

## Section 22: Early Care and Learning, Department of

### Child Care Services

The purpose of this appropriation is to regulate, license, and train child care providers; to support the infant and toddler and afterschool networks; and to provide inclusion services for children with disabilities.

Performance Measures:	Program Overview			
	FY 2021	FY 2022	FY 2023	FY 2024
Average days to respond to category one serious complaints	1	1	1	1
"Percentage of licensed child care learning centers, group day care homes, and family day care homes that are compliant with licensing rules"	99%	99%	99%	98.81%
"Number of licensing, monitoring, technical assistance, and complaint investigation visits to child care learning centers, group day care homes, and family day care homes in order to increase compliance and raise quality"	9,083	10,063	10,360	9,419
Number of audit findings	0	0	0	0
Percentage of weekly Child Care Subsidy Payments processed electronically	100%	100%	100%	100%
Percentage of providers receiving complaints regarding serious incidents requiring medical attention or missing child incidents (Category 1 and 2)	0.03%	10.14%	13.20%	10.98%
Percentage of early care and education programs that have been in deficient licensing status within the last 12 months	0.58%	0.97%	0.36%	2.42%

**Summary of Activities:** The Child Care Services (CCS) program licenses and oversees child care programs in Georgia. Responsibilities include: supporting licensed child care learning centers and family child care learning homes through monitoring, technical assistance and training to ensure safe and healthy environments and to improve the quality of services to children; providing information to parents about Georgia child care programs through the Provider Search feature; providing consumer education by making child development and early childhood education information available to parents and providers; providing information and assistance to those opening child care programs; investigating complaints of child care programs; and investigating reports of unlicensed child care operations. The federal Childcare and Parent Services (CAPS) program is housed under CCS. CAPS subsidizes childcare at participating Quality Rated facilities for low-income families.

**Location:** Approximately 3,200 child care learning centers, 1,200 family child care learning homes and approximately 5,000 exempt providers throughout the state

**Fund Sources:** In FY2025, \$9,269,016 in State general funds was appropriated to improve the market rates for CAPS. The funds allowed DECAL to meet 60% of the 2023 market rate survey.

**Timing:** Annual license fee payments are due by December 1st of each year.

**Noteworthy:** CCS charges an annual licensing fee to child care providers based on the licensed capacity that Bright from the Start has on file for the child care program; the funds are transferred to the State Treasury. During the pandemic, DECAL used federal relief dollars to expand CAPS to 73,000 slots. Those funds expired in September of 2024, so the department has begun an attrition process to reduce slots back to the pre-pandemic level of 50,000.

### Nutrition Services

The purpose of this appropriation is to ensure that USDA-compliant meals are served to eligible children and adults in day care settings and to eligible youth during the summer.

Performance Measures:	Program Overview			
	FY 2021	FY 2022	FY 2023	FY 2024

## HB 67 (FY 2025A) - Education \ Higher Education

			Governor	House
Number of feeding sites for both the Child and Adult Care Food Program and Summer Food Service Program	4,379	4,402	4,456	4,487
Number of meals served by providers in the Child and Adult Care Food Program and the Summer Food Service Program	67,929,527	70,199,229	70,938,765	70,332,527

Number of counties participating in the Child and Adult Care Food Program	154	156	156	157
Number of counties participating in the Summer Food Service Program	159	157	157	149

**Summary of Activities:** The Nutrition Services Division ensures that children and adults throughout Georgia have access to nutritious meals while they are in a day care setting and during the summer when school is not in session. These services help alleviate hunger and malnutrition and address the negative effects that hunger and malnutrition have on an individual's health, educational development, and growth.

**Location:** Statewide

**Fund Sources:** Federal funds from the US Department of Agriculture (USDA)

**Noteworthy:** In AFY2024, \$100,000 in State general funds were appropriated to expand nutrition services into previously underserved areas through Summer Food Service start-up grants.

### Pre-Kindergarten Program

The purpose of this appropriation is to provide funding, training, technical assistance, and oversight of Pre-Kindergarten programs operated by public and private providers throughout the state and to improve the quality of early learning and increase school readiness for Georgia's four-year-olds.

	Program Overview			
Performance Measures:	FY 2021	FY 2022	FY 2023	FY 2024
Georgia Pre-Kindergarten program enrollment	66,554	73,177	73,462	71,526

Percentage of Pre-Kindergarten Lead Teachers who are retained in the Pre-Kindergarten program	84.55%	79.09%	80.24%	79.08%

**Summary of Activities:** Georgia's Pre-K Program is a lottery-funded educational program for Georgia's four-year-olds to prepare children for Kindergarten. Children four years of age on September 1 of the current school year who are Georgia residents are eligible to attend Georgia's Pre-K Program. Georgia's Pre-K Program is voluntary for families and for providers. The Summer Transition Program (STP) is offered in some Pre-K classrooms during the summer to prepare children who speak English as a second language for Pre-K or any child who needs additional support to prepare for Kindergarten.

