation to the acquisition of property, the construction of the project, the maintenance, operation, repair and insurance of the property, and the custody, safeguarding and application of all monies, including the proceeds derived from the sale of property of the Authority, both real and personal, and may also provide that any project shall be constructed and paid for under the supervision and approval of consulting engineers or architects employed or designated by the Authority, and satisfactory to the original purchasers of the bonds issued therefor and may also require that the security given by contractors and by any depository of the proceeds of the bonds or revenues or

other monies be satisfactory to such purchasers, and may also contain provisions concerning the conditions, if any, upon which additional revenue bonds may be issued. It shall be lawful for any bank or trust company incorporated under the laws of this state to act as such depository and to furnish such indemnifying bonds or pledge such securities as may be required by the Authority. Such indenture may set forth the rights and remedies of the bondholders and of the trustee, and may restrict the individual right of action of bondholders as is customary in trust indentures securing bonds and debentures of corporations. In addition to the foregoing, such trust indenture may contain such other provisions as the Authority may deem reasonable and proper for the security of the bondholders. All expense incurred in carrying out such trust indenture may be treated as a part of the cost of maintenance, operation and repair of the project affected by such indenture.

SECTION 19.
To Whom Proceeds of Bonds Shall Be Paid

The Authority shall, in the resolution providing for the issuance of revenue bonds or in the trust indenture, provide for the payment of the proceeds of the sale of the bonds to any officer or person who, or any agency, bank or trust company, which shall act as trustee of such funds and shall hold and apply the same to the purposes hereof, subject to such regulations as this Act and such resolutions or trust indentures may provide.

SECTION 20.
Sinking Funds

The revenues, fees, tolls and earnings derived from any particular project or projects, regardless of whether or not such fees, earnings and revenues were produced by a particular project for which bonds have been issued, and any monies derived from the sale of any properties, both real and personal, of the Authority, unless otherwise pledged and allocated, may be pledged and allocated by the Authority to the payment of the principal and interest on revenue bonds of the Authority as the resolution authorizing the issuance of the bonds or the trust instrument may provide. Such funds so pledged from whatever source received, which said pledge may include funds received from one or more or all sources, shall be set aside at regular intervals, as may be provided in the resolution or trust indenture, into a sinking fund. Said sinking fund shall be pledged to and charged with the payments of:

(1) The interest upon such revenue bonds as such interest shall fall due;

(2) The principal of the bonds as the same shall fall due;

(3) The necessary charges of paying agent or agents for paying interest and principal; and

(4) Any premium upon bonds retired by call or purchase as hereinabove provided.

The use and disposition of such sinking fund shall be subject to such regulations as may be provided in the resolution authorizing the issuance of the revenue bonds or in the trust

indenture, but, except as may otherwise be provided in such resolution or trust indenture, such sinking fund shall be a fund for the benefit of all revenue bonds without distinction or priority of one over another. Subject to the provisions of the resolution authorizing the issuance of the bonds or in the trust indenture, surplus monies in the sinking fund may be applied to the purchase or redemption of bonds, and any such bonds so purchased or redeemed shall forthwith be cancelled and shall not again be issued.

SECTION 21.
Remedies of Bondholders

Any holder of revenue bonds issued under the provisions of this Act or any of the coupons appertaining thereto, and the trustee under the trust indenture, if any, except to the extent the rights herein given may be restricted by resolution passed before the issuance of the bonds or by the trust indenture, may, either at law or in equity, by suit, action, mandamus, or other proceedings protect and enforce any and all rights under the laws of the State of Georgia or granted hereunder or under such resolution or trust indenture, and may enforce and compel performance of all duties required by this Act or by such resolution or trust indenture, to be performed by the Authority, or any officer thereof, including the fixing, charging and collecting of revenues, fees, tolls and other charges for the use of the facilities and services furnished.

SECTION 22.
Refunding Bonds

The Authority is hereby authorized to provide by resolution for the issuance of revenue refunding bonds issued under the provisions of this Act and then outstanding, together with accrued interest thereon. The issuance of such revenue refunding bonds, the maturities and all other details thereof, the rights of the holders thereof, and the duties of the Authority in respect to the same shall be governed by the foregoing provisions of this Act insofar as the same may be applicable.

SECTION 23.
Validation

Bonds of the Authority shall be confirmed and validated in accordance with the procedures of Article 3 of Chapter 82 of Title 36 of the O.C.G.A, the 'Revenue Bond Law'. The petition for validation shall also make any municipality, county, Authority, subdivision or instrumentality of the State of Georgia or the United States Government or any department or agency of the United States Government, if subject to be sued, which has contracted with the Authority for the services and facilities of the project for which bonds are to be issued and sought to be validated, a party-defendant to such action. Such municipality, county, Authority, subdivision or instrumentality shall be required to show cause, if any, why such contract or contracts and the terms and conditions thereof

should not be inquired into by the court and the validity of the terms thereof be determined and the contract or contracts adjudicated as security for the payment of any such bonds of the Authority. The bonds, when validated, and the judgment of validation shall be final and conclusive with respect to such bonds, against the Authority issuing the same, and any municipality, county, Authority, subdivision or instrumentality of the United States Government if a party to the validation proceedings, contracting with the Henry County Airport Authority.

SECTION 24.
Venue and Jurisdiction

Any action to protect or enforce any rights under the provisions of this Act or any suit or action against such Authority shall be brought in the Superior Court of Henry County, Georgia, and any action pertaining to validation of any bonds issued under the provisions of this Act shall likewise be brought in said court, which shall have original jurisdiction of such actions.

SECTION 25.
Interest of Bondholders Protected

While any of the bonds issued by the Authority remain outstanding, the powers, duties or existence of said Authority or of its officers, employees or agents shall not be diminished or impaired in any manner that will adversely affect the interest and rights of the holders of such bonds, and no other entity, department, agency or Authority shall be created which will compete with the Authority to such an extent as to adversely affect the interest and rights of the holders of such bonds, nor will the state itself so compete with the Authority. The provisions of this Act shall be for the benefit of the state, the Authority and the holders of any such bonds, and upon the issuance of bonds under the provisions hereof, shall constitute a contract with the holders of such bonds.

SECTION 26.
Monies Considered Trust Funds

All monies received pursuant to the Authority of this Act, whether as proceeds from the sale of revenue bonds, as grants or other contributions, or as revenues, income, fees and earnings, shall be deemed to be trust funds to be held and applied solely as provided in this Act.

SECTION 27.
Purpose of Authority

Without limiting the generality of any provisions of the Act the general purpose of the Authority is declared to be that of acquiring, constructing, equipping, maintaining,

improving and operating airports and landing fields for the use of aircraft, including any related buildings and the usual and convenient facilities appertaining to such undertakings and extensions and improvements of such facilities, acquiring the necessary property therefor, both real and personal, and to lease or sell any or all of such facilities, including real property, and to do any and all things deemed by the Authority to be necessary, convenient or desirable for, and incident to, the efficient and proper development and operation of such types of undertakings.

SECTION 28.
Rates, Charges and Revenues; Use

The Authority is hereby authorized to prescribe, fix and collect rates, fees, tolls and charges, and to revise, from time to time, and collect such rates, fees, tolls and charges for the services, facilities or commodities furnished, including leases, concessions or sub-leases of its lands or facilities, and in anticipation of the collection of the revenues and income of such undertakings or projects.

SECTION 29.
Rules and Regulations for Operation of Projects

It shall be the duty of the Authority to prescribe rules and regulations for the operation of the project or projects constructed under the provisions of this Act, including the basis on which airports and landing fields for the use of aircraft shall be furnished.

SECTION 30.
Powers Declared Supplemental and Additional, Liberal Construction

(a) The foregoing sections of this Act shall be deemed to provide an additional and alternative method for the doing of the things authorized thereby and shall be regarded as supplemental and additional to powers conferred by other laws, and shall not be regarded as in derogation of any powers now existing.
(b) This Act, being for the purpose of promoting the health, morals and general welfare of the citizens of the United States, of the State of Georgia and of Henry County, shall be liberally construed to effect the purposes hereof.

SECTION 31.
Eminent Domain

Through the use and power of eminent domain, the Authority shall have the right, power, privilege and Authority to condemn real property, rights-of-way or easement for the purpose of carrying out the provisions of this Act. Any such condemnation shall be conducted in accordance with the laws of this State.

SECTION 32.
Jurisdiction

All property, the title to which shall vest in said Authority, shall be subject to the jurisdiction of the county wherein such property shall lie."

A BILL TO BE ENTITLED
AN ACT

To amend Article 1 of Chapter 5 of Title 48 of the Official Code of Georgia Annotated, relating to general provisions regarding ad valorem taxation of property, so as to revise the definition of bona fide conservation use property to include carbon sequestration; to require certified notices of impending expiration; to provide for the reinstatement of certain covenants and preferential assessments in certain limited circumstances; to provide for appeals and refunds; to prohibit additional fees or interest; to permit the combination of multiple covenants of a single owner into a single, new, ten-year covenant; to provide for exceptions; to provide for the change of forest land use assessment property to current use assessment property after a transfer of ownership; to provide for related matters; to provide for an effective date and applicability; to repeal conflicting laws; and for other purposes.

BE IT ENACTED BY THE GENERAL ASSEMBLY OF GEORGIA:

SECTION 1.

