SUBJECT: State Auditor's Certification
House Bill (LC 43 2628)

Dear Representative Thomas:

This bill would amend the General Provisions of Title 47 of the Official Code of Georgia Annotated. Specifically, this bill would expand the definition of "uniformed services" to include the United States Space Force and Space Force Reserves. If this legislation is enacted, persons serving in the Space Force or Space Force Reserves would be eligible to obtain creditable service for any period of time in which their service as a member of a public retirement system or fund was interrupted for service to United States. This benefit is already granted to persons who serve in any capacity with the Army, Navy, Air Force, Marines, and Coast Guard. Any member wishing to obtain such service would be required to pay the employee/member contributions they would have paid. Employers would be required to pay the requisite employer contribution due for the same period service time. It should be noted that this bill would affect all public retirement systems and funds covered under the provisions of Title 47 of the Official Code of Georgia Annotated.

This is to certify that this bill is a fiscal retirement bill as defined in the Public Retirement Systems Standards Law.

The Honorable John Carson
Chairman, House Retirement Committee

Atlanta, GA 30334

SUBJECT: Actuarial Investigation
House Bill 385 (LC 43 2628)
All Retirement Systems Created by Title 47 of the Official Code of Georgia Annotated

Dear Chairman Carson:

This bill would amend the General Provisions of Title 47 of the Official Code of Georgia Annotated and would impact all retirement systems created within this Title. Specifically, this bill would expand the definition of 'uniformed services' to include the Marine Corps Reserve, Space Force, and Space Force Reserve. If this legislation is enacted,

persons serving in these branches of the military would be eligible to obtain creditable service for any period of time in which their service as a member of the public retirement system or fund was interrupted for service to the United States. This benefit is already granted to persons who serve in United States Marine Corps and also to persons who serve in any capacity with the Army, Navy, Air Force, and Coast Guard. Any member wishing to obtain such service would be required to pay the employee/member contributions they would have paid during the period of time they were in service for the United States. Employers would be required to pay the requisite employer contributions due for the same period of service.

O.C.G.A. §47-1-60 defines 'public retirement system' to mean a public retirement system or fund created by this Title.' Based on this definition, there are currently 12 state retirement systems that would be impacted if this legislation is enacted.

This bill is not expected to result in a first-year cost to any retirement system impacted by this legislation. Expanding the definition to include the Marine Corps Reserve, Space Force, and Space Force Reserve would not have any significant impact on the number of additional members who may become eligible for creditable service offered to members whose actual service time was interrupted for service to the United States. Therefore, the changes to these provisions would not materially impact any of the assumptions currently used by the actuaries. There would be no increase in the unfunded actuarial accrued liability or the required employer contribution rate for any of the retirement systems affected by this legislation. The cost estimate is based on current member data, actuarial assumptions, and actuarial methods. Changes to any of these variables could affect the cost of this legislation. Any future costs would be paid for in accordance with the provisions outlined for each system.

The following table provides a consolidated summary for House Bill 385 (LC 43 2628) and represents the projected cost for all retirement systems affected by this legislation. The investigations were completed pursuant to a request from the House Retirement Committee. The investigation was to be conducted according to O.C.G.A. §47-20-36, which outlines the factors to be considered in an actuarial investigation.

(1)	The amount of the unfunded actuarial accrued liability which will result from the bill.	$ 0
(2)	The amount of the annual amortization of the unfunded actuarial accrued liability which will result from the bill.	$ 0
(3)	The number of years that the unfunded actuarial accrued liability created by the bill would be amortized.	N/A

(4)	The amount of the annual normal cost which will result from the bill.	$ 0
(5)	The employer contribution rate currently in effect for members.	Contribution rates vary by plan
(6)	The employer contribution rate recommended (in conformity with minimum funding standards specified in O.C.G.A. §47-20-10).	Contribution rates vary by plan
(9)	The total dollar amount of the increase in the annual employer contribution which is necessary to maintain the retirement system in an actuarially sound condition.	$ 0

It should be noted that these cost estimates are based upon the current provisions of the bill as outlined in House Bill 385 (LC 43 2628). Any subsequent changes in the retirement bill could invalidate the actuarial investigation and the findings included therein.

Respectfully Submitted,

Substitute to House Bill 385 (LC 56 0094S)

Dear Chairman Carson:

This substitute bill would amend the General Provisions of Title 47 of the Official Code of Georgia Annotated. Specifically, this bill would expand the definition of "uniformed services" to include the United States Space Force and Marine Corps Reserve. If this legislation is enacted, persons serving within units of the military would become eligible to obtain creditable service for any period of time in which their service as a member of a public retirement system or fund was interrupted for service to United States. This benefit is already granted to persons who serve in all capacities with the Army, Navy, Air Force, and Coast Guards, as well as those who serve in the Marine Corps. This is to certify that the changes made in this substitute bill are nonfiscal amendments as defined in the Public Retirement Systems Standards Law. Therefore, the actuarial investigation prepared for House Bill 385 (LC 43 2628) would apply to LC 56 0094S. A copy of the actuarial investigation and the State Auditor's Summary is attached.

SECTION 4.

Said article is further amended by revising Code Section 45-19-32, relating to unlawful practice for a party to violate conciliation agreement, as follows:

"45-19-32.

It is an unlawful practice for a party to a conciliation agreement made pursuant to subsection ~~(e)~~(f) of Code Section 45-19-36 to violate the terms of the agreement."

SECTION 5.

Said article is further amended by revising Code Section 45-19-36, relating to filing complaints of unlawful practice and action by administrator, as follows:

"45-19-36.

(a) As used in this Code section, the term 'respondent' means an employer charged with an alleged unlawful practice.

(b) An individual claiming to be aggrieved by an unlawful practice or another person on behalf of an individual claiming to be aggrieved by an unlawful practice may file with the administrator a written, sworn complaint stating that an unlawful practice has been committed setting forth the facts upon which the complaint is based and setting forth facts sufficient to enable the administrator to identify the employer charged. The administrator's staff shall promptly investigate the allegations of unlawful practice set forth in the complaint and, within 15 days of filing, shall serve the respondent with a copy of the complaint. The complaint shall be barred unless filed within 180 days after the alleged unlawful practice occurs.

(c) The charges contained within the complaint and answers shall be verified and may be reasonably and fairly amended at any time prior to the administrator rendering a decision as to reasonable cause to believe that the respondent has engaged in an unlawful practice.

(d) Within 90 days ~~after~~ of the filing of the complaint ~~has been filed~~, the administrator shall determine whether there is reasonable cause to believe the respondent has engaged in an unlawful practice, unless it is impracticable to do so or unless the administrator has approved a conciliation agreement with respect to the complaint. If it is determined that there is no reasonable cause to believe that the respondent has engaged in an unlawful practice, the administrator shall issue an order dismissing the complaint. If the administrator is unable to complete the investigation within 90 days of the filing of the complaint, the administrator shall notify the complainant and respondent, in writing, of the reasons for the failure to complete the investigation.

~~(d)~~(e) Within ten days after receiving a copy of the order dismissing the complaint, the

complainant may file with the administrator an application for reconsideration of the order. Upon such application, the administrator shall determine within 15 days whether there is reasonable cause to believe that the respondent has engaged in an unlawful practice. If it is again determined that there is no reasonable cause to believe that the respondent has engaged in an unlawful practice, the administrator shall issue an order dismissing the complaint and notifying the complainant that such complainant has the right to request a right to bring an action letter from the appropriate federal agency or petition for review in the appropriate superior court as provided for in Code Section 45-19-39.

~~(e)~~(f) After investigation or after the review provided for in subsection ~~(d)~~ (e) of this Code section, if the administrator determines that there is reasonable cause to believe that the respondent has engaged in an unlawful practice, then the administrator's staff shall first endeavor to eliminate the alleged unlawful practice by conference, conciliation, and persuasion. The terms of a conciliation agreement reached with a respondent may require the respondent to refrain from the commission of unlawful discriminatory practices in the future and make such further provisions as may be agreed upon between the administrator and the respondent. If a conciliation agreement is entered into, the administrator shall issue and serve on the complainant a final order stating its terms. Except for the terms of the conciliation agreement, neither the administrator nor any agent thereof shall make public without the written consent of the complainant and the respondent information concerning efforts in the particular case to eliminate an unlawful practice by conference, conciliation, or persuasion, whether or not there is a determination of reasonable cause or a conciliation agreement.

~~(f)~~(g) In the event the administrator determines that there is reasonable cause to believe that an agency or authority has engaged in an unlawful practice as defined in this article and the administrator's staff is unable to eliminate the alleged unlawful practice by conference, conciliation, and persuasion, the administrator shall refer the complaint to a ~~special master~~ hearing officer as provided for in Code Section 45-19-37.

~~(g)~~(h) At the expiration of one year from the date of a conciliation agreement and at other times in its reasonable discretion, the administrator's staff may investigate whether the terms of the agreement have been and are being complied with by the respondent. The administrator shall report the findings to the complainant and respondent. If the administrator finds reasonable cause to believe that the agreement has been breached, the complainant may seek enforcement of the agreement in the superior court of the county in which the alleged violation took place or in the county of the respondent's residence.

~~(h) The administrator shall issue to the complainant and the respondent, 90 days from the date the complaint was filed and every 30 days thereafter, a status report summarizing any action taken with respect to the complaint. The status reports required by this subsection shall be issued until final resolution of the complaint.~~"

SECTION 6.

Said article is further amended by revising Code Section 45-19-37, relating to appointment of special master to conduct hearing on complaint and procedure, as follows:

"45-19-37.

(a) Unless the administrator has issued an order dismissing the complaint or stating the terms of a conciliation agreement ~~within 90 days after a complaint is filed~~, the administrator shall either refer the complaint to an administrative law judge of the Office of State Administrative Hearings, or, for complaints identifying the Office of State Administrative Hearings as the respondent, request that the Governor appoint, from the list provided for by subsection (e) of Code Section 45-19-23, a special master to conduct a hearing in accordance with this article. Not more than 15 working days after such request, the Governor shall select and appoint a special master who ~~must~~ shall be an attorney licensed to practice law in this state. The ~~special master~~ hearing officer to whom the complaint is referred shall have all of the power and authority granted to agencies in conducting hearings and rendering final orders under Chapter 13 of Title 50, the 'Georgia Administrative Procedure ~~Act,' including but not limited to subpoena power.~~ Act.'

(b) Not more than seven days after the ~~appointment of the special master~~ referral to the hearing officer, the administrator shall serve on the respondent and on the complainant or the complainant's attorney by registered or certified mail or statutory overnight delivery a written notice together with a copy of the complaint requiring the respondent to answer the charges contained therein at a hearing before the ~~special master~~ hearing officer at a time and place specified in the notice. Such notice ~~must~~ shall contain all general and specific charges against the respondent.

(c) The respondent shall serve an answer with the ~~special master~~ hearing officer by registered or certified mail or statutory overnight delivery not more than 20 working days after receipt of the notice of hearing, which 20 working days may be extended by the ~~special master~~ hearing officer in the ~~special master's~~ hearing officer's discretion for an additional time not to exceed ten working days. The respondent's answer ~~must~~ shall show by a certificate of service that the respondent has served a copy of the answer on the complainant or the complainant's attorney at the last known address of the complainant or the complainant's attorney where complainant is represented by an attorney. Upon leave of the ~~special master~~ hearing officer, the complainant may amend the charges contained in the notice of hearing. The respondent may amend an answer at any time prior to the hearing or, upon leave of the ~~special master~~ hearing officer, may amend thereafter. No final order shall be issued unless the respondent has had the opportunity of a hearing on the charges contained in the notice of hearing or amendment on which the final order is based. If the respondent fails to answer the complaint, the ~~special master~~ hearing officer may enter the respondent's default. Unless the default is set aside for good cause shown, the hearing may proceed on the evidence in support of the complaint.