**Location:** Programs may be offered at local public schools or through private child care providers throughout the state.

**Fund Sources:** Lottery funds

**Timing:** Pre-K programs usually operate on the regular school system calendar for the length of a typical school day. The Summer Transition program is offered for five weeks in the summer.

**Noteworthy:** In FY2025, nearly \$83 million was appropriated to: 1) move Pre-K teachers to the K-12 state teacher salary schedule and provide parity between assistant Pre-K teachers and K-12 paraprofessionals; 2) provide for year one of a four year phase in to reduce classroom sizes from 22 to 20 students; 3) increase new classroom start up grants, replenishment grants, and transportation funding; 4) increase operations funding for private providers to approximate capital outlay funding for public providers; 5) provide a \$2,500 raise to all Pre-K teachers and assistant teachers. Nearly \$9 million was also appropriated to maintain the Summer Transition Program for Pre-K and Kindergarten readiness at its pandemic-relief funded expansion size.

Percentage of DECAL Scholars who are teaching in Quality Rated classrooms	73%	80%	97%	83%

**Summary of Activities:** The Quality Initiatives division oversees initiatives that seek to improve the quality of early care and education for children from birth to school age. Programs include the quality rating and improvement system (Quality Rated), which is Georgia's system to determine, improve, and communicate the quality of programs that provide child care. Quality Rated assigns one, two or three stars to early education and school-age child care programs that meet or exceed the minimum state requirements. By participating in Georgia's voluntary Quality Rated program, programs make a commitment to work continuously to improve the quality of care they provide to children and families.

**Summary of Activities:** Provides services and supports to district authorizers of local charter schools. Provides resources to locally-approved charter schools and state charter schools through state facilities grants which help charter schools pay for building space in the absence of bond proceeds, and federal planning and implementation grants. Provides flexibility support for local school districts.

**Fund Sources:** State and federal sources

**Noteworthy:** Passed in the 2024 General Session, HB 318 moved the Office of Charter School Compliance, which oversees local charter schools, from the Charter Schools program under GaDOE to the State Charter School Commission Administration program for their purview. Th bill also created the Office of District Flexibility to be maintained in the Charter Schools program to support the authorizing charter system school districts. In the FY2025 budget, \$2.7 million was removed to reflect a \$100,000 facilities grant for each local charter school and excluding state charter schools.

Total dollars leveraged	\$8,520,512	\$9,901,579	\$14,212,282	\$17,355,298

**Summary of Activities:** Communities in Schools (CIS) is a non-profit organization that serves at-risk students in communities throughout Georgia by implementing locally-defined, comprehensive stay-in-school programs which result in an increase in the number of children who continue their education at least through high school.

**Noteworthy:** DOE contracts with CIS to support local affiliates (the primary providers of CIS services) in their comprehensive dropout prevention plans. The contract requires CIS to provide training and technical assistance to local affiliates to enable them to create comprehensive stay-in-school plans, provide support to students and schools, develop a board of directors, meet established stay-in-school goals, improve attendance and academic achievement, reduce discipline problems, and increase volunteer participation in their local school system. All state funds appropriated for CIS are passed through from DOE. The General Assembly appropriated \$1,579,000 in AFY2024 and \$1 million in FY2025 to expand the program and draw down matching funds.

Number of industry specific language training courses developed	N/A	N/A	N/A	N/A

**Summary of Activities:** The Division of Curriculum and Instruction supports research-based instructional practices and strategies for differentiated, innovative, and effective teaching and learning based on the State-adopted standards. Georgia K-12 teachers in collaboration with post-secondary educators, business and industry representatives, parents, and educational agencies and organizations work to develop challenging and relevant standards. Georgia standards are reviewed for revision on a regular cycle.

**Noteworthy:** In FY2025, \$4.9 million was transferred from the Testing program to Curriculum Development to align the funding for AP and PSAT exams with department administration.

**Curriculum Development - Special Project**

*The purpose of this appropriation is to fund literacy coaches and associated training targeted for the bottom 25 percent of schools, including an emphasis on English as a Second Language (ESL) training for Kindergarten through Grade 3 teachers.*

**Program Overview**

**Summary of Activities:** This special project was established in the 2024 General Session to support the aims of the Early Literacy Act and the Georgia Council on Literacy. The program provides regional literacy coaches through the Regional Education Service Agency (RESA) Network. Coaches support districts and schools through training and coaching in the science of reading. Supports are provided in group and individualized settings.