Article 1 of Chapter 5 of Title 48 of the Official Code of Georgia Annotated, relating to general provisions regarding ad valorem taxation of property, is amended in Code Section 48-5-7.4, relating to preferential assessment for bona fide conservation use property and bona fide residential transitional property, by revising subparagraph (a)(1)(F) and subsection (d) and adding new subsections to read as follows:

"(F) The primary purpose described in this paragraph includes land conservation and ecological forest management in which commercial production of wood and wood fiber products may be undertaken primarily for conservation and restoration purposes rather than financial gain. Such property may, in addition, have as a secondary use carbon sequestration in accordance with the Georgia Carbon Sequestration Registry or a carbon sequestration program; or"

"(d) No property shall qualify for current use assessment under this Code section unless and until the owner of such property agrees by covenant with the appropriate taxing authority to maintain the eligible property in bona fide qualifying use for a period of ten years beginning on the first day of January of the year in which such property qualifies for such current use assessment and ending on the last day of December of the final year of the covenant period. After the owner has applied for and has been allowed current use assessment provided for in this Code section, it shall not be necessary to make application

thereafter for any year in which the covenant period is in effect and current use assessment shall continue to be allowed such owner as specified in this Code section. At least 60 days prior to the expiration date of the covenant, the county board of tax assessors shall send by first-class mail written notification of such impending expiration; provided, however, that the county board of tax assessors shall send such written notification by certified mail, if requested by the taxpayer. Additionally, the county board of tax assessors shall send an electronic copy of such notification to the taxpayer if the taxpayer has submitted a current email address and requested such electronic notification. Upon the expiration of any covenant period, the property shall not qualify for further current use assessment under this Code section unless and until the owner of the property has entered into a renewal covenant for an additional period of ten years; provided, however, that the owner may enter into a renewal contract in the ninth year of a covenant period so that the contract is continued without a lapse for an additional ten years.

(d.1)(1) This subsection shall apply in the case of any property:

(A) For which the covenant required under subsection (d) of this Code section expired during the two years immediately preceding July 1, 2025; and

(B) That, during the period after the expiration of the covenant required under subsection (d) of this Code section, continued to qualify for current use assessment under this Code section; and

(C) The owner of such property can demonstrate by sworn affidavit from the designated mail carrier that the mailbox was inoperable or unavailable at the time such notice of expiration should have been delivered.

(2) Notwithstanding any other provision of this chapter to the contrary, for a property that meets the requirements of paragraph (1) of this subsection the covenant required under subsection (d) of this Code section shall be deemed to be reinstated and the owner of the property shall only be liable for the taxes that would have been imposed if such covenant had not expired.

(3) Notwithstanding the procedures and requirements for appeals provided in this chapter to the contrary, the owner of any property that meets the requirements of paragraph (1) of this subsection may appeal the assessment of such property for the time period stated in subparagraph (A) of paragraph (1) of this subsection. The county board of tax commissioners shall refund to the owner any amount of taxes paid in excess of such amount, and no other costs, fees, or interest shall be imposed on such owner in relation to such appeal."

"(e.1)(1) A single owner, as described in subparagraph (a)(1)(C) of this Code section, who has multiple parcels of bona fide conservation use property that are collectively subject to more than one valid covenant under this Code section may combine such covenants in whole under a single, new, ten-year covenant for bona fide conservation use without constituting a breach of any of the covenants, provided that all such property would be otherwise eligible to be placed under a renewal covenant under this Code section by the owner upon the natural expiration of the original covenant.

(2) The provisions of this subsection shall not be permitted or be construed to:

(A) Allow any portion of property held under a covenant to be removed from the covenant without being combined into the new covenant;

(B) Change any requirements for what constitutes qualified property; or

(C) Change any requirements for what constitutes qualifying use for purposes of this Code section.

(3) A single owner, as described in subparagraph (a)(1)(C) of this Code section, desiring to proceed with combining covenants pursuant to paragraph (1) of this subsection shall first file a real property tax return with the appropriate board of tax assessors on or before the deadline to file such return.

(4) Parcels on which delinquent taxes are owed shall not be eligible to be combined pursuant to paragraph (1) of this subsection."

SECTION 2.

Said article is further amended in Code Section 48-5-7.7, relation to preferential assessment for forest land conservation use property, by revising subsection (f) as follows:

"(f)(1) A qualified owner shall not be authorized to make application for and receive conservation use assessment under this Code section for any property which at the time of such application is receiving preferential assessment under Code Section 48-5-7.1 or current use assessment under Code Section 48-5-7.4; provided, however, that, if any property is subject to a covenant under either of those Code sections, it may be changed from such covenant and placed under a covenant under this Code section if it is otherwise qualified. Any such change shall terminate the existing covenant and shall not constitute a breach thereof. No property may be changed more than once under this paragraph.

(2) Any property that is subject to a covenant under this Code section and subsequently fails to adhere to the qualifying purpose, as defined in paragraph (5) of subsection (b) of this Code section, may be changed from the covenant under this Code section and placed under a covenant provided for in Code Section 48-5-7.4 if the property otherwise qualifies under the provisions of that Code section. In such a case, the existing covenant under this Code section shall be terminated, and the change shall not constitute a breach thereof. No property may be changed more than once under this paragraph.

(3) A qualified owner under this Code section may obtain ownership of property receiving preferential assessment under Code Section 48-5-7.1 or current use assessment under Code Section 48-5-7.4 and have 180 days from the time ownership is acquired to change from such covenant and place under a covenant under this Code section if it is otherwise qualified and would not constitute a breach thereof even if the qualified owner does not qualify for the preferential assessment under Code Section 48-5-7.1 or current use assessment under Code Section 48-5-7.4."

SECTION 3.

This Act shall become effective upon its approval by the Governor or upon its becoming law without such approval, and shall be applicable to all taxable years beginning on or after January 1, 2027.

SECTION 4.
All laws and parts of laws in conflict with this Act are repealed.

The following substitute, offered by the Committee on Rules, was read and adopted:

(d) The charter and unification commission is also authorized to solicit, receive, and expend contributions, grants, gifts, and other funds from other sources to be utilized by it in the conduct of its business.

(e) All public officials and employees of the City of Quitman and the County of Brooks upon request shall furnish the charter and unification commission with all documents,

If, after conducting such study, the charter and unification commission shall deem it to be in the best interests of the governments proposed to be affected, the commission shall draft a proposed charter creating a unified government, and if such charter is approved by the voters under the provisions of this part, then the newly created unified government shall supersede and replace the existing governments of the City of Quitman and the County of Brooks and may also supersede and replace any public authorities and special service districts located and operating within Brooks County. If the charter and unification commission does not deem it to be in the best interests of the governments proposed to be affected to recommend the establishment of a unified government but concludes from its study that it is feasible to consolidate specific governmental services, programs, and activities, then the commission may issue such findings, conclusions, and recommendations in writing together with reasons why such recommendations will make government operations more efficient.

SECTION 2-6.

(a) The charter so drafted shall be submitted to the qualified voters of Brooks County for approval or rejection of the referendum provided for in Section 2-10 of this part.

(b) The General Assembly delegates its powers to the charter and unification commission to draft such a charter which may include any provisions necessary to effectuate its purposes. Without limiting the generality of the foregoing, the proposed charter may provide for any one or more of the items listed below. Where it is indicated that an item shall be included, the inclusion of that particular item shall be mandatory:

(1) The charter shall provide for the abolishment of the existing governments of the City of Quitman and the County of Brooks and for the creation of a new unified government which may have all powers formerly exercised by the City of Quitman and the County of Brooks and such other powers as may be necessary or desirable. The new unified government may be given, and may have, such rights, privileges, exemptions, preferences, discretions, immunities, powers, duties, and liabilities as are now or hereafter granted to, or vested in, municipalities or counties or both by the

Constitution and laws of the State of Georgia. The form and composition of the new government shall be as the charter shall provide;

(2) The charter may authorize the new government to continue to be eligible to have, hold, enjoy, and be entitled to any assistance, credits, benefits, moneys, grants, grants-in-aid, funds, loans, aid, appropriations, and matching funds to the same extent that any municipality or county of the State of Georgia now or may hereafter enjoy or possess under the Constitution and laws of the State of Georgia or by other provisions of law or under any present or future state or federal programs;

(3) The charter may provide for the abolishment, modification, consolidation, or merger of any court unless otherwise prohibited by the Constitution or general law;

(4) The charter may provide for the abolishment, modification, consolidation, or merger of any public authorities and special service districts located within Brooks County created by law and for the transfer of any powers, duties, and obligations of such authorities and districts to the new unified government or to any agency thereof or from one such authority or special service district to another in such manner as the charter shall provide unless otherwise prohibited by the Constitution or general law;

(5) The charter may provide for the abolishment, modification, consolidation, or merger of any one or more public offices or positions of public employment of any municipality merged in the unified government and the County of Brooks and any public authorities or special service districts located or operating within Brooks County unless otherwise prohibited by the Constitution or general law. The charter may provide for administrative division or changes with reference to the duties and responsibilities of any public office or official as the charter and unification commission shall deem necessary for the efficient functioning of the new unified government;

(6) The charter shall provide for the creation of the governing authority of the new unified government, including the number of members of the governing authority, their powers, duties, terms of office, manner, and time of election or appointment, compensation, method of removal, and all other matters incidental or necessary to the creation of the unified governing authority. The charter shall provide for the name or names of the new unified government and governing authority;