(d) ~~At any time after a notice of hearing is served upon a respondent, discovery shall be authorized in the same manner and fashion as discovery is permitted under Code Sections 9-11-26 through 9-11-37. Any order contemplated in Code Sections 9-11-26 through 9-11-37 may be issued by the special master. Judicial enforcement of any such order may be obtained by the complainant or respondent in the same manner as is provided for the enforcement of final orders in Code Section 45-19-40.~~

~~(e)~~ A respondent who has filed an answer or whose default in answering has been set

aside for good cause shown may appear at the hearing, may examine and cross-examine witnesses and the complainant, and may offer evidence. The complainant and, at the discretion of the ~~special master~~ hearing officer, any other person may intervene, examine and cross-examine witnesses, and present evidence.

~~(f)~~(e) Efforts at conference, conciliation, and persuasion shall not be received in evidence.

~~(g) Testimony taken at the hearing shall be under oath and shall be stenographically or otherwise recorded by a certified court reporter. After the hearing, the special master at the special master's discretion may take further evidence or hear arguments upon notice to all parties with an opportunity to be present.~~

~~(h)~~(f) Except as otherwise specifically provided for in this article, all proceedings of the ~~special master~~ hearing officer shall be conducted as provided for with respect to contested cases in Chapter 13 of Title 50~~.~~, the 'Georgia Administrative Procedure Act.'

~~(i)~~(g) A complainant may retain at the complainant's own expense private counsel to represent the complainant in any proceeding provided for under this article; however, the complainant may utilize the services of an individual employed by the administrator pursuant to paragraph (3) of Code Section 45-19-27 in presenting the complainant's case before the ~~special master~~ hearing officer."

SECTION 7.

Said article is further amended by revising Code Section 45-19-38, relating to findings, conclusions, and order of special master generally and order to cease and desist from unlawful practice and to take remedial action, as follows:

"45-19-38.

(a) If the ~~special master~~ hearing officer determines that the respondent has not engaged in an unlawful practice, the ~~special master~~ hearing officer shall state the ~~special master's~~ hearing officer's findings of fact and conclusions of law and shall issue a final order, within 30 days after the hearing unless, for good cause shown, such time is extended by the ~~Governor~~ hearing officer, dismissing the complaint.

(c) Remedial action under this Code section may include but is not limited to:

No award of back pay shall be ordered pursuant to this article with respect to any period more than two years prior to the date of the filing with the administrator of the complaint with respect to which such award of back pay is ordered. Interim earnings, unemployment benefits, workers' compensation benefits, or amounts earnable with reasonable diligence by the person or persons discriminated against shall operate to

reduce the back pay otherwise allowable;

(2) Admission or restoration of individuals to participate in a guidance program, apprenticeship training program, on-the-job training program, or other occupational training or retraining program and the utilization of objective criteria in the admission of individuals to such programs;

Neither the administrator nor the ~~special master~~ hearing officer shall be a named party; however, the administrator ~~must~~ shall be served with a copy of the petition for review. For an appeal seeking the review of a final order by the hearing officer, within ~~Within~~ 30 days after the petition is served on the administrator, the administrator shall forward to the court a certified copy of the record of the hearing before the ~~special master~~ hearing officer, including the transcript of the hearing before the ~~special master~~ hearing officer and all evidence, administrative pleadings, and orders, or the entire record if no hearing has been held. February 20, 2024

The Honorable John Carson
Chairman, House Retirement Committee
State Capitol, Room 401-E
Atlanta, GA 30334

SUBJECT: State Auditor's Certification
Substitute to House Bill 481 (LC 56 0143S)

Dear Chairman Carson:

This substitute bill would amend provisions relating to the Public Retirement Systems Investment Authority Law. Specifically, this bill defines the word 'fiduciary' to mean any retirement system or administrator that:

- Exercises any discretionary authority or control relative to the management or disposition of a retirement system's assets:
- Renders investment advice for a fee or other compensation; or
- Has discretionary authority or control in the management or administration of a retirement system.

Under the provisions of this legislation, fiduciaries would be required to execute their duties solely in the best interest of the plan members and beneficiaries. This bill would

allow fiduciaries to delegate investment management decisions to qualified professional investment personnel. However, the fiduciary is still liable if it is determined that investment decisions were not made in the best financial interest of the plan members and beneficiaries. Under the provisions of this substitute bill, each fiduciary shall vote and execute all voting proxies solely and exclusively in the best economic interest or rights of the retirement system, in favor of confidential proxy balloting, and in support of management unless, in the opinion of the fiduciary, such vote would be detrimental to the best economic interests or rights of the retirement system.

Furthermore, this substitute bill would require all retirement systems to fully comply with the provisions of this bill by November 1, 2024, and must conform any plan documents, contracts, local laws, ordinances, or resolutions that are not in compliance with the provisions of this bill. It should be noted that the provisions of this bill would apply to all retirement systems that receive public funds.

This is to certify that this substitute bill is a nonfiscal retirement bill as defined in the Public Retirement Systems Standards Law.

Respectfully,
/s/ Greg S. Griffin

SECTION 4.

Said title is further amended by revising Code Section 31-6-43, relating to acceptance or rejection of application for certificate, as follows:

"31-6-43.

(a) At least ~~30~~ 25 days prior to submitting an application for a certificate of need for clinical health services, a person shall submit a letter of intent to the department. The department shall provide by rule a process for submitting letters of intent and a mechanism by which applications may be filed to compete with and be reviewed comparatively with proposals described in submitted letters of intent.

(b) Each application for a certificate of need shall be ~~reviewed~~ received by the department, ~~and within ten working days after the date of its receipt a determination shall be made as to whether the application complies with the rules governing the preparation and submission of applications. If the application complies with the rules governing the preparation and submission of applications,~~ and the department shall declare the application complete for review, shall accept and date the application, and shall notify the applicant of the timetable for its review. The department shall also notify a newspaper of general circulation in the county in which the project shall be developed that the application has been deemed complete. The department shall also notify the appropriate regional commission and the chief elected official of the county and municipal governments, if any, in whose boundaries the proposed project will be located that the

application is complete for review. If the application does not comply with the rules governing the preparation and submission of applications, the department shall notify the applicant in writing and provide a list of all deficiencies. The applicant shall be afforded an opportunity to correct such deficiencies, and upon such correction, the application shall then be declared complete for review within ten days of the correction of such deficiencies, and notice given to a newspaper of general circulation in the county in which the project shall be developed that the application has been so declared. The department shall also notify the appropriate regional commission and the chief elected official of the county and municipal governments, if any, in whose boundaries the proposed project will be located that the application is complete for review or when in the determination of the department a significant amendment is filed.

(c) The department shall specify by rule the time within which an applicant may amend its application. The department may request an applicant to make amendments. The department decision shall be made on an application as amended, if at all, by the applicant.

(d)(1) There shall be a time limit of 120 days for review of a project, beginning on the day the department ~~declares the application complete for review or in the case of applications joined for comparative review, beginning on the day the department declares the final application complete~~ receives the application. The department may adopt rules for determining when it is not practicable to complete a review in 120 days and may extend the review period upon written notice to the applicant but only for an extended period of not longer than an additional 30 days. The department shall adopt rules governing the submission of additional information by the applicant and for opposing an application; provided, however, that such rules shall provide that any party permitted to oppose an application shall submit a notice of opposition no later than 30 days of receipt by the department of such application.

(2) No party may oppose an application for a certificate of need for a proposed project unless:

(A) Such party offers substantially similar services as proposed within a 35 mile radius of the proposed project or has a service area that overlaps the applicant's proposed service area; or

(B) Such party has submitted a competing application in the same batching cycle and is proposing to establish the same type of facility proposed or offers substantially similar services as proposed and has a service area that overlaps the applicant's proposed service area.

(e) To allow the opportunity for comparative review of applications, the department may provide by rule for applications for a certificate of need to be submitted on a timetable or batching cycle basis no less often than two times per calendar year for each clinical health service. Applications for services, facilities, or expenditures for which there is no specified batching cycle may be filed at any time.

(f) The department may order the joinder of an application which is determined to be complete by the department for comparative review with one or more subsequently filed applications declared complete for review during the same batching cycle when:

(1) The first and subsequent applications involve similar clinical health service projects in the same service area or overlapping service areas; and

(2) The subsequent applications are filed and are declared complete for review within 30 days of the date the first application was declared complete for review.

Following joinder of the first application with subsequent applications, none of the subsequent applications so joined may be considered as a first application for the purposes of future joinder. The department shall notify the applicant to whose application a joinder is ordered and all other applicants previously joined to such application of the fact of each joinder pursuant to this subsection. In the event one or more applications have been joined pursuant to this subsection, the time limits for department action for all of the applicants shall run from the latest date that any one of the joined applications was declared complete for review. In the event of the consideration of one or more applications joined pursuant to this subsection, the department may award no certificate of need or one or more certificates of need to the application or applications, if any, which are consistent with the considerations contained in Code Section 31-6-42, the department's applicable rules, and the award of which will best satisfy the purposes of this chapter.

(g) The department shall review the application and all written information submitted by the applicant in support of the application and all information submitted in opposition to the application to determine the extent to which the proposed project is consistent with the applicable considerations stated in Code Section 31-6-42 and in the department's applicable rules. During the course of the review, the department staff may request additional information from the applicant as deemed appropriate. Pursuant to rules adopted by the department, a public hearing on applications covered by those regulations may be held prior to the date of the department's decision thereon. Such rules shall provide that when good cause has been shown, a public hearing shall be held by the department. Any interested person may submit information to the department concerning an application, and an applicant shall be entitled to notice of and to respond to any such submission.

(h) The department shall within 30 days of receipt of the application provide the applicant an opportunity to meet with the department to discuss ~~the~~ such application and to provide the applicant an opportunity to submit additional information. Such additional information shall be submitted within the time limits adopted by the department. The department shall also provide an opportunity for any party that is permitted to oppose an application pursuant to paragraph (2) of subsection (d) of this Code section to meet with the department and to provide additional information to the department. In order for any such opposing party to have standing to appeal an adverse decision pursuant to Code Section 31-6-44, such party must attend and participate in an opposition meeting.

(i) Unless extended by the department for an additional period of up to 30 days pursuant to subsection (d) of this Code section, the department shall, no later than 120 days after an application is determined to be complete for review, or, in the event of joined applications, 120 days after the last application is declared complete for review, provide written notification to an applicant of the department's decision to issue or to deny

issuance of a certificate of need for the proposed project. Such notice shall contain the department's written findings of fact and decision as to each applicable consideration or rule and a detailed statement of the reasons and evidentiary support for issuing or denying a certificate of need for the action proposed by each applicant. The department shall also mail such notification to the appropriate regional commission and the chief elected official of the county and municipal governments, if any, in whose boundaries the proposed project will be located. In the event such decision is to issue a certificate of need, the certificate of need shall be effective on the day of the decision unless the decision is appealed to the Certificate of Need Appeal Panel in accordance with this chapter. Within seven days of the decision, the department shall publish notice of its decision to grant or deny an application in the same manner as it publishes notice of the filing of an application.

(j) Should the department fail to provide written notification of the decision within the time limitations set forth in this Code section, an application shall be deemed to have been approved as of the one hundred twenty-first day following notice from the department that an application, or the last of any applications joined pursuant to subsection (f) of this Code section, is declared 'complete for review.'