Percentage of Credit Recovery students who passed final exam	91.00%	78.80%	77.00%	83.00%	

**Summary of Activities:** Georgia Virtual School (GAVS) offers supplemental learning opportunities to enrich local school offerings, provide scheduling options and work-based opportunities, and assist in the mastery of 21st century skills. The additional supplemental program, Georgia Credit Recovery, may help students make up failed courses. GAVS offers over 120 courses in core content areas, world languages, CTAE, electives, and AP courses.

**Location:** Statewide

**Fund Sources:** Local schools pay tuition and fees for students enrolled in a GAVS course that is part of the student's regular school day. Private and home school students are able to make use of a state-funded allotment that is available on a first-come first-served basis. Once the allotment is reached, all private and home school students are required to pay tuition.

**Timing:** GAVS offers courses during the proper school year as well as providing a tuition-based summer school program.

**Noteworthy:** The state currently funds tuition segments for private and home school students each school year, as part of an appropriation in the annual budget, available on a first-come first-served basis. Tuition Schedule: High school A or B course: \$250 tuition; High school AB course: \$500 tuition; Middle School course: \$250 tuition; out-of-state fee: additional \$150 per course.

Average school bandwidth overall (including local support)	291/391	291/391	400/400	400/400

**Summary of Activities:** The Office of Technology Services offers a large variety of services and state of the art technology to meet the State of Georgia’s educational needs. This includes the Statewide Longitudinal Data System (SLDS) that integrates key functions of all DOE departments into one comprehensive statewide solution to offer data and tools that can be accessed by parents, students, teachers, and administrators through the LEA’s existing student information system. Technology Services collects student and staff data from all Georgia public schools that is required by state and federal law, manages data center and telecommunications operations which provides broadband access to all Georgia public schools, provides policies and training for information security and privacy as well as provides desk-side technical support for internal and external agency users. The department also provides training on the use of technology in the classroom and supports the financial accounting and reporting system for school districts and RESAs. The DOE website, which contains tools for the public such as Georgia Career Pipeline, is also maintained by Technology Services.

**Non Quality Basic Education Formula Grants**

*The purpose of this appropriation is to fund specific initiatives including: children in residential education facilities and sparsity grants.*

**Program Overview**

Performance Measures:	FY 2021	FY 2022	FY 2023	FY 2024
Number of students served in residential treatment facilities	542	464	476	479
Average educational cost per student served in a residential treatment facility	\$9,951	\$10,477	\$11,157	\$11,858

**Summary of Activities:** Non-QBE Grants are disbursed to: (1) Residential Treatment Facilities (RTFs) to provide residential education to children who are wards of the State of Georgia, often through foster care or because of drug treatment; (2) certain schools to provide funding to low-density areas in which the number of students requiring a service would not generate enough formula funding to actually provide those services; (3) schools for feminine hygiene products for low-income students; and (4) schools for K-3 dyslexia and universal literacy screening. Smaller grants exist for teacher mentorship and CPR training and equipment.

**Location:** 19 Residential Treatment Facilities and Programs statewide; certain sparsity schools designated by DOE; low-income schools

**Noteworthy:** RTFs receive funding for residential care through the Department of Family and Children's Services and the Department of Juvenile Justice, and for medical needs through Medicaid. The DOE portion of funds is supposed to pay for the education of RTF students only, not their residential costs or treatment. RTFs receive their educational funding primarily through QBE, which this grant supplements. The grant attempts to make up for the facts that FTE counts at RTFs are highly volatile, and that some students attend RTF across county lines. Sparsity grants for schools with low enrollment are apportioned according to a formula. Feminine Hygiene Products for Low-Income Students grants are based on a formula for low-income schools. Screening grants are determined by the number of K-3 students in a system or state charter school – in FY2025, \$1.5 million was added to commence screening pursuant to SB48 and HB538. \$8.5 million was added to increase custodial pay by \$1,000.

**Nutrition**

The purpose of this appropriation is to provide leadership, training, technical assistance, and resources, so local program personnel can deliver meals that support nutritional well-being and performance at school and comply with federal standards.