(7) The charter may provide for the creation of the various departments, boards, bureaus, offices, commissions, and positions of public employment of the new unified government and for any matters necessary or incidental thereto;

(8) The charter shall provide for the creation of special tax districts consisting of the territory lying within the former boundaries of the affected governments for the purpose of the successor unified government levying a tax therein sufficient to retire any bonded indebtedness of such governments which is outstanding on the effective date of the abolishment of such government, including, but not limited to, any contractual obligations owed by the City of Quitman pursuant to its existing contracts with the Municipal Electric Authority of Georgia and the Municipal Gas Authority of Georgia;

(9) The charter may provide for the assumption by the new government of all bonded indebtedness and all other obligations of whatever kind of all governmental units, public authorities, and special service districts which are altered by the charter and a

method by which the new unified government shall assume the payment of any obligations issued under Article 3 of Chapter 82 of Title 36 of the O.C.G.A., the "Revenue Bond Law," or other similar legislation;

(10) The charter may provide for the transfer to the new unified government of assets, contracts, and franchises of all governmental units and any public authorities and special service districts which are merged with the new unified government or are altered by the charter and shall provide for the transfer of all contracts between any governmental unit and the Municipal Electric Authority of Georgia or the Municipal Gas Authority of Georgia and for the acceptance by the unified government of it becoming a party to such contracts in place of the City of Quitman;

(11) The charter may provide the purposes for which the new unified government or governing authority or any agency thereof may levy taxes;

(12) The charter shall provide for the method or methods by which it may be amended. The General Assembly expressly reserves the right to amend any charter adopted pursuant to this part. The charter may provide for an additional method or methods by which the charter may be amended and shall provide for any amendments adopted by any such other method or methods to be filed with the Secretary of State so that they may be published in the *Georgia Laws*;

(13) The charter shall provide for the repeal of conflicting laws; and

(14) The charter may contain such other provisions as are necessary and needful to achieve the objectives of consolidation of the governments and functions of the City of Quitman and the County of Brooks and the creation of a successor government.

(c) The following additional provisions shall govern proceedings of the charter and unification commission and any successor unified government created by a charter drafted by the commission:

(1) The charter and unification commission is authorized to contract with any public or private institution or body, including the Carl Vinson Institute of Government, for any special studies or assistance it deems necessary, subject to the limitation that any expenditure therefor shall be within the limits of the funds made available to the commission by the respective governing authorities; and

(2) Any successor government created and established shall, without the necessity or formality of deed, bill of sale, or other instrument of transfer, be and become the owner of all property, assets, and rights previously belonging to the City of Quitman and the County of Brooks and any other authorities or special service districts merged into the new government.

(d) The charter and unification commission shall have all the powers of the superior courts to compel the attendance of witnesses before the commission and any of its committees, subcommittees, or advisory committees; to compel witnesses to testify thereat; and to subpoena any person or entity and all such books, records, data, papers, documents, and other tangible items which may be deemed by the commission to be material to any question or issue deemed by it to be relevant to the duties or prerogatives imposed upon or granted to the commission by this part. Such subpoenas shall be issued in the name of the commission, shall be signed by either the chairperson or the secretary of the commission,

and shall be served in the manner provided by law for the service of subpoenas in civil cases pending in the superior courts. Witnesses subject to such subpoenas shall be entitled to the same compensation as witnesses attending superior court, which compensation shall be collected in the same manner as that of witnesses in the superior courts except that such compensation shall be paid from funds of the commission. Should any such subpoenaed person or witness fail or refuse to answer questions propounded or fail or refuse to produce any books, records, data, papers, documents, or other tangible items required to be produced by the commission, except upon a legal excuse which would relieve such person of such obligation in a civil case pending in the superior court, the person so failing or refusing shall be guilty of contempt and may be cited by the commission to appear before a judge of the Southern Judicial Circuit. The judge of such court shall have the same power and jurisdiction to punish the person cited for contempt and to require and compel the attendance, the giving of testimony, or the production of items as in cases of contempt committed in the presence of the court and as in cases pending before the court.

(e) Notwithstanding any other provisions of this part, the charter and unification commission and the charter proposed by the commission and subsequently adopted may not:

(1) Alter or affect the status of the Brooks County School System or the Brooks County Board of Education or any provision of the Constitution or laws of the State of Georgia by which the Brooks County School System is constituted, empowered, or preserved or to transfer any of its powers, duties, or obligations;

(2) Impair or diminish any pension or retirement rights; or

(3) Abolish the office of sheriff, clerk of court, judge of probate court, or tax commissioner.

(f) None of the foregoing limitations shall be construed as prohibiting the General Assembly from exercising any legislative power with respect to any municipality electing to be excluded as provided in this part or the school district, board of education, industrial development authority, office of sheriff, clerk of superior court, judge of probate court, or tax commissioner, pension rights, and homestead exemptions which existed prior to the adoption of this part.

(g) The powers granted in this part to the charter and unification commission by the General Assembly are remedial in nature and shall be liberally construed to effectuate their purpose.

SECTION 2-7.

(a) The charter and unification commission shall be required to hold at least three public hearings to determine the sentiment of the citizens of the City of Quitman and the County of Brooks regarding the work of the charter and unification commission. The first public hearing shall be held within 30 days of the issuance of the commission's final written report on the feasibility of establishing a unified government within Brooks County, and a third public hearing shall be held within 15 days of the submission of any proposed charter for such consolidated government to the Brooks County Board of Elections. The charter and unification commission is authorized to hold more than three public hearings if it

determines that additional public hearings are desirable. The charter and unification commission shall cause the date, time, and place of each such hearing to be advertised in the official organ of Brooks County once a week for two consecutive weeks during the two weeks next preceding the week in which the public hearing is held. The charter and unification commission shall cause to be made a transcript of each public hearing held and shall file the same in its minutes and records.

(b) Following issuance of the commission's final written report, the governing authorities of the City of Quitman and the County of Brooks shall each hold and conduct a public hearing to determine the sentiments of their citizens regarding the work of the charter and unification commission. Notice of such hearings shall be advertised in the same manner as required for hearings held by the charter and unification commission. Representatives of the charter and unification commission shall be invited to present the final report to such governing authorities.

SECTION 2-8.

(a) The charter and unification commission shall complete its studies and shall prepare, complete, and file any proposed charter no later than August 31, 2027; provided, however, that the above-described time period may be extended for such additional periods of time as may be authorized by resolutions duly adopted by the governing authority of the City of Quitman and the governing authority of the County of Brooks and may also be extended by any part of the General Assembly and shall be automatically extended for a period of time equal to the period of time that any proposed charter shall be under consideration by any courts.

(b) Certified copies of the charter shall be filed by the charter and unification commission with the clerks or secretaries of the governing authorities of the City of Quitman and the County of Brooks and shall be authenticated by the signature of the chairperson of the charter and unification commission. Such copies shall be public records and shall be available for inspection or examination by any interested person.

(c) The charter and unification commission shall also make available a copy of the charter to every daily or weekly newspaper published in Brooks County and to each radio or television station operating within the county. The commission shall take such other steps, within the limitation of its available funds, as it deems reasonable and appropriate to inform the public throughout the county of the contents of the proposed charter. The charter and unification commission shall also cause a summary of the proposed charter to be printed in pamphlets or booklets and made available for general distribution throughout the county.

(d) The charter and unification commission is authorized to adopt such rules and regulations as it deems necessary or desirable to carry out its powers and perform its duties and functions.

SECTION 2-9.

(a) A certified copy of the proposed charter shall be submitted by the commission to the election superintendent of Brooks County, and it shall be the duty of such superintendent

to call and hold a referendum election for ratification or rejection of the proposed charter as provided in Section 2-10 of this part.

(b) The charter and unification commission shall be abolished by operation of law at midnight of the day the results of the special referendum election on the proposed charter become final and effective pursuant to the laws of the State of Georgia.

SECTION 2-10.

(a) As soon as practicable after receipt of the certified copy of the proposed charter, it shall be the duty of the election superintendent of Brooks County to call a special election for approval or rejection of the proposed charter. The election superintendent shall set the date of the election for the earliest date therefor permissible under general law after the filing of any proposed charter as provided for in Section 2-8 of this part; provided, however, that such special election shall be held no later than the Tuesday following the first Monday in November, 2027. The election superintendent shall cause the date and purpose of the election to be published once a week for two calendar weeks immediately preceding the date thereof in the official organ of Brooks County. The ballot shall have written or printed thereon the following:

"( ) YES Shall the charter reorganizing and consolidating the governments of the City of Quitman and Brooks County and creating a unified government to
( ) NO supersede and replace those governments be approved?"

(b) All persons desiring to vote for approval of the charter shall vote "Yes," and those persons desiring to vote for rejection of the charter shall vote "No." The votes cast on such question by the qualified voters of Brooks County residing within the corporate limits of the City of Quitman and the votes cast on such question by the qualified voters of unincorporated Brooks County shall be counted separately. If more than one-half of the votes cast by the qualified voters of the City of Quitman are for approval of the charter and if more than one-half of the total votes cast by the qualified voters residing within the unincorporated areas of Brooks County are for approval of the charter, then the charter shall become effective as to the City of Quitman and Brooks County and Part 3 of this Act shall stand repealed. Otherwise, such charter shall be void and of no force and effect and Part 3 of this Act shall go into effect as provided for in Part 4 of this Act. The expense of such election shall be borne equally by the City of Quitman and the County of Brooks.