(k) Notwithstanding other provisions of this article, when the Governor has declared a state of emergency in a region of the state, existing health care facilities in the affected region may seek emergency approval from the department ~~to make expenditures in excess of the capital expenditure threshold or~~ to offer services that may otherwise require a certificate of need. The department shall give special expedited consideration to such requests and may authorize such requests for good cause. Once the state of emergency has been lifted, any services offered by an affected health care facility under this subsection shall cease to be offered until such time as the health care facility that received the emergency authorization has requested and received a certificate of need. For purposes of this subsection, the term 'good cause' means that authorization of the request shall directly resolve a situation posing an immediate threat to the health and safety of the public. The department shall establish, by rule, procedures whereby requirements for the process of review and issuance of a certificate of need may be modified and expedited as a result of emergency situations."

SECTION 5.

Said title is further amended by revising subsections (i), (j), (k), and (l) of Code Section 31-6-44, relating to the Certificate of Need Appeal Panel, as follows:

"(i)(1) Within 30 days after the conclusion of the hearing, the hearing officer shall make written findings of fact and conclusions of law as to each consideration as set forth in Code Section 31-6-42 and the department's rules, including a detailed statement of the reasons for the decision of the hearing officer, which shall be deemed the final decision of the appeal panel. If any party has alleged that an appeal lacks substantial justification or was undertaken primarily for the purpose of delay or harassment, the decision of the hearing officer shall make findings of fact addressing the merits of the allegation. The hearing officer shall file such decision with the chairperson of the appeal

panel who shall serve such decision upon all parties, and shall transmit the administrative record to the commissioner.

(2) For hearings that are transcribed by a certified court reporter, when the transcript is complete, the certified court reporter shall simultaneously and immediately notify the hearing officer and all parties, including any intervenors. The hearing officer shall then have 60 days to make written findings of fact and conclusions of law required by this Code section. If the hearing officer fails to make a timely decision pursuant to this paragraph, the department shall provide written notice of the delinquency, by statutory overnight delivery or email, to the hearing officer and all parties, including intervenors. Regardless of whether the department sends the notice of delinquency, the decision made pursuant to Code Section 31-6-43 shall become the final decision of the appeal panel if the hearing officer does not enter findings of fact and conclusions of law within 75 days of the certified court reporter's notification of the completion of the hearing transcript. In such cases, the department shall transmit the administrative record to the commissioner.

(3) Any party, including the department and any intervenor, which disputes any finding of fact or conclusion of law rendered ~~by the hearing officer in such hearing officer's decision~~ in the appeal panel's final decision and which wishes to appeal that decision may appeal to the commissioner and shall file its specific objections with the commissioner or his or her designee within 30 days of the date of the ~~hearing officer's decision~~ appeal panel's final decision pursuant to rules adopted by the department.

(j) The final decision of the appeal panel ~~hearing officer will~~ shall become the final decision of the department upon the sixty-first day following the date of the decision unless an objection thereto is filed with the commissioner within the time limit established in subsection (i) of this Code section.

(k)(1) In the event an appeal of the ~~hearing officer's decision~~ final decision of the appeal panel is filed, the commissioner may adopt the ~~hearing officer's order~~ final decision of the appeal panel as the final order of the department or the commissioner may reject or modify the conclusions of law over which the department has substantive jurisdiction and the interpretation of administrative rules over which it has substantive jurisdiction. By rejecting or modifying such conclusion of law or interpretation of administrative rule, the department must state with particularity its reasons for rejecting or modifying such conclusion of law or interpretation of administrative rule and must make a finding that its substituted conclusion of law or interpretation of administrative rule is as or more reasonable than that which was rejected or modified. ~~Rejection~~ For final decisions issued pursuant to paragraph (2) of subsection (i) of this Code section, the rejection or modification of conclusions of law may not form the basis for rejection or modification of findings of fact. The commissioner may not reject or modify the findings of fact unless the commissioner first determines from a review of the entire record, and states with particularity in the order, that the findings of fact were not based upon any competent substantial evidence, that the final decision did not consider or apply relevant and material evidence or that the proceedings on which the findings were based did not comply with the essential requirements of law.

(2) If, before the date set for the commissioner's decision, application is made to the commissioner for leave to present additional evidence and it is shown to the satisfaction of the commissioner that the additional evidence is material and there were good reasons for failure to present it in the proceedings before the hearing officer, the commissioner may order that the additional evidence be taken before the same hearing officer who rendered the initial decision upon conditions determined by the commissioner. A final decision that was approved as a matter of law pursuant to paragraph (2) of subsection (i) of this Code section shall not, standing alone, be considered a good reason to warrant the consideration of additional evidence. Except for final decisions resulting from operation of paragraph (2) of subsection (i) of this Code section, the ~~The~~ hearing officer may modify the initial decision by reason of the additional evidence and shall file that evidence and any modifications, new findings, or decision with the commissioner. Unless leave is given by the commissioner in accordance with the provisions of this subsection, the appeal panel may not consider new evidence under any circumstances. In all circumstances, the commissioner's decision shall be based upon considerations as set forth in Code Section 31-6-42 and the department's rules.

(l) If, based upon the findings of fact by the hearing officer or in the case of a final decision resulting from the operation of paragraph (2) of subsection (i) of this Code section, the commissioner determines that the appeal filed by any party of a decision of the department lacks substantial justification and was undertaken primarily for the purpose of delay or harassment, the commissioner may enter an award in his or her written order against such party and in favor of the successful party or parties, including the department, of all or any part of their respective reasonable and necessary attorney's fees and expenses of litigation, as the commissioner deems just. Such award may be enforced by any court undertaking judicial review of the final decision. In the absence of any petition for judicial review, then such award shall be enforced, upon due application, by any court having personal jurisdiction over the party against whom such an award is made."

SECTION 6.

Honorable Shaw Blackmon
Chairman, House Ways and Means
133 State Capitol
Atlanta, GA 30334

SUBJECT: Fiscal Note
House Bill 1192 (LC 50 0700)

Dear Chairman Blackmon:

The bill would make two changes to the existing sales tax exemption for High Technology Data Centers (HTDC) equipment provided for in O.C.G.A. § 48-8-3(68.1). The commissioner of the Department of Revenue cannot issue new certificates of exemption under the paragraph once the bill is signed, though HTDCs that already have a certificate can continue to benefit. The second change is to alter the definition of a "New Quality Job," increasing the pay threshold from 110 percent to 200 percent of the average county wage in the county in which the HTDC is located.

Impact on State Revenue
Georgia State University's Fiscal Research Center (FRC) estimated that the bill would increase state revenue as shown in Table 1. For purposes of the fiscal note, the estimate assumes an effective date of July 1, 2024. The appendix provides details of the analysis.

Table 1. Estimated State Revenue Effects of HB 1192 LC 50 0700

($ *millions*)	**FY 2025**	**FY 2026**	**FY 2027**	**FY 2028**	**FY 2029**
State Revenue Effect	$5.5	$6.3	$7.0	$7.8	$8.6
Local Revenue Effect	$4.6	$5.3	$6.0	$6.7	$7.3

Impact on State Expenditures
The Department of Revenue would be able to implement the provisions of the bill with existing resources.

Respectfully,
/s/ Greg S. Griffin

Analysis by the Fiscal Research Center

A detailed evaluation study of the HTDC exemption, conducted in accordance with the Tax Credit Return on Investment Act of 2021 (SB 6), was completed in December 2022 by the Carl Vinson Institute of Government at the University of Georgia and published by the Georgia Department of Audits and Accounts. The evaluation projected the state revenue impact of the existing HTDC exemption, and foregone state sales tax revenue from the exemption was estimated to be $50.1 million in FY 2025, increasing to $74.3 million in FY 2029, as shown in Table 2.

Table 2. Estimated State Revenue Effects of HTDC Exemption Prior to Changes

($ *millions*)	**FY 2025**	**FY 2026**	**FY 2027**	**FY 2028**	**FY 2029**
State Revenue Effect	($50.2)	($56.2)	($62.2)	($68.1)	($74.1)

Computer purchases over $15 million are exempt from state and local sales taxes under the high- technology computer equipment (HTCE) exemption provided for under § 48-8-3(68). Based on data obtained from the evaluation study, 86.4 percent of high-technology data center equipment (HTDCE) exempted purchases are also exempted by this provision.

High-Technology Data Center Equipment purchases at centers that currently hold exemption certificates will continue to gain exemption under § 48-8-3(68.1) through 2031, subject to the proposed increase in the pay threshold for qualifying quality jobs. Industry sources cited in the evaluation study indicated that 20 percent of data center equipment requires replacement every year. The estimate assumes that the total HTDCE related to maintaining HTDC is $251 million in 2025, 86.4 percent of which is also exempt as HTCE.

The maintenance-related exempted costs are assumed to grow with price inflation only, as no new data centers center gain exemption. The goods input price inflation for the data processing, hosting, and related services industry (NAICS 518) grew on average by 1.16 percent between 2019 and 2023. The estimate assumes this as the price inflation.

($ millions)	**FY 2025**	**FY 2026**	**FY 2027**	**FY 2028**	**FY 2029**
HTDCE Purchases (68.1)	$1,254.4	$1,404.1	$1,553.9	$1,703.6	$1,853.4
Not Also HTCE (68)	$170.6	$191.0	$211.3	$231.7	$252.1
Maintenance at Current HTDC Not Also HTDCE (86)	$34.1	$34.7	$35.2	$35.8	$36.4

A BILL to be entitled an Act to amend Article 7 of Chapter 20 of Title 47 of the Official Code of Georgia Annotated, the "Public Retirement Systems Investment Authority Law," so as to raise the limit for the total percentage of funds that the Employees' Retirement System of Georgia may invest in alternative investments; to provide for related matters; to repeal conflicting laws; and for other purposes.

The Honorable John Carson
Chairman, House Retirement Committee
State Capitol, Room 401-E
Atlanta, GA 30334

SUBJECT: State Auditor's Certification
House Bill (LC 43 2562)

Dear Chairman Carson:

This bill would amend provisions relating to the Public Retirement Systems Investment Authority Law. Current law authorizes most eligible large retirement systems to invest up to 10 percent of their assets in alternative investments. However, the Employees' Retirement System and the Teachers Retirement System are limited to a five percent investment in alternative investments. If this legislation is enacted, the limitation currently placed on the Employees' Retirement System would be removed and the System would be authorized to invest up to 10 percent of their assets in alternative investments.

This is to certify that this bill is a nonfiscal retirement bill as defined in the Public Retirement Systems Standards Law.

Respectfully,
/s/ Greg S. Griffin

SUBJECT: Fiscal Note
House Bill 1015 (LC 50 0620EC)

Dear Chairman Blackmon:

The bill would lower the state's personal income tax rate in tax year 2024 from the current 5.49 percent to 5.39 percent.

Impact on State Revenue
Georgia State University's Fiscal Research Center (FRC) estimated that the bill would decrease state revenue as shown in **Table 1**. Due to an implementation date late in FY 2024, the impact in FY 2024 is lower than a 12-month period and in FY 2025 is higher than 12-month period. The appendix provides details of the analysis.

Analysis by the Fiscal Research Center
HB 1437 and SB 56 established that the existing progressive tax rate system be replaced

by the single rate of 5.49 percent effective January 1, 2024. Subject to specific criteria, this rate would decline by 0.10 percent every year until the rate reaches 4.99 percent. The look-forward and look-back conditions that trigger these reductions are not impacted by the subject bill.

HB 1015 proposes to reduce the flat rate applicable beginning with TY 2024 from 5.49 to 5.39 percent. With the existing conditions in place, the rate could therefore be further reduced to 5.29 percent as early as TY 2025, 5.19 percent as early as TY 2026, and so forth until reaching 4.99 percent, if the conditions are met.