Performance Measures:	Program Overview			
	FY 2021	FY 2022	FY 2023	FY 2024
Number of lunches served (in millions)	129	190	180	182.5
Average number of lunches served daily	693,276	1,065,884	983,397	1,028,827
Percentage of children participating in the lunch program	58.60%	70.00%	62.30%	64.60%
Percentage of children participating in the breakfast Program	43.00%	39.00%	34.10%	35.90%
Average cost of breakfast per student	\$1.75	\$2.12	N/A	\$2.47
Average cost of lunch per student	\$4.09	\$4.13	N/A	\$4.57
Percentage of local school systems under review that are in full compliance with the nutritional standards required by the USDA	100.00%	97.00%	97.00%	98.68%
Percentage of school districts with more than 75% of students participating in the Free and Reduce Lunch Program	39.00%	39.00%	41.00%	50.00%

**Summary of Activities:** Provide leadership, training and technical assistance, and resources so that local program oversight and resources may deliver quality meals at an affordable price and an education that contributes to the nutritional well-being of the whole child and their resulting performance at school.

**Noteworthy:** Currently, the Georgia Department of Education, the Georgia Department of Agriculture, Georgia Organics, and the Georgia Department of Public Health are partners in an effort to promote and facilitate farm-to-school programs throughout Georgia, which bring locally grown foods to schools, and offer the opportunity to educate children about nutrition and agriculture. In FY2025, \$6.3 million was appropriated to provide free lunch and breakfast for reduced-paying students.

House

Percentage of children receiving preschool handicapped education services who remain in their regular education peer cohort	48.00%	45.00%	43.56%	45.08%
---	--------	--------	--------	--------

**Summary of Activities:** Preschool Disabilities Services provides funding for inclusion of preschoolers with disabilities in public school classrooms. Grant funds can be used for teachers' salaries, paraprofessionals, and related service providers; instructional supplies and equipment; and for training teachers, paraprofessionals, related service providers and parents.

**Fund Sources:** The federal funds for this program can be found in DOE's budget under Federal Programs and includes Individuals with Disabilities Education Act (IDEA) funds (Special Education Grants to States, Special Education Preschool Grants).

## Pupil Transportation

*The purpose of this appropriation is to assist local school systems in their efforts to provide safe and efficient transportation for students to and from school and school related activities.*

### Program Overview

Performance Measures:	FY 2021	FY 2022	FY 2023	FY 2024
Average number of buses operated daily	12,470	14,113	13,457	13,738
Average number of students transported daily	932,693	805,183	856,549	880,998
Average amount of state and local funds expended per student on pupil transportation	\$552.52	\$599.00	\$695.64	\$797.35

Daily miles all systems	545,010	683,041	703,619	762,679

**Summary of Activities:** The Pupil Transportation formula disburses grants to school systems to help fund operating costs such as driver salary/benefits, bus insurance, and FTE growth. State funding for school buses is typically allocated through capital outlay (bond) appropriations.

**Noteworthy:** In FY2025, \$200 million was appropriated to update the school bus count per district and to fund 40 percent of operations costs. Operations were previously funded at 15.5 percent. The school bus count had not been updated since the 1980s.

## Quality Basic Education Equalization

*The purpose of this appropriation is to provide additional financial assistance to local school systems ranking below the statewide average of per pupil tax wealth as outlined in O.C.G.A. 20-2-165.*

### Program Overview

**Summary of Activities:** The QBE Equalization formula supplements education funding for systems that have low taxable property wealth per FTE, thus less power to raise local funds for education. Equalization does NOT move funds from one county to another; it is entirely funded by the state.

**Noteworthy:** Under HB 824 (2012 Session), districts are equalized up to the "statewide average" of assessed valuation per weighted full-time equivalent student.

Percentage of students enrolled in postsecondary education within 16 months of graduation	N/A	N/A	N/A	N/A

**Summary of Activities:** QBE funds direct and indirect instructional costs at the classroom, school, and district levels.

**Timing:** Students are counted in October and March. Schools receive a mid-year adjustment in the Amended budget to bring funding in line with the most recent student counts and growth projections.

**Noteworthy:** The bulk of QBE earnings are generated for teacher salaries, step increases for training and experience and health insurance. In the FY2025 Budget, \$242.4 million was appropriated to reflect an increase to level the employer contributions for state health benefit plans

for certified school employees – when school systems had been directed prior to contribute a lower rate when compared to all other state agencies.

Average number of Priority schools served by a School Effectiveness Specialist Team	23	23	23	33

**Summary of Activities:** Provides a statewide system of support and process for school improvement. Programs include the School and District Effectiveness team and the Teacher and Leader Support and Development team. The School and District Effectiveness team engages with and supports districts and schools in their improvement efforts, providing helpful tools, resources, and professional learning. The Teacher and Leader Support and Development team impacts student achievement by providing programs and resources to enhance teacher and leader effectiveness.