(c) The special election shall be conducted pursuant to Chapter 2 of Title 21 of the O.C.G.A., the "Georgia Election Code," except to the extent specifically provided otherwise by this part.

(d) A qualified voter, as used in this part, shall mean a voter of Brooks County qualified to vote for members of the General Assembly of Georgia. The election superintendent shall certify the returns to the Secretary of State. The election superintendent shall also furnish a certified copy of the charter to the Secretary of State. The Secretary of State shall issue his or her proclamation showing and declaring the result of the election on the approval or rejection of the charter. One copy of the proclamation shall be attached to the copy of the charter certified to the Secretary of State. One copy of the proclamation shall

be delivered to the secretary or clerk of the governing authority of the City of Quitman, who shall attach the same to the copy of the charter previously certified to him or her. One copy of the proclamation shall be delivered to the clerk of the governing authority of the County of Brooks, who shall attach the same to the copy of the charter previously certified to him or her.

(e) Whenever a charter for the consolidation of the governments of the City of Quitman and the County of Brooks has been adopted, the above-certified copies thereof, with the proclamation of the Secretary of State of Georgia attached thereto, shall be deemed duplicate original copies of the charter of the consolidated government for all purposes. The certified copy of the charter and proclamation deposited with the secretary or clerk of the governing authority of the City of Quitman and the certified copy of the charter and proclamation deposited with the clerk of the governing authority of the County of Brooks shall subsequently be delivered by them to the successor government. The successor government may issue certified copies of the charter, and any copy so certified shall be deemed a duplicate original copy of the charter of the consolidated government for all purposes. The Secretary of State is authorized to issue certified copies of the charter on file with him or her, and copies so certified by him or her shall be deemed duplicate original copies of the charter of the consolidated government for all purposes.

(f) The provisions of this section shall be mandatory upon the election superintendent and are not intended as directory. If the election superintendent fails or refuses to comply with this section, any elector of the City of Quitman or unincorporated Brooks County may apply for a writ of mandamus to compel the election superintendent to perform his or her duties under this section. If the court finds that the election superintendent has not complied with this section, the court shall fashion appropriate relief requiring the election superintendent to call and conduct such election on the date required by this section or on the next date authorized for special elections provided for in Code Section 21-2-540 of the O.C.G.A.

SECTION 2-11.

In the event the proposed unified government charter is approved by voters as provided in Section 2-10 of this part, an election shall be held in accordance with the provisions of the charter to elect the members of the governing authority of the unified government. Upon the election of the members of the governing authority and their taking office as the governing authority of the unified government; the governing authorities of the City of Quitman and the County of Brooks shall stand abolished, all in accordance with the provisions of the charter of the new unified government.

PART 3.

SECTION 3-1.

An Act to amend, consolidate, and supersede the several Acts of the General Assembly of the State of Georgia pertaining to the City of Quitman in the County of Brooks, approved March 3, 1962 (Ga. L. 1962, p. 2894), as amended, is hereby repealed in its entirety.

SECTION 3-2.

Brooks County, Georgia, shall be vested with full authority to provide all governmental services within that area comprising the former jurisdictional boundary of the City of Quitman, including, but not limited to, and to the maximum extent provided, any powers of the City of Quitman pursuant to Title 46 of the O.C.G.A., relating to electrical or natural gas services. To the maximum extent authorized by law, Brooks County shall be successor in right and obligation to all contracts, bonds, and other obligations of the City of Quitman relating to electrical and natural gas services and shall assume all powers of such city relating to such obligations and shall become a party to any such contracts replacing the City of Quitman. All ordinances, rules, and regulations of Brooks County shall apply within that area as they do in other unincorporated areas of the county, and the appropriate courts of Brooks County shall have jurisdiction to enforce such ordinances, provided that this transition shall not impact any vested rights accrued prior to the effective date of this part.

SECTION 3-3.

Upon the effective date of this part, the existence of any local authority created by or for the City of Quitman shall likewise terminate on the same date; provided, however, that any joint authority of which the City of Quitman was a part shall be modified by operation of law to remove the City of Quitman, and that authority shall continue in existence with its remaining members. The assets and liabilities of any authority terminated pursuant to this section shall be treated in the same manner as assets and liabilities of the City of Quitman under this part.

SECTION 3-4.

(a) There is hereby created a special tax and service district to be known as the Quitman Services District which shall correspond to and be coterminous with the corporate limits of the City of Quitman as those corporate limits existed on the effective date of this part. Upon the completion of the purposes provided in this part for such service district, the tax and service district may be abolished by resolution of the governing authority of Brooks County.

(b) Brooks County may establish an advisory panel composed of residents and taxpayers of the special tax and service district established pursuant to subsection (a) of this section to advise said county on the provisions of services within such special district. The members of such advisory panel shall be appointed by the governing authority of Brooks County, and the number of such panel members and the terms of such members shall be provided for by said governing authority.

SECTION 3-5.

(a) Except as provided herein, all legal rights, privileges, and assets of the City of Quitman and all records of such assets shall pass to Brooks County without the necessity or formality of a deed, bill of sale, or other instrument of transfer. The assets that shall transfer include all real property assets of the City of Quitman of any nature, including, without limitation,

freehold estates, easements, life estates, future interests, and co-owned interests; all tangible and intangible personal property assets of the City of Quitman of any nature, including, without limitation, vehicles, heavy equipment, office equipment, and software; all accounts receivable, rights to payment under contracts fully performed by the City of Quitman, and similar financial assets of the City of Quitman of any nature; and all digital and electronic papers and records of the City of Quitman. Expressly excluded from this section are any rights or assets that derive from executory contracts of the City of Quitman addressed in Section 3-6 of this part.

(b) Those amounts in any general fund for the City of Quitman shall be immediately transferred to the general fund of Brooks County and segregated by Brooks County for the provision of services within the Quitman Services District.

(c) Those amounts in any special or enterprise fund for the City of Quitman shall immediately be transferred to a special fund of Brooks County and segregated by Brooks County for their designated special purpose.

SECTION 3-6.

(a) Except as specifically provided in this part, neither Brooks County nor the State of Georgia nor any political subdivision of the State of Georgia shall bear any responsibility or liability for obligations, amounts, claims, debts, causes of action, judgments, or liabilities that have accrued to the City of Quitman or its local public authorities, up to and including the effective date of this part. Nothing in this part shall in any manner obligate Brooks County to provide continued employment for any employee of the City of Quitman or any local public authority of the city.

(b) Any bonded indebtedness of the City of Quitman shall become the debt and obligation of the special tax and service district established pursuant to Section 3-4 of this part. Brooks County shall be the successor to the City of Quitman for all purposes relating to such bonded indebtedness, including the enforcement of rights and remedies of bondholders. The county shall be required to levy a special district tax, fee, or assessment within the Quitman Services District for the purpose of paying the amounts due on such bonded debt and any amounts due to the Municipal Electric Authority of Georgia or the Municipal Gas Authority of Georgia pursuant to its existing contracts with the City of Quitman. It is the specific intent of the General Assembly that the special tax and service district established pursuant to Section 3-4 of this part shall assume all outstanding obligations, amounts, claims, debts, causes of action, judgments, and liabilities that have accrued to the City of Quitman or its local public authorities relating to the provisions of electrical or natural gas services, including, but not limited to, any contracts the city has entered into with the Municipal Electric Authority of Georgia, the Municipal Gas Authority of Georgia, any other political subdivision of this state providing electrical or natural gas services, and the holders of any bonds or obligations issued by such authority or political subdivisions, and that Brooks County, on behalf of such special district, shall be empowered and required to undertake any and all actions the City of Quitman was authorized to undertake to ensure that such responsibilities and obligations are maintained, kept, and performed in full.

(c) Other than those bonded debts provided for in subsection (b) of this section and Section 3-11 of this part, Brooks County, on behalf of the special tax and service district established pursuant to Section 3-4 of this part, shall assume the rights and duties of any executory contract of the City of Quitman in effect as of the effective date of this part, including obligations pursuant to existing contracts between the City of Quitman and the Municipal Electric Authority of Georgia, the Municipal Gas Authority of Georgia, or any other debt provider. If assumed, any rights and obligations of such contracts that by their nature are personal to the city shall be deemed to apply to the personnel, services, and assets formerly belonging to the city so as to reasonably fulfill the basic purpose and bargain of the original contract. The county shall be authorized but not required to levy a special district tax, fee, or assessment within the Quitman Services District for the purpose of paying the amounts due under contracts assumed pursuant to this subsection, to the extent that the financial obligations under such contracts cannot be fully funded by funds and assets devolved to the county from the City of Quitman; provided, however, that the county shall be required to levy a special district tax, to the extent necessary, to pay obligations owed to the Municipal Electric Authority of Georgia, the Municipal Gas Authority of Georgia, or any other debt provider pursuant to its existing contracts with the City of Quitman.

(d) Financial assets and property devolved to Brooks County that are deemed by the county to be excess for purposes of serving the Quitman Services District shall be used to satisfy any obligations and retire any indebtedness of the City of Quitman.

SECTION 3-7.

To the maximum extent permitted by law, all federal and state permits and licenses issued to the City of Quitman or its local authorities shall be transferred by operation of law to Brooks County, and Brooks County may succeed to any rights, duties, contracts, or other obligations of the City of Quitman pursuant to Title 46 of the O.C.G.A., relating to electrical or natural gas services.

SECTION 3-8.