The fiscal impacts detailed in Table 1 are based on the following data as assumptions:

- The current personal income tax budget projections were used to establish the expected income tax base (i.e., Georgia taxable income) for tax years 2024–29, shown in Table 2 below.
- Current budget projections already anticipate the proposed 0.10 percent rate reduction. Thus, the estimated effects, shown in Table 2 as the revenue value of 0.1 percent of the tax base, represent a reduction not from budget projections but from current-law revenues projected under a 5.49 percent flat rate.
- This rate reduction would impact withholding upon passage with 16.6 percent of the TY 2024 affect impacting FY 2024 revenues and the remainder impacting FY 2025 assuming withholding is adjusted effective May 1st, 2024. The amount of the revenue impact realized in FY24 depends on the timing of enactment and implementation of new withholding table, an earlier implementation increasing the FY24 impact and reducing that of FY25, and vice versa for a later implementation.
- After the initial year, tax year effects are converted to fiscal years assuming that approximately 46 percent of the effect impacts the fiscal year ending June 30 of the given tax year and the balance impacting the following fiscal year.

SUBJECT: Fiscal Note
House Bill 1023 (LC 50 0662)

Dear Chairman Blackmon:

The bill would set the corporate income tax rate at the same level as the personal income tax, effectively changing the rate from 5.75 percent to the current law personal income tax rate of 5.49. The corporate income tax rate would be permanently set to be equal to the personal rate. The bill would be effective for all tax years beginning on or after January 1, 2024.

Impact on State Revenue
Georgia State University's Fiscal Research Center estimated that the bill would reduce state revenue as shown in Table 1. The amounts are shown assuming both a 5.49 percent rate and the proposed 5.39 percent rate. In both cases, fiscal year 2025 would be the first full year of the bill's impact. The appendix provides details of the analysis.

Analysis by the Fiscal Research Center
HB 1023 proposes to replace the current statutory corporate income tax (CIT) rate of 5.75 so that the CIT rate is equal to the statutory personal income tax rate in all years. HB 1437 and SB 56 established that the existing progressive tax rate system be replaced by the single rate of 5.49 percent effective January 1, 2024, with subsequent, conditional rate reductions of 0.10 percent per year until the rate reaches 4.99 percent.

The fiscal impacts detailed in Table 1 are based on the following data and assumptions:

- Current net CIT revenue projections from OPB were used to establish the expected amount of revenues for FY 2024–29, shown in Table 2 below.
- These revenues were adjusted to remove the portion attributable to corporate net worth and financial institutions business occupation taxes (CNWT and FIBOT, respectively), which are included in the total corporate tax projections but are not affected by this bill. Together, CNWT and FIBOT accounted for approximately 2.8 percent of the total for these and CIT during FY 2022 and 2023. The FY 2024–29 projected CIT revenues were reduced by this percentage to isolate CIT revenues.
- The current statutory rate of 5.75 percent was used to establish the expected corporate income tax base (i.e., Georgia taxable corporate income) for FY 2024–29.
- Corporations' tax years frequently do not start on January 1, creating variation in effective tax rates during the early portion of calendar year 2024. IRS national data as to shares of corporate taxable income reported by month of firms' tax year-ends were used to estimate pro forma effective tax rates for FY 2024–29.
- Low fiscal impact estimates are based on a constant PIT rate of 5.49 percent and high estimates are based on constant 5.39 percent.

Baseline revenues, pro forma effective tax rates, and projected CIT revenues based on these data and assumptions, for the 5.49 percent and 5.39 percent scenarios, are presented in Table 2.

Section 2

HB 1023 also proposes to repeal Article Four of Chapter 13 of Title 48 of the O.C.G.A, the CNWT. Current CNWT projections from OPB were used to establish the expected amount of revenues for FY 2024–29, shown in Table 3 below. 17.99 percent of FY CBWT collections were received between April and June, based on data from DOR for FY 2019-23. This share was used to estimate the FY 2024 reduction in collections.

15-5B-3.
The court shall have a seal engraved with the words 'Georgia Tax Court.' The court shall authenticate all of its orders, records, and proceedings with the seal, and the courts of this state shall take judicial notice of the seal.

15-5B-4.
(a) The chief court judge shall be appointed by the Governor, subject to approval by a majority vote of the Senate Judiciary Committee and a majority vote of the House Committee on Judiciary. The Senate Judiciary Committee and the House Committee on Judiciary shall be authorized to meet jointly or separately, while in or out of a legislative session, as called in the discretion of each such chairperson, with notice provided by the chairpersons to such committee members, to consider the approval of such appointment. The chief court judge may appoint up to three assistant court judges.

(b)(1) The initial chief court judge shall be appointed by July 1, 2025, and approved by December 31, 2025, and the chief court judge shall serve an initial term beginning on July 1, 2026.

(2) Beginning on July 1, 2026, such initial chief court judge may perform the administrative duties required for establishing the court and, if so, shall receive compensation as a court judge beginning on such date and for such purposes.

(3)(A) The chief court judge shall serve for a term of four years and may be reappointed for any number of consecutive terms so long as he or she meets the qualifications for appointment at the time of each appointment and shall be reappointed and reapproved in the same manner as provided for in subsection (a) of this Code section.

(b) The court shall sit at the seat of government in Atlanta and shall conduct proceedings and trials in locations as provided for in this Code section.
(c) Proper venue in the Georgia Tax Court shall be in Fulton County, as the principal place of business of the Department of Revenue. The pleadings to initiate an action to the court do not need to establish venue.
(d) The court may also hold hearings at any place within this state, with a view toward securing to taxpayers a reasonable opportunity to appear before the court with as little inconvenience as practicable. When the court holds hearings outside of its principal location, it shall do so in a place that is physically separate from facilities regularly occupied by the state revenue commissioner.
(e) All cases before the Georgia Tax Court may have pretrial proceedings or trials, in the sole discretion of the court judge to whom the case is assigned, conducted via video, telephone, or other efficient technological means as may be deemed necessary or useful to conserve the resources of the parties or the court.

(b) It shall be the duty of a law assistant to attend all sessions of the court, if so ordered, and generally to perform the duties incident to the role of law assistant.

15-5B-9.
The chief court judge may employ and fix the salaries of a clerk, stenographers, clerical assistants, and such other employees as may be deemed necessary by the court, and the

salaries therefor shall be paid by the clerk from the amount appropriated by the General Assembly for such purposes.

(a) On and after August 1, 2026, any person may petition the court for relief as set forth in Code Sections 48-2-18, 48-2-35, 48-2-59, 48-5-519, 48-6-7, and 48-6-76 and subparagraph (d)(2)(C) of Code Section 48-7-31. The court shall have jurisdiction over actions for declaratory judgment that fall within subsection (a) of Code Section 50-13-10 and involve a rule of the state revenue commissioner that is applicable to taxes administered by the state revenue commissioner under Title 48.
(b) The court shall have concurrent jurisdiction with the superior courts over all matters arising from petitions filed under subsection (a) of this Code section and all related legal claims.
(c) The court shall not have jurisdiction to hear any matter arising under Title 3 or Title 40.
(d) No person shall be required as a condition either to initiating or maintaining an action before the court to provide a surety bond or other security for any amounts that may be in dispute in such action. Nothing contained in this chapter shall be construed to prohibit the state revenue commissioner from requiring a bond under those circumstances set forth in Code Section 48-2-51.
(e) The court shall also have jurisdiction over refund petitions filed pursuant to Code Section 48-5-342.

15-5B-12.
(a) Actions before the court shall be commenced by filing a petition with the court, naming the state revenue commissioner as respondent in his or her official capacity, within the time periods prescribed by Code Section 48-2-18, 48-2-35, 48-2-59, 48-5-519, 48-6-7, or 48-6-76 or subparagraph (d)(2)(C) of Code Section 48-7-31, as the case may be, or as otherwise provided by law.
(b) A pleading, petition, or other document as provided in this Code section that is filed with the court shall be deemed filed as of the time of its receipt by the filing service provider of the court.
(c) The petition shall include a summary of the facts and law upon which the petitioner relies in seeking the relief requested. The petition shall contain complete information and shall be substantially in the form prescribed by the court.
(d) In lieu of service pursuant to Code Section 9-11-4, the petitioner shall serve a copy of the petition on the state revenue commissioner and the Attorney General and attach a certificate of service to the petition filed with the court. In the case of a refund action

pursuant to Code Section 48-6-7 or 48-6-76, the petition also shall be served on the clerk of the superior court or collecting officer who is made a party to the action. Service shall be accomplished by certified mail, return receipt requested, or statutory overnight delivery. The petition shall include a summary statement of facts and law upon which the petitioner relies in seeking the requested relief.

(e) The state revenue commissioner and any other respondents shall file a response to the petitioner's statement of facts and law which constitutes his or her answer with the court no later than 30 days after the service of the petition. The state revenue commissioner and any other respondents shall serve a copy of their response on the petitioner's representative or, if the petitioner is not represented, on the petitioner, and shall file a certificate of such service with the response. If in any case a response has not been filed within the time required by this subsection, the case shall automatically become in default unless the time for filing the response has been extended by agreement of the parties, for a period not to exceed 30 days, or by the court judge. The default may be opened as a matter of right by the filing of a response within 15 days of the day of default and payment of costs. At any time before final judgment, the court judge, in his or her discretion, may allow the default to be opened for providential cause that prevented the filing of the response or for excusable neglect or when the court judge, from all the facts, determines that a proper case has been made for the default to be opened on terms to be fixed by the court judge.

(f) Every pleading subsequent to the original petition shall be served upon the parties by mailing or delivery to the address of the of the taxpayer given on the taxpayer's petition or to the address of the taxpayer's representative of record, if any, and to the usual place of business of the counsel of record of the state revenue commissioner. However, the chief court judge may by rule prescribe other means of notice for subsequent filings, including statutory electronic service, through the service provider in accordance with subsection (b) of Code Section 9-11-5.

(g) As soon as reasonably practicable, the court judge shall schedule a prehearing conference to address discovery, scheduling, and other matters.

(h) The court judge may remand a matter in dispute to the state revenue commissioner for further consideration upon motion by all parties to the proceeding, for good cause shown on the motion of any party, or sua sponte when the court judge reasonably determines that circumstances warrant. Any such remand shall not divest the court of jurisdiction, and the court judge's order shall provide that any party, upon appropriate advance notice to all other parties, shall be entitled to have such matter returned to the court for resolution.

(i) Contested cases pending before the Georgia Tax Tribunal on and before December 31, 2025, and cases when any party made a written demand for a hearing before August 1, 2026, shall not be transferred to the court. If, on or after August 1, 2026, a written petition for relief or a demand for hearing is filed with the court or by the affected party directly with the Georgia Tax Tribunal in a matter falling within the court's jurisdiction under subsection (a) of Code Section 15-5B-11, such matter shall be transferred to the court, and the remaining provisions of this chapter shall be applicable.

15-5B-13.
(a) Except as provided for in Code Section 48-2-51, involving jeopardy assessments, the filing of a petition with the court shall operate as a stay of any enforcement or collection action by the state revenue commissioner with respect to any tax, penalty, interest, or collection costs that are disputed in the petition until the court decision is finalized, including appeals to any appellate court.
(b) Upon petition by the state revenue commissioner, and for good cause shown, the court judge may lift the stay provided for in subsection (a) of this Code section.