**Noteworthy:** The Teacher and Leader Support and Development team effectively supports multiple activities to improve teaching and learning, including strong partnerships with the Professional Standards Commission, Governor's Office of Student Achievement, Regional Education Service Agencies, and the University System of Georgia. The budget allocation includes state funds for Teach for America.

### State Charter School Commission Administration

The purpose of this appropriation is to focus on the development and support of state charter schools in order to better meet the growing and diverse needs of students in this state and to further ensure that state charter schools of the highest academic quality are approved and supported throughout the state in an efficient manner.

#### Program Overview

<b>Performance Measures:</b>	<b>FY 2021</b>	<b>FY 2022</b>	<b>FY 2023</b>	<b>FY 2024</b>
Number of operational state charter schools in Georgia	39	37	41	48

Number of charter schools performing above the statewide average for CCRPI	N/A	N/A	N/A	N/A

**Summary of Activities:** The State Charter Schools Commission of Georgia (SCSC) is a state-level, independent charter school authorizing entity. The SCSC has the power to approve or deny petitions for state charter schools and renew, non-renew, or terminate state charter school contracts in accordance with Georgia law. Provides services and supports to locally-approved charter schools through the Office of Charter School Compliance.

**Fund Sources:** Utilizes an administrative withhold from authorized state charter schools to fund agency operations including personnel, school services, training, and research. The SCSC voluntarily reduces its administrative withhold from the 3 percent authorized per O.C.G.A. 20-2-2089(b) to 2 percent for operational schools and 1% for schools in the first year.

**Noteworthy:** Passed in the 2024 General Session, HB 318 moved the Office of Charter School Compliance, which oversees local charter schools, from the Charter Schools program under GaDOE to the State Charter School Commission Administration program for their purview.

**Summary of Activities:** Funds for Career, Technical, & Agricultural Education (CTAE) are split between the Agricultural Education and Technology/Career Education programs in DOE, but in practice the two areas share staff and leadership. Together, these programs prepare Georgia's students for their next step after high school--college, beginning a career, registered apprenticeships, or the military. The Technology/Career program funds (1) CTAE support staff at DOE and (2) competitive grants for high school CTAE programs. State-funded grants support workforce readiness skills, development and revision of curriculum, and resources for all career pathways.

**Fund Sources:** Federal and State funds are allocated to LEAs to support CTAE high school programs.

**Noteworthy:** In the FY2025 Budget, \$1 million was provided for construction industry certification program equipment purchases.

**Summary of Activities:** A field laboratory that provides facilities (laboratory, housing, field access) for scientists, graduate students, and other scholars to conduct cutting edge field research; supports undergraduate courses and experiential learning; and hosts trainings and professional workshops in the unique ecosystems of the Georgia coast. The Institute is part of The University of Georgia.

**Location:** Sapelo Island, a barrier island situated between the Atlantic Ocean and a salt-marsh dominated estuarine ecosystem. The Institute lies within an 8,700-acre National Estuarine Research Reserve operated by the National Oceanographic and Atmospheric Administration.

**Fund Sources:** In addition to State Funds, the Marine Institute receives fees from usage of the facilities as well as externally sponsored research funds.

**Summary of Activities:** Marine Extension and Georgia Sea Grant’s mission is to improve the environmental, social and economic health of the Georgia coast through research, education and extension. Marine Extension programs cover aquaculture, invasive species, coastal hazards and resilience, sustainable development, fisheries, legal programs, oyster reefs and hatcheries, seafood, storm water management, and water quality. The University of Georgia’s Marine Education Center and Aquarium is the education branch of Marine Resources Extension Center, providing a resource for students, teachers, and the general public in matters relating to Georgia’s coastal marine environments. The Shellfish Research Laboratory conducts applied research and outreach in developing wild fisheries and marine aquaculture industries such as clam and oyster farming. The laboratory also conducts research on biological information pertaining to various commercial or potential commercial species in order to protect or develop those commercial fisheries.

**Location:** The Marine Advisory Services’ Brunswick Center is located on the Brunswick River. The Shellfish Research Laboratory and the Marine Education Center and Aquarium are located in Savannah, GA.

**Fund Sources:** Relies on state, agency, and federal funds.

**Noteworthy:** Marine Resources Extension Center funding is used as the State match for Federal NOAA Sea Grant funding that requires a 2:1 (Federal:State) match for every Federal dollar invested in the program.