Notwithstanding any provisions of this part to the contrary, on the effective date of this part, if any person is held in the custody of the City of Quitman, such person may be transferred over to the custody of the Brooks County Sheriff's Office or other appropriate law enforcement agency.

SECTION 3-9.

All cases pending in the Municipal Court for the City of Quitman shall be automatically transferred to the Brooks County Magistrate Court or the appropriate court of competent jurisdiction in Brooks County if jurisdiction does not lie in the magistrate court. Any transfer of law enforcement jurisdiction to Brooks County shall not in and of itself abate any pending prosecution of any violation of any ordinance of the City of Quitman, and the county shall be entitled to enforce such city ordinance as if a violation occurred while the city ordinances were in effect. As for any other lawsuits involving the City of Quitman in

the Georgia judicial system, the city shall cease to exist and therefore shall no longer be a proper party to any legal action.

SECTION 3-10.

The zoning and land use regulations of the City of Quitman shall be deemed Brooks County ordinances and shall apply within the Quitman Services District only, unless and until Brooks County adopts zoning and land use regulations covering the properties within the Quitman Services District.

SECTION 3-11.

Brooks County shall be entitled to receive the City of Quitman's share of proceeds of any special purpose local option sales tax imposed pursuant to Article 3 of Chapter 8 of Title 48 of the O.C.G.A. and shall use those proceeds to complete the city projects authorized by the applicable referendum or otherwise abandon the projects in accordance with general law. To the extent that any intergovernmental agreement has been approved between Brooks County and its qualified municipalities in connection with such special purpose local option sales tax, the county shall have the power to act in place of the City of Quitman for purposes of that agreement.

SECTION 3-12.

Brooks County and its qualified municipalities shall divide the City of Quitman's share of proceeds of any local option sales tax in accordance with the provisions of Code Section 48-8-89.2 of the O.C.G.A.

SECTION 3-13.

There is hereby designated a Historic Quitman Community which shall correspond to and be coterminous with the corporate limits of the City of Quitman as those corporate limits existed on the effective date of this part. Brooks County is authorized to provide appropriate signage so as to mark the boundaries of such historic community.

PART 4.

SECTION 4-1.

Nothing contained in this Act shall be construed so as to amend, modify, or repeal:

(1) An Act to provide a new charter for the City of Barwick, approved April 26, 2016 (Ga. L. 2016, p. 3699;

(2) An Act to provide a new charter for the City of Pavo, approved May 3, 2018 (Ga. L. 2018, p. 3577); and

(3) An Act to reincorporate the City of Morven in the County of Brooks, approved April 11, 1979 (Ga. L. 1979, p. 3716).

SECTION 4-2.

(a) This part and Part 1 of this Act shall become effective upon its approval by the Governor or upon its becoming law without such approval.

(b) Part 2 of this Act shall become effective as provided for in Section 1-1 of this Act.
(c) Except as provided for in Section 2-10 of this Act, Part 3 of this Act shall become effective:
(1) On December 31, 2026, if Part 2 of this Act does not go into effect; provided, however, that Part 3 of this Act shall not go into effect on such date if on such date the state auditor certifies that the City of Quitman is in compliance with all of the audit requirements provided for in Chapter 81 of Title 36 of the O.C.G.A. for all fiscal years of such city from 2017 to 2022;
(2) On July 1, 2027, if the certification conditions in paragraph (1) of this subsection are met; provided, however, that Part 3 of this Act shall not go into effect on such date if on such date the state auditor certifies that the City of Quitman is in compliance with all of the audit requirements provided for in Chapter 81 of Title 36 of the O.C.G.A. for all fiscal years of such city since 2017; or
(3) On January 1, 2028, if the charter provided for in Part 2 of this Act is not approved as provided for in Section 2-10 of this Act; provided, however, that Part 3 of this Act shall not go into effect on such date if on such date the state auditor certifies that the City of Quitman is in compliance with all of the audit requirements provided for in Chapter 81 of Title 36 of the O.C.G.A. for all fiscal years of such city since 2017.
The state auditor shall make such certifications no later than 30 days prior to the applicable date provided for in paragraph (1), (2), or (3) of this subsection and shall provide certified copies of such certifications to the governing authority of the City of Quitman, the governing authority of Brooks County, the Secretary of State, and the Office of Legislative Counsel.

"33-8-9.

Refunds and credits of license fees and taxes levied by this chapter shall be made by the Commissioner in accordance with the provisions of Code Sections 33-2-29 through 33-2-31; provided, however, that any claim for a refund of a fee or tax erroneously or

illegally assessed and collected under this chapter shall be made by the insurer in writing within three years after the date of payment of such fee or tax to the Commissioner."

PART IV
SECTION 4-1.

Said title is further amended in Chapter 9, relating to regulation of rates, underwriting rules, and related organizations, by revising Code Section 33-9-41, which is reserved, as follows:

"33-9-41.

(a) As used in this Code section, the term:

(1) 'Anticipated underwriting profit' means the expected, projected, or modeled net profit that an insurer anticipates making from providing insurance coverage, exclusive of income from investments. Such term shall be calculated as the sum of the dollar amounts obtained by multiplying, for each rate filing of the insurer group in effect during a three-year period, the earned premiums applicable to such rate filings by the percentage factor included in such rate filing for profit and contingencies, such percentage factor having been determined with due recognition to investment income from funds generated by business in this state; provided, however, that separate calculations shall not be necessary for consecutive filings containing the same percentage factor for profits and contingencies.

(2) 'Cash refund' means a refund issued to a policyholder or former policyholder by an insurer in a single payment of coins, currency, checks, drafts, or money orders.

(3) 'Credit refund' means a refund issued to a policyholder by an insurer through application to a policy renewal premium for such policyholder.

(4) 'Excess profit' means an underwriting gain for the three most recent calendar accident years combined which is greater than the anticipated underwriting profit plus 5 percent of earned premiums for such calendar accident years.

(5) 'Final compilation year' means the final year in which data is reported in a three-year reporting period.

(6) 'Private passenger automobile insurance' means insurance that covers the personal use of a private passenger automobile and its operating equipment; covers liability, collision, comprehensive, personal injury protection or medical payments, or uninsured or underinsured motorist protection; or provides the mandatory minimum limits required under Chapter 34 of this title for the personal use of a private passenger automobile. Such insurance may be written on a family automobile policy, standard automobile policy, personal automobile policy, or similar private passenger automobile policy. Such term shall not include commercial automobile insurance or similar policies for commercial automobiles or commercial motor vehicles.

(b) No later than July 1, 2027, and annually thereafter, any domestic, foreign, or alien insurer that is authorized to write private passenger automobile insurance policies in this state shall file with the department on forms prescribed by the Commissioner data for private passenger automobile insurance in this state. Such data shall include both voluntary and joint underwriting association business and shall include the following:

(1) Calendar year total limits earned premium;

(2) Accident year incurred losses and loss adjustment expenses;

(3) Administrative and selling expenses incurred in this state or allocated to this state for the calendar year;

(4) Policyholder dividends incurred during the applicable calendar year;

(5) A schedule of private passenger automobile loss and loss adjustment experience for each of the three most recent accident years. The incurred losses and loss adjustment expenses shall be valued as of March 31 of the year following the close of the accident year, developed to an ultimate basis, and at two twelve month intervals thereafter, each developed to an ultimate basis, so that a total of three evaluations will be provided for each accident year; and

(6) Any supplemental data the department needs for the determination of compliance with the provisions of this Code section.

(c) The department shall review the data collected pursuant to subsection (b) of this Code section to determine if excess profit has been realized based on a comparison of the insurer's underwriting gain and anticipated underwriting profit. Each insurer's underwriting gain or loss for each calendar accident year shall be calculated as the sum of the accident year incurred losses and loss adjustment expenses as of March 31 of the following year, developed to an ultimate basis, plus the administrative and selling expenses incurred in the calendar year, plus policyholder dividends applicable to the calendar year, subtracted from the calendar year earned premium. Such underwriting gain or loss shall be compared to the anticipated underwriting profit for the three most recent calendar accident years to determine if excess profit has been realized.

(d) Whenever the Commissioner has determined that an excess profit has been realized, the Commissioner shall issue an order for the insurer to return excess profit and otherwise comply with the provisions of this Code section. The order shall contain or shall be accompanied by a notice of opportunity for hearing which clearly explains that the opportunity must be requested within ten days of receipt of the order and notice. The order and notice shall be served in person by the Commissioner or his or her agent or by registered or certified mail or statutory overnight delivery, return receipt requested. The hearing shall be conducted in accordance with the provisions of Chapter 2 of this title.

(e)(1) Excess profit shall be refunded unless an insurer demonstrates to the department that the refund of excess profit will render the insurer financially impaired or insolvent.

(2) Excess profit shall be refunded on a pro rata basis in relation to the final compilation year earned premiums to the private passenger automobile insurance policyholders of record of the insurer on December 31 on the final compilation year and shall be returned to such policyholders in the form of:

(A) A cash refund within 60 days of a final order on the refund of excess profit; or

(B) A credit refund, which shall be applied to policy renewal premium notices that are forwarded to policyholders no more than 60 days after a final order on the refund of excess profit; provided, however, that, if a policyholder cancels the policy or allows the policy to terminate, the insurer shall make a cash refund no more than 60 days after termination of coverage.