15-5B-14.
(a) Upon filing a petition, the petitioner shall pay to the clerk of the court a fee as determined by the rules established by the court.
(b) A similar fee shall be paid by other parties making an appearance in the proceeding, except that no fee shall be charged to a government body or government official appearing in a representative capacity.
(c) The chief court judge may fix a fee, not in excess of the fees charged and collected by the clerks of the superior courts of this state, for compiling, or for preparing and compiling, a transcript of the record, or for copying any record, entry, or other paper and the compilation and certification thereof.
(d) All fees collected by the clerk of the court pursuant to this Code section shall be the property of the state, and the same shall be paid into the state treasury.

15-5B-15.
(a) Except as otherwise provided in this chapter, the provisions of Chapter 11 of Title 9, the 'Georgia Civil Practice Act,' shall govern proceedings before the court; provided, however, that the parties to a proceeding shall make every effort to conduct discovery by informal consultation or communication. Upon motion of a party, the frequency or extent of formal discovery methods may be limited by the court if it determines that the discovery is unduly burdensome or expensive when taking into account the amount in controversy, limitations on the parties' resources, and the importance of the issues at stake in the litigation.
(b) The chief court judge shall, by rules and regulations or by order in a particular proceeding, prescribe the period during which any discovery shall be commenced and completed. After the period for completing discovery has expired, or earlier as the parties may agree, the parties to a proceeding shall stipulate all relevant and nonprivileged matters to the fullest extent to which a complete or qualified agreement can be reached or fairly should be reached. Neither the existence nor the use of the discovery mechanisms authorized by this Code section shall excuse failure to comply with this provision.
(c)(1) A party shall disclose to other parties at a reasonable time prior to the hearing the identity of any individual who may be called at trial to present expert testimony.
(2) Except as otherwise stipulated or directed by the court judge, expert witness disclosure shall, with respect to a witness who is retained or specially employed to

provide expert testimony in the case or whose duties as an employee of the party regularly involve giving expert testimony, be accompanied by a written report prepared and signed by the witness if one has been prepared or will be offered at the hearing.

(d) A court judge or the clerk of the court, on the request of any party to the proceeding, shall issue subpoenas requiring the attendance of witnesses and giving of testimony and subpoenas requiring the production of evidence or things.

(e) Any employee of the court designated in writing for such purpose by a court judge, or by the chief court judge if more than one judge has been appointed, may administer oaths.

(f) Any witness who is subpoenaed or whose deposition is taken shall receive the same fees and mileage as a witness in a superior court of this state.

(g) In proceedings before the court, if any party or an agent or employee of a party disobeys or resists any lawful order of process; neglects to produce, after having been ordered to do so, any pertinent book, paper, or document; refuses to appear after having been subpoenaed; upon appearing, refuses to take the oath or affirmation as a witness; or, after taking the oath or affirmation, refuses to testify, the court judge shall have the same rights and powers given any other court under Chapter 11 of Title 9, the 'Georgia Civil Practice Act.' If any person or party refuses as specified in this subsection, the court judge may certify the facts to the superior court of the county where the offense is committed for appropriate action, including a finding of contempt.

15-5B-16.

(a) Trials in proceedings before the court shall be de novo and without a jury. All questions of law decided by the court, including interpretations of constitutional, statutory, and regulatory provisions, shall be made without any deference to any determination or interpretation, whether written or unwritten, that may have been made on the matter by the department, except such requirement shall have no effect on the judicial standard of deference accorded to rules promulgated pursuant to Chapter 13 of Title 50, the 'Georgia Administrative Procedure Act.' Hearings shall be open to the public, but on motion of any party, if such party shows good cause to protect certain information from being disclosed to the public, the court judge may issue a protective order or an order closing part or all of a hearing to the public.

(b) The court shall take evidence, and the court judges shall conduct hearings and issue final judgments and interlocutory orders.

(c) The court judges shall apply the rules of evidence as applied in the trial of civil nonjury cases in the superior courts; provided, however, that, for hearings conducted in the small claims division, the court judge may, when necessary to ascertain facts not reasonably susceptible of proof under such rules, consider evidence not otherwise admissible thereunder if it is of a type commonly relied upon by reasonably prudent persons in the conduct of their affairs.

(d) Testimony before a court judge shall be given only on oath or affirmation.

(e) The petition and other pleadings in the proceeding shall be deemed to conform to the proof presented at the hearing, unless a party satisfies the court judge that presentation of

the evidence would unfairly prejudice the party in maintaining its position on the merits or unless deeming the taxpayer's petition to conform to the proof would confer jurisdiction on the court over a matter that would not otherwise come within the court's jurisdiction.
(f) Except for hearings conducted in the small claims division of the court as provided in Code Section 15-5B-18, all hearings before the court shall be recorded by means acceptable for use in courts of this state.

15-5B-17.
(a) Except with regard to proceedings in the small claims division of the court pursuant to Code Section 15-5B-18, the court judge shall render all final judgments and interlocutory orders in writing, as appropriate, including therein a concise statement of the facts found and the conclusions of law reached. The court judge's final judgment or interlocutory order shall, subject to law, grant such relief, invoke such remedies, and issue such orders as the court judge deems appropriate to carry out its final judgment or interlocutory order.
(b) The chief court judge shall adopt rules and regulations to address confidentiality of taxpayer information and proceedings before the court.
(c) The court judges shall adhere to the principle of stare decisis. The court judge's interpretation of a tax statute subject to contest in one case shall be followed by the court in subsequent cases involving the same statute, and its application of a statute to the facts of one case shall be followed by court judges in subsequent cases involving similar facts, unless the court judge's interpretation or application conflicts with that of an appellate court or the court judge provides satisfactory reasons for departing from prior precedent.
(d) Except as to a final judgment of the small claims division, all other final judgments of the court shall be indexed and published in such print or electronic form as the chief court judge deems best adapted for public convenience. Such publications shall be made permanently available and constitute the official reports of the court.

15-5B-18.
(a) There is hereby established a small claims division of the court.
(b) Court judges shall sit as the judges of the small claims division.
(c) Within 90 days of filing a petition pursuant to Code Section 15-5B-12, a taxpayer may elect to have the small claims division have jurisdiction over any proceeding with respect to which the amount of tax and penalties in controversy, exclusive of interest, is less than a threshold amount determined by the rules of the court. A taxpayer shall not revoke such election to proceed in the small claims division after this 90 day period. For good cause, the court judge may, on his or her own motion or on the motion of a party to the case, remove a case from the small claims division.
(d) In proceedings before the small claims division of the court, accountants and other tax return preparers designated by the taxpayer shall be permitted to accompany and appear with the taxpayer in order to provide factual information regarding positions taken on tax returns of the taxpayer. An accountant or tax return preparer accompanying and

appearing with a taxpayer for this purpose shall not be deemed to be acting as an advocate of the taxpayer or representing the taxpayer before the court.

(e) At any time prior to entry of judgment, a taxpayer may dismiss a proceeding in the small claims division by notifying the clerk of the court in writing. Such dismissal shall be without prejudice.

(f) Hearings in the small claims division shall be conducted in a manner consistent with proceedings before magistrate courts, as specified in Article 3 of Chapter 10 of this title. The court judge may receive such evidence as the judge deems appropriate for determination of the case. Testimony shall be given under oath or affirmation.

(g) A judgment of the small claims division shall be conclusive upon all parties and shall not be appealed. A judgment of the small claims division shall not be considered or cited as precedent in any other case, hearing, or proceeding.

15-5B-19.

The court shall adopt rules of practice and procedure and adopt all reasonable rules and forms as may be necessary or appropriate to carry out the intent and purposes of this chapter.

15-5B-20.

(a) The court shall docket the declaratory judgments of the state revenue commissioner pursuant to subsection (h) of Code Section 48-2-35 as actions in the court without the filing of a petition for relief.

(b)(1) The court shall determine by interlocutory order the party at fault for the delay in finally determining a claim for refund.

(2) If the court determines that the department is primarily at fault, the order shall require that the department pay all interest due to the taxpayer on the claim for refund, including the interest due on the local sales and use tax deemed to have been illegally or erroneously collected. The court shall thereafter remand the matter back to the department for determination on the underlying claim for refund.

(3) If the court determines that the taxpayer who made the claim for refund is primarily at fault, the order shall prohibit the accrual of any interest due to the taxpayer on the finally determined claim for refund. The court shall thereafter remand the matter back to the department for determination on the underlying claim for refund.

(4) If the court determines that the delay is justified, the order shall remand the matter back to the department for determination and for further hearings at the court's discretion.

(c) The court, at its discretion, may award reasonable attorney's fees to either party in such proceedings.

(d) Orders of the court issued pursuant to this Code section shall be excluded from the provisions of subsection (d) of Code Section 15-5B-17.

(e) Except as otherwise provided in this Code section, such actions shall follow the procedures and court rules applicable to other proceedings within the court."

A BILL to be entitled an Act to amend Article 7 of Chapter 20 of Title 47 of the Official Code of Georgia Annotated, the "Public Retirement Systems Investment Authority Law," so as to raise the limit for the total percentage of funds that the Employees' Retirement System of Georgia may invest in alternative investments; to provide for related matters; to repeal conflicting laws; and for other purposes.

January 25, 2023

The Honorable John Carson
Chairman, House Retirement Committee
State Capitol, Room 401-E
Atlanta, GA 30334

SUBJECT: State Auditor's Certification
House Bill (LC 43 2562)

Dear Chairman Carson:

This bill would amend provisions relating to the Public Retirement Systems Investment Authority Law. Current law authorizes most eligible large retirement systems to invest up to 10 percent of their assets in alternative investments. However, the Employees' Retirement System and the Teachers Retirement System are limited to a five percent investment in alternative investments. If this legislation is enacted, the limitation currently placed on the Employees' Retirement System would be removed and the System would be authorized to invest up to 10 percent of their assets in alternative investments.

This is to certify that this bill is a nonfiscal retirement bill as defined in the Public Retirement Systems Standards Law.

Respectfully,
/s/ Greg S. Griffin
Greg S. Griffin

SECTION 4.

This Act shall become effective on July 1, 2024, only if it is determined to have been concurrently funded as provided in Chapter 20 of Title 47 of the Official Code of Georgia Annotated, the "Public Retirement Systems Standards Law"; otherwise, this Act shall not become effective and shall be automatically repealed in its entirety on July 1, 2024, as required by subsection (a) of Code Section 47-20-50.

BE IT ENACTED BY THE GENERAL ASSEMBLY OF GEORGIA:

SECTION 1.

Chapter 80 of Title 36 of the Official Code of Georgia Annotated, relating to general provisions applicable to counties, municipal corporations, and other governmental entities, is amended by revising Code Section 36-80-23, relating to prohibition on immigration sanctuary policies by local governmental entities and certification of compliance, as follows:

"36-80-23.

(a) As used in this Code section, the term:

(1) 'Federal officials or law enforcement officers' means any person employed by the United States government for the purpose of enforcing or regulating federal immigration laws and any peace officer certified by the Georgia Peace Officer Standards and Training Council where such federal official or peace officer is acting within the scope of his or her employment for the purpose of enforcing federal

immigration laws or preserving homeland security.

(2) 'Immigration status' means the legality or illegality of an individual's presence in the United States as determined by federal law.

(3) 'Immigration status information' means any information, not including any information required by law to be kept confidential but otherwise including but not limited to any statement, document, computer generated data, recording, or photograph, which is relevant to immigration status or the identity or location of an individual who is reasonably believed to be illegally residing within the United States or who is reasonably believed to be involved in domestic terrorism as that term is defined in Code Section 16-11-220 or a terroristic act as that term is defined by Code Section 35-3-62.

(4) 'Local governing body' means any political subdivision of this state, including any county, consolidated government, municipality, authority, school district, commission, board, or any other local public body corporate, governmental unit, or political subdivision.

(5) 'Local official or employee' means any elected or appointed official, supervisor or managerial employee, contractor, agent, or certified peace officer acting on behalf of or in conjunction with a local governing body.

