Section 52: Salary Adjustments

Reserved.

Section 53: Refunds

In addition to all other appropriations, there is hereby appropriated, as needed, a specific sum of money equal to each refund authorized by law, which is required to make refunds of taxes and other monies collected in error, farmer gasoline tax refunds, and any other refunds specifically authorized by law.

Section 54: Leases

In accordance with the requirements of Article IX, Section III, Paragraph I(a) of the Constitution of the State of Georgia, as amended, there is hereby appropriated payable to each department, agency, or institution of the State sums sufficient to satisfy the payments required to be made in each year under existing lease contracts between any department, agency, or institution of the State and any authority created and activated at the time of the effective date of the aforesaid constitutional provision, as amended, or appropriated for the State Fiscal Year addressed within this Act. If for any reason any of the sums herein provided under any other provision of this Act are insufficient to make the required payments in full, then there shall be taken from other funds appropriated to the department, agency, or institution involved an amount sufficient to satisfy such deficiency in full, and the lease payment shall constitute a first charge on all such appropriations.

Section 55: Budgetary Control and Interpretation

The appropriations in this Act consist of the amount stated in the right-most column, for each line at the lowest level of detail for the fund source categories, "Total State Funds" and "Total Federal Funds," under a caption beginning with a program or special project number that has a 100 or a higher number after the decimal and a program or special project name. In each case, such appropriation is associated with the immediately preceding program or special project name, number, and statement of program or special project purpose. The program or special project purpose is stated immediately below the program or special project name. For authorizations for general obligation debt in Section 50, the indented, bold-faced paragraphs following each Bond number are the lowest level of detail and constitute appropriations in accordance with Article VII, Section IV, Paragraph III(a)(1) of the Georgia Constitution. The caption above the Bond number, the light-faced text immediately following the Bond number before the bold-faced text, and the light-faced after the boldfaced text are information only.

Similarly, text in a group of lines that has a number less than 100 after the decimal (01 through 99) is not part of a statement of purpose but constitutes information as to how the appropriation was derived. Amounts in the columns other than the right-most column are for informational purposes only. The summary and lowest level of detail for the fund source categories "Total Agency Funds" and "Total IntraState Governmental Transfers," are for informational purposes only. The blocks of text and numerals immediately following the section header and beginning with the phrases, "Section Total - Continuation" and "Section Totals - Final" are for informational purposes only. Sections 51, 52, 53, and 54 contain, constitute, or amend appropriations.

Section 56: Flex

Notwithstanding any other statement of purpose, the purpose of each appropriation of federal funds or other funds shall be the stated purpose or any other lawful purpose consistent with the fund source and the general law powers of the budget unit.

In the preceding sentence, "Federal Funds" means any federal funding source, whether specifically identified or not specifically identified; "Other Funds" means all other fund sources except State Funds or Federal Funds, including without limitation Intra-State Government Transfers. This paragraph shall not permit an agency to include within its flex the appropriations for an agency attached to it for administrative purposes.

For purposes of the appropriations for the "Medicaid: Low-Income Medicaid," "Medicaid: Aged, Blind, and Disabled," and "PeachCare" programs of the Department of Community Health, the appropriation of a particular State fund source for each program shall be the amount stated, and each such program shall also be authorized up to an additional amount of 10 percent (10%) of the amount stated. However, if the additional authority is used, the appropriation of the same State fund source for the other programs to that agency shall be reduced in the same amount, such that the stated total in program appropriations from that State fund source for the three programs shall not be exceeded. However, the additional amount shall be from a State fund source which is lawfully available for the program to which it is added.

For purposes of the appropriations for the "Capital Construction Projects," "Capital Maintenance Projects," and "Local Road Assistance Administration" programs of the Department of Transportation, the appropriation of a particular State fund source for each program shall be the amount stated, and each such program shall also be authorized up to an additional amount of 10 percent (10%) of the amount stated. However, if the additional authority is used, the appropriation of the same State fund source for the other programs to that agency shall be reduced in the same amount, such that the stated total in program appropriations from that State fund source for the three programs shall not be exceeded. However, the additional amount shall be from a State fund source which is lawfully available for the program to which it is added.

For purposes of the appropriations for the "HOPE GED," "HOPE Grant," "HOPE Scholarships – Private Schools," and "HOPE Scholarships – Public Schools" programs of the Georgia Student Finance Commission, the appropriation of a particular State fund source for each program shall be the amount stated, and each such program shall also be authorized up to an additional amount of 10 percent (10%) of the amount stated. However, if the additional authority is used, the appropriation of the same State fund source for the other programs to that agency shall be reduced in the same amount, such that the stated total in program appropriations from that State fund source for the four programs shall not be exceeded. However, the additional amount shall be from a State fund source which is lawfully available for the program to which it is added.

Part II: Effective Date

This Act shall become effective upon its approval by the Governor or upon its becoming law without such approval.

Part III: Repeal Conflicting Laws

All laws and parts of laws in conflict with this Act are repealed.