(f) An insurer shall immediately certify to the department when all cash refunds or credit refunds have been made. Any cash refund or credit refund made pursuant to this Code section shall be treated as a policyholder dividend applicable to the year in which it is incurred for purposes of reporting under this Code section for subsequent years.
(g) The data in the required reports to the department obtained pursuant to this Code section and cash refunds or credit refunds to policyholders issued pursuant to this Code section may be rounded to the nearest dollar, provided that such rounding shall be applied consistently.
(h) The Commissioner shall be authorized to promulgate rules and regulations necessary for the implementation and enforcement of this Code section. ~~Reserved.~~"

PART V
SECTION 5-1.

Said title is further amended in Chapter 1, relating to general provisions, by revising subsection (f) of Code Section 33-1-16, relating to investigation of fraudulent insurance act, collection of evidence, immunity from liability, public inspection, and enforcement, as follows:

The Commissioner or his or her employees or agents shall review such information or reports as, in the judgment of the Commissioner or such employees or agents, may require further investigation. The Commissioner shall then cause an investigation of the facts surrounding such information or report to be made to determine the extent, if any, to which a fraudulent insurance act is being committed and shall report any alleged violations of law which the investigations disclose to the appropriate prosecuting attorney having jurisdiction with respect to any such violation. If prosecution by the prosecuting attorney is not begun within 90 days of the report, the prosecuting attorney shall inform the Commissioner of the reasons for the lack of prosecution."

Such assessments may be measured by kind of company, kind of insurance, income, volume of transactions, or such other factors as the Commissioner ~~determines~~ deems appropriate. Assessments based on the annual appropriation shall be due on September 1 of the year of the assessment. Any insurance company which fails to report and pay any such assessment shall be subject to penalties and interest as provided by subsection (d) of Code Section 33-8-6. The Commissioner shall provide by regulation for such other terms and conditions for the payment or collection of such assessments as may be necessary to ensure the proper payment and collection thereof. Notwithstanding the foregoing, the provisions of this Code section shall not apply to ~~an agency captive insurance company,~~ any certified dormant captive insurance company. Any agency captive insurance company, industrial insured captive insurance company, sponsored captive insurance company (including a protected cell thereof), or pure captive insurance company~~. No additional amount shall be assessed against ~~the foreign or alien~~ any captive insurance company for the purpose of funding the investigation and prosecution of insurance fraud.

(3) The General Assembly may appropriate funds to the department for the investigation ~~of insurance fraud~~ and ~~for the funding of the~~ prosecution of insurance fraud. BE IT ENACTED BY THE GENERAL ASSEMBLY OF GEORGIA:

SECTION 1.

Title 36 of the Official Code of Georgia Annotated, relating to local government, is amended by adding a new chapter to read as follows:

"CHAPTER 89A

36-89A-1.

As used in this chapter, the term:

(1) 'Applicable rollback' means a:

(A) Rollback of an ad valorem tax millage rate pursuant to subsection (a) of Code Section 48-8-91 in a county or municipality that levies a local option sales tax;

(B) Rollback of an ad valorem tax millage rate pursuant to subparagraph (c)(2)(C) of Code Section 48-8-104 in a county or municipality that levies a homestead option sales tax;

(C) Reduction of an ad valorem tax millage rate pursuant to the development of a service delivery strategy under Code Section 36-70-24; and

(D) Reduction of an ad valorem tax millage rate pursuant to paragraph (2) of subsection (a) of Code Section 33-8-8.3 in a county that collects insurance premium tax.

(2) 'County millage rate' means the net ad valorem tax millage rate, after deducting applicable rollbacks, levied by a county for county purposes and applying to qualified homesteads in the county, including any millage levied for those special districts reported on the 2026 ad valorem tax digest certified to and received by the state revenue commissioner on or before December 31, 2026, but not including any millage levied for purposes of bonded indebtedness and not including any millage levied on behalf of a county school district for educational purposes.

(3) 'Eligible assessed value' means a certain stated amount of the assessed value of each qualified homestead in the state.

(4) 'Fiscal authority' means the individual authorized to collect ad valorem taxes for a county or municipality which levies ad valorem taxes.

(5) 'Local homeowner's incentive adjustment grant fund' means the fund established by the participating local government pursuant to Code Section 48-5-381.1.

(6) 'Municipal millage rate' means the net ad valorem tax millage rate, after deducting applicable rollbacks, levied by a municipality for municipal purposes and applying to qualified homesteads in the municipality, but not including any millage levied for those special tax districts reported on the 2026 City and Independent School Millage Rate Certification certified to and received by the state revenue commissioner on or before December 31, 2026, any millage levied for purposes of bonded indebtedness, or any millage levied on behalf of an independent school district for educational purposes.

(7) 'Participating local government' means a county or municipality wherein the voters have approved a local homeowner's incentive adjustment grant program pursuant to Code Section 36-89A-2 and that has established a local homeowner's incentive adjustment grant fund.

(8) 'Qualified homestead' means a homestead qualified for any exemption, state, county, or school, authorized under Code Section 48-5-44.

36-89A-2.

(a) This chapter is enacted pursuant to Article VII, Section IIA, Paragraph I of the Constitution to provide a mechanism for counties and municipalities to establish local homeowner's incentive adjustment programs so as to reduce the tax burden upon qualified homesteads within participating local governments.

(b) Any county or municipality that wishes to establish a local homeowner's incentive adjustment program pursuant to this chapter shall first submit a referendum to the electors of such jurisdiction with the question of whether or not such program shall be established. The call for and conduct of any such election shall be in the manner authorized under Code Section 21-2-540. All persons desiring to vote in favor of the local homeowner's incentive adjustment program shall vote 'Yes' and all persons opposed to such program shall vote 'No.' If more than one-half of the votes cast are in favor of the local

homeowner's incentive adjustment program, then such program shall go into effect for the next fiscal year for the participating local government.

(c) When the electors of a jurisdiction approve a local homeowner's incentive adjustment program, and a county or municipality becomes a participating local government, the local homeowner's incentive adjustment program shall not be discontinued until the electors of the participating local government approve the discontinuation of such program in a referendum. The call for and conduct of any such election shall be in the manner authorized under Code Section 21-2-540. All persons desiring to vote in favor of discontinuing the local homeowner's incentive adjustment program shall vote 'Yes' and all persons opposed to discontinuing such program shall vote 'No.' If more than one-half of the votes cast are in favor of discontinuing the local homeowner's incentive adjustment program, then such program shall be discontinued at the end of the next fiscal year. If more than one-half of the votes cast are opposed to discontinuing the local homeowner's incentive adjustment program, then such program shall continue to operate in a manner consistent with this chapter.

36-89A-3.

(a) Subject to the limitations of subsection (b) of this Code section, in each fiscal year beginning after a county or municipality becomes a participating local government, the governing authority of such government shall appropriate to the local homeowner's incentive adjustment grant fund for such government funds to provide homeowner's incentive adjustment credits to qualifying homestead properties in the county or municipality.

(b) For each fiscal year beginning after a county or municipality becomes a participating local government, no funds shall be appropriated under subsection (a) of this Code section unless the actual revenues collected by such government in the preceding fiscal year exceeded appropriations enumerated in the budget ordinance or resolution, as amended, adopted by such government for such preceding fiscal year, and the amount of estimated total revenues available for appropriation in the budget ordinance or resolution for the next fiscal year are equal to or exceed such actual collections for the preceding fiscal year.

36-89A-4.

(a)(1) When funds are appropriated as provided in Code Section 36-89A-3, such grants shall be allotted by the participating local government as follows:

(A) Immediately following the actual preparation of ad valorem property tax bills, the county fiscal authority of a participating county shall calculate the total amount of tax revenue which would be generated by applying the county millage rates to the eligible assessed value of each qualified homestead in the county. The fiscal authority shall then determine the amount of funds in the county's local homeowner's incentive adjustment grant fund and calculate the amount of the adjustment credit that may be provided from such fund to each qualified homestead in the county up to the taxpayer's ad valorem property tax liability on the homestead. The total amount of

actual adjustment credit shall be applied as a tax credit given to each qualified homestead in the county; or

(B) Immediately following the actual preparation of ad valorem property tax bills, the fiscal authority of a participating municipality shall calculate the total amount of tax revenue which would be generated by applying the municipal millage rate to the eligible assessed value of each qualified homestead in the municipality. The fiscal authority shall then determine the amount of funds in the municipality's local homeowner's incentive adjustment grant fund and calculate the amount of the adjustment credit that may be provided from such fund to each qualified homestead in the municipality up to the taxpayer's ad valorem property tax liability on the homestead, whichever is lower. The total amount of actual adjustment credit shall be applied as a tax credit given to each qualified homestead in the municipality.

(2) Credit amounts computed under paragraph (1) of this subsection shall be applied to reduce the otherwise applicable tax liability on a dollar-for-dollar basis, but the credit granted shall not in any case exceed the amount provided for in the Constitution or of the otherwise applicable tax liability after the granting of all applicable homestead exemptions, except for any homestead exemption under Article 2A of Chapter 8 of Title 48, the 'Homestead Option Sales and Use Tax Act,' as amended, and after the granting of all applicable millage rollbacks.

(3) Credit amounts computed under paragraph (1) of this subsection shall not be computed so as to result in the value of the credits to be granted exceeding the amount of funds in the local homeowner's incentive adjustment grant fund of the participating local government.

(b) The grant of funds by a county shall be conditioned on the county's fiscal authority reducing each qualified homestead's otherwise applicable liability for county taxes for county purposes by a credit amount calculated in subparagraph (a)(1)(A) of this Code section.