(6) 'Sanctuary policy' means any regulation, rule, policy, or practice adopted by a local governing body which prohibits or restricts local officials or employees from communicating or cooperating with federal officials or law enforcement officers with regard to reporting immigration status information while such local official or employee is acting within the scope of his or her official duties.

(b) No local governing body, whether acting through its governing body or by an initiative, referendum, or any other process, shall enact, adopt, implement, or enforce any sanctuary policy.

(c) Any local governing body that acts in violation of this Code section shall be subject to the withholding of state funding or state administered federal funding other than funds to provide services specified in subsection (d) of Code Section 50-36-1.

(d) As a condition of funding, the Department of Community Affairs, the Department of Transportation, or any other state agency that provides funding to local governing bodies shall require certification pursuant to Code Section 50-36-4 as proof of compliance with this Code section.

(e)(1) The General Assembly finds that the prohibition in this Code section is a matter of state-wide concern and that any resident of this state is a stakeholder when a local governing body fails to comply with the law and has a public right in the enforcement of such prohibition.

(2) In addition to any other remedies provided by law, in any case in which a local governing body violates subsection (b) of this Code section, any resident of this state may bring an action for declaratory judgment seeking a declaration that the local governing body is in violation of subsection (b) of this Code section. Any such action shall be brought in the superior court of the county wherein the legal situs of the local governing body is located.

(3) If a judgment is entered pursuant to paragraph (2) of this subsection declaring a

local governing body in violation of subsection (b) of this Code section, the clerk of the superior court shall file a certified copy of the judgment with the Secretary of State, the Office of Planning and Budget, and the legislative counsel. A local governing body declared to be in violation of subsection (b) of this Code section shall have all state funding and all state administered federal funding, other than funds to provide services specified in subsection (d) of Code Section 50-36-1, withheld by the state from the date of such judgment.

(4) If a judgment is entered pursuant to paragraph (2) of this subsection declaring a local governing body in violation of subsection (b) of this Code section and the local governing body repeals, retracts, or withdraws its sanctuary policy, such local governing body may petition the superior court for relief from any declaration entered under this subsection. Following a determination that the local governing body has in fact repealed, retracted, or withdrawn its sanctuary policy, the superior court shall enter a judgment relieving the local governing body from any declaration entered under this subsection and shall enter a permanent injunction barring the local governing body from enacting, adopting, implementing, or enforcing any new sanctuary policy. Following entry of such judgment, the clerk of the superior court shall file a certified copy of the judgment issued pursuant to this paragraph with the Secretary of State, the Office of Planning and Budget, and the legislative counsel. Following the entry of a judgment pursuant to this paragraph, the local governing body shall become eligible to receive state funding and state administered federal funding; provided, however, that such local governing body shall not be eligible to receive any state funding or state administered federal funding withheld during the period in which a declaration issued pursuant to paragraph (2) of this subsection was in effect.

(5) The Secretary of State shall provide for the publication and distribution of copies of all judgments issued pursuant to paragraphs (2) and (4) of this subsection at least annually in the same manner as provided for in Code Section 36-35-5 for the publication of municipal home rule charter amendments.

(6) The sovereign immunity of local governing bodies is waived for actions brought pursuant to this subsection as well as to any judgments, whether declaratory or injunctive, issued by a superior court pursuant to this subsection.

(f) In the event that a local governing body enacts, adopts, implements, or enforces any sanctuary policy in violation of this Code section, the sovereign immunity of such local governing body and the governmental immunity of all local officials and employees of such local governing body is waived for any cause of action arising during the period in which any sanctuary policy enacted, adopted, implemented, or enforced by such local governing body is in effect."

SECTION 2.

Said chapter is further amended by adding a new Code section to read as follows:

"36-80-23.1.

(a)(1) Notwithstanding any other provisions of law to the contrary, if the governing authority of any county, consolidated government, or municipality, through action or

inaction, fails to comply with any provision of Code Section 36-60-6 or 36-80-23 or Chapter 36 of Title 50, any resident of this state may file a written complaint with the Board of Community Affairs detailing such failure and the Board of Community Affairs shall conduct a hearing in not less than ten days nor more than 90 days of receiving such complaint. Upon completion of such hearing, the Board of Community Affairs shall recommend to the Governor whether to suspend all eligible members of the governing authority with pay.

(2) A majority of the members of a governing authority may petition the Board of Community Affairs to continue any hearing scheduled under this subsection. Upon a showing of good cause, the board may in its sound discretion continue any such hearing. Notwithstanding any other provision of law, deliberations held by the Board of Community Affairs pursuant to this subsection to formulate its recommendation to the Governor shall not be open to the public; provided, however, that testimony shall be taken in an open meeting and a vote on the recommendation shall be taken in an open meeting following the hearing or at the next regularly scheduled meeting. If the Board of Community Affairs makes such recommendation, the Governor may, in his or her discretion, suspend all eligible members of the governing authority with pay and, in consultation with the Board of Community Affairs, appoint temporary replacement members who shall be otherwise qualified to serve as members of such governing authority.

(b) Any member of a governing authority suspended under this Code section may petition the Governor for reinstatement no earlier than 30 days following suspension and no later than 60 days following suspension. In the event that a suspended member does not petition for reinstatement within the allotted time period, his or her suspension shall be converted into permanent removal, and the temporary replacement member shall become a permanent member and serve out the remainder of the term of the removed member or until the next general election which is at least six months after the member was permanently removed, whichever is sooner.

(c) Upon petition for reinstatement by a suspended member of a governing authority, the Governor or his or her designated agent shall conduct a hearing for the purpose of receiving evidence relative to whether the member's continued service on the governing authority is more likely than not to improve the ability of the county, consolidated government, or municipality to comply with the provisions of Code Section 36-60-6 or 36-80-23 or Chapter 36 of Title 50. The appealing member shall be given at least 30 days' notice prior to such hearing. Such hearing shall be held not later than 90 days after the petition is filed and in accordance with Chapter 13 of Title 50, the 'Georgia Administrative Procedure Act,' except that the individual conducting the hearing shall have the power to call witnesses and request documents on his or her own initiative. For purposes of said chapter and any hearing conducted pursuant to this Code section, the Governor shall be considered the agency, and the Attorney General or his or her designee shall represent the interests of the Governor in the hearing. If it is determined that the member's continued service on the governing authority is more likely than not to improve the ability of the county, consolidated government, or municipality to comply with the

provisions of Code Section 36-60-6 or 36-80-23 or Chapter 36 of Title 50, the member shall be immediately reinstated; otherwise, the member shall be permanently removed, and the temporary replacement member shall become a permanent member and serve out the remainder of the term of the removed member or until the next general election which is at least six months after the member was permanently removed, whichever is sooner. Judicial review of any such decision shall be in accordance with Chapter 13 of Title 50.

BE IT ENACTED BY THE GENERAL ASSEMBLY OF GEORGIA:

PART I

Closed-door pharmacies

SECTION 1-1.

Title 26 of the Official Code of Georgia Annotated, relating to food, drugs, and cosmetics, is amended in Code Section 26-4-82, relating to duties requiring professional judgment and responsibilities of a licensed pharmacist, by revising subsection (d) as follows:

"(d) The board of pharmacy shall promulgate rules and regulations regarding the activities and utilization of pharmacy technicians in pharmacies, including the establishment of a registry as required in paragraph (7) of subsection (a) of Code Section 26-4-28; provided, however, that the pharmacist to pharmacy technician ratio shall not exceed one pharmacist providing direct supervision of four pharmacy technicians. The board may consider and approve an application to increase the ratio in a pharmacy located in a licensed hospital or in a closed-door pharmacy. Such application must be made in writing and must be submitted to the board by the pharmacist in charge of a specific hospital pharmacy in this state or a specific closed-door pharmacy. At any time during which the pharmacist directly supervises four or more pharmacy technicians, two of such technicians must be certified. At any time during which the pharmacist directly supervises three pharmacy technicians, one of such technicians must be certified. No certification is required for pharmacy technicians in pharmacies at any time during which the pharmacist directly supervises one or two pharmacy technicians. In order to be certified, pharmacy technicians must:

(1) Have successfully passed a certification program approved by the board of pharmacy;

(2) Have successfully passed an employer's training and assessment program which has been approved by the board of pharmacy; or

As used in this subsection, the term 'closed-door pharmacy' means a pharmacy that provides specialized services and is not open to the general public."

PART II

Drug repository program

SECTION 2-1.

The General Assembly finds:

(1) Access to affordable medications is a public health issue that disproportionately impacts vulnerable patients, and a state's drug repository program can serve as a solution to thousands of families for life-saving and life-preserving medications; and

(2) Participating recipient organizations can provide a valuable community benefit to families in need by making donated medications available and will be authorized to utilize additional pharmacy technicians to distribute donated medications under the drug repository program.

SECTION 2-3.

Said title is further amended by revising Code Section 31-8-301, relating to the establishment of a drug repository program and criteria and requirements for unused over-the-counter and prescription drugs, as follows:

"31-8-301.

(4) A patient, recipient, or other individual for a drug that is covered under a state program but that the claim for coverage is denied with respect to the specific patient, recipient, or other individual.
(b) Recipients of the federal Title X Family Planning Program shall make and document diligent efforts to subcontract with interested eligible recipients participating in the program to offer family planning services to rural and low-income populations.
(c) If an eligible recipient offers value-added services and referrals, in addition to just providing medicine, such eligible recipient may also be eligible for discounted medication pricing to help widen such eligible recipient's formularies of medication and increase financial sustainability of its participation in the program."

Honorable Chuck Hufstetler
Chairman, Senate Finance
121-C State Capitol
Atlanta, GA 30334

SUBJECT: Fiscal Note
House Bill 1090 (LC 50 0761S)

Dear Chairman Hufstetler:

The bill would revise provisions associated with the tax credits for contributions to qualified foster child support organizations. The bill expands qualified donations to those made to programs supporting justice-involved youth. It would also allow tax credits to be taken against the insurance premium taxes (IPT) and allow for the use of tax-deductible income as credit-earning donations. The bill would be effective for all taxable years beginning on or after January 1, 2024.

Impact on State Revenue
Georgia State University's Fiscal Research Center (FRC) estimated that the bill would decrease state revenue as shown in Table 1. FRC estimated the same revenue impact as a previous version of the bill (LC 50 0670). The appendix provides details of the analysis.

Table 1. Estimated State Revenue Effects of HB 1090 LC 50 0761S

Estimates	($2.8)	($4.0)	($4.5)	($3.6)	($1.8)

Impact on State Expenditures
The Department of Revenue would be able to implement the provisions of the bill with existing resources.

Analysis by the Fiscal Research Center
Under current law, as established by O.C.G.A. § 48-7-29.24, terms and conditions are set forth for a preapproved tax credit that taxpayers can claim based on the donations made to foster child support organizations, subject to an aggregate limit of $20 million per year. These organizations operate certain programs that support aging foster children. Specific credit limits are imposed on each taxpayer for preapproved applications that are submitted annually from January 1 to June 30.

Credits utilized in any year cannot exceed the taxpayer's tax liability for the year, but any unused credits can be carried forward and used against future tax liabilities for up to five years. The Georgia Department of Human Services (DHS) is responsible for qualifying foster child support organizations, while the Georgia Department of Revenue oversees the preapproval of contributions to ensure they qualify for the tax credit.