**Summary of Activities:** Provides assistance, information and materials to meet the needs of local libraries in communities throughout the state. The Georgia Public Library Service (GPLS) awards state funded grants and administers the federal grant program for state libraries under the Library Services and Technology Act (LSTA) and provides the statewide high-speed network allowing every library to offer public internet access. GPLS coordinates the annual statewide Vacation Reading Program that encourages children to read during school vacations. GPLS and Public Libraries sponsors the Georgia Library Services for the Blind and Print Disabled (GLS) which is the library for blind, visually impaired, and physically disabled residents and offers audio recordings and Braille versions of library material. GPLS and Public Libraries also provide the Georgia Library Public Information Network for Electronic Services (PINES) which is the public library automation and lending network which creates equal access to information for all Georgians. GPLS provides professional consulting services to libraries in the areas of facilities/construction, continuing education, information technology, family literacy, and library governance. GPLS is a partner in the GALILEO database program.

**Location:** Statewide. At least one library facility in every county.

**Fund Sources:** Receives grants from sponsoring entities including the federal government. The formula for state funds provides the required match for federal funds under the LSTA.

**Timing:** Year-round with observation of state and federal holidays.

**Noteworthy:** In FY2024, the materials grants in the formula were increased from \$0.60 to \$0.70 per capita. In the Amended FY2024 and FY2025 budgets, funding was added to the formula to address the increase in the State Health Benefit Plan (SHBP) Per-Member Per-Month contribution to reflect an increase to level the employer contributions for state health benefit plans for librarians – when libraries had been directed prior to contribute a lower rate when compared to all other state agencies.

**Summary of Activities:** Provides administrative support to institutions of the University System of Georgia and also funds membership in the Southern Regional Education Board (SREB). The University System Office is the administrative office for the Board of Regents, which governs the University System's institutions of higher education in Georgia and affiliated organizations. The Chancellor and staff of the Central Office implement policies adopted by the Board of Regents and provide oversight and support in the following key functions: academic programs, GALILEO, facilities, fiscal affairs, legal affairs, external affairs, human resources, internal audits, and strategic planning. SREB provides academic research, as well as the Academic Common Market. The Common Market enables students who desire majors not offered in state to pursue out-of-state college majors at discounted tuition rates, through agreements among the sixteen states and their colleges and universities.

**Location:** The Central Office is located in Atlanta, GA.

**Fund Sources:** State funded.

**Timing:** The Central Office operates year-round while observing state and federal holidays.

**Noteworthy:** In FY2025, the Central Office was instructed to provide the Appropriations Committees with updates on the new Enterprise Resource Planning system and on the feasibility of moving the USG to SHBP.

**Payments to Georgia Commission on the Holocaust**

*The purpose of this appropriation is to teach the lessons of the Holocaust to present and future generations of Georgians in order to create an awareness of the enormity of the crimes of prejudice and inhumanity.*

**Program Overview**

**Summary of Activities:** The Georgia Commission on the Holocaust strives to preserve the memory of the Holocaust and promote public understanding of the history. It ensures that learning how and why the Holocaust happened is an important part of the education of Georgia citizens. It encourages reflection upon the moral questions raised by this unprecedented event and the responsibilities of citizens in a democracy. The Commission provides 1) Educational resources and workshops for teaching about the Holocaust, 2) Traveling exhibits in the Georgia Library System, 3) Georgia’s Connection to the Holocaust, a permanent exhibition in the Georgia Capitol, 4) Newsletters for educators and the general public, 5) YouTube channel program series, 6) Remembrance programs, 7) Speaker programs involving Holocaust survivors, second and third Generation speakers, and Holocaust scholars, 8) Resources for the Georgia Council on the Social Studies annual conference, 9) GPB panelists, 10) 32 Holocaust Survivors, Liberators and their families have been interviewed and filmed for the Oral History project, 11) National partnerships, and 12) Georgia university relationships.

**Fund Sources:** The Commission on the Holocaust raises a significant portion of its budget from private donations. State funds cover three staff members and some operations but does not currently assist with programs or rent.

**Noteworthy:** The Commission on the Holocaust is a member of the US Holocaust Memorial Museums Community of Holocaust Education Centers. The executive director is a Museum Teacher Fellow of the museum and conducts teacher workshops on its behalf. The Commission is currently raising funds and making plans for a new educational center, the Anne Frank Educational Center which will house state of the art exhibitions and educational programs for Georgia students and residents. In FY2024, funds were added for planning costs and exhibitions at the Center.

**Summary of Activities:** Georgia Military College (GMC) is a regionally accredited, public-independent junior college. Although a public institution, GMC is not a part of the University System of Georgia or the Technical College System of Georgia. As an open access institution, GMC provides opportunity for Georgia residents through a remedial component available in-seat or online to obtain an associate degree and/or transfer with a focus to a USG institution. GMC also offers a Bachelor of Applied Science (BAS) degree through its Global Online Leadership College. It is also one of only four Military Junior Colleges (MJC) across the Nation, and only one in Georgia, where students participating in the Corps of Cadets can earn a commission as a second lieutenant in the US Army in two years instead of the typical four years required.