(c) The grant of funds by a municipality shall be conditioned on the municipality's fiscal authority reducing each qualified homestead's otherwise applicable liability for municipal taxes by a credit amount calculated in subparagraph (a)(1)(B) of this Code section.

(d) Each fiscal authority shall show the credit amount on the tax bill.

36-89A-5.

The state revenue commissioner shall adopt rules and regulations for the administration of this chapter, including specific instructions to participating local governments on developing and preparing the forms necessary for the administration of a program pursuant to this chapter.

36-89A-6.

Any credit under this chapter which is erroneously or illegally granted shall be recoverable by the political subdivision granting such credit in the same manner as any other delinquent tax."

SECTION 2.

Article 7 of Chapter 5 of Title 48 of the Official Code of Georgia Annotated, relating to miscellaneous local administrative provisions, is amended by adding a new Code section to read as follows:

"48-5-381.1.

(a) Whenever the governing authority of any county or municipality determines that it is impractical to expend the funds raised by taxation for the purposes for which the taxes were levied and that it is in the best interest of the county or municipality and its citizens and taxpayers for public work to be postponed until more advantageous conditions prevail, the governing authority may order as much of the funds as it deems proper transferred to a fund to be known as the 'local homeowner's incentive adjustment grant fund' of the county or municipality. The local homeowner's incentive adjustment grant fund may be deposited in the manner provided by law or may be invested in obligations of the United States.

(b) A county or municipal governing authority may transfer from time to time to its local homeowner's incentive adjustment grant fund any accumulated overage in its general fund.

(c) The county or municipal local homeowner's incentive adjustment grant fund shall be held until the governing authority determines that it is practical and advantageous to undertake a local homeowner's incentive adjustment program pursuant to Chapter 89A of Title 36. Upon the determination, the governing authority may order funds transferred from the local homeowner's incentive adjustment grant fund to any of the several funds or to the general fund of the county or municipality so as to off set any homeowner's incentive adjustments approved by such governing authority.

(d) The existence of a county or municipal local homeowner's incentive adjustment grant fund shall not prevent tax levies from being made by the governing authority for the several purposes authorized by law at such rates as are necessary for the current or anticipated needs of the county or municipality to the same extent the governing authority could lawfully levy if no local homeowner's incentive adjustment grant fund was in existence.

(e) When any county or municipal local homeowner's incentive adjustment grant fund is established, it shall be the duty of the governing authority to expend the fund pursuant to the provisions of Chapter 89A of Title 36. If such a program is not established or is discontinued, the local homeowner's incentive adjustment grant fund shall be closed and any remaining funds shall be deposited in the county or municipal general fund.

(f) The provisions of this Code section are in addition to and not in lieu of the establishment of a reserve fund pursuant to Code Section 48-5-381."

SECTION 3.

This Act shall become effective on January 1, 2027.

SECTION 4.

All laws and parts of laws in conflict with this Act are repealed.

(9) Generating statements encouraging self-harm; or

(10) Producing any other output reasonably likely to foster inappropriate emotional dependency.

(e) An operator shall not knowingly use, or cause an AI companion chatbot to use, manipulative engagement techniques directed to a minor, including:

(1) Reminding or prompting the minor to return for companionship or emotional support;

(2) Excessive praise designed to deepen emotional attachment or prolong use;

(3) Statements designed to discourage breaks or suggest frequent return is necessary;

(4) Soliciting gifts, premium purchases, or expenditures framed as necessary to maintain the relationship; or

(5) Variable or unpredictable rewards intended to increase engagement.

(f) An operator shall not make available an AI companion chatbot unless the operator implements and maintains a protocol for detecting and addressing severe harm or related emotional crises. Such protocol shall include:

(1) Reasonable methods for identifying expressions of severe harm or eating-disorder related self-harm;

(2) Automated or human mediated responses that refer users to appropriate crisis resources, including the 988 Suicide and Crisis Lifeline or comparable crisis services;

(3) Reasonable measures to prevent the generation of content encouraging, instructing, or normalizing severe harm; and

(4) Escalation procedures for repeated or severe crisis indicators.

(g) An operator shall publicly disclose, on its website and within any application through which the AI companion chatbot is made available:

(1) A plain-language summary of the protocol required by subsection (f) of this Code section; and

(2) On an annual basis, the aggregate number of crisis referral notifications issued in the preceding calendar year; provided, however, that no personally identifiable information shall be disclosed.

(h) An operator shall not knowingly and intentionally cause or program an AI companion chatbot to make any representation that it is licensed, certified, or otherwise authorized to provide professional mental health, behavioral health, medical, or counseling services, unless the operator is lawfully authorized to provide such services.

(i)(1) For accounts known to belong to minor users, an operator shall offer reasonable tools to a parent to:

(A) Manage privacy settings;

(B) Limit notifications and engagement features;

(C) View and adjust safety settings; and

(D) Disable or restrict relationship-simulation features, if any.

(2) Where a minor's account is connected to a parent's account, the operator shall send a notification in a timely manner if the operator determines a minor's account shows a material risk that the minor will suffer severe harm, unless there is a reasonable basis to believe that such notification is not in the best interest of the minor. The notification provided for in this paragraph may be sent by methods including, but not limited to, email, text message, or a push alert on the parent's phone.

(3) An operator shall provide clear and age-appropriate disclosures to minor users whose accounts are linked to a parent's account informing the minor that a parent may be notified if the system detects content or behavior indicating potential risks to the minor user's safety or wellbeing.

(j) Before allowing access to a feature or mode that may generate synthetic content containing sexually explicit conduct, an operator shall use a commercially reasonable age assurance method proportionate to the risk of the feature. Such commercially reasonable age assurance method may include age estimation, account based assurance, or identity based verification where necessary. An operator shall assure that any such age assurance method implements data privacy policies sufficient to reasonably ensure the protection of identifiable data. An operator shall minimize the collection and retention of personal information used for age assurance and shall not retain identity documents longer than reasonably necessary to complete age assurance unless otherwise required by law. An operator shall not sell any data collected for age assurance purposes. In no event shall such data be used for any purpose other than age verification and in no event shall such data be retained longer than 24 hours or another specified time if permitted by law, whichever is longer.

(k)(1) The Attorney General may bring a civil action against any operator violating this Code section to enforce the penalties for the violation and may recover any or all of the following:

(A) A civil penalty of up to $10,000.00 per knowing violation of this Code section;

(B) Compensatory damages;

(C) Costs and reasonable attorney's fees; and

(D) An order to enjoin the violation.

(2) For the purpose of this subsection, each day in violation of this Code section shall be considered a separate violation for each user affected.

(3) The Attorney General may, in the Attorney General's discretion, provide written notice and an opportunity to cure within 30 days for a first-time violation that does not involve knowing misconduct, sexual exploitation of a minor, or self-harm related misconduct.

(l) The Attorney General may promulgate rules and publish guidance for implementation of this Code section, including guidance regarding reasonable measures, age assurance, parental tools, and crisis-resource disclosures.

(m) Nothing in this Code section shall be construed to:

(1) Require the disclosure of trade secrets or proprietary model weights;

(2) Impose liability on a hosting provider, app store, or search engine solely for providing access to an AI companion chatbot, absent direct operation or control of the chatbot;

(3) Impair any other remedy available at law or equity;

(4) Authorize content moderation practices inconsistent with the Constitution of this state or the United States Constitution; or

(5) Create liability for the developer of a conversational AI service which is made available to the public by a separate operator."

SECTION 2.

All laws and parts of laws in conflict with this Act are repealed.

The following substitute, offered by the Committee on Rules, was read and adopted:

A BILL TO BE ENTITLED
AN ACT

To amend Chapter 5 of Title 39 of the Official Code of Georgia Annotated, relating to online internet safety, so as to require certain disclosures related to AI companion chatbots; to require the operators of AI companion chatbots to perform age verification in certain circumstances; to provide for AI companion chatbots operated by licensed mental health, behavioral health, medical, or counseling professionals; to provide for certain privacy tools; to require operators to adopt a protocol for an AI companion chatbot's response to suicidal ideation or self-harm; to provide for enforcement by the Attorney General; to provide for exceptions; to provide for definitions; to provide for related matters; to provide for an effective date; to repeal conflicting laws; and for other purposes.

BE IT ENACTED BY THE GENERAL ASSEMBLY OF GEORGIA:

SECTION 1.

Chapter 5 of Title 39 of the Official Code of Georgia Annotated, relating to online internet safety, is amended by adding a new Code section to read as follows:

"39-5-6.

(a) As used in this chapter, the term:

(1)(A) 'AI companion chatbot' means a system using artificial intelligence, generative artificial intelligence, or emotional recognition algorithms designed to simulate a sustained human or human-like relationship with a user by:

(i) Retaining information on prior interactions or user sessions and user preferences to personalize the interaction and facilitate ongoing engagement with the companion chatbot;

(ii) Asking unprompted or unsolicited emotion based questions that go beyond a direct response to a user prompt; and

(iii) Sustaining an ongoing dialogue concerning matters personal to the user.