HB 1090 proposes to make multiple changes to the administration of the program and credit terms. Among the changes that affect programs or organizations eligible to receive qualified contributions, thus potentially increasing the demand for contributions, the bill:

- Expands eligibility for programs receiving qualified contributions to include programs that support justice-involved youth age 18–21, or up to age 25 if legally permissible, as defined by the bill.
- Extends the scope of wraparound services within qualified expenditures to cover enrollment in additional educational programs, such as obtaining a high school diploma, attending vocational school, and participating in apprenticeship programs.
- Clarifies definitions of certain terms, including the definition of mentorship services.

Other changes likely expand the supply of contributions. In this regard, the bill:

- Broadens the definition of taxpayers eligible to make donations to include insurance companies and their headquarters, which may utilize credits against insurance premium tax liability.
- Removes the restriction that disallows a tax credit when contributions have been used as a deduction or exemption from taxable income.
- Creates a new provision that allows—to the extent the aggregate cap has not been reached after the June 30 end of the initial application window—submission of preapproved applications by individual taxpayers or business enterprises without individual limits from July 1 to December 31. These applications will be processed, and the remaining balance will be allocated on a first- come, first-served basis.

We analyze similar donation-based tax credit programs in Georgia to assess the fiscal impact of the proposed revisions in the current bill on the Qualified Foster Child Donation (QFCD) credit. This includes tracking preapproval amounts and credit utilization rates for the Qualified Education Expense Credit (QEEC) and the Rural Hospital Tax Credit (RHTC). QEEC was established in 2009 and has reached its cap annually since 2011. RHTC started at 70 percent of its cap in 2017, grew by 43 percent between its first and second years of the policy, and reached its cap after 2020, maintaining that level thereafter.

To model the fiscal impact of the current bill, we identify the revenue effects under two scenarios. First, we outline the estimates under the current law, referring to this scenario as the baseline case. Next, we outline the accelerated case that models the fiscal impact

considering the revenue-impacting expansions of HB 1090 explained above.

The QCFD credit program, which became effective on January 1, 2023, started at a more modest level of preapproval amounts as a percentage of its cap (about 60 percent) in its first year compared to the RHTC and others. Based on the time it took previous donation-based tax credit programs in Georgia to reach their annual cap, we expect that, following its current trajectory, the QFCD program will likely reach its annual aggregate cap of $20 million for the first time in tax year (TY) 2029. This scenario assumes a moderate growth in yearly preapprovals as a percentage of its cap and constitutes our baseline. Its revenue estimates are reported in Table 2 below.

Considering the fiscal impact of HB 1090, especially the six-month extension of the donation window and the inclusion of insurance companies as eligible taxpayers, we model estimates for a pro forma, accelerated scenario. Analyzing the trends in credit usage by corporations and insurance companies in similar tax credit programs in Georgia, we anticipate a quicker increase in yearly preapprovals relative to the aggregate cap in the accelerated case. Consequently, the QFCD is projected to reach its aggregate cap sooner. These estimates of donations (credits generated) are detailed in Table 2.

Finally, based on historical data from similar programs in Georgia, we assume a tax utilization rate for the current law and pro forma estimates of 80 percent in the tax year the credit is earned, with the balance carried forward and utilized in the following year. Tax-year utilization of the credit is converted to fiscal years, assuming one-third is realized as a reduction in estimated tax payments before the June 30 fiscal year-end and the balance-reducing estimated and final tax payments in the subsequent fiscal year. The resulting fiscal year utilization estimates are differenced to calculate the net revenue effects presented in Table 1.

A BILL TO BE ENTITLED
AN ACT

To amend Article 1 of Chapter 6 of Title 19 of the Official Code of Georgia Annotated, relating to general provisions regarding alimony and child support, so as to authorize support and insurance policies for dependent adult children; to provide for a definition; to provide that legal proceedings may be brought to establish support for a dependent adult child; to provide for who may bring such proceedings and to specify a time frame during which such proceedings may be brought; to require support to be paid to the dependent adult child or other specified persons; to require the court to consider certain guidelines when determining the amount of support for a dependent adult child; to require the court to consider certain state and federal programs and benefits in making its decisions; to provide that dependent adult child support shall be modified in certain circumstances; to authorize the court to irrevocably assign such support to certain trusts established for the benefit of the dependent adult child for a specified purpose; to prohibit the court from ordering support that will cause ineligibility for certain programs; to provide for who may enforce such support; to provide for an effective date and applicability; to provide for related matters; to repeal conflicting laws; and for other purposes.

BE IT ENACTED BY THE GENERAL ASSEMBLY OF GEORGIA:

SECTION 1.

Article 1 of Chapter 6 of Title 19 of the Official Code of Georgia Annotated, relating to general provisions regarding alimony and child support, is amended by revising Code Section 19-6-9, relating to voluntary separation, abandonment, or driving off of spouse as it relates to equity compelling support, as follows:

"19-6-9.

Absent the making of a voluntary contract or other agreement, as provided in Code Section 19-6-8, and on the application of a party, the court, exercising its equitable powers, may compel the spouse of the party to make provision for the support of the party and such minor children <u>and any dependent adult child as defined in Code Section 19-6-15.1 and</u> as may be in the custody of the party."

SECTION 2.

Said article is further amended by revising Code Section 19-6-10, relating to voluntary separation, abandonment, or driving off of spouse as it relates to a petition for alimony or child support when no divorce pending, order and enforcement, equitable remedies, and effect of filing for divorce, as follows:

"19-6-10.

When spouses are living separately or in a bona fide state of separation and there is no

action for divorce pending, either party, on the party's own behalf or on the behalf of the minor children and any dependent adult child as defined in Code Section 19-6-15.1 in the party's custody, if any, may institute a proceeding by petition, setting forth fully the party's case. Upon three days' notice to the other party, the judge may hear the same and may grant such order as he or she might grant were it based on a pending petition for divorce, to be enforced in the same manner, together with any other remedy applicable in equity, such as appointing a receiver and the like. Should the petition proceed to a hearing before a jury, the jury may render a verdict which shall provide the factual basis for equitable relief as in Code Section 19-6-9. However, such proceeding shall be held in abeyance when a petition for divorce is filed bona fide by either party and the judge presiding has made his or her order on the motion for alimony. When so made, the order shall be a substitute for the aforesaid decree in equity as long as the petition is pending and is not finally disposed of on the merits."

SECTION 3.

Said article is further amended by adding a new subsection to Code Section 19-6-15, relating to child support guidelines for determining amount of award, continuation of duty of support, and duration of support, to read as follows:

"(p) The child support guidelines provided in this Code section shall not apply to support for a dependent adult child as defined in Code Section 19-6-15.1."

SECTION 4.

Said article is further amended by adding new Code sections, to read as follows:

"19-6-15.1.

(a) As used in this article, the term 'dependent adult child' means an unmarried individual who has reached the age of majority and is incapable of self-support as a result of a physical or mental incapacity that began before the individual reached the age of majority.

(b) A legal proceeding may be brought to establish support for a dependent adult child. Such proceeding shall be brought in accordance with Code Section 19-6-26 and may be brought by the following:

(1) Either parent;

(2) A nonparent custodian;

(3) A guardian appointed to receive support for the dependent adult child whose benefit the support is ordered; or

(4) The dependent adult child for whose benefit the support is ordered or his or her agent under a durable power of attorney.

(c) A legal proceeding initiated pursuant to this Code section may be filed at any time after a dependent adult child reaches 17 years and six months of age, unless an order for support was established during the dependent adult child's minority.

(d) The amount of support to be paid by one or both parents shall be established in a separate support proceeding pursuant to subsection (b) of this Code section; provided, however, that if a court has jurisdiction over the parties for an issue of support, the parents

of an adult dependent child may agree in writing to provide for dependent adult child support in an existing case provided that such agreement is submitted to the court for approval before such child reaches 18 years of age.

(e) Support ordered after a dependent adult child reaches 18 years of age shall be paid only to the dependent adult child or his or her court appointed guardian advocate, guardian, or agent under a durable power of attorney; provided, however, that the court, in the exercise of its sound discretion, may irrevocably assign the support to a special needs trust established pursuant to 42 U.S.C. Section 1396p(d)(4)(A) or 1396p(d)(4)(C) for the benefit of the dependent adult child by the dependent adult child, his or her agent under a durable power of attorney, the court, a parent or grandparent, a guardian, or a guardian advocate who has been delegated those rights in order to maintain the dependent adult child's means-based government benefits. The court shall not order support for a dependent adult child to be paid to the family support registry established pursuant to Code Section 19-6-33.1.

19-6-15.2.

(a) Pursuant to a support proceeding initiated pursuant to Code Section 19-6-15.1, the court, in the exercise of its sound discretion, may direct either or both parents to provide financial assistance in the form of support to a dependent adult child. In determining the amount of support to be paid to a dependent adult child, the specific terms and conditions of such support, and the rights and duties of both parents with respect to such support, the court shall determine and consider the following:

(1) The dependent adult child's income and assets;

(2) Any existing and future needs of the dependent adult child which are directly related to his or her mental or physical incapacity and the substantial care and personal supervision directly required by or related to that incapacity;

(3) Whether a parent or other person pays for, or will pay for, the care or supervision of the dependent adult child or provides, or will provide, substantial care or personal supervision to the dependent adult child himself or herself;

(4) The financial resources available to each parent for the support, care, and supervision of the dependent adult child;

(5) Any other resources, financial or otherwise, or programs available for the support, care, and supervision of the dependent adult child;

(6) Any state or federal programs and benefits that the dependent adult child is receiving or may receive due to reaching the age of majority; and

(7) The effect that the court-ordered support would have on the dependent adult child's eligibility for such programs and benefits.

(b) The obligation for support of a dependent adult child pursuant to subsection (a) of this Code section shall be modified for either party if the trier of fact determines, in the exercise of its sound discretion, that there has been a substantial change in such parent's or child's ability to provide support as provided by this Code section.

(c) The court, in the exercise of its sound discretion, may irrevocably assign support for a dependent adult child to a special needs trust established pursuant to 42 U.S.C. Section

1396p(d)(4)(A) or 1396p(d)(4)(C) for the benefit of the dependent adult child by the dependent adult child, his or her agent under a durable power of attorney, the court, a parent or grandparent, a guardian, or a guardian advocate who has been delegated those rights in order to maintain the dependent adult child's means-based government benefits.

(d) The support provided pursuant to this Code section shall be in addition to and not in lieu of the benefits or assistance a dependent adult child may receive from a source other than his or her parents. No duty created pursuant to Code Section 19-6-15.1 nor any other provisions of this Code section shall impact the eligibility of a dependent adult child to receive the maximum benefits provided by any federal, state, local, and other governmental and public agencies.

(e) The provisions for support provided in this Code section may be enforced by either parent, by any nonparent custodian, by a guardian appointed to receive support for the dependent adult child for whose benefit the support is ordered, or by the dependent adult child for whose benefit the support is ordered."

SECTION 5.

Said article is further amended by revising subsection (d) of Code Section 19-6-34, relating to inclusion of life insurance in order of support, as follows:

"(d)(1) The trier of fact, in the exercise of sound discretion, may direct either or both parents to maintain life insurance for the benefit of a child who has not previously married or become emancipated, who is enrolled in and attending a secondary school, and who has attained the age of majority before completing his or her secondary school education, provided that maintenance of such life insurance for the benefit of the child shall not be required after a child attains 20 years of age.

(2) The trier of fact, in the exercise of its sound discretion, may direct either or both parents to maintain life insurance for the benefit of a dependent adult child as defined in Code Section 19-6-15.1."

SECTION 6.

This Act shall become effective July 1, 2024, and shall apply to all causes of action accruing on or after such date.

The department shall also notify the appropriate regional commission and the chief elected official of the county and municipal governments, if any, in whose boundaries the proposed project will

be located that the application is complete for review or when in the determination of the department a significant amendment is filed.