**Location:** The main campus, with its Corps of Cadets, is located in Milledgeville with 8 junior college satellite locations throughout the state, 4 of which are collocated with military installations.

**Fund Sources:** Receives tuition payments from students, and approximately 7% of its funding from the State. It does not receive any federal funding. As a public-independent junior college, students attending GMC do not qualify for public HOPE, but instead qualify for HOPE Private Schools scholarships and Tuition Equalization Grants.

"Percentage of students who obtained a score of 3 or higher on Advanced Placement (AP) Statistics, Calculus, Biology, and Language and Composition exams"	98%	92%	100%	96%

**Summary of Activities:** The GMC Prep School is a public-independent school which serves students from Kindergarten to 12th grade. The school is focused on college prep academics and the development of the character of every student. The Prep School does offer several Advanced Placement (AP) courses and it also offers student athletic opportunities for students in grade three and above. Every student in the Prep School does wear a designated uniform. In 6-12 grades they are in a military uniform within the Prep School Corps of Cadets with a focus on leader development.

**Location:** Milledgeville, Georgia

**Fund Sources:** The Preparatory School receives some state general funds, approximately 35%, and also receives student tuition payments.

**Noteworthy:** In the Amended FY2024 and FY2025 budgets, some funding was added to the Prep School funding to address the increase in the State Health Benefit Plan (SHBP) Per-Member Per-Month contribution to reflect an increase to level the employer contributions for state health benefit plans for certified school employees – when school systems had been directed prior to contribute a lower rate when compared to all other state agencies.

**Program Overview**

**Summary of Activities:** Provides funding up to the cost of tuition for high school students who are taking classes at the postsecondary level at public or private universities or colleges or technical colleges and are receiving academic credit at both postsecondary and high school levels simultaneously. GSFC is responsible for establishing program regulations, processing invoices and payments, and conducting compliance reviews.

**Location:** Eligible participating postsecondary institutions throughout the state of Georgia.

**Noteworthy:** Participation in the program had been lower for several years but rebounded significantly in FY2024. \$12.3 million was added in the Amended FY2024 budget and utilization still exceeded appropriations. \$15 million was added in FY2025 to meet the projected need. Under SB 440 (2024 General Session), the Accelerated Career Diploma Program was created for students to complete an associate's degree of applied science or program for licensure at TCSG in a High Demand Career field using Dual Enrollment funding.

**Summary of Activities:** To qualify for HOPE Grant funding, the certificate or diploma program must be approved by the Technical College System of Georgia or be a comparable program of study approved by the Board of Regents. The certificate or diploma must be awarded and issued by the institution. Continuing education programs are not eligible for HOPE Grant funding. This program provides funding for the HOPE Grant, Zell Miller Grant, and HOPE Career Grant.

**Location:** Georgia public higher education institutions offering a technical diploma or certificate program and approved by the Georgia Student Finance Commission.

**Fund Sources:** Funded through lottery proceeds.

**Timing:** Recipients cannot receive funding once they have exceeded 63 semester hours or 95 quarter hours.

**Noteworthy:** HOPE Grant recipients who enroll in select majors specifically aligned with GA workforce needs in industries that have been identified as strategically important to the state’s economic growth are eligible for the HOPE Career Grant. HOPE Career Grant recipients (formerly known as the Strategic Industries Workforce Development Grant) receive a fixed amount per term based upon the student’s program of study and number of hours of enrollment. In FY2024, funding was added to account for higher cost of Commercial Driver’s License and Law Enforcement courses.

**Program Overview**

<b>Performance Measures:</b>	<b>FY 2021</b>	<b>FY 2022</b>	<b>FY 2023</b>	<b>FY 2024</b>
Number of HOPE High School Equivalency Exam awards disbursed	N/A	N/A	176	1,462

**Summary of Activities:** Previously this program was referred to as the HOPE GED and it provided a \$500 voucher to each student receiving a General Education Development (GED) diploma awarded by the Technical College System of Georgia to be used towards tuition, books, and other educational costs at an eligible public technical college or public or private college or university. In the 2022 legislative session this was changed to The High School Equivalency Examination Grant via SB 397; award amount is applied toward the cost of a state approved High School Equivalency Examination fee(s), up to a lifetime limit of \$200. Funds are not paid directly to the applicant. The award to assist with the cost of the examination is provided to TCSG for the applicant.