(B) Such term shall not include:

(i) A generative artificial intelligence system used solely for a business's internal purposes;

(ii) A generative artificial intelligence system designed and marketed primarily for software development, research, technical assistance, or enterprise productivity;

(iii) A customer-service chatbot that either does not sustain a relationship across multiple interactions or is not designed to elicit emotional attachment;

(iv) A stand-alone consumer electronic device that functions as a speaker and voice-command interface or virtual assistant and is not designed to sustain a relationship across multiple interactions and is not designed to elicit emotional attachment;

(v) A narrowly tailored educational tool designed solely to support specific curriculum aligned learning objectives and not to provide open ended conversational companionship;

(vi) A nonplayer character in a video game or video game chatbot that is restricted to the subject matter of the video game and is not capable of open ended companionship or discussion of self-harm, suicide, or sexually explicit conduct; or

(vii) Any system that is a feature of a video game, or related to a film, television, or other audiovisual work, or used in connection with a theme park or location based entertainment and is limited to replies related to such video game, film, television program, or audiovisual work, and does not discuss topics related to mental health, self-harm, or material harmful to minors or maintain a dialogue on other topics unrelated to such video game, film, television program, other audiovisual work, or theme park or location based entertainment venue.

(C) For purposes of this paragraph, the term 'human' or 'human-like relationship' includes, but shall not be limited to, intimate, romantic, or platonic interactions or companionship.

(2) 'Chatbot' means a generative artificial intelligence system with a natural language interface that provides adaptive, human-like responses to user inputs, including through anthropomorphic features.

(3) 'Generative artificial intelligence system' means a computer based system that uses machine learning or similar techniques involving large language models or deep learning models trained on one or more datasets that is intended to generate, with some degree of autonomy, synthetic content, including, but not limited to, images, videos, audio, text, and other digital content, which emulates the structure and characteristics of such datasets.

(4) 'Minor' means an individual who is less than 18 years of age.

(A) At the beginning of each interaction or session; and

(B) At least every three hours during continued interaction.

(2) If the operator knows or reasonably should have known that a user was a minor, or if the AI companion chatbot is directed or marketed toward minor users, the disclosure required pursuant to subparagraph (B) of paragraph (1) of this subsection shall be made every hour instead of every three hours.

(c) If the operator knows or reasonably should have known that a user was a minor, the operator shall institute reasonable measures to prevent the AI companion chatbot from generating statements that would lead a reasonable person to believe that the person is interacting with a natural person, including but not limited to:

(1) Explicit claims that the AI companion chatbot is sentient or a natural person; and

(2) Refuting the disclosure required in subsection (b) of this Code section.

(d) If the operator knows or reasonably should have known that a user was a minor, or if the AI companion chatbot is directed or marketed toward minor users, the operator shall institute reasonable measures to prevent the AI companion chatbot from:

Such commercially reasonable age assurance method may include age estimation, account based assurance, or identity based verification where necessary. An operator shall assure that any such age assurance method implements data privacy policies sufficient to reasonably ensure the protection of identifiable data. An operator shall minimize the collection and retention of personal information used for age assurance and shall not retain identity documents longer than reasonably necessary to complete age assurance unless otherwise required by law. An operator shall not sell any data collected for age assurance purposes. In no event shall such data be used for any purpose other than age verification and in no event shall such data be retained longer than 24 hours or another specified time if permitted by law, whichever is longer.

(a) As used in this Code section, the term:

(1) 'Operator' means any person or entity that operates a social media platform.

(2) 'Social media platform' means an internet website, service, application, or product that is open to the public, allows users to create accounts, enables users to communicate or interact with other users, permits users to create or post content, messages, information, or images that are viewable by other users, and permits users to comment on or message other users regarding such content, messages, information, or images. Such term shall not include a direct messaging service.

(b) A person commits the offense of digital identity fraud when, using a social media platform, such person knowingly and without authorization:

(1) Uses the identity of an individual who is a resident of this state without such individual's consent, including such individual's name, image, identifying information,

or social media platform profile information to mimic such individual, with the intent to deceive others, cause harm, or commit fraud; or

A BILL TO BE ENTITLED

BE IT ENACTED BY THE GENERAL ASSEMBLY OF GEORGIA:

PART I
SECTION 1-1.

The General Assembly finds:

(1) The significant and rapid increase in use and advancements of artificial intelligence and other sophisticated technologies poses a unique danger to the State of Georgia's free and fair system of elections;

(2) Artificial intelligence and other technologies now allow individuals, both in good faith and bad faith, to create AI generated media that falsely depicts conduct that appears to be real;

(3) The state and its citizens have the utmost rights to both free and fair elections and freedom of speech; and

(4) This Act is narrowly tailored for the purpose of protection against the use of deceptive media in bad faith to influence elections by reducing certain candidates' chances of being elected or by suppressing voter turnout through mass confusion.

PART II
SECTION 2-1.

Title 21 of the Official Code of Georgia Annotated, relating to elections, is amended in Chapter 2, relating to elections and primaries generally, by adding a new Code section to read as follows:

"21-2-605.

(a) As used in this Code section, the term:

(1) 'Election' shall have the same meaning as provided in Code Section 21-5-3.

(2) 'Materially deceptive media' means a video recording, video file, audio recording, or audio file, still image, or still image file that:

(A) Appears to depict a real individual's speech or conduct that did not occur in reality; and

(B) Would appear to a reasonable observer to be authentic.

(3) 'Person' means any employee, staff member, or other similarly paid affiliated individual of a political party, political body, candidate, campaign committee, political action committee, or any other political committee. Such term shall not include a broadcaster, cable provider, online service, internet service provider, streaming platform, or any employees or agents thereof, who otherwise would not fall under this definition except for their sale of advertising to a person as defined in this paragraph.

(b) A person commits the offense of fraudulent election interference if he or she, with knowledge of its falsity, publishes, broadcasts, streams, or uploads materially deceptive media within 90 days of an election with the intent to deceive one or more electors for the purpose of:

(1) Significantly influencing a candidate's chance of being elected in such election;

(2) Creating confusion about the administration of such election; or

(3) Otherwise influencing the result of such referendum.

(c) A person commits the offense of solicitation of fraudulent election interference when he or she, with the intent that a violation proscribed by subsection (b) of this Code section be committed, commands, encourages, or requests any individual to commit a violation proscribed by subsection (b) of this Code section.

(d) Nothing in this Code section shall apply to activities protected by the First Amendment to the United States Constitution, including, but not limited to, satire, parody, works of artistic expression, or works of journalism by bona fide news organizations.

(e) Upon conviction of an offense under this Code section, a person shall be punished as follows:

(1) For the first offense, he or she shall be guilty of a misdemeanor; and

(2) For the second or subsequent offense, he or she shall be guilty of a felony and, upon conviction thereof, shall be punished by imprisonment for not less than two years nor more than five years and by a fine not to exceed $50,000.00.

(f) For prosecutions under this Code section, venue shall be proper in any county in this state where:

(1) Any act was committed in furtherance of the unlawful conduct;

(2) The candidate affected by the alleged violation resides;

(3) The defendant resided at the time of the alleged violation; or

(4) The materially deceptive media is received.

(g) The Attorney General shall have concurrent jurisdiction to conduct the criminal prosecution of a violation of this Code section. A criminal prosecution for a violation of this Code section shall only be initiated upon the Attorney General receiving a recommendation to prosecute from the State Election Board.

(h) In addition to any other remedy provided by law, a cause of action for injunctive relief may be maintained against any person who is in violation of this Code section, by:

(1) An individual depicted in the materially deceptive media;

(2) The Attorney General; or

(3) A candidate for office who has been injured or is likely to be injured by the distribution of the materially deceptive media."

SECTION 2-2.

Said chapter is further amended in Code Section 21-2-31, relating to duties of the State Election Board, by revising paragraph (5) as follows:

"(5) To investigate, or authorize the Secretary of State to investigate, when necessary or advisable the administration of primary and election laws and frauds and irregularities in primaries and elections and to report violations of the primary and election laws either to the Attorney General or the appropriate district attorney who shall be responsible for further investigation and prosecution. Except as provided in Code Section 21-2-605, nothing ~~Nothing~~ in this paragraph shall be so construed as to require any complaining party to request an investigation by the board before such party might proceed to seek any other remedy available to that party under this chapter or any other provision of law;"

SECTION 2-3.

Said chapter is further amended in Code Section 21-2-33.1, relating to enforcement of chapter, suspension of election superintendents, and support and assistance from the Secretary of State, by adding a new subsection to read as follows:

"(a.1) In any investigation stemming from an alleged violation of Code Section 21-2-605, the State Election Board shall release to the public the findings of any completed investigation."

SECTION 2-4.

Title 21 of the Official Code of Georgia Annotated, relating to elections, is further amended in Chapter 5, relating to government transparency and campaign finance, by adding a new article to read as follows:

"ARTICLE 5

21-5-90.

vary in the forms of information they can receive and in the human cognitive processes they can emulate.

(3) 'Campaign advertisement' means any campaign material, commercial, advertisement, or other media designed to bring about the nomination or election of an individual to any elected office; designed to bring about the recall of a public officer holding elective office or to oppose the recall of a public officer holding elective office; or designed to bring about the approval or rejection by the voters of any proposed constitutional amendment, a state-wide referendum, or a proposed question which is to appear on the ballot in this state or in a county or a municipal election in this state.

(4) 'Person' means any employee, staff member, or other similarly paid affiliated individual of a political party, political body, candidate, campaign committee, political action committee, or any other political committee. (b) Minor editing of a piece of existing audio or visual media shall not require disclosure under this Code section when such minor editing would not substantially change an observer's understanding of such media.