(c) The department shall specify by rule the time within which an applicant may amend its application. The department may request an applicant to make amendments. The department decision shall be made on an application as amended, if at all, by the applicant.

(d)(1) There shall be a time limit of 120 days for review of a project, beginning on the day the department ~~declares the application complete for review or in the case of applications joined for comparative review, beginning on the day the department declares the final application complete~~ receives the application. The department may adopt rules for determining when it is not practicable to complete a review in 120 days and may extend the review period upon written notice to the applicant but only for an extended period of not longer than an additional 30 days. The department shall adopt rules governing the submission of additional information by the applicant and for opposing an application; provided, however, that such rules shall provide that any party permitted to oppose an application shall submit a notice of opposition no later than 30 days of receipt by the department of such application.

(2) No party may oppose an application for a certificate of need for a proposed project unless:

(A) Such party offers substantially similar services as proposed within a 35 mile radius of the proposed project or has a service area that overlaps the applicant's proposed service area; or

(B) Such party has submitted a competing application in the same batching cycle and is proposing to establish the same type of facility proposed or offers substantially similar services as proposed and has a service area that overlaps the applicant's proposed service area.

(e) To allow the opportunity for comparative review of applications, the department may provide by rule for applications for a certificate of need to be submitted on a timetable or batching cycle basis no less often than two times per calendar year for each clinical health service. Applications for services, facilities, or expenditures for which there is no specified batching cycle may be filed at any time.

(f) The department may order the joinder of an application which is determined to be complete by the department for comparative review with one or more subsequently filed applications declared complete for review during the same batching cycle when:

(1) The first and subsequent applications involve similar clinical health service projects in the same service area or overlapping service areas; and

(2) The subsequent applications are filed and are declared complete for review within 30 days of the date the first application was declared complete for review.

Following joinder of the first application with subsequent applications, none of the subsequent applications so joined may be considered as a first application for the purposes of future joinder. The department shall notify the applicant to whose application a joinder is ordered and all other applicants previously joined to such application of the fact of each joinder pursuant to this subsection. In the event one or more applications

have been joined pursuant to this subsection, the time limits for department action for all of the applicants shall run from the latest date that any one of the joined applications was declared complete for review. In the event of the consideration of one or more applications joined pursuant to this subsection, the department may award no certificate of need or one or more certificates of need to the application or applications, if any, which are consistent with the considerations contained in Code Section 31-6-42, the department's applicable rules, and the award of which will best satisfy the purposes of this chapter.

(g) The department shall review the application and all written information submitted by the applicant in support of the application and all information submitted in opposition to the application to determine the extent to which the proposed project is consistent with the applicable considerations stated in Code Section 31-6-42 and in the department's applicable rules. During the course of the review, the department staff may request additional information from the applicant as deemed appropriate. Pursuant to rules adopted by the department, a public hearing on applications covered by those regulations may be held prior to the date of the department's decision thereon. Such rules shall provide that when good cause has been shown, a public hearing shall be held by the department. Any interested person may submit information to the department concerning an application, and an applicant shall be entitled to notice of and to respond to any such submission.

(h) The department shall within 30 days of receipt of the application provide the applicant an opportunity to meet with the department to discuss ~~the~~ such application and to provide the applicant an opportunity to submit additional information. Such additional information shall be submitted within the time limits adopted by the department. The department shall also provide an opportunity for any party that is permitted to oppose an application pursuant to paragraph (2) of subsection (d) of this Code section to meet with the department and to provide additional information to the department. In order for any such opposing party to have standing to appeal an adverse decision pursuant to Code Section 31-6-44, such party must attend and participate in an opposition meeting.

(i) Unless extended by the department for an additional period of up to 30 days pursuant to subsection (d) of this Code section, the department shall, no later than 120 days after an application is determined to be complete for review, or, in the event of joined applications, 120 days after the last application is declared complete for review, provide written notification to an applicant of the department's decision to issue or to deny issuance of a certificate of need for the proposed project. Such notice shall contain the department's written findings of fact and decision as to each applicable consideration or rule and a detailed statement of the reasons and evidentiary support for issuing or denying a certificate of need for the action proposed by each applicant. The department shall also mail such notification to the appropriate regional commission and the chief elected official of the county and municipal governments, if any, in whose boundaries the proposed project will be located. In the event such decision is to issue a certificate of need, the certificate of need shall be effective on the day of the decision unless the decision is appealed to the Certificate of Need Appeal Panel in accordance with this

chapter. Within seven days of the decision, the department shall publish notice of its decision to grant or deny an application in the same manner as it publishes notice of the filing of an application.

(j) Should the department fail to provide written notification of the decision within the time limitations set forth in this Code section, an application shall be deemed to have been approved as of the one hundred twenty-first day following notice from the department that an application, or the last of any applications joined pursuant to subsection (f) of this Code section, is declared 'complete for review.'

(k) Notwithstanding other provisions of this article, when the Governor has declared a state of emergency in a region of the state, existing health care facilities in the affected region may seek emergency approval from the department ~~to make expenditures in excess of the capital expenditure threshold or~~ to offer services that may otherwise require a certificate of need. The department shall give special expedited consideration to such requests and may authorize such requests for good cause. Once the state of emergency has been lifted, any services offered by an affected health care facility under this subsection shall cease to be offered until such time as the health care facility that received the emergency authorization has requested and received a certificate of need. For purposes of this subsection, the term 'good cause' means that authorization of the request shall directly resolve a situation posing an immediate threat to the health and safety of the public. The department shall establish, by rule, procedures whereby requirements for the process of review and issuance of a certificate of need may be modified and expedited as a result of emergency situations."

SECTION 5.

Said title is further amended by revising subsections (h), (i), (j), (k), (l), (m), and (n) of Code Section 31-6-44, relating to the Certificate of Need Appeal Panel, as follows:

"(h) After the issuance of a decision by the department pursuant to Code Section 31-6-43, no party to an appeal hearing, nor any person on behalf of such party, including the department, shall make any ex parte contact with the appeal panel hearing officer appointed to conduct the appeal hearing~~,~~ or any other member of the appeal panel~~, or the commissioner~~ in regard to a decision under appeal.

(i) Within 30 days after the conclusion of the hearing, the hearing officer shall make written findings of fact and conclusions of law as to each consideration as set forth in Code Section 31-6-42 and the department's rules, including a detailed statement of the reasons for the decision of the hearing officer. If any party has alleged that an appeal lacks substantial justification or was undertaken primarily for the purpose of delay or harassment, the decision of the hearing officer shall make findings of fact addressing the merits of the allegation. The hearing officer shall file such decision with the chairperson of the appeal panel who shall serve such decision upon all parties, and shall transmit the administrative record to the ~~commissioner~~ department. ~~Any party, including the department, which disputes any finding of fact or conclusion of law rendered by the hearing officer in such hearing officer's decision and which wishes to appeal that decision may appeal to the commissioner and shall file its specific objections with the~~

~~commissioner or his or her designee within 30 days of the date of the hearing officer's decision pursuant to rules adopted by the department.~~

(j) The decision of the appeal panel hearing officer ~~will become~~ shall constitute the final decision of the department ~~upon the sixty-first day following the date of the decision unless an objection thereto is filed with the commissioner within the time limit established in subsection (i) of this Code section~~.

~~(k)(1) In the event an appeal of the hearing officer's decision is filed, the commissioner may adopt the hearing officer's order as the final order of the department or the commissioner may reject or modify the conclusions of law over which the department has substantive jurisdiction and the interpretation of administrative rules over which it has substantive jurisdiction. By rejecting or modifying such conclusion of law or interpretation of administrative rule, the department must state with particularity its reasons for rejecting or modifying such conclusion of law or interpretation of administrative rule and must make a finding that its substituted conclusion of law or interpretation of administrative rule is as or more reasonable than that which was rejected or modified. Rejection or modification of conclusions of law may not form the basis for rejection or modification of findings of fact. The commissioner may not reject or modify the findings of fact unless the commissioner first determines from a review of the entire record, and states with particularity in the order, that the findings of fact were not based upon any competent substantial evidence or that the proceedings on which the findings were based did not comply with the essential requirements of law.~~

~~(2) If, before the date set for the commissioner's decision, application is made to the commissioner for leave to present additional evidence and it is shown to the satisfaction of the commissioner that the additional evidence is material and there were good reasons for failure to present it in the proceedings before the hearing officer, the commissioner may order that the additional evidence be taken before the same hearing officer who rendered the initial decision upon conditions determined by the commissioner. The hearing officer may modify the initial decision by reason of the additional evidence and shall file that evidence and any modifications, new findings, or decision with the commissioner. Unless leave is given by the commissioner in accordance with the provisions of this subsection, the appeal panel may not consider new evidence under any circumstances. In all circumstances, the commissioner's decision shall be based upon considerations as set forth in Code Section 31-6-42 and the department's rules.~~

~~(l) If, based upon the findings of fact by the hearing officer, the commissioner determines that the appeal filed by any party of a decision of the department lacks substantial justification and was undertaken primarily for the purpose of delay or harassment, the commissioner may enter an award in his or her written order against such party and in favor of the successful party or parties, including the department, of all or any part of their respective reasonable and necessary attorney's fees and expenses of litigation, as the commissioner deems just. Such award may be enforced by any court undertaking judicial review of the final decision. In the absence of any petition for judicial review, then such award shall be enforced, upon due application, by any court having personal jurisdiction~~

~~over the party against whom such an award is made.~~

~~(m) Unless the hearing officer's decision becomes the department's final decision by operation of law as provided in subsection (j) of this Code section, the decision of the commissioner shall become the department's final decision by operation of law.~~ Such final decision shall be the final department decision for purposes of Chapter 13 of Title 50, the 'Georgia Administrative Procedure Act.' The appeals process provided by this Code section shall be the administrative remedy only for decisions made by the department pursuant to Code Section 31-6-43 which involve the approval or denial of applications for certificates of need.

~~(n) A party responding to an appeal to the commissioner may be entitled to reasonable attorney's fees and costs of such appeal if it is determined that the appeal lacked substantial justification and was undertaken primarily for the purpose of delay or harassment; provided, however, that the department shall not be required to pay attorney's fees or costs. This subsection shall not apply to the portion of attorney's fees accrued on behalf of a party responding to or bringing a challenge to the department's authority to enact a rule or regulation or the department's jurisdiction or another challenge that could not have been decided in the administrative proceeding, nor shall it apply to costs accrued when the only argument raised by the appealing party is one described in this subsection.~~"

SECTION 6.

Said title is further amended by revising subsection (a) of Code Section 31-6-44.1, relating to judicial review, as follows:

"(a) Any party to the initial administrative appeal hearing conducted by the appointed appeal panel hearing officer, excluding the department, may seek judicial review of the final decision in accordance with the method set forth in Chapter 13 of Title 50, the 'Georgia Administrative Procedure Act,' except as otherwise modified by this Code section; provided, however, that in conducting such review, the court may reverse or modify the final decision only if substantial rights of the appellant have been prejudiced because the procedures followed by the department~~,~~ or the hearing officer~~, or the commissioner~~ or the administrative findings, inferences, and conclusions contained in the final decision are:

(1) In violation of constitutional or statutory provisions;

(2) In excess of the statutory authority of the department;

(3) Made upon unlawful procedures;

(4) Affected by other error of law;

(5) Not supported by substantial evidence, which shall mean that the record does not contain such relevant evidence as a reasonable mind might accept as adequate to support such findings, inferences, conclusions, or decisions, which such evidentiary standard shall be in excess of the 'any evidence' standard contained in other statutory provisions; or

(6) Arbitrary or capricious or characterized by abuse of discretion or clearly unwarranted exercise of discretion."