Percentage of HOPE Scholarships – Private Schools recipients who lose scholarship eligibility by meeting the maximum number of years for eligibility prior to receiving a bachelor's degree	0.90%	0.90%	0.90%	0.80%

**Summary of Activities:** Provides merit-based scholarships to students seeking an associate or baccalaureate degree at an eligible private postsecondary institution. This program provides funding for both the HOPE scholarship and the Zell Miller Scholarship. The Zell Miller Private Scholarship provides a higher payment than the HOPE Private Scholarship but the overall benefit is a much smaller percent of the cost of tuition compared to the Public scholarships due to the higher tuition costs at private institutions.

**Location:** Eligible private colleges and universities within the state of Georgia

**Fund Sources:** Funded through lottery proceeds.

**Noteworthy:** The award rate for HOPE Private Scholarships and Zell Miller Private Scholarships were increased in FY2024.

**Summary of Activities:** Provides merit scholarships to students seeking an associate or baccalaureate degree at an eligible public post-secondary institution. This program contains funding for the HOPE Scholarship and Zell Miller Scholarship. The HOPE Scholarship pays for a portion of a student's tuition while the Zell Miller scholarship pays for the full tuition cost. Neither scholarship pays for mandatory student fees.

**Location:** An approved Georgia public higher education institution.

**Fund Sources:** Funded through lottery proceeds.

**Noteworthy:** In the FY2024 budget, the award amount for the HOPE Public Scholarship was increased to be 100% of the prior year cost of tuition. There will be a differentiation between HOPE and Zell Miller scholarships if an institution increases tuition; Zell will cover 100% of the current year tuition and HOPE will cover 100% of the prior year tuition.

Percentage of REACH Scholars graduating from high school	100.00%	100.00%	100.00%	100.00%

**Summary of Activities:** REACH Georgia is a needs-based mentoring and scholarship program designed to ensure that Georgia's academically promising students have the academic, social, and financial support needed to graduate from high school, enroll in college, and achieve post-secondary success. The program is available for 8th graders on free and reduced lunch at participating middle schools. Each financial scholarship offers qualifying students a possible \$10,000 (\$2,500/year for up to four years) scholarship award. The award can be used towards the educational costs at a HOPE-eligible public or private postsecondary institution.

**Fund Sources:** Donations, State Funds, fund raising by local school systems, and the REACH Foundation.

**Timing:** Governor Nathan Deal launched REACH on February 6, 2012.

**Noteworthy:** Prior to FY2025, would provide a portion of \$10,000 dependent on the population of the county of residence for the scholar. More rural counties would receive more state funding so that they would have to fundraise less. Under HB 970 (2024 General Session), the state will now provide \$9,000 for all scholarships and communities of any size will fundraise \$1,000.

**Summary of Activities:** Authorizes private postsecondary schools in Georgia; provides transcripts for students who attended postsecondary institutions that closed; and resolves student complaints. The staff reviews and authorizes each college or school annually, provides consumer information and protection, resolves student complaints, manages institution closures and resulting student records, prepares required publications and grants exemptions as applicable. The staff also develops new and/or revised standards, procedures, regulations and schedules in response to changing laws, needs and circumstances. The Commission also approves degree programs. Authorized institutions are required to make annual payments to the Tuition Guarantee Trust Fund (TGTF) for at least the first 7 years of their authorization. The TGTF is designed to provide reimbursement to students at institutions which close and fail to honor commitments to complete the students' programs of study. Basically, the TGTF serves as an insurance fund for student protection. The commission also oversees Georgia's State Authorization Reciprocity Agreement (GA-SARA) which is a national initiative to establish comparable standards for interstate offering of postsecondary distance-education courses and programs. Public and private colleges in Georgia are members are GA-SARA and save millions of dollars in authorization costs in other states by participating in this program.

**Location:** Commission is located in Tucker, GA; however, regulatory staff work remotely.

**Summary of Activities:** Primary responsibility is to manage the Workforce Innovation and Opportunity Act (WIOA) funds under the State Workforce Development Board. These funds address the employment and training needs of dislocated and low-income adults and youth. Funds are distributed to local workforce development boards to be used in their local workforce service area. The program also houses Georgia’s registered apprenticeship program.

**Location:** 19 service areas statewide

**Fund Sources:** Workforce Innovation and Opportunity Act (WIOA) funds.

**Noteworthy:** In the FY2023 budget, the employment services functions of the Department of Labor were transferred to the Workforce Development Program as well to streamline services. In FY2025, funds were added for consultation and technical assistance for healthcare partners, workforce development for Rivian and Hyundai, the State Workforce Board, and public service apprenticeships.
